President's Message: Lion Bill Hughes

Fellow Lions

With the New Year fast approaching I take this opportunity to express my sincere appreciation for all the hard work that you, as members and often your significant others, have done to make our Club so remarkable. Let's just think about the many activities that really brings out our motto.....We Serve!! Vision/Hearing Screening in our 5 local schools, Pet Valu Walk for Dog Guides, the Millbrook Fair, many nights at the Peterborough Speedway selling 50/50 tickets, the numerous activities involving our Food Trailer (not only just in our community but at our 2 local schools, Ladies' Night and fundraising activities), our monthly breakfasts, bingo at Delta Club Bingo, and most recently the donation of unwrapped toys for the Legion's Toy Drive, the Millbrook Santa Claus Parade and serving hot chocolate as well as our Annual Christmas Dinner.

In looking forward to 2018, my hope is that our Club will continue to grow and to be the best of the best. Let's continue to bring forward suggestions for our entertainment meetings as well as future day trips or tours for our members and guests to enjoy.

Yours in Lionism....
President Bill
