The DG Says....

Fellow Lions of District 2-X2,

My official “join date” into Lionism is December 1, 2001, which means I have been a Lion for Twenty Years ... that fact is extremely hard for me to fathom. It seems like it was just a mere 5 or 6 years ago that I walked into a Country Club Dining room at the invitation of a member of my Lions Club who said, “come eat lunch with us and see what we do”. The person who invited me and I were the only females in a room filled with mostly older white-headed men who were all well respected and established in the community. I was a bit intimidated to say the least, but they were all very respectful and pleasant to me. There was a hand full of those men who took me under their wing to make me feel welcome and guided me along the way through the years and for that I will always be grateful and gained valuable friendships. I started learning more about what Lions did and had many moments where I personally saw how Lions change people’s lives for the good, which “nailed it” for me to be a Lion for Life!!!

Eventually I started serving positions at the District Level and I was again met with respect and pleasantries and there were Lions in the District who took me under their wing to make me feel welcome, guide me along the way, and to

simply provide encouragement. Chet Garner was one of those Lions who was always encouraging to me and was open to whatever I wanted to do. Chet and I would share many phone calls and email banter back and forth as customary for any DG and 1VDG and we always ended with one saying, "You Rock!!!" and the other replying "NO, YOU ROCK!!!".

Big Sandy Area Lions

By Lupe Gonzalez, Nov. 24, 2021

What am I thankful for? People who donate to charity, who volunteer, who give their blood, and do a lot of other things. America is a country where people are willing to help others. Certainly, people could do more sometimes, but it's admirable how much some Americans will go out of their way to lend a hand. *Lions* are *those* very people.

Because of the Thanksgiving Holiday, we decided to only have one meeting this month. At this meeting, (called Proud to be an American Meeting/Veterans Recognition) we honored our Veterans: Lion **Doug Strub**, Lion **Heath Hand** and Lion **Gina Kidder**. As always, we had loads of good food, dessert and fellowship.

Later in the month, the Lions Club came together to donate over 170 items of food for the Agape House. This aids in feeding needy families and for a special Thanksgiving Dinner. The Lions also helped with **Dr Hetzel's 100-year** Birthday celebration, but it was not a Lions service project, per se. Our Lions participated in other community events, such as Ribbon cutting for new business, the Community Thanksgiving Service.

BSALC was well represented by our own **Lion Rickey Caughron** in the 2022-2023 MD-2 Texas Lions Council of Governors.

Diabetes Awareness Essay Contest - No more than 1500 words

“The Importance of Diabetes Education in Texas Schools (K-12) – A Student’s Perspective”

Diabetes is a growing concern in the USA and around the world. One of the reasons why the incidence of diabetes is rising is because of unawareness. As a society, we should promote awareness, and one way to do this is to educate young people about diabetes. What is diabetes, its signs, and symptoms, and how diabetes can be prevented and managed?

Drug Awareness Speech Contest -- 5 to 7 minute memorized speech

“The Secrets of Vaping Products”

Vaping is still an ongoing problem among youth today. There are many secrets that the vaping world influencers are employing to attract our youth. Please name three (3) different “vapes,” explaining differences, similarities and methods used to advance the use of vaping products. What would you do to help control vaping among your peers?

Outstanding Youth Award - 750--1000 word essay + interview

“Innovation and Change Now”

Covid 19 and the pandemic situation has limited what we used to do. The urgency of change is Now, not tomorrow or later. Contestant’s essay should reflect what they are doing Now to effect change and what change they want to see in their community, school, family, for the better. The essay must be well organized, have good vocabulary and conform to required length.

As I stated before, we Lions love to help others and many are in other organizations. Lion **Lupe Gonzalez** serves on the *Because I Care* board which helps people find a match for bone marrow due to blood cancers. Lions **Rickey & Deb Caughron** and Lion **Lois Triebenbach** with her husband **Terry** attended the Because I Care Banquet wearing Lions Club shirts proudly. I'm sure that many of you reading this serve on other meaningful boards, churches and businesses showing *your* lights in the darkness that permeates this world. Because of that, I am thankful to be part of the Lions Club and thankful to have met many of you serving your fellow man. Keep up the good work!

Till next month - Lions Roar!

Pittsburg Lions conducted a STRIDES walk for Diabetes Awareness.

As Diabetes Awareness Month comes to an end, my heart goes out for all who know someone or individually cope with some form of diabetes. I am so grateful for all who attended the Strides for Diabetes. Beautiful sight to see Lions from Mt. Pleasant, and Pittsburg displaying their passion to help our community become more aware of diabetes and some preventive measures. About more than 60 members participated, which I am so excited to announce the winners of the raffle. The winners are 1) Ashley Earl and 2) Steve Capps. Congratulations to both of you and thank you for participating in the first Strides for Diabetes walk. May this be the beginning of many more walks, runs or any other activity for the spread of Diabetes Awareness. Merry Christmas to all of you. MD-2 Mid-Year Membership Challenge

This Lions Year, the 2021-2022 Council of Governors has authorized an exciting Mid-Year Membership Challenge. The first half of this challenge deals with retention and the second half deals with recruitment. The prize for this challenge is \$500 to the District who has the least drops for December 2021 and \$500 to the District who has the highest number of added new members (who can make up the most ground for what was lost in December 2021) in January 2022.

The Retention Half

How this will work – this is not just pure loss, but it is your overall percentage lost for December 2021. As an example, District A loses 45 Lions and at the beginning of December they had a total of 1,450 Lions. Their loss percentage is 3.1%. District B loses 35 Lions and at the beginning of December they had a total of 950 Lions. Their loss percentage is 3.6%. District would win because they had the best loss percentage rate.

This way a large District would not be penalized for an unfair loss ratio to a smaller sized District.

The Recruitment Half

This is pure recruitment numbers. Let's take the same two Districts, A and B. For the month of January 2022, District A lost 45 Lions and by the end of January 2022, they added 28 Lions. District B lost 35 Lions and by the end of January 2022, they added 29 Lions. District B would win because of recruiting more members than District A.

The whole idea here is to try and recruit more new members in January 2022 than you lost in December 2021.

The contest winner(s) may use the \$500 prize money at the District discretion however, it is strongly encouraged that the prize money go to the District GMT or GMA to help with retention and/or membership growth efforts.

Good luck and let's have some fun!
