International President's Message

Dear Lions,
Service to others is our number one priority. Recognition is secondary. All Lions know that.

Consider the effect that your club or district's innovative, successful service projects can have on another Lions Club or district, perhaps one on the other side of the world. You have the power to encourage and inspire fellow Lions you may never meet face-to-face. That is why it is so important to communicate your successes to the association as a whole.

The best way to do that is by using the Service Activities Report. Please keep this in mind as you plan to take part in the fourth Global Service Action Campaign -- Protecting our Environment -- in April. Using the Service Activities Report ensures that your district can qualify for the newly established Light Keeper awards.

Being recognized as a Light Keeper is not only an appropriate recognition for the hard-working Lions of your district. It also shows Lions everywhere what can be done when we work together in service.

Best wishes,

Sid L. Scruggs III
International President

Global Service Action Campaigns Protecting our Environment

The Protecting our Environment campaign is scheduled for April to coincide with [Earth Day](#) on April 22. Clubs that plan tie-in events for that day can increase the reach and impact of their projects.

One of the aims of Earth Day is to "inform and energize populations so they will act to secure a healthy future for themselves and their children."

Some projects that align especially well with those goals are:

- Develop an awareness campaign around environmental issues.
- Host seminars regarding simple practices that "Protect our Environment."
- Raise awareness about the benefits of "going green."
- Work with a local school to organize a contest that will challenge students to offer creative solutions to solving environmental issues.

Beacon of Hope Highlights

Through the Global Service Action Campaigns, Lions have devoted more than 252,000 service hours to over 3,000 projects that helped young people learn valuable life skills, collected nearly 22,000 eyeglasses and provided food to over 620,000 people.

Dedicated Lions worldwide are shining our light even brighter by serving their communities and showing the strength of our worldwide network.

Set Your Sights High

A Second Chance for Light Keeper Awards

Districts in which 50 percent of clubs participate in two of four Global Service Action Campaigns will receive the Silver Level: Harbor Light Master Award. Districts that achieve the requirements for the Harbor Light Master Award and also exceed membership growth of two percent or more from July 1 through April 30 will receive the Gold Level: Harbor Light Master Award. Now your district has a second chance to achieve those goals. If they have not already done so, clubs in your district may plan and report service projects that meet the goals of the first three campaigns:

Engaging our Youth

Sharing the Vision

Relieving the Hunger

Reports must be received at International Headquarters by April 30, 2011.

President's Message

Lions:

Thanks to all the Lions and Lioness who were able to come and help at the Effective Speaking Contest on March 19th. We had three **Youth English** (Grade 3 – 5): 1st - Autumn Bell; 2nd - Avantika Vaidya; 3rd - Dhruv Pathak. In the **French Youth** we had three winners: 1st. - Sabrina Adam; 2nd - Xavier Wilson; 3rd - Jacob Johnson.

The **Junior English** Grades 6 - 8 we had three winners: 1st. Zac Rogers, 2nd Charlotte Westlake 3rd Jessica Franco.

And **Junior French**: Liam Sinclair and Frances Loiselle and in the **Intermediate French**: Emmanuel Wilson.

All of these students will progress to the District Finals March 12th at P.C.V.S. We wish them all good luck.

Thanks also to the Judges. Some of these judges come back every year and we enjoy having them attend. This year we had *Stephen Kemp* come in as a judge. Stephen won 1st at MDA many times and since his is not eligible to speak he offered to come and judge. Great work! We had a number of schools participate this year and it was great to see the students come out and enjoy themselves win or lose. Thanks also to **Freddie** (Frank Stewart) for coming from the dump and showing the students what they needed to know to be as smart as him. Lots of fun!

Speaking of Freddie I understand he is making his farewell performance at the dinner meeting on March 28th. Come out and enjoy the fun bring your spouse, friends, relatives, neighbors.

Did you hear the date of the **Walk for Dog Guides** has been changed to **Sept. 18th**? This should be a better time for us to put our full attention into making it bigger and bigger. There are a number of walks in May and it gets a little crowded and people don't know which to choose. I say good thinking.

Well its official Lion Bob Weaver is running for Zone 10 Centre chair. It will be great to have someone from our club on cabinet again (That is besides Lion Anne Cabinet Treasurer) and even more of a chance for us to visit other clubs, attend anniversaries and remind people in the district who the Peterborough Lions Club is. We have a number of Lions going to the A-3 Convention in April. It is always a good time and a chance to learn a little more about Lions.

We have gotten a place in the Home shows to sell our raffle tickets. Please say yes when Lion Anne Calls. It's a great opportunity to meet the public. Sell our tickets and maybe interest some new members. So far we have March 18-19-20 at Evinrude. April 1 - 2 - 3 at Evinrude and we are waiting to hear re: the Garden Show Apr 8 - 9 - 10. This is a healthy commitment but the shifts have been broken down so it's not so time consuming for you.

The Bingo Assn. is having a Charity Night/Volunteer appreciation on Wednesday Apr. 13th at 7 p.m. at the Bingo Hall. The tickets are \$10.00 and get you a \$28.00 package. It is a chance for the club to win some money, as well as you personally. Plus it is another chance to be visible in the community and possibly helps the club.

Well, that's all for now.

See you next month
Elaine

Congratulations and Good Luck To Lion Bob Weaver

Lion Bob made his first campaign announcement to run at the Zone meeting hosted by the *Peterborough Lions Club*. He even had Vanna White come out for the celebrations!

Ok, it was R.C. Albert Munneke, but it was like Vanna!

The Fisherman's Glossary of Essential Terms and Concepts

Bite - What the mosquitoes and black flies are doing while the fishermen are preoccupied with not catching fish.

Can of Worms – The situation that arises when you inform your wife that you'll be spending the weekend fishing instead of doing chores.

Crappie – the way you feel when you're at work and you'd rather be fishing.

Dock – The professional you should probably consult about your unhealthy fishing obsession.

Fish Finder – A revolutionary technological device that allows you to scan below the water's surface and actually see the fish you'll never catch.

Largemouth Bass – The most popular game fish in North America. Drop the "B" and it also becomes an accurate description of most fishermen.

Muskie – The odor of any tent or cabin after a group of fishermen has shared it for more than a day.

Snag – Something you're bound to hit if you try lying too outrageously about your catch.

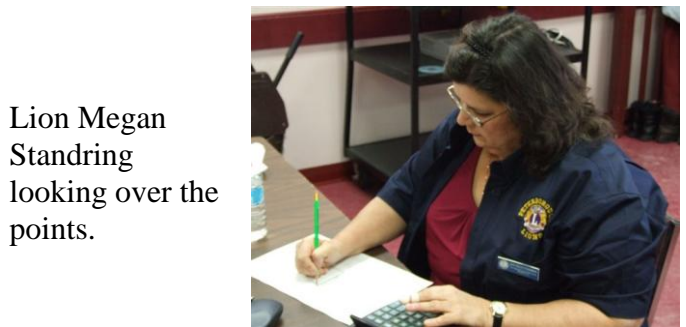

Walleye – Common malady among fishermen, caused by too little sleep and too much beer.

Wet Fly – The unhappy consequence of trying to urinate over the side of a moving boat.

Lions Clubs International

Dear Lion,

Like me, I'm sure that you have been following the news reports of the devastating earthquake in Christchurch, New Zealand. Much of the city is still without water and sewerage systems and aftershocks continue. Thousands have been left homeless as a result of the destruction.

Right now Margit and I are on our way to New Zealand to meet with Lions and view their current relief efforts. We will also meet with the mayor and Red Cross to discuss future plans.

I continue to be impressed by their commitment to helping their neighbours, despite many being affected themselves. At an emergency meeting of the Earthquake Committee last night, there was one Lion who had damage to his house, his place of work was closed, and he had no power, water or sewerage connections, yet was still attending a Lions meeting to see how he could assist the citizens of Christchurch. This exemplifies Lions' "We Serve" motto. Lions have been providing assistance since the devastating earthquake February 22, and [LCIF is providing US\\$110,000](#) to help Lions in providing relief to their communities.

In the past week Lions services include:

- Delivering 500 portable toilets to Doctors Surgery's, Nurse Maud Assn. and households in eastern suburbs
- Going door to door in the suburbs with the Red Cross to find those who need assistance
- Providing grocery and fuel vouchers to families in need as well as food, bedding and water
- Volunteering at welfare centres in Christchurch and Timaru
- Raising \$34,000 during a weekend fundraiser
- Distributing meals through a food caravan in Christchurch
- Lions from neighbouring areas traveling to Christchurch to assist in relief projects, such as door-to-door outreach, delivering food and helping with clean-up
- Lions in neighbouring towns are organizing dinners for displaced families and housing for Lions in need
- Staffing two daily shifts to assist at the national Red Cross coordination office in Wellington
- Delivering a 40,000 litre tanker of fresh water to the suburbs of Christchurch
- Providing weekend breaks to families to escape from the city for two days

You know well that Lions Clubs greatest asset is our volunteers-you and 1.35 million Lions around the world. Wherever there is a need, there is a Lions club nearby, ready to respond with their hearts and hands. In the case of disasters, we are the first to offer help, and the last to leave.

Lions, I ask for your help in making the hope for a brighter tomorrow a reality for the people of New Zealand. The most effective and immediate way to help is through a [designated donation to LCIF](#) for New Zealand relief.

From New Zealand to Haiti to Pakistan, Lions and our foundation are rebuilding homes and lives. Lions are building bridges of compassion with our hearts and hands, in New Zealand and all around the world.

With my cordial regards,

Eberhard J. Wirfs

Many of our clubs work on projects that help protect eyesight. But, we found a very unique Lions club sight project on [The Oregonian](#).

The [Portland Downtown Lions Club](#) recently donated a digital slit lamp to the Oregon Zoo to enable staff to do eye exams for nearly all of its animals. In this photo, a veterinarian at the Oregon Zoo uses the lamp during an eye exam for Chendra, an Asian elephant.

Boy from India Wins 2011 Lions International Peace Poster Contest

We're pleased to announce that Raj Phairembam, an 11-year-old boy from Moirang, Manipur, India, created this year's grand prize winning poster in the Lions International Peace Poster Contest. Judges chose his poster for its artistic merit and portrayal of the theme, "Vision of Peace." During this year's international level of judging at the Loyola University Museum of Art in Chicago, many judges expressed how honored they were to take on this task - and how difficult it was to narrow down the posters from so many wonderful images.

Light Keeper Awards

Two new awards are available to recognize district governors for high club involvement to service.

The Silver Level: Harbor Light Master Award will recognize districts where 50 percent of clubs participate in two of the four Global Service Action Campaigns.

The Gold Level: Light Keeper Master Award will recognize districts that meet The requirements for the Harbor Light Master Award, and also exceed membership growth of two percent or more from July 1, 2010 through April 30, 2011.

Theme: *Vision of Peace*

The Peterborough Lions Club Presents:

At the Peterborough Lions
Dinner Meeting
March 28, 2011

**FREDDIE'S
FAREWELL
TOUR!**

He has stories about some
of the
**Peterborough Lions Club
Members**

(And they might even be
true!)

So you better attend as
he could be talking
about you!

Bring your Spouse!

Bring Your Friends and Neighbours!

WARNING: Adult Entertainment!

As we get older we sometimes begin to doubt our ability to “make a difference” in the world. It is at these times that our hopes are boosted by the remarkable achievements of other “seniors” who have found the courage to take on challenges that would make many of us wither. **“FREDDIE”** is such a person.

Quote from Freddie:

“I’ve often been asked, “What do you old folks do now that you’re retired? Well. I’m fortunate to have a chemical engineering background and one of the things I enjoy most is converting beer, wine and whiskey into urine. I do it every day and I really enjoy it!”

Freddie should be an inspiration to us all!

This was a great day with great speeches. Congratulations to all the students who came and participated, and to the Peterborough, East Peterborough and Peterborough Lioness who worked together to make this another successful effective speaking challenge.

Bulletin Editor's Note:

Hello Lions,

Well here is another issue your club bulletin for you and WOW is it a full one. It is great to see all the work and discussion that we as Lions do throughout our year. As I worked on this bulletin, I kept wondering how I was going to be able to get everything, keep it all looking somewhat orderly and still keep it informative and entertaining. Well after all the work, here it is.

Due to the busy workings of our club and the committees getting me info I think we have an excellent bulletin and one that not only I am pretty proud of but one that you as Lions should be proud of. Because let's face it, if Lions weren't doing stuff this would be a bunch of blank pages.

Keep up the great work Lions.

Sincerely yours in Lionism

Frank Hewitt – Bulletin Editor.
