President's Message: Lion Bill Hughes

Fellow Lions

Belated Happy Thanksgiving !!!! With the month of October quickly coming to a close we can give thanks for our many blessings, family get togethers and Lions' activities that we have been able to participate in. As usual, the Millbrook & District Lions Club continues to be active in our community.

The Business Community Appreciation Dinner and the Delta Bingo Fundraising event were fun and exciting for those that participated. Thank you to all those that helped make these two events successful. We look forward to meeting with Fowler's Corners Lions Club on October 24 to present our final \$5,000.00 donation to the Peterborough Regional Health Centre's "Lions for Sight Campaign". Without the support of our membership during the summer at the Peterborough Speedway this monetary commitment may not have come to fruition.

Sunday, October 29 is our next breakfast with proceeds going to the Alzheimer's Society and the Capital Experience. Hopefully our attendance will be up from September. Thank you Lions John French and Larry Smith for volunteering to take over the scheduling of workers for our breakfasts for this coming Lions' year.

February will see our Club at our five local schools participating in Vision and Hearing Screening. Thank you Lions Steve Paul and David Goode for stepping forward to coordinate this very important event. Please sign up so that we can continue to make our Club proud.

May we continue "To Serve" our community to the best of our ability and "ROAR" into November.

Yours in Lionism,
Lion President Bill

F R E D S F U N N Y F A R M

A Hallowe'en message sent to you from our Club President and immediate Past President

This Lions campaign is to raise the funds to purchase a new cataract machine for the Peterborough Hospital, since the old one is now time expired and will not be usable shortly. The goal was to raise \$175,000 to purchase the new machine.

It is being chaired by lion Larry Franks and PID Lion Carl Young of the Fowlers Corners lions Club.

The district Lions Clubs that have donated are

- Campbellford Lions Club
- Chemung Lions Club
- East Peterborough Lions Club
- Havelock lions Club
- Keene lions Club
- Kendal Lions Club
- Lakefield & District Lions Club
- Millbrook & District Lions Club
- Peterborough Lions Club
- Warsaw Lions Club
- Campbellford Lioness Club
- Lakefield Lioness Club
- Apsley & District lions Club

In the first half of 2017, a total of \$87,500 in donations and pledges were received and a matching grant from Lions Clubs International was received. The total is now over \$200,000 The extra money will be used to purchase a cataract surgical microscope to assist in post surgery evaluation and as a training aid for the surgical team.

There will be an official presentation to the hospital in February, to which you will all be invited.

Lions—you should be proud of this Lions accomplishment in which we had a big part

OCTOBER CLUB HAPPENINGS

The fire witch with 1st Vice DG Frank Hewitt

1st Vice DG Lion Frank Hewitt was here for his official visit this month

1st Vice DG Lion Frank Hewitt with Pres Lion Bill Hughes. Our Pres is asking the 1st Vice if he knows him.....

Lion Linda Hughes receives her "Lion Whisperer" award from 1st Vice DG Frank Hewitt

Some of the club outside for the fire drill—The Pres looks like he should have gone to the washroom before the drill

The FIRE WITCH decided that it was time for a fire drill—which we are supposed to have regularly!!!!
