Fellow Lions and Lioness of district A-3

June 2014

As my year comes to the end, I look back at the past year of the accomplishments and with some disappointments, Let's start off with membership, GMT looked at four locations to start a new club, and made two attempts to raise enough interest in Tyendinaga to build a lions club with no success. The membership standing is certainly not where I would have liked to see it, but we have worked with some clubs with membership and/or leadership issues and only time will tell the results. The two campus clubs have struggled in the early part of the year but with diligent work of some we seem to have them going in the right direction and the two Leo clubs are doing well.

This year the zone chairs were encouraged to have their zone meetings on an off night from regular club meetings, with only serving coffee/tea and sweets. This went well in some zones and not well in others, Two region rallies were held in the evening with a meal and went well, as well as the other region rally that was held on a Saturday, with a lunch was also well attended.

The district cabinet members, GLT & GMT held an approx 6 hour information session on January 11th, 2014 to discuss happenings in the district. Each zone and region chair had an opportunity to share his/hers experience and views and as well the 2nd VDG,, We all felt this well worth the time spent.

A-3 had a CEP training session on January 18th, 2014, It was a refresher for some and new to others, and we now have 17 CEP facilitators in the district and have 3 clubs that completed CEP this year.

A-3 convention was well attended, with interesting and informative Saturday afternoon sessions. I felt PID Marvin Chambers and Lion Lynne were well received as guests and every one made them feel at home.

Our District A-3 hearing project went better than expected and exceeded our goal, and we were able to do all three projects and I thank the clubs for their generosity and working together.

The weatherman cooperated over the winter and Lion Barb and I were able to visit all the clubs in the district before the end of March.

It has been an honor and a pleasure to serve as your District Governor in 2013 – 2014,

Keep up the good work, your ***Motor Running*** and remember ***Service with a Smile***

A happy pair of Cabinet members

Obviously an intense discussion going on

The following is from the last Cabinet Meeting Minutes

CLOSING REMARKS by DISTRICT GOVERNOR

First, let me start off by thanking my cabinet members for their work in the district, and the committee chairs for all their work. Thank you to the clubs for their support towards the district hearing project. We exceeded our goal and were able to purchase a digital pilot hearing machine, A-3 to sponsor a hearing assist dog from Lions Foundation of Canada and make a donation for \$9,647.55 to the Canadian Hearing Society.

This has been a year of travelling for Lion Barb and I visiting all clubs in our district, to some more than once for club functions or other matters. We were greeted with a warm welcome at each club, we ate well, some of those pot luck suppers with homemade desert, were difficult to stop at one. I will miss going around the district as I have done so while campaigning and/or promoting the youth exchange program for the last 5 years.

It has been a great privilege to serve as your Governor for District A-3. Thank you all for supporting and entrusting me with this honor.

Governor Albert Munneke
