November 2025

- September 27th, – Lion Ellen Fegan – Marmora-Crowe Valley Lions Club
- October 7th, 2025 – Lion Jean Martin – Napanee Lions Club
- October 20th, 2025 – Lion Wilf Durham – Prince Edward County Lions Club

May they rest in Peace.

Respectfully submitted,

A3 Secretary Report to Cabinet November 1, 2025

Since the last Cabinet meeting I have met those others in Cabinet responsible for cheque signing and arranged the transition of authorities.

I attended the Celebration of Life for PDG Bill Zwier, Membership Mania and the first Convention Committee meeting.

At the request of Region Chair Mike Hage, and with a great deal of work from GST Chair Deb Fortin-Brown, a list of the emails of almost every Lion in District A3 has been drawn up.

The purpose is to be able to reach as many A3 Lions as possible regarding the 2026 A3 Convention. Obviously, this list may well serve other purposes as well.

Speaking of emails, please be sure that your emails are correctly entered on the portal and that when communication with the A3 Secretary that you use the email:

a3cabinetsecretary@gmail.com. I do not want to lose your reports when they are sent to my personal email address. Thanks for your consideration.

Report respectfully submitted,

Steve Scally

Cabinet Secretary for District A3

DG 2nd report to cabinet

District Cabinet A3.

This is my second report to cabinet. I continue to make my visits to clubs. All the clubs are doing well and am pleased to report that clubs are getting on board with PAD. This will eliminate club suspension or worse.

Our GAT team met again in Belleville, and we decided to have our next meeting on zoom. A new club on Tyendinaga is looking promising as PCC John has booked a meeting with the chief and will report back with the results of the meeting at a later date.

At the time of this report no news has been received concerning the LFC Dog Guide situation. They had until the end of October to raise the funds. Time will tell how they made out with financing.

Many clubs have made donations to Lions Camp Dorset both for the building fund and the operations fund. They continue to remain viable, but more assistance is required from MDA districts.

Respectfully submitted.

Elections and Credentials Update to Cabinet – November 1, 2025

District Governor, Cabinet Members, Lions and guests, this is my second report as the chair of Elections and Credentials for 2026.

The election procedures shall be in accordance with A3 Constitution and Bylaws (27 September 2025).

It will for the most part run almost the same as last year.

If you are looking for copies of the paperwork, it's in the annexes of the District A3 Policy Manual (10 February 2024):

- Annex C for Nomination and Endorsement form,
- Annex D for Delegates Credentials Certification form.

Also District A3 Constitution and By-laws has the Nominating Committee Checklists.

Club secretaries fill out the Nomination and Endorsement form and email it to District Governor Kevin for his signature. He will send it on to the cabinet secretary for filing and myself, so that I can add the names to the 2026 / 2027 Candidates List.

Entitlement of the number of ballots shall be sent directly to the club secretaries from me, through the Cabinet Secretary early in March.

The Club secretaries shall print off the Delegate Credentials Certification form and issue it to the Lion members, who are voting for each club. Remember, you must have a form signed by your club secretary and an up-to-date Lions ID card in order to vote.

Voting will take place from 08:30 to 10 am on Sunday 12th Apr 2026 at the Best Western Plus Cobourg Inn & Convention Centre. The voting location in the hotel shall be announced later during the convention.

- See Appendix A for further information.
- See Ballot Entitlements 2025 for an example of the Convention Ballot Entitlements.

The 2026 Convention Ballot Entitlements will be sent out to the Clubs in March 2026.

Elections and Credentials

Chairperson

District Governor Lion Bryan, members of Cabinet, Lions all,

This is my second report to Cabinet for the 2025/26 Lions year.

Since my last report, I have attended the LCIF strategy session in Vancouver, visited the Peterborouh Lions Club twice, the Trenton Lions Club and the Napanee Lioness Lions Club. I was accompanied by IPDG Lion Kevin for the photo op at Lakeridge Health, Bowmanville to view the new equipment provided with the assistance of a Grant from LCIF.

We have submitted all of the required paperwork to LCIF and are awaiting the news that our Grant for Lakeridge Health is closed.

The donations to the Lions of Canada Fund for LCIF are slowly trickling in and I don't know how much of that is a result of the postal situation or the competition from other Lions causes.

I have received a couple more inquiries about Grant availability from Clubs and it is getting very difficult to not remind clubs that offering a little support to our foundation would make it easier for me to offer assistance with their grant inquiries.

I am always available to visit your club and share the mission and vision of LCIF so please do not hesitate to reach out.

For further information, please feel free to contact me at liondonradnor@gmail.com or by calling 705-868-9092.

Cabinet Members, District Officers, Lions and Guests,

This is my second report to the District as your Immediate Past District Governor.

I attended Bowmanville Hospital to close out the Grant that we received from LCI.

DG Lion Bryan knows that I am always available to assist both him or the other members of the Cabinet with the things that I learned during my year serving as DG and the phone lines are open 24 hours day. That is not to say I have all the answers, but I will do what I can to answer as best as I can and will always be open and honest with my answers.

Cabinet Members, District Officers, Lions and Guests,

This is my second report to the District Cabinet in the position as District Historian. I would like to pass along something that I think might interest some of our newer members in the History of Lions. Enjoy the read:

EXCERPT FROM LIONS 37TH ANNUAL CONVENTION MINUTES

MOTTO CONTEST WINNER ANNOUNCED INTERNATIONAL DIRECTOR GAMMON:

“President S. A. and fellow Lions: This is indeed one of the most happy occasions of my life, that I am privileged to announce the results of two long, hard tedious years of work on the part of your International Board of Directors in choosing and selecting a motto that we thought was truly indicative and characteristic of our great and wonderful organization and what we stand for and what we do. After considering over 6,000 mottoes, submitted from the Four Corners of the world and every State in the Union, we have selected what we consider to be an outstanding motto that we can be proud of something that we can use from now on. And I give to you at this time the winning motto which was submitted by eight individual Lions Club Member of the United States, two from Canada, one from Hawaii, which is indicative of the truly international scope that this motto has taken.

According to the contest rules the member submitting the winning motto with the earliest postmark would be declared the winner — and the winner of the contest is LION D. A. STEVENSON OF FONTHILL, ONTARIO, CANADA. (applause)

The Motto is “WE SERVE.”

Lion Stevenson is not here today to receive the Award, but we have in his stead a Past President of the Fonthill, Ontario, Lions Club, Lion Gib Gordon and I will present the Award to Lion Gordon. I wish to present to Lion Gordon, on behalf of Lions International this beautiful and outstanding Award so that he can take it back to his member in Canada and present it to him with the compliments of this great and wonderful International organization. Congratulations to you and to Lion Stevenson. (applause)

LION GIB GORDON: President Dodge, International Director Gammon, Lionesses and fellow Lions. It is certainly a thrilling moment for the Fonthill, Ontario, Lions Club and I am proud to act as proxy for my good friend and fellow Lion. Doug Stevenson unfortunately could not be here, but he has sent a message to you which at this time I would like to read: “Fellow Lions. in thanking you most sincerely for this most unexpected Award I wish to emphasize that the credit foes first to our splendid little Fonthill, Ontario, Lions Club whose inspiring example of devoted,

selfless service to its community gave me the motto “We Serve” practically automatically. And, secondly, to those same worldwide service activities of our great body, Lions International.

Lions, I greatly regret that a previous appointment in England precludes my presence and prevents my thanking you personally, but I am very glad that my good friend and Past President of our Club, Lion Gib Gordon, will be with you to accept the Award on my behalf, for which I thank you most sincerely.”

From this you will realize what Lion Stevenson meant when he stated “We Serve” was practically an automatic slogan. Again, on behalf of Lion Douglas Stevenson of the Fonthill Lions Club, our sincere thanks to Lions International for this find award. Thank You. (Applause)”

Who would have imagined that such a small sentence would have such a huge impact around the world. And today the message remains the same, my friends.

Administrator Report
District A-3 Cabinet Meeting
November 1, 2025

District Governor Bryan, Cabinet Members, Committee Chairs, Lions and Leos of District A-3, please accept this as my second report for the 2025-2026 Lions year.

I continue to support the clubs in a number of ways. There is an issue with a couple of clubs regarding dropped members. They are unsure when the members were dropped, but they weren't able to reinstate them and get back the members' years of service. They were redirected to the LCI support team, as only they can confirm a member's years of service and attach them to the Lions' member number.

Most clubs seem to be online now, and a few continue to reach out for help to input their Service Activities.

All seems to be well, otherwise 😊

October 26th, 2025

Good morning DG Bryan, Cabinet members and Lions All.

This is my second report to the Cabinet for 2025-2026.

I am continuing to work with the clubs that haven't been reporting their service. It has been challenging with a few of them, but hoping that eventually all clubs will be reporting sooner rather than later.

Extra Basic Portal session has already taken place at:

Storrington Lions Club on Sunday October 5th with 7 Lions in attendance...2 from Amherstview and 5 from Storrington. It was great to be able to answer their questions and there were many of them!

There was to be a session at the Stirling and District Lions Club on October 19th, but the few who were coming cancelled either because of distance or a previous engagement.

Z-11W Chair Lion Lynn Lowe will touch on the portal with the clubs in her zone at her Zone Advisory Meeting. She will tell the clubs attending her meeting that I will still do a basic session with any and all the clubs in her zone.

Two more Portal sessions are confirmed to take place at:

- Cobourg Lions Club on November 2nd from 1 - 3 pm.
- Denbigh Griffith on November 9th from 1 - 3 pm

To get the last few clubs - as of this report, there are now only 8 of them - into the Portal to report their service activities, I am offering to go and do a one-on-one session with their secretaries and presidents. It is my sincere hope that this will be beneficial to them.

Right now our District has peaked at 83% reporting and our District has levelled off at number 1 overall in MDA. I am hoping to get that number increased to at least 90%, and maybe more, or even all in, by the end of November.

Respectfully submitted,

Lion Deb Brown

Second Cabinet Report from Lions Camp Dorset Chair

This is my second report for the Lions' year 2025-2026.

Since my last report, I have travelled with District Governor Bryan to the following Lions clubs: Sydenham, Storrington, Napanee and Prince Edward County, where, at the bequest of the Governor, I made presentations regarding Lions Camp Dorset.

I have not made any independent presentations, but I remain available to speak to any club or Zone meeting upon request.

District A-3 GET Report
October 30, 2025

DG Bryan, FVP David, SVP Nawar, Members of Cabinet:

I met this morning with the Chief of the Tyandinaga Mohawk Nation. This was a fact-finding meeting to get a better understanding of their issues/concerns. I deliberately did not broach the topic of starting a new club at this time.

The challenge is now to determine how best to approach those concerns and whether the initial approach might be to establish how the PEC Lions Club might work together with them to address some of those concerns as a segue into starting a Club Branch or full Lions Club down the road.

This will require a longer-term approach and we might not see anything start to happen until after their upcoming elections that are scheduled for December 6, 2025.

Respectfully submitted.

**Zone Chair Report – Zone 10 Centre
District A-3 Cabinet Meeting
November 1, 2025**

District Governor Bryan, Cabinet Members, Committee Chairs, Lions and Leos of District A-3, please accept this as my second report for the 2025-2026 Lions year.

It's a great feeling to watch the clubs in Zone 10C grow in membership! They all continue to do great work in their communities, and people are noticing and wanting to get in on the action!

The theme for the first Zone Meeting this year was Service. Held on October 4, guests included 1st VDG Dave McKellar, PDG Frank Hewitt, and Lions from three clubs. 1st VDG Dave talked about the importance of inputting Service projects into the Lion Portal, the three service projects encouraged by LCI, and changes to the Club Excellence Award. This last item wasn't well received, and 1st VDG Dave mentioned that he will take the concerns to MDA.

PDG Frank spoke on Service and the difference between fundraising and service projects. He talked about the importance of inputting service to the Lion Portal, the duties of the Club Service Chair, and answered queries on how to input service information. It was interesting to hear the various discussions on Service and the different opinions regarding the changes from LCI this year. These differing observations are what help us to grow as an organization.

Next confirmed meetings are as follows:

- October 27 – to Peterborough Lions Club to present a 60-year Chevron
- November 3 – official visit to Millbrook Lions Club
- November 19 – official visit to Kendal Lions Club
- November 29 – Zone Meeting #2 – Membership
- January 26, 2026 – official visit to Peterborough Lions Club
- February 7 – Zone Meeting #3 - Leadership

Lynn Lowe, ZC 11W

I have visited all of the 8 clubs in my Zone in Sept/Oct.

My visit at Napanee Lions on October 20th was interesting. Also in attendance were DG Bryan Adams, A3 Secretary Steve Scully and PDG Doug Galt, who was celebrating his 60th year as a Lion. President Shelley Free expressed concerns about her club and membership involvement. Four members attended the dinner, with another three showing up after dinner. Their new meeting place is at the Morningstar Mission. I feel that they have enough going on (currently collecting pop tabs, collecting for a Christmas gift card tree, and selling Dog Guide calendars) for the small club that they are. Lion Shelley received some encouraging words from PDG Doug Galt as well as a follow-up email. This club will be visited regularly to help to try and relieve the stress of Lion Shelley, who works full time plus more at the Mission.

Napanee Lioness struggle with fundraising. They wanted some new and quick ideas. They were advised of the A3 funding for hunger ideas, which could include Food Safety training. They reached out at the Zone meeting with good results. See below.

I know there is some history for these two clubs, but I really feel that they would be so much better joining together. When asked about this, both were noncommittal. Also, apparently the Napanee Lionesses would lose their years of service if they became Lions. This is something that needs to be confirmed. Any advice here is appreciated.

The first Governor's Advisory Zone 11W meeting was on October 22nd in Sharbot Lake. The theme was Service. There were 45 in attendance, representing 6 clubs, as well as FVDG Dave McKellar and SVDG Nawar Hage.

Some highlights:

- A brief chat by SVDG Nawar Hage on membership mania and friendship.
- A notice by ZC Lynn Lowe for Hunger Chair Fred Brown re monies available.
- A short presentation by ZC LL about reporting service on the Portal.
- A brief overview of the Land O' Lakes successful Catch the Ace Lottery.
- Clubs were invited to brag about their best events followed by a question-and-answer period. It was a great energetic component that had good sharing. Clubs also reached out for ideas for new events and received great feedback.

Cabinet Report for November 1st Meeting

Zone 11E Chair Marie Wilkins

This is my second report to the cabinet.

Since our last cabinet meeting, Zone 11E has had a portal training session. In attendance we had Storrington Lions, Sydenham Lions and Amherstview Lions. Lots of information presented by GST Lion Deb Brown. Questions were raised and I was able to give an overview of the presentation which will be presented at my next zone meeting, which is this week, Nov 6th at Kingston Lakeshore West Lions Club.

I had the privilege of visiting the Bath & District Lions Club on October 15th, at which time I have inducted 2 new members to their club. Listening to their meeting I learned of the many things they are doing in their club. They are currently gearing up for their holiday season events. I have spoken with the club, and we are setting up their club training session for the Lions Portal.

I encouraged all clubs to attend Member Mania which was held in Cobourg on October 25th. No club members from our zone attended. The day was very productive, I have taken away some key points that I will share at my zone meeting on November 6th, as well as make an orientation package to present to the clubs to start us on the right track.

Re: 2nd District Cabinet Meeting

Date: Saturday November 1st, 2025

Location: Amherstview Lions Hall.

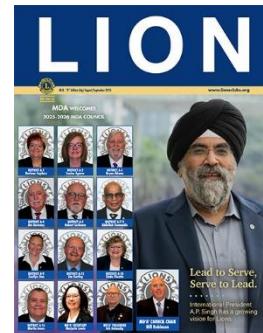

Cabinet Members, District Officers, Lions and Guests,

This is my second report to the District serving as your Technology and Webmaster Chair. It has been exciting to see so many clubs beginning to post on the District A3 Facebook page on their own. And it is great to see that Lion Kim Carr is doing an awesome job keeping it dedicated to our District so that OUR members can take advantage of boasting about our members and continuing to showcase the things they are doing in the communities. A huge thank you to Lion Kim for taking this position on.

It has been great to see that information that has been coming my way to be sent onto other clubs. But even better to hear if when I am told that, "Oh we are planning on attending this one. Thanks for sending it our way." That's what I am here to help you do.

As for the District Website, I am still waiting on photos for many of our officers and many forms that need updated on the site. I realize that the E-webpage is a bit frustrating to work with and sometimes it feels like it is out of date, but my friends we need to work with what we have until something better comes along. I have done most of what I could on the site, but until people start sending information along my way than that but honestly, it is a great site to store information for upcoming Lions to go and get information and for committee chairs to share their information with others in the district. And best of all – IT IS FREE!

I am glad to see that our Lions Magazine has come in and there on the front cover of our own District Governor Lion Brian Adams! If you have received it, I hope that you have taken the opportunity to read through it and see just what is happening within and around our own area. I encourage each of you to read through it and see the Clubs in District A3 that I passed along what they are doing here, and it has been put into print, and it becomes a part of history. I encourage each of the clubs to send items to me and I will make sure they get sent into the next issue. I can't guarantee that they will get in BUT if you don't send them, I can guarantee they won't get in.

So please Lions keep sending your information along and let other districts know that District A3 is standing tall and working wonders out there. No one can stop this District!
