Keep the Pride – Serve

DG Glenda attended the Marshall Lions meeting and showed them the Hall of Fame medal for Lion Charles Abma before presenting it to him at the hospital.

We're now entering our busiest time of the Lion year. This year is unique in that Longview is the location for the April District Convention and the May State Convention. Many volunteers are needed for both events and your attendance is very important. If you haven't registered yet, please do so soon. Registration forms are attached to this newsletter.

Even though it's not official yet, a new club is meeting in Longview. The Gregg County Latinos Lions Club had its first organizational meeting on February 13 and selected officers and a name. They are looking forward to serving the needs of the Latino community. Just a reminder that it's time to select club officers. These need to be reported to LCI next month. This information is also needed for our district directory and for the in-coming District Governor's information.

Membership: We have eleven clubs showing a positive net growth for the year. Congratulations to the following clubs: Tatum Ladies +7, Paris Founders +7, Henderson +4, Judson +3, Bogata +2, Pittsburg +2, and with a +1 are Canton, Linden, Tatum, White Oak, and Winnsboro.

FOLLOW UP TO LAST MONTH'S WARNING

Texas Bank and Trust has been advised of an aggressive fraudulent trend from *other local financial institutions*. Fraudsters are calling bank customers, spoofing the bank's caller ID, and misrepresenting themselves as the bank's fraud department. After asking customers to verify debit card transactions, the fraudster will ask for some personal information, such as the debit card PIN, online or mobile banking password, or a security code sent to a mobile device. Texas Bank and Trust's Fraud Center will NEVER ask you for this specific identification.

If you are contacted by phone and have any concern that the call is NOT legitimate, please do not hesitate to contact us directly at 903.237.5500 or dial 800.263.7013, Option 0, and we will be happy to assist you.

Big Sandy Area Lions

Greetings, Lion Family from the Great White North! I'm visiting my wife's family near Calgary, Alberta, Canada for a week. I am so grateful for the internet to be able to reach out to let you know what's going on with the BSALC.

February brought its own challenges with the rain. However, our club worked harder to have a larger than usual food drive in addition to the monthly donation of 50 lbs of rice and 50 lbs of beans. We appreciate all our Lions who faithfully bag the rice and beans each month. Kudos to the Lions, also, who honored local nursing home residents on Valentine's Day.

Ready to march into March!
