FIVE WAYS TO AVOID THE ER

Submitted by PDG Susan Bonura

It is peak flu season. And there are a bunch of other cold weather health hazards during the winter months. Following are suggestions as to how you can boost your chances of staying out of the ER during the winter months.

- * Avoid falls on slippery surfaces: keep driveways and walkways clear of snow and ice; wear flat shoes with good traction; take slow, careful steps when walking.
- * Use caution with heaters: check that all smoke detectors and carbon monoxide detectors are working properly. Always keep a safe perimeter around space heaters; turn off space heaters before leaving the room or going to sleep.
- * Stay Safe in Cold temperatures: bundle up in layers to avoid hypothermia and frost bite; keep your head covered and wear mittens instead of gloves; change out of wet clothes promptly.
- * Shovel Carefully: Lift with your legs and not your back; stretch before you begin and take frequent breaks; don't shovel without your doctor's okay if you have heart issues.
- * Steer clear of the flu: get a flu shot; wash your hands frequently; avoid touching your eyes, nose, and mouth

LIBERTYTOWN-UNIONVILLE LIONS LEARN ABOUT NEW INNOVATIONS WITH HEARING LOSS

Submitted by Lion William Strauss

The club was visited by Mary Kay Morgan and Meta Hobson who spoke about innovations in audiology. Ms. Morgan is with the Frederick County Health Department and was assisted by Ms. Hobson who is also a hearing specialist.

After a review of basic types and causes of hearing loss, we were presented with what aids (including hearing aids) are available to improve the life of hearing impaired people and where those services and devices are available in the community. Ms. Hobson had with her a recently developed phone for the hearing impaired (Caption Call) which not only amplifies, but can record

the conversation for playback helping those who miss parts of a conversation. This allows for going back to areas of the conversation where the meaning was lost thus capturing the full meaning of the phone call.

CEASE PAIN HAGERSTOWN

Submitted by Lion Julie Fritsch

Tekesha Martinez and Tereance Moore (pictured) spoke to the Hagerstown Lions Club On January 29th. They work for an organization called Cease Pain Hagerstown. The organization is a sister movement of Baltimore Cease Fire which is an effort to stop violence for an entire weekend.

Every three months, Cease Pain Hagerstown has a 72-hour Peace Challenge—a pain free weekend. No murders, no suicides, no overdoses, no assaults, no domestic abuse. It is about putting aside the things that divide us such as race, religion, and politics, and coming together for one main cause: to heal our community.

The organization does not have a website but they do have a Facebook page for information on their next Challenge weekend. There is also an opportunity to purchase Cease Pain Hagerstown t-shirts on the Facebook page. For every shirt sold, they donate one to someone less fortunate to influence a positive change.

ROARING RUN LIONS SPONSOR BASEBALL

Submitted by Lion David Brauning

Frank Roelke, Finksburg Baseball President, was our speaker. Frank explained the organization and that over 500 youth participate in the program from T-ball to ages 16-18.

Eight Travel Teams participate within the area and are very competitive. They host several tournaments in addition to their travel.

The Finksburg Lady Lions Girls fast pitch softball team consisting of all 14 year olds won the National Tournament competing against teams with ages 18 and under.

Frank and Brian Mount spoke very highly of the Park facilities and the support of the Lions Club. A park cleanup day is scheduled for March 9th.

This Lion program has grown from a very modest beginning in 1962 with 50 youth and 4 teams on a field at Sandymount School playground to the excellent facilities at Roaring Run Lions Community Park. April 6, 2019 is opening day.

IMPORTANT ANNOUNCEMENT LETTER FOR DISTRICTS AND LEO CLUB NEWSLETTERS

The Lions International Pin Trading club is proud to announce a Youth Scholarship of US\$2,500 for a graduating senior who is the child or grandchild of a Lion, Lioness, and /or a member of a Leo Club. The most important aspect of the Youth Scholarship Program is to help a young person pursue his/her education and follow their dreams.

The LITPC takes great pride in fulfilling the motto of Lions Clubs International, "WE SERVE." During the Sight first Campaign, the pin traders contributed US\$44,000 to LCIF. Our Scholarship Program is another example of the pin traders' slogan, "Lions First."

Selection of the scholarship recipient will be based on academic achievement, an essay stating the student's goals, a statement of reasons for applying and an overview of work, community and school service, and letters of recommendation. Applications and supporting documentation are to be completed and submitted to the pin trading club scholarship chairman named below by March 1, 2019.

We encourage all graduating seniors who are the children/grandchildren of Lions or Lioness members or who are members of Leo clubs to participate in our Scholarship program.

Please send completed application to: PDG Jim Minnich, 228 Sandra Road, Wilmington, DE 19803; 302-654-7326 phone; jlm-lion@aol.com Email.

Submitted by PDG Susan Bonura

Five Leo Clubs and 14 Lions Clubs joined forces with the Carroll County Public Library system to provide an afternoon of service called "Roar Like a Lion" for 1130 students and adults in Carroll County. There were thirteen members of the Deer Park Lions at the Finksburg Library and one at the Eldersburg Library on our day of service. We also had a lot of enthusiastic children who had a good time helping with the different projects. Each of them said they would come back next year. What a great way to get the children involved in service and learn about the Lions Clubs.

Deer Park Lions continue recycling used glasses. Lion Roger Sauter oversees that effort with assistance from Lion Wally Balls. During our service day activity, and shown below, are Lions packing glasses. We packed 448 that day.

Each club in Region IV, Zone 1, hosted a Roar Like a Lion project at the Taneytown Library. Lions Jennifer and Marge organized and hosted the Blessings Bags for the homeless. This operated like an assembly line with library patrons walking around the table and picking items from bins. Then they were placed in gallon zip lock bags with a personal greeting or encouragement card. Items included in each bag were: socks, lotion, wet wipes, tissues, granola bars, water, toothpaste, a toothbrush, and hot packs for hands or feet. The event was well attended and we packed 100 bags.

LEOS

NEW MARKET MIDDLE SCHOOL (NMMS)

The New Market Middle School Leo club advisors are Lions Lynwood Browning, Margie Shiflett, and Suzan McGowan and the faculty advisor is Mrs. Ashley Yox. The following information was submitted by NMMS Leo Secretary Katie.

“This club is made up of unique individuals who all share the passion of giving back to their community. This passion has driven New Market Leos to participate in numerous projects. So far, the Leos have signed Christmas cards for the troops through a program called Operation Gratitude and tied ribbons of blue, red, and white around a hundred-seven street light poles for Veterans Day. Additionally, they have successfully completed a stocking drive and a hat and glove drive. The members have a multitude of ideas for new projects to begin. Some projects that they have determined to be of great importance are a pet supply drive, winter clothing and shoes drive and a bake sale to generate funds. Multiple students also expressed interest in volunteering at a local soup kitchen. New Market Leos have set ambitious goals that they have every intention of achieving!”

This article was taken from the report given by Leo Chairman, Lion Pauline Rosier, at the Cabinet Meeting on January 26, 2019.

The New Market Middle School Leo Club has been sponsored by the NMDLC for the past three years. At the January 21st NMDLC meeting, Lion Marge Shiflett and Lion Lynwood Browning presented the Leos with a check for \$200 to assist with their projects. NMMS Leo President Isabella Anderson described the outstanding projects completed and planned by this year’s club members and their Counselor Ashley Yox

LEOS

CATOCTIN HIGH SCHOOL (CHS) LEO CLUB

Advisors: Lions Bob Kells, Sarah Kells (TLC) CHS School Advisor – Cathy Herrmann)

Where did December and January go? The end-of-year holidays went by in a flash, and now the CHS LEOs are looking forward to a new year of service to the community.

LEOs took part in two events during the month of December: Christmas in Thurmont and Santa's Workshop.

Christmas in Thurmont is an annual event for children and their families. Due to inclement weather (more rain) on December 1, the event was moved indoors to the Guardian Hose Company's firehouse on North Church Street. LEO's Owen Bubczyk, Ashlyynn Summerall and Kaylee Echard helped guide the children to the day's events, which included a chance to meet Santa himself!

Santa made another seasonal appearance, this time at Catoctin High School on Saturday, December 8, where CHS clubs provided Christmas crafts and games for children. The CHS LEO Club had the distinction of handing out candy cane Christmas ornaments, which looked good and tasted even better. CHS LEO President Owen Bubczyk was there for the morning to hand out these neat little craft items. Meanwhile, Santa came in to hear some Christmas wants from all the good girls and boys before departing from the rooftop in his magical sleigh. Thanks, Santa!

The CHS Leo' faculty advisor, Ms. Kathy Herrmann, retired at the beginning of the year. On behalf of Leo's, I can say she will be sorely missed. Kathy did so much to help the club over the last several years. She was there for us during a lot of our club activities (Colorfest, Halloween in the Park, the Homecoming Parade, etc.). She went to Hershey Park with us in May and helped with some of the pit sandwich sales. She was a terrific guide at all our meetings. Leo's and Lions alike will miss her kindness and compassion.

CHS is currently looking for a new faculty advisor. Whoever they find will have some big shoes to fill, but the new advisor will become part of a club with a great mission: to serve the needs of our community. LEO'S ROAR! (Lion Bob K)

THURMONT MIDDLE SCHOOL LEO CLUB

The Thurmont Middle School Leo's January meeting included a special visit from District 22-W Leo Chair Lion Pauline Rosier. She encouraged the Leo's to keep on being active and to try to encourage others to join the club. We always enjoy Lion Pauline's visits. Thank you for your time to come and see what we are doing.

The ongoing projects include:

- Pennies for Patients to start in early February. Collection boxes will be delivered to the class rooms for collection of spare change.
- A collection of items for the cat rescue in Thurmont was ongoing during the month of January. Items will be collected and donated in accordance with the list stated on the website.

- In March the Leo's will be sponsoring the Hoops for Heart fundraiser. This meeting will be held in the gym where the Leo's will get their heart going by playing basketball, jumping rope, hula hoop and walking. All donations will be sent to the American Heart Association.

HEROINES OF THE CIVIL WAR

Laura Estilow, Professor Emeritus -

takes us on a cruel, 30 minute voyage of suffering and self-sacrifice. Come hear the tale of the unprecedented evacuation of thousands of sick and wounded Union soldiers from the camps and battlefields of Virginia in the spring and summer of 1862 by the volunteers of the U. S. Sanitary Commission. By mid-May the Commission's Hospital Transport Service had nearly 20 ships working on the peninsula between the York and James Rivers. The men were carried to hospitals all along the east coast, as far away as Boston and New York City. Each of these ships had female volunteer nurses and matrons to care for the sufferers during the long voyages

Mason, struck by a car over 3 years ago as he crossed the road to get the mail, did not return home until after 54 days in the Johns Hopkins ICU and 119 days at Mt. Washington Pediatric Hospital. One year of in-home therapy followed. Now 12 years old, he continues to progress thanks to continued therapy and help from so many: *family, friends and the community.*

In the long term, the family is saving for adding a therapy room to their home; proceeds and donations from this breakfast will be used for this "building fund" as well as continuing hospital and therapy transportation expenses.

If you cannot attend the breakfast, please consider making a donation. Please send a check to the Libertytown Unionville Lions Club, Box 193, Libertytown, MD 21762, with "for Mason" written on the "for" line.
