## Editor's Notes:

Hi Members,

It is that time of year when we are once more putting out a monthly bulletin for our club. I would like all members to think about what they would like to see in our bulletin this year to make it the best we can.

I need pictures, jokes or comments of interest.

I would like to see pictures of your committees hard at work, or of any of our activities as they happen.

See you at the meeting on Sept 26

Respectfully

Georgie - Bulletin Editor

"I want you to scan these and put them in the next newsletter."

## Words from our President

Here it is September, the end of summer. Twenty years ago on September 3rd, 1997, we were chartered as the LIONS CLUB OF COURTICE, sponsored by the BOWMANVILLE LIONS.

Planning is on the way for special celebration for our 20th Charter and the Lions International Centennial—100 years of service. Our International President Dr. Naresh Aggawal has asked us to get back to the basics with the motto "WE SERVE", the basis on which our organization was established.

Dr. Naresh also directs us to:

**THE POWER OF WE**  
**THE POWER OF ACTION**  
**THE POWER OF SERVICE**  
**THE FUTURE IS NOW**

**The POWER OF WE:** Reminds us that with many hands we make great accomplishments. All members are involved in increasing club membership. The best way is asking someone to come to our meeting and to consider joining our club.

**The POWER OF ACTION:** Directs us to identify community needs and develop a plan of action to meet the need. The need for more organ donors had us organize a donor drive at Faith United Church. The incidence of diabetes is a worldwide concern and one of the focuses of Lions Clubs International. We address this need by holding diabetes Awareness days and participating in Diabetes Tag Days.

**The POWER OF SERVICE:** Our purpose is always to provide service to those in need. This also involves volunteering for our funds raising activities, so that we can acquire the financial means to provide many of our services.

**The FUTURE IS NOW:** Time for us to look at who we will become in the next 20 years.

Our sympathy goes out to Lion John and his family at the death of his mother. Nice to see Lion Pat out to some of our meetings. Get well wishes goes out to Lion Bill and Lion Gayle and hope to see them at the meetings in the near future.

This first meeting of the year will be a relaxing get together and having fun, with a couple of items on the agenda. INVITE A FRIEND OR FAMILY MEMBER to our meetings.

SEE YOU AT THE MEETING ON SEPT 12TH.

Yours in Lionism  
President Lion Evelyn

I found Curtis B hiding in a bin with his fellow Lions  
I coaxed him out and he promised to be in all our Bulletins, but I have to bring out His friends also,  
I guess we can do that, right Members.

Be prepared to meet his friends!!

**Lions and the Environment**

Greetings Lions!  
Welcome to our 2017-18 Lions year!

I am excited to be your Environmental Chair this year. When DG Bill Zwier approached me to consider the position I was happy to accept as the environment is an issue I am passionate about.

I was fortunate to spend every summer growing up at a cottage near Kingston. The only girl in a family of boys I spent my time in the surrounding forest and the swamp and it is there I developed my love of nature.

As I grew older and became aware of what was happening to the planet, my concern grew and my interest in helping wherever I could increased.

With this newsletter I hope to bring you news from Lions International as well as Lions Clubs in our District and around the world. I will include things your club could do to help the environment as well as what individuals can do on their own.

As I started my research for the newsletter I was amazed to learn what Lions around the world do for the environment! From planting sustainable community gardens to helping to build safe drinking water systems to removing litter from a beach or road

way to developing an awareness campaign around environmental issues to planting trees—these are just a small example. There is nothing too small or too large.

Thank you all for your part in saving our planet. *Together* we can make a difference.

ONE HUNDRED years from now

It will not matter

What kind of car I drove,

What kind of house I lived in,

How much money I had in my bank account,

Nor what my clothes looked like.

But one hundred years from now

The world may be a little better

Because I was important

In the life of a child.

### FYI

**Club Twinning:** For Lions members who do not know about club twinning here is a explanation from International.

Lions Clubs International club twinning fosters friendship and understanding by linking clubs across international borders. Two clubs from different countries enter a formal agreement of friendship and cooperation, working together on mutual mission statements, organizing identical service projects in their respective communities and even traveling together to another location in need of service that Lions can provide. Whenever Possible, club members are encouraged to visit their twin club's location, attend meetings and stay in the homes of Lions from their twin club. Twin clubs have a single purpose:  
**WORKING TOGETHER TO SERVE.**

As Region Chair for Region 10 of District A3, I look forward to working with the Lions Club of Courtice, as well as all the other clubs of Region 10 ! I'm sure we will have an exciting and productive year.

Fresh off the A3 Cabinet meeting on September 17th at the Amherstview Lions Club Hall, I'm struck by the great level of talent and enthusiasm in our District Leadership. How can we not be successful, with all these tremendous people working with us.

Please remember that any member of the District Cabinet will be willing to answer your questions, attend your meetings, do inductions or whatever you feel that you need us for. Don't be afraid to call on us.

I invite all Lions of Region 10, to my Region rally on Friday , September 29th, at the Bewdley Lions Club. This will be a casual coffee, tea, and dessert evening, with 50/50 prize draws, and a skit put on by the Leadership Team.

All funds raised in the evening will be given back to the clubs who have attended, to kick start their Admin Funds.

There will be no cost for the registration, coffee, tea or dessert.

**Come out and meet the Leadership Team**
