In 2019-2020 we are continuing to emphasise teamwork. Your club is a team and needs to function harmoniously.

I believe that there are 3 components to effective teamwork

1. Effective **Communication**, electronically, and face to face. Emails can be misinterpreted.
2. **Cooperation** is also key because as we often quote "Alone we can do so little, together we can do so much". To be successful we need to cooperate. Lions are at their best when they have a goal.
3. **Respect** is essential. Respect for each other as people. Respect for other's points of view. We can agree to disagree without belittling each other.

**Teamwork = Communication, Cooperation + RESPECT**

My favourite visual when talking to Lions is the **Three Legged Stool**. It represents the Membership, Leadership and Service elements of our approach to Lions. **Service** is the ultimate goal in everything we do, but without **Membership** we have no one to do the service, **and without Leadership we can waste time and effort wandering aimlessly.**

***Service = Membership + Leadership.*** They are interdependent.

Our International President for 2019-2020, Dr Jung-Yul Choi has chosen as his theme, **"We Serve Through Diversity in Harmony"**.

***"Lions not only serve the world, we represent the world. Together we are more than we are alone."***

*Dr Jung-Yul Choi, 2019*

He wants us to practise Servant Leadership, which is characterized by the phrase "What can I do for you? Dr Choi wants us to lead by example. Are you ready?

Have a great year Lions. The A3 Team of Lions is ready to go.

*DG SUSAN*

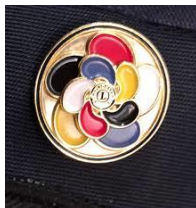

## **DR. JUNG-YUL CHOI INTERNATIONAL PRESIDENT**

Dr. Jung-Yul Choi of Busan, Republic of Korea, was elected to serve as international president of Lions Clubs International at the association's 102nd International Convention, held in Milan, Italy, July 5 through July 9, 2019.

A member of the Busan Jae-il Lions Club since 1977, President Choi has held many offices within the association, including club president, cabinet secretary, district governor and international director. He also served numerous times as a DGE Group Leader and served on 11 committees as a member of the International Board of Directors. In addition, he was a chairperson of the 39th OSEAL Forum in 2000 and a host committee chairperson at the 95th Lions International Convention in Busan in 2012, the largest convention ever held in Lions history.

In recognition of his service to the association, President Choi has received numerous awards, including the Humanitarian Partnership; Senior Master Key Award; 100% District Governor Award; multiple International President's Leadership Awards; multiple International President's Awards; and an Ambassador of Good Will Award, the highest honor the association bestows upon its members. He is also a Progressive Melvin Jones Fellow.

In addition to his Lion activities, President Choi is chief executive officer of Koala Company, Ltd., an international trading company, and is also a past director of the Busan Sports Association. President Choi and his wife, Seung-Bok, have one son, four daughters and two granddaughters.

## **District Governor Susan Taylor Chemung Lake Lions Club**

Lion Susan joined the Millbrook and District Lions Club in 2002. She has served as Club Secretary and President and chaired the club's Vision Screening committee and Walk for DogGuides Committee, as well as serving as Club Newsletter Editor.

In 2016, due to a move to a new community, she transferred to the Chemung Lake District Lions Club where she takes an active role in service and fundraising efforts and was on the planning committee for the club's 45<sup>th</sup> Charter Anniversary.

Lion Susan's efforts at the District level have included serving as District Newsletter Editor twice, presenting the Club Secretary's workshop and serving as Vision Screening Chair for 10 years. In that capacity, she spearheaded efforts to raise over \$100,000, including an LCIF grant to purchase new and up to date vision screening equipment.

In 2013, Lion Susan was instrumental in working with Scholastic Books Canada in introducing The Read and Rise Literacy Initiative to District A3, the Multiple District and all of Canada. For her efforts in this area, she was presented with a certificate of appreciation by the Multiple District. She was also asked to present a workshop at the USA/Canada Forum on this topic in Grand Rapids, Michigan.

For championing the causes of Lions Foundation of Canada DogGuides, she has been presented with a Judge Brian Stevenson Fellowship. For her work in both Vision and Hearing Screening and Literacy, she has been presented with a number of District Governor Appreciation Certificates, four International Presidents' Certificates of Appreciation, a Helen Keller Fellowship and the International Presidential Award and Medal.

In preparation for the various offices at the District level, Lion Susan has completed the Advanced Lions Learning Institute in Denver, Colorado, the Bachelors and Masters Level Degrees at the Lions University and the District Governor Elect training.

In her 17 years as a Lion, Susan has attended six International Conventions, five USA/Canada Forums and has presented workshops at the District and Multiple District level.

Outside of Lions, Susan is a wife of 50 years, a mother of two and grandmother of four and as a former teacher-librarian and public librarian is a passionate reader. She has the overwhelming support of her family and her club during her year as District Governor.

**First Vice District Governor  
Don Radnor  
Havelock Lions Club**

Don was literally born into Lions, his father was the Charter President of the Havelock Lions Club. Don grew up, not only serving with the Lions, whenever asked, but benefitting from the services the Havelock Lions provided. Becoming a member of the Havelock Lions Club in 2011, he has immersed himself in everything Lions. Learning about our organization, it's history, and the Lions proud record of service.

Don is a retired autoworker, married to Lion Ruth Anne, together they have three adult daughters, two sons in law, one grandchild, and one more on the way.

**Goals for 2019/2020**

Don is looking forward to working closely with the clubs of A3, encouraging new, innovative service projects, that motivate members to stay inspired, engaged, and actively involved with the betterment of their communities. He wants to remind clubs to celebrate their service, be proud of their accomplishments and proudly share their stories of service.

No act of kindness, no matter how small is insignificant, Kindness Matters. Don would like to visit as many clubs as possible, because he believes the strength of the Lions is in the face to face exchange of ideas, the formation of new friendships, and the inspiration clubs provide simply by sharing their stories of service.

Don is committed to assist Region Chairs, Zone Chairs, and individual clubs in our district to create open, honest communication establishing a relationship of mutual trust and understanding. His belief in what Lions do, fuels his passion, motivates him to listen, learn and understand.

Don wishes to promote active participation in our foundations, encourage service as a journey, not a destination and find communities in A3 that would benefit by establishing a Lions Club, a Branch Club, or a specialty club.

*"District Governor Susan, has the slogan, "Teamwork makes the Dreamwork". I will work diligently to promote friendship, fellowship, and unity to strengthen the team, that our team might provide meaningful service to our communities." Don Radnor, 2019.*

## **Second Vice District Governor Mark Kelso Trenton Lions Club**

Mark is originally from Trenton; however, his Lions career began in Yellowknife in 1982 and with the exception of a 4-year break (due to work and family) has been continuous. Mark joined the Trenton Lions in 1991 and has maintained 100% attendance ever since. He has served his club as a Board member for most of his 27+ years with the club. He has been president twice, immediate past-president four times and has held various other positions in the club. Mark was Zone Chair 43S in 2017/18 and Region 43 Chair in 2018/19.

Mark is a pilot by profession, having served as a pilot in the RCAF for 39 years and 10 years as an airline pilot with a small airline out of Toronto. He is currently a self-employed contract simulator instructor in Trenton, maintaining his connection to the profession. Mark has been married to Lion/Lioness Connie for 37 years, they have 3 adult sons and 5 grandchildren.

*"I am honoured to be your Second Vice District Governor for the Lions year 2019/20 and will work hard to support District Governor Susan in achieving her goals for the district. I believe that we have an awesome district and that each and every Lion continues to exemplify our motto "We Serve". Lion Susan's motto is "Teamwork makes the Dream work"*

*Together we will work towards every club achieving the Club excellence award through service supporting each of the five pillars of service. We will think outside the box to develop new and innovative service projects. As a team we will lean on the strengths and talents of all our members. We will make sure that the word of Lion's service gets out to every community and that we as Lions are no-longer the best kept secret in town. Will have fun doing everything we do encouraging each other in fellowship and service. When we do these things, our membership will grow and we will be able to do bigger things than we ever dreamed of. We will also identify new leaders for our District who will rise to the surface through our service projects and we will help them with training and mentoring to lead us in to the future.*

*I look forward to what this year has in store for us and to working with everyone in the District.*

***"IT'S GREAT TO BE A LION"!!***

*Mark Kelso, 2019*

# **Lions Protocol for Official Visits of District Officers**

**(ZC, RC, DG or VDG)**

The District Officers will arrange an official visit during the year. They are your guest and should not be expected to pay for their meal or purchase fund raising tickets. However they may choose purchase tickets or 50/50 tickets.

They should be the only guest speaker on the night of the visit. A Lion should be appointed in advance to introduce the guest Speaker and another to thank them. They will stay for the full meeting. This allows for discussion and questions and they are expected to make a report to LCI of their visit.

It is becoming common practise to make a donation to the charity of your official visitor's choice. This can be determined ahead of time. A momento is always appreciated but is not necessary.

Lions and District Officers may also visit when they are campaigning for office. It is understood that they cover their own costs, unless your club chooses to do so.

# Robert's Rules of Order

## Call to Order

This occurs at the beginning of the meeting, once quorum has been attained. Quorum for General Meetings is fifty percent of Active Members.

## Motions

Any person who is eligible to vote at a meeting may make a motion. Depending on the type of motion, another member is usually needed to *second* the motion. Motions are then debated and voted upon.

**No member may speak more than once to any motion** (although the Speaker may choose not to enforce this rule if s/he deems it appropriate.) A member must raise his/her hand.

## Amendments

A motion may be amended by a subsequent motion. If the mover and seconder of the original motion consent to the amendment, the amendment is deemed “friendly” and it does not require a seconder and is not subject to debate. If an amendment is not deemed friendly, it does require a seconder. Such a motion must then be debated and voted upon before the debate resumes on the original motion.

## Motions which take Precedence

Normally, a motion cannot be made while another motion is being debated. There are, however, certain types of motions that take precedence over “normal” motions...

1. **Motion to Amend** (as above)
2. **Motion to Table** – This is a motion to defer further debate on the main motion until some future time. The motion requires a seconder and is debatable only as to the length of time that the main motion will remain tabled.
3. **Motion to Refer** – This is similar to a Motion to Table, except that instead of deferring a motion for a specific amount of time, it is deferred until advice can be sought from another body.
4. **Motion to Call the Question** – This is a motion to cease debate and proceed to the vote on the main motion. If there is an objection to the motion, the motion requires a seconder and must pass by a two-thirds vote. The motion is not debatable.
5. **Motion to Reconsider** – This is a motion to re-open debate on a motion that has already been voted upon earlier **in the same meeting**. This motion requires a seconder.
6. **Motion to Adjourn** – A motion to end the meeting. Requires a seconder and is not debatable.

## Points

There are several special motions called “Points” that have priority over all other motions or discussion. Points are considered serious enough that a speaker may be interrupted by another individual who wished to make a Point. Points do not require a seconder.

1. **Point of Order** - An individual may raise on a point of order if they feel that business is proceeding incorrectly. The speaker must either agree or disagree

with the point raised. An individual may also use this point if they do not understand the proceedings and/or wish to have a clarification made on a specific ruling.

2. **Point of Privilege** – Individuals may raise Points of Privilege if it is felt that their rights as members of the assembly have been violated. This Point can also be used if an individual is unable to participate in the discussion due to an inability to hear the speaker, because the room is too hot or cold, or because s/he is unclear on matters of procedure. **If you do not understand what is happening, you can interrupt the speaker and request clarification on a Point of Privilege.**

3. **Point of Information** - This point is the most misused one in the book. This Point is used to **ASK** for information that you feel is essential to your understanding of the debate. **It may not be used to give information.** The member may decide not to answer the question by refusing to yield the floor. Again, it is not in order to give someone information on a point of information.

4. **Challenge to the Speaker** – This Point is used when an individual disagrees with the Speaker's ruling. The mover must state why he or she disagrees with the ruling. The Speaker may then give the reasoning behind the ruling. A vote is then taken to affirm the Speaker's ruling.

## **Voting**

Voting on motions normally requires a simple majority. Voting is normally done by a show of hands, however, anyone eligible to vote has the right to demand a vote by roll call. Voting by secret ballot normally occurs only when an election to fill a position is required, and the assembly does not desire to conduct the election by a show of hands.

## **To Ensure Smooth Discussion**

1) **Raise your hand if you wish to speak.** The Speaker will take note and ask you to speak at the appropriate time.

2) **State your name before speaking to the topic at hand.**

3) **Speak to the topic or motion at hand!** If you wish to raise something not on the agenda, there are always the "Question Period" or "New Business" agenda items.

4) **If you wish to make a suggestion regarding the motion on the floor, form it in terms of an**

**amendment.** Your amendment will need seconding, after which it will become the current item on the floor.

5) **Try not to repeat points other people have already made** unless you have something new to add to the point.

## **Parliamentary Procedure**

### **What Is Parliamentary Procedure?**

It is a set of rules for conduct at meetings, that allows everyone to be heard and to make decisions without confusion.

Why is Parliamentary Procedure Important?

Because it's a time tested method of conducting business at meetings and public gatherings. It can be adapted to fit the needs of any organization. Today, Robert's Rules of Order newly revised is the basic handbook of operation for most clubs, organizations and other groups. So it's important that everyone know these basic rules!

Organizations using parliamentary procedure usually follow a fixed order of business.

Below is a typical example:

1. Call to order.
2. Roll call of members present. (optional)
3. Minutes of last meeting. (should be distributed prior to meeting date)
4. Committee reports.
5. Special orders --- Important business previously designated for consideration
6. Unfinished business.
7. New business.
8. Announcements.
9. Adjournment.

**Parliamentary Procedure is the best way to get things done at your meetings. But, it will only work if you use it properly.**

1. Allow motions that are in order.
2. Have members obtain the floor properly.
3. Speak clearly and concisely.
4. Obey the rules of debate.  
Most importantly, *BE COURTEOUS*.

## VOICE OF THE LIONS PIN

Don't overlook me .....

I'm the Lions pin. ~

Right up in front here put the spotlight on me because I'm proud to play a part in the lives of the men and women who wear me as their symbol of service to the community.

I've witnessed excitement, sadness and happiness. I've been with my wearer as eyes of deceased Lions and Lionesses for deposit in the Eye Bank. I was there too, when I watched as the hungry were fed, and the destitute cared for.

I've seen the guide dogs instill in a blind person a new kind of confidence as they move about their sightless world.

I've heard the heart of the handicapped pounding with joy when Lions and Lionesses visited them, I've seen and heard the laughter of children in playgrounds enjoying recreational facilities and leadership provided by Lions and Lionesses.

Yes, I've travelled all over the world and can recall thousands of incidents diverted from sadness to gladness because those who wear me, made it so. I am a symbol of service to the world.

If I could really talk, I'd be too filled with emotional pride to say more than thank you and may God bless you and protect you. ~

## LIONS CODE OF ETHICS

**To Show** my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

**To Seek** success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

**To Remember** that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself. Whenever a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

**To Hold friendship** as an end and not a means. To hold that true friendship exists not on account of the service performed by one another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

Always to bear in mind my obligations as to citizen to my nation, my state, and my community, as to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.

**To Aid** others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

**To Be Careful** with my criticism and liberal with my praise; to build up and not destroy.

*I am a Lion,  
but I can change,  
if I have to,  
I guess*
