Dear Lion SHARON,

Welcome to our shared leadership year! I am looking forward to sharing this year with all of you, but especially with club presidents as I believe that the greatest strength of our association rests at the club level. I plan to have "presidents-meet-

the-president'' meetings wherever I travel and I will be relying on you to bring my message to your members

By now most of you know that the theme for my year as international president is "I Believe." "I Believe" is the attitude I hope that you and all Lions have toward our ability to change the world. Together, the 1.35 million Lions club members around the world make up the world's largest network of caring individuals. That makes us capable of great things. It is also a personal statement from me. I believe in you. I believe that every Lion makes a difference.

I thank you for your part in the work we are beginning -- work that will make a difference in the lives of millions.

Sincerely,

Wing-Kun Tam
International President

Tree Planting Campaign

Anyone can plant a tree and many people do. But Lions campaign to plant one million trees this year serves a purpose beyond beautifying our communities. Trees cleanse and renew the Earth's atmosphere. There is little a single individual can do that does more to protect the environment than planting trees. Healthy, thriving trees will remind our neighbors for years to come of Lions commitment to the environment and the vital role that Lions Clubs play in our communities. The trees will also be a constant reminder to ourselves that Lions can reach any goal we set. The "Believers Award" has been created to recognize those who demonstrate their belief in the power of service by planting a tree.

Global Service Action Campaigns

The schedule for Global Service Action Campaigns will be the same as last year.

August	Engaging Our Youth
October	Sharing the Vision
December-January	Relieving the Hunger
April	Protecting Our Environment

Lion Sid L. Scruggs, III
Chairperson, Lions Clubs International Foundation

This year promises to be one of great success as we build upon our recent achievements. Last year, we witnessed our Lions' generous financial support,

especially by giving more than US\$18 million for Japan disaster relief. Overall, donations were up by 46 percent from the previous year!

This next year, your Foundation hopes to continue this generous support for our disaster relief efforts as well as supporting our undesignated fund in order to give hope to even more people worldwide. We will also focus on building our partnerships in new areas of service.

Judy and I are excited to work with all of you this year to further the efforts of our Lions Clubs International Foundation. During the last three years, we have seen first-hand the amazing impact we are having through our Foundation on countless lives worldwide.

Early last year, in Osaka, Japan, I saw how we are providing job training for the blind, and in Nebraska, USA, I witnessed young athletes benefiting from improved sight through our Opening Eyes partnership with Special Olympics. These are only two examples of the impact our Foundation is making.

You may recall that my theme last year was "Beacon of Hope." I can tell you that it is only through your generous donations that our Foundation is truly a Beacon of Hope, and with President Tam's theme of "I Believe," I do truly believe we can change even more lives this year.

I look forward to providing you with an update on our disaster relief efforts in my next message. This week Judy and I will be traveling to Joplin, Missouri, USA, to see the needed assistance that is being given there.

Serving together,

Hong Kong Business Leader Elected President of Lions Clubs International

During our 2011 International Convention, Lions elected Wing-Kun Tam as our 2011-2012 International President. Tam is a Lion from Hong Kong Special Administrative Region (SAR), The People's Republic of China. He is also the chairperson of a world-wide group of air transportation companies - and the first person from China to serve as international president of the world's largest service club organization..

Lions Clubs International Records Fourth Straight Year of Membership Increase

We're pleased to report that Lions Clubs International has experienced our fourth straight year of membership increase. While many volunteer organizations continue to see a decline in members, 2010-11 marks the first time in nearly 20 years that the world's largest service club organization has recorded four straight years of membership increase. Growth in both women and family members are key factors driving the increase.

Lions Roar in Seattle During 2011 International Convention

Last month, more than 15,000 of our members gathered in Seattle, Washington, USA to attend our 94th International Convention. And we've rounded up the top stories from this year's event on the Lions Clubs International blog. Visit our blog to see event highlights, including the spectacular Parade of Nations, Keynote Speaker Condoleezza Rice, winners of the Global Youth Music Competition and a compilation of video highlights filmed onsite in Seattle.

Take Part in August Youth Global Service Action Campaign

As the focal point of his Presidential Theme, I Believe, President Tam asks Lions to believe in the value of giving back - and that one person truly can make a difference. To celebrate the unique gifts we all contribute in our quest to serve others, Lions have the chance to take part in four special Global Service Action Campaigns throughout the year.

From the Bulletin Editor

I spent a large party of my summer in Fredericton, NB because of my brother, Ben. Along the way I met a large number of Lions. A benefit was held for my brother in May at the Upper Miramichi Lions Club in Boiestown, NB. Ben's brother-in-law is a Lions member and they have 52 lions members. Their hall is much larger than owns and have a great kitchen. Great bunch of Lions. Also when I was down in August I got to go to the Fredericton Exhibition. My sister's children are involved with the 4-H and had horses in the show. Two Clydesdale named Belle and Dora, they give a new meaning to big, beautiful and gentle. The Fredericton Lions Club has a chip truck (the biggest chip truck I have ever seen) which they sell dippetity dogs and the long lineup for their dogs were unreal. They only have 10 members and have a Lioness Club as well. The Nashwaaksis Lions Club had a booth in the ex as well and they had games and sold pop and pizza. I got to meet some of the Lions Jim Carlisle (whom I used to work with years ago), Jim Aucoin (transferred from Ontario), Richard Buchanan and Carol Gorley. They have 54 members in their club and Frank Edgar was a member of their club. It was a great summer in spite of the fact my brother is so unwell but I got to meet some great people along the way.

**Why did I print this, because I am the bulletin editor, that's why
SAM**

My wife and I were watching 'Who Wants To Be A Millionaire' while we were in bed. I turned to her and said, "Do you want to have sex?" "No," she answered. I then asked, "Is that your final answer?" She didn't even look at me this time, simply saying, "Yes." So I said, "Then I'd like to phone a friend."

And that's when the fight started ...

From President's Corner:

I welcome all Lions back into our new Lions year 2011-2012. I hope everyone had a wonderful summer.

Mary-Louise and I had a restful month at my sister's house on P.E.I. Now that summer is over and our club gets busier we must all pitch in when needed and assist chairmen of projects. The Club continues to have a lot of Bars to work and Chairman Lion Harm needs help to operate these bars so please step forward.

I was saddened in late August when I received notice of the passing away of our Lion Bing Crosby. Approximately 10 Lions attended the Memorial service for Bing on Saturday, September 03, 2011 and several attended the funeral on Sunday.

Thanks Lions and I know that Joy, Lion Bing's wife appreciated our presence and support.

Our deepest sympathy goes out to Lion Andy Lapointe in the loss of a sister-in-law. Our thoughts are with you Lion Andy.

On a more cheerful note, I understand that my fellow Lions were busy at the "Country Classic Reunion held in Centennial Park in early August. Again on September 10, 2011 the Chip Wagon returned to the Park to take part in the Scottish/Irish Festival. Many Lions showed up to prepare and serve our wonderful menu items. The day was great and the weather quite warm and we all had a great time. At 5 p.m. the booth was closed up and returned to the Lions garage.

A special thank-you to Beverly and Heather Seymour for spending the day with us and helping to serve the public. Your presence helped make our day run smoothly -- THANK YOU.

The Chip Wagon is now back in our garage and is in need of a good cleanup for the winter. Please ask Lion Harm if you can assist with cleanup. The Chip Wagon will once again go to Centennial Park in November to participate in Trenton Christmas Parade to serve hot dogs and hot choc to participants.

On September 06 our Bingo's commenced for the season. A special Thanks to Lioness Connie Kelso and Lion Donna Fields for taking charge and chairing this major fundraiser. Fellow members we can always use your assistance to run these Bingo's.

I received congratulations from a local Trenton citizen and friend about the great work the Lions do at Lions Camp Dorset. This gentleman had the opportunity to visit this camp this summer for a week and said it was a top notch facility and had a wonderful program for visitors. This is a camp for persons with Diabetics. He said the camp was well equipped and all Lions must be proud of this camp. He stated that the minor cost for his week's stay was a bargain

On September 24, 2011 the Batawa Lions Club will be chartered and I hope that all Lions will be attending as we are their sponsor.

As President I may have some positions to be filled within the Club so please consider if asked to chair.

I will be setting up a committee to clean and organize our storage areas in our basement. There are files to keep and junk to throw. Lions Art and Sam will be asking for help soon.

While I was vacationing on P.E.I. this summer I received notification that I had been nominated for the Celebrate 2011 Volunteer Award and that I was a recipient of the Award. On Tuesday, August 30, 2011 I attended an official Award ceremony at the Brighton Arena to receive the plaque. I was very surprised and humble to receive such an award. The award was in recognition of nearly 38 years service in Lionism. Thanks everyone for the teasing.

With everyone's help I believe we will have a great year. I have heard good rumors about possibility of increasing our membership.

Lion President Art Folland

ANNIVERSARIES

October 7 Lion Reg and Edna Hewton – Happy 50th

When our lawn mower broke and wouldn't run, my wife kept hinting to me that I should get it fixed. But somehow, I always had something else to take care of first, the shed, the boat, making beer - always something more important to me. Finally, she thought of a clever way to make her point. When I arrived home one day, I found her seated in the tall grass, busily snipping away with a tiny pair of sewing scissors. I watched silently for a short time and then went into the house. I was gone only a minute. When I came out again, I handed her a toothbrush. I said, "When you finish cutting the grass, you might as well sweep the driveway." The doctors say I will walk again, but I will always have a limp!

One year, I decided to buy my mother-in-law a cemetery plot as a Christmas gift. The next year, I didn't buy her a gift. When she asked me why, I replied, "Well, you still haven't used the gift I bought you last year!"

And that's how the fight started

I took my wife to a restaurant. The waiter, for some reason, took my order first. "I'll have the rump steak, rare, please." He said, "Aren't you worried about the mad cow?" "Nah, she can order for herself."

Lions Camp Dorset, supported by Lions in our Multiple District A, is a camp that enables individuals on dialysis and their families to enjoy a summer vacation. This is their only opportunity to have a holiday together.

As you prepare your budgets for the upcoming year 2011-2012, please continue to support this worthwhile project.

For further information about the camp you can visit their website at

www.lionscampdorset.on.ca They are also collecting Canadian Tire money to help with the cost of operating the camp. Again, there will be a box at the A3 Convention in April for you to deposit what you have collected.

This year, we are asking that all donations be sent through the district treasurer.

Please send your donation to:

Lion Anne Lewis,

Build a Better Club with the Club Excellence Process Workshop

Does your club have a desire to learn more about service, club operation and related topics? You may wish to consider participating in a four-step, facilitator-led Club Excellence Process (CEP) Workshop. We encourage you to preview the CEP and then talk with your club about participating. If your club is interested in having a CEP Workshop, contact your zone chair, district governor or GMT area leader to learn more.

A distraught senior citizen phoned her doctor's office. 'Is it true,' she wanted to know, 'that the medication you prescribed has to be taken for the rest of my life?'

'Yes, I'm afraid so,' the doctor told her. There was a moment of silence before the senior lady replied, I'm wondering, then, just how serious is my condition because this prescription is marked 'NO REFILLS'.'

One of the many things no one tells you about aging is that it is such a nice change from being young.

Ah, being young is beautiful, but being old is comfortable.
