Zone 10C Report

To: DG, and District Cabnet

This is my first report as 10 center zone chair for 2024-2025.

I have been to the training sessions and have done my online courses. I have contacted the clubs in my zone and booked my visits.

I had my first visit to the East Peterborough Lions Club on August 18th, where I installed the new officers and spoke a few words from the International President. Next I am planning my zone meetings and will continue to learn more about my zone.

Respectfully Submitted

Lion Nadine MacIntyre
