NEWSLETTER

The Governor's Corner

DG Glenda attended the Zone 7 Lions meeting, hosted by the Mineola Lions and Zone Chair Lois Triebenbach before the COVID-19 stay-at home restrictions.

Everyone knows the old saying "March comes in like a lamb and out like a lion." That is certainly true for this year. Our month of March started out as just a routine month with lots of meetings and planned projects but quickly changed to something we've never experienced before. Everything suddenly came to a grinding halt with "Stay at Home" orders. At this point in time it looks like April will be the same.

Thank you to everyone who is following the recommendations of Social Distancing. We need to serve at this time by staying home to protect ourselves and those older folks and ones with medical problems. We miss our meetings and opportunities to serve but we'll all have time for that later.

We pray that this virus will quickly run its course and we can all return to our normal lives. We also pray that everyone stays well.

Please reach out to your members by phone or email to stay in touch with everyone. Business can still be conducted by email, Skype, Zoom, Facebook streaming, or other digital means. Your election of officers can also be conducted this way and then reported to MyLCI.

The Gregg County Latinos Lions Club has now been officially added to our membership. Charter night has been postponed until a later date.

Lions International President Choi Announces Cancellation

Zone 5 Meeting, Continued...

Guest Speaker was PDG & GMT Jenn Sandlin

This was Zone Chair Lois Triebenbach's third zone meeting this year...Congratulations, Lion Lois!

Club News

Big Sandy Area Lions

Things have slowed considerably lately, but not before we had the honor of hearing Day Shelmire, Director of UT Tyler-Longview, Small Business Development Center, at our recent meeting. He truly is a wellspring of information. Then, we received an update from Ken Danapas, Big Sandy Volunteer Fire Department, about this year's goals. After the meeting, rice and beans were bagged for a local food ministry. We are looking forward to the current health crisis to end and we can resume normal schedules.

Lois Triebenbach, Zone 5 Chair, led a very successful meeting earlier this month. Thanks to Mineola Lions Club for hosting the meeting and PDG Jenn Sandlin for sharing insights on membership.

At the Zone meeting (held Saturday, March 14), Texas Lion Camp Director Rickey Caughron provided a great overview and invitation to assist TLC through donations or work projects. Four attended from BSALC.

International Convention will be held in 2021 in Montreal, Canada.

After evaluating a variety of different options including moving the convention to a different venue or postponing the convention to a later date, the Board of Directors voted to cancel the 2020 convention. This decision was made with the health and safety of our Lions, staff and vendors in mind.

Canceling the International Convention for 2020 impacts international officer continuity and candidate elections. After review of the International Constitution and By-Laws, this impact is outlined below:

- Executive officers and international directors will continue in their respective positions until the 2021 convention in Montreal. All candidate elections for these positions shall comply with the provisions of the International Constitution and By-Laws for election at the convention in Montreal.
- An international director from the areas of Africa and Australia, New Zealand, Papua New Guinea, Indonesia and the Islands of the South Pacific is permitted only in even-numbered years. As a result, no director from Africa or Australia, New Zealand, Papua New Guinea, Indonesia and the Islands of the South Pacific would be eligible for election until the 2022 convention.
- Barring any district election complaints, district governors, first vice district governors and second vice district governors elected during a convention of their respective districts will be accepted by Lions International. The International Board of Directors intends to authorize commencement of the DG terms beginning July 1, 2020.

We are disappointed that we will not be able to move forward with this international event, but we are optimistic that with each new day there is hope, and as Lions we will continue to find new ways to put our kindness in action while safely serving our communities.

Regards,

Dr. Jung-Yul Choi
International President

Flashback, Louisiana’s premier 9-piece oldies show band, brings its highly acclaimed “At the Hop” 1950’s-60’s show to the Lions of Texas State Convention on Saturday, May 16th (4:30 pm start) at the Holiday Inn in Longview. They are going to take you on a walk down memory lane with tributes to Elvis, Roy Orbison, Buddy Holly and the wonderful doowop harmony songs of the Platters, Drifters, Coasters and Dion & The Belmonts. That’s not all, there will be a table with cheese/crackers, fruit, a cash bar and dancing with Flashback. *This is a show you don’t want to miss!*

Pittsburg Lions

The following message to the Pittsburg Lions was common to other clubs due to the COVID-19 pandemic

“Fellow Lions,

Out of an abundance of caution I am cancelling our meetings until the first week in April. We will reevaluate as the impact of the virus becomes more clear. We have many members that are in the high risk category that we want to keep safe. I am not a "sky is falling" person, but I would rather err on the side of caution than to be reckless with those we care about. This decision will also impact The Anvil, so maybe as individuals we could lessen the loss for them, I am sure it would be appreciated.

Thank you for your understanding and stay well. Rhett”
