NEWSLETTER

The DG Says....

District Governor Sheila Donnelly

Fellow Lions of District 2-X2,

Thank you to all who are participating in the 10 Week Social Media Campaign to bring awareness to Lionism and to increase Membership in our District. The Texas Lions Club that initially rolled out this “10 Reasons to Be a Lion” Social Media Campaign gained 17 New Members in 10 Weeks, so I am positive this will help bring awareness to Lionism and help grow membership. Now that we have had a full month of weekly Facebook Posts, review your posts to see your FB friends who liked/shared and are not yet Lions ... invite them to a meeting or service project. *Slides and Instruction Sheet are included in the Newsletter as well as a Membership Development Resources Order Form so you can have recruiting marketing materials on hand at no cost to your club.*

PDG Andy Rodriguez shared a short video created by Zone Chair Lion David Wagner of LaGrange Noon Lions Club which explains how to **REPORT SERVICE** with the Zone Chairs of 2X2. I believe it is so well done that I wanted to include in the newsletter since many clubs in our District are not reporting Service Projects which I believe in large part is due to the change to reporting through MyLion and just not being shown how that works. Keep in mind the Club President, Club Secretary, Club Service Chairperson, and Club Administrator’s login credentials allow them to report service through

DG REQUEST TO CLUBS: Prior to dropping a member for nonpayment of dues, discuss with the board/executive team what measures have been used to try to contact that member. Utilize the Member's Sponsor, Club President, or a Seasoned Lion to make personal contact with the member to make sure they are receiving invoices, are aware of what is owed, if there are valid issues why they are not paying, or if their nonpayment is a result of dissatisfaction with the club or a simple misunderstanding.

My job is to help support the Clubs and Lions in District 2-X2, so if there is anything I can do for you or if you have questions, please do not hesitate to contact me:

Diabetes

As many know, diabetes occurs when the body's metabolic system, specifically the pancreas, becomes affected either by autoimmune disorders, weight, age, or genetic predisposition and causes the body's glucose levels to be altered. There are three main types of diabetes, but more are being identified due to other medical issues. The three types are Type 1, Type 2, and Gestational Diabetes.

on all the body's metabolic, neurological, and cardiovascular systems.

Symptoms Associated to Diabetes: At Risk:

- | | |
|-----------------------|---|
| 1) Frequent urination | 1) obese population |
| 2) Fatigue | 2) family history |
| 3) Blindness | 3) ethnicity,
(Hispanic, African American) |
| 4) Extreme thirst | 4) increase BP, increase HDL |
| 5) Increase hunger | 5) steroid use |

Complications:

Medical complications that are related to those suffering from uncontrolled diabetes, are an increase of heart disease, increase of stroke probability 16%, increase risk for kidney failure, risk for extremity amputation, as well as decreased life span of 10 years. These complications, according to Dr. Gangi can be prevented, as noted with the increase of medical research of diabetes and its effect on all the body's metabolic, neurological, and cardiovascular systems.

District 2-x2

Hello to my fellow Lions of District 2-x2!

Did you know that Texas Lions Camp serves children with disabilities at NO CHARGE to the families? The average cost per camper is \$2100. Family Camp, this past summer, served 146 families and the previous regular camp served 1512 campers. Texas Lions Camp is funded by Texas Lions – YOU! In the past, our district held a Camp Walk during Mid-Winter conference to raise funds. This year, we are rolling out a brand-new camp walk:

Here are some FAQs about STEPPIN’ UP FOR TLC:

➤ **What does my club need to do?**

Your club needs to appoint a LION TRACKER, who will keep track of steps and pledges (see attached tally sheet). After April 5th, the LION TRACKER will tally up the total number of individual participants’ steps, total club steps, and collect pledges. A representative from the club will present the report and check during the District Convention on April 23, 2022.

➤ **What do I need to do?** Get pledges per step or a one-time pledge, submit your steps to the club LION TRACKER, then take off walking, jogging, or running on January 1st! After April 5th, submit your pledges to the club LION TRACKER.

Big Sandy Area Lions

By *Lupe Gonzalez*

Greetings Lion Family!

Big Sandy Area Lions Club, August 12, 2021, Business Meeting.

We accomplished so much! We heard activity updates; welcomed our Club Administrator, Derrick Menefee, to a newly created Board of Directors position; named Dr David Fonteno as our Environmental Coordinator; committed to the Texas Lions Camp Steppin' Up Camp Walk, with Lois N Terry Triebenbach as Lion Tracker; added a new local service activity for September with Theresa Olson coordinating a food/item needed drive for the Hawkins Animal Shelter.

At least 10 people bagging 50 lbs. each of rice and beans at a BSALC Thursday night meeting.

Also, at our first meeting we had a watermelon seed spitting contest with only five participants but there were two winners: David Fisher for the Grand prize and Lupe Gonzalez (Yep, that's me and I spat sunflower seeds) got 2nd.

We also enjoyed twin night where two Lions dressed up like each other. Several got into the fun - Lion Derrick Menefee and I twinned tonight. Can you see who is who?

Big Sandy Area Lions Club had the privilege of helping Ore City Lions Club with Vision Screening at the Back-to-School Health Fair: 37 screened with 6 referrals.

Thank you, Dani Doty for asking us to help!!

BSALC took part in the Zone Chair training and provided VISION Screening at Big Sandy's Back-to-School Bash and assisted with the Teachers Appreciation Luncheon.

can't walk or don't have a fitness tracker or phone tracker, this is your golden opportunity to involve your community! You can reach out to your neighbor, friend, church member, or other civic club member who has a fitness tracker and ask them to walk, jog, or run for you and the TLC kids.

- **Who can participate? ANYONE MAY PARTICIPATE!! Lions, non-Lions, friends, family, neighbors, church members, gym members, etc.**

Awards presented during the District Convention for:

- **Club with the most steps**
- **Club with the most funds raised**
- **Individual with the most steps**

This is a great way to involve your club, church, gym, and community, so get your club Lion Tracker, get your pledges, get your walking shoes, and get ready to go on January 1st for

STEPPIN' UP FOR TLC!!!

YOU CAN MAKE A DIFFERENCE IN THE LIVES OF OUR PRECIOUS TEXAS LIONS CAMP CHILDREN!

I'd like to end this by acknowledging that there's been a lot of illness and even death in our communities. We here in the BSALC are praying for you all in the Lion Community for your health and safety. Till next month - Lions Roar!

Peace Poster Time

Please see the attached Peace Poster Contest info, attached to this newsletter. Before you eagerly seek the rules and regulations, here are some tips from the Peace Poster Committee Chair:

At club level, feel free to award prizes, give recognition as your club sees fit. Let's make this fun for the kiddos! A great contact resource is your school's art teacher. Sometimes the teacher will incorporate the contest into their curriculum. Remember to judge and choose only **ONE winning poster** from your club. (Unless your club sponsors more than one poster contest)

Keep in mind you must purchase a separate Peace Poster kit for each organization you're separately sponsoring for the contest. For example, if your local school enters the contest, as well as the Boy Scouts, your club can submit a winning poster from each youth group but must purchase 2 kits.

In addition, our district has decided to award the winning/advancing poster a \$100 prize!! Please read the attachment and let me know if you have any questions. **Lion Dani Doty**

Diabetes: Definition and types

Diabetes occurs when the body's metabolic system, specifically the pancreas, becomes affected either by autoimmune disorders, age, or genetic predisposition and cause the body's glucose levels to be altered. There are various types of diabetes but the most common are Types 1,2 and gestational.

Types of Diabetes:

Type 1: Person becomes insulin dependent, due to immune system attack on insulin producing cells and completely stops producing insulin due to genetic traits.

Type 2: The body becomes resistant to insulin caused by overproduction, and is associated with age, weight, and genetics.

Gestational Diabetes: Women without diabetes develop high sugar levels during pregnancy.

ABCD's of Diabetes

A: Check your A1C levels during medical check up

- A1C levels should be <5.7

B: Blood pressure should be approximately 130/80

C: Cholesterol - LDL lower than 100; HDL greater than 55 with total <200 and triglycerides below 150

D: Drugs: always manage prescriptions according to Dr's orders

Prevention:

Diabetes can not be prevented for those suffering with Type 1, since it is genetic predisposition, but Type 2 can be prevented by following the list below:

- Live a healthy lifestyle; with a Body Mass Index <30
- Exercise 3-5x per week with maintaining or utilizing 30 min aerobic exercises such as walk/run/cycle
- Lose weight and maintain an average weight for age and height

Lifestyle Changes for Diabetics

Upon discussion with a physician, it is recommended:

1. Follow a low carb diet; known to be most beneficial if following approximately 100-150 carbs per day
2. Limit sugar sweetened beverages; 1-2 sodas every 2-3 days; alcohol 2x/wk
 - a. Coca-cola drink has 46 carbohydrates
 - b. Chik-fil-a sweet tea has 43 carbohydrates
3. Limit fast food to assist with limiting high fat, high carbohydrates, and high triglycerides
