July 2020 — Issue 1

Dear A-3 Lions, Lioness, Leos...

I would like to thank the clubs in A3 for their ongoing efforts to provide service in a Covid world... and send out my congratulations to those clubs that are doing the drive-through food events.

It's inspiring to see the great work and dedication of all our members in A-3.

Allow me to offer my heartfelt gratitude to all those Lions who made my 'virtual' Installation as Governor such a memorable event. I had a brief outdoor ceremony and took my 'Oath of Office' from my home in Norwood. The surprise drive-by parade, all the wonderful cards, letters and emails received made the event very special. Thank you all so much.

Remember... as Lions, our service starts with a simple act of kindness.

Lion Don

WE SERVE... Service to humanity is the reason Lions Clubs International exists. Let's show the world that solving our greatest problems are within reach if we all work together for the common good.
~ from LCI website

Without community service, we would not have a strong quality of life. It is important to the person who serves as well as the recipient. It is the way in which we grow and develop.

Secretaries... it's very important to have the majority of A-3 clubs represented. If you can't attend in your Region, you're most welcome to attend in another region.

Please bring your lunch/snack ~ coffee will be provided. Each hall is equipped with a refrigerator and microwave, if needed.

These locations all have Wi-Fi available and have been chosen for their size, to allow for safe social distancing.

First-time secretaries are asked to attend, along with anyone who is struggling with the MyLion reporting system. It's also recommended that if a club secretary feels overwhelmed, that the club appoint a club administrator to assist the secretary and that he/she attends the training as well.

The facilitators will need to know numbers attending! For more info and to RSVP ... please contact:
