## NEWSLETTER

December 2016

Fellow Lions, Lionesses, Leos:

It's hard to believe that we are almost halfway through this Lions Year, and what a roller coaster it has been. We've seen the demise of the Cherry Valley and District Lions Club and the initial steps towards the building of a new club in Buckhorn, and let's not forget the chartering of a new Leo Club in Sharbot Lake. We've had the pleasure of congratulating several of our clubs as they celebrated Charter Anniversaries and there are several more still to come in the New Year. Many Lions have achieved significant service milestones and it was an honour to present them with their milestone chevrons.

During my visits to clubs and zone meetings I've heard about all the wonderful projects that the clubs in our District are involved in and am encouraged that mottos like 'We Serve' and 'Where There's A Need There's A Lion' are so much more than just nice words.

It is also very encouraging to see new leaders emerging at both club and district level and I thank and congratulate all of you who have stepped up to the plate and taken on a leadership role this year.

So, as you can see, things are coming along nicely on both the Community Service and Leadership Development fronts. As far as Membership Development is concerned, our losses year to date far outweigh our gains and we are currently running at a net loss of 75 members against a projected net loss of 8. So, as you can see we still have a big mountain to climb. Please remember that, the more members we have, the more people in our communities we can serve.

As we approach the holidays, it is a time to focus on our families and friends. There have been many Christmas breakfasts, lunches, dinners and parties over the past couple of weeks. Hope you enjoyed the food, fellowship and friendship, drank responsibly, drove safely (avoided deer!) and now take the time to relax and recharge your batteries so that you can approach the next six months with renewed energy and enthusiasm.

On behalf of Lion Kathy and myself, we hope you all have a very Merry Christmas, Happy Holidays and a Happy and Healthy New Year.

There is still time!

Unitron Canada has offered to donate \$5.00 to the Lions Foundation of Canada Dog Guide Program (specifically Hearing Ear Guide Dogs) for every new “like” they receive on their Facebook page for the month of December 2016.

It only takes a second of your time and would mean so much to someone who needs a hearing ear guide dog! Thank you!!

## DISTRICT BULLETIN CONTEST

Hello Lions,

I just wanted to update the District on where we are with this contest for our Lions year 2016 – 2017.

The committee has had a good response to the PDF format and as of this report we have only received one bulletin by mail. Every other one we have has been delivered and received through email.

It has been great to see what is happening in the other clubs in the District and it has been fantastic to see that one club even goes so far as to have their newsletter emailed to all the clubs in their own Zone. This gives everyone a chance to not only see what is happening in their club but to brag about their own accomplishments and to showcase just what makes them a great Lions Club.

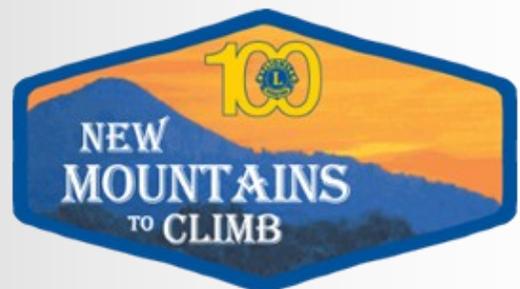

I realize many clubs are not doing a bulletin, but I can't even begin to explain the importance of not only letting your members know what is happening in your own club but to let them know what is happening in their own Zone, in their own District and in their own Organization. And to do it by putting it all together in one package really allows members to sit down and enjoy what is happening in Lions. It even gives them a chance to show off to friends and family what they are doing. And what a perfect opportunity to pass along the word of what Lions do in around the world then by leaving a copy of your newsletter laying around in your community gathering spots.

I am very hopeful that as this contest continues we will see many other clubs continue to join this project and perhaps we can see them getting added to our District e-webpage and every other opportunity that will help us to show everyone how we all follow our motto, "We Serve".

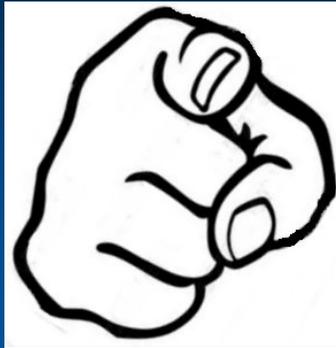

I would like to thank Lion Kayla Donnelly and Lion Joe McCauley coming on as judges for this contest. It has truly been wonderful working with these two Lions and I am sure they are enjoying the job as well. It is great to be able to watch younger Lions working and learning so much more about this wonderful organization.

Respectfully,

Lion Frank Hewitt  
District Bulletin Judge
