Because of questions and concerns about who is applicable for this award, an explanation of the criteria is listed and I am asking that this year's cabinet read them and ask questions before Aug 19<sup>th</sup>. Then we can hopefully vote to accept them at Cabinet.

So what are the criteria for the District A9 Leadership Award:

Active membership for 10 years – Why? Because it takes at least 10 years to understand the scope of what Lions International is and how dedicated you are to your club, your peers and your community.

Recommendation of the club- Why? anyone can apply for an award but we want a club to have such pride in their member that they want to honour them.

Completion of Leadership training- What kind of training? – it could be on line training like Lions University, DGE training, Faculty Institute, Advanced Lions Leadership Institute. Some extra training other than Learning Day to show interest in being an outstanding leader. The application gives the club an opportunity to list why their member should be awarded and an opportunity to list the type of training they have received.

Recent attendance at Cabinet, Zone Advisories, Lions Learning- Why? If a Lion isn't interested in the activities of the District how can they be an effective District leader in Lions? Attendance within the last year is part of the criteria.

This award “The District A9 Bill Moody Leadership Award” is an award to aspire to – not every Lion will be qualified. Those who are should be honoured for their outstanding leadership skills.

Approval by District Governor Team – 3 of the 4 team members must vote to approve the award. The team consisting of IPDG, DG, 1<sup>st</sup> VDG and 2<sup>nd</sup> VDG. The DG will then sign the application to approve.
