## DISTRICT GOVERNOR A-3 NEWSLETTER

August 2014

Volume 1, Issue 1

This is my first newsletter as your District Governor. My plan this year is to distribute a newsletter to all Clubs every second month, this way I can keep in touch with all the members in A3.

We had a great time at the International Convention in Toronto at the beginning of July and I was very pleased to see so many of our members volunteering and coming out to see the International

Parade of Countries.

Since the Convention I have been busy putting our District Directory together and setting up my "District Governor Evenings" for each Zone. I am encouraging all Lions to attend these Evenings when I am in your Zone. My hope is that Lions come out and meet other Lions from your Zone.

As District Governor I had to make out my goal plan for the year both in Membership and Leadership so my plan is to open one new Club in the District and add net 25 new members. As in past years my focus will be on membership not just for the numbers game but I feel that our clubs could use more helping hands to better serve the Communities. This year's International President- Joe Preston has a program in place called "Just One" to encourage members to ask just one person to join Lions and I ask you to also ask "Just One."

My project this year is to support Lions Foundation of Canada-Dog Guides. They need a new Accessibility Van to transport their clients so my goal is to raise up to \$20,000.00 toward this Van. So hopefully in your budgets you have put aside funds for this worthwhile cause. Our District Chair of Lions Foundation of Canada PDG Earl Oliver has agreed to Chair this project also. As you are all aware we as Lions are very proud of the fact that we support these working Dogs so let's show them how much we support them by donating towards a new Van.

In closing I want to thank you all for the great work you do in your Communities and for your continued support of me as your District Governor. Watch for the next issue coming out in October.

Linda Duffie

### INTERESTING INFORMATION TO CONSIDER

It has come my attention that some of the Clubs in our District still do not have websites. We as Lions do have free websites available to us and the format is already set. PRC George Rickard is our webmaster chair for the District and he and I would like to see all Clubs in A3 have an e-clubhouse web by the end of this Lions year. We consider having PRC George Rickard to your club as a Guest Speaker to explain the process of setting this up and to help you.

Also please do not forget when you are making up guest speaker list for this year that we have many talented Lions as Chair Persons in our District and they are more than willing to come to your meeting and speak, all you have to do is ask.
