MISSION 1.5 

Lions Code of Ethics

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

WHENEVER a doubt arises as to the right or ethics of my position of action towards others, to resolve such doubt against myself.

TO HOLD friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

ALWAYS bear in mind my obligations as a citizen to my nation, my state and my community, and to give them my unswerving loyalty in word, act and deed. To give them freely of my time, labor and means.

TO AID others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

TO BE CAREFUL with my criticism and liberal with my praise; to build up and not destroy.

Lions Mission

Our mission is to empower Lions clubs, volunteers and partners to improve health and wellbeing, strengthen communities, and support those in need through humanitarian service and grants that impact lives globally, and encourage peace and international understanding.

And we fulfill it every day, everywhere we serve.

Lions Purpose

- To Organize, charter and supervise service clubs to be known as Lions clubs.
- To Coordinate the activities and standardize the administration of Lions clubs.
- To Create and foster a spirit of understanding among the peoples of the world.
- To Promote the principles of good government and good citizenship.
- To Take an active interest in the civic, cultural, social and moral welfare of the community.
- To Unite the clubs in the bonds of friendship, good fellowship and mutual understanding.
- To Provide a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.
- To Encourage service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

Lions Vision

To be the global leader in community and humanitarian service.

Lioness History

The Lioness Program started in 1975 officially recognizing women as a valuable part of Lionism. The program grew until 1987 when Lions Clubs officially accepted women into their clubs. District A-9 had 14 Lioness clubs at its peak and only 4 Lioness clubs when it was no longer recognized by Lions International in 2021. Luckily a lot of our Lionesses joined Lions clubs and continue to serve our communities.

The Flag Code

When flags of two or more nations are displayed they should be flown from separate staffs of the same height and the flags should be of approximately equal size. International usage forbids the display of the flag of one nation above that of another nation in time of peace.

When the flag is displayed otherwise than by being flown from a staff, it should be displayed flat, whether indoors or out, or so suspended that its folds fall free as though the flag were staffed.

When used on a speaker's platform, the flag, if displayed flat, should be displayed above and behind the speaker.

When three flags are flown together, the Canadian flag should occupy the central position, with the next ranking flag to the left and third ranking to the right, as seen by the spectators in front of the flags.

When displayed from a staff in a church or public auditorium, the flag of Canada should hold the position of superior prominence, in advance of the audience, and in the position of honour at the clergyman's' or speakers' right as he faces the audience. Any other flag so displayed should be placed on the left of the clergyman or speaker or to the right of the audience.

When used in connection with the unveiling of a statue or monument, the flag should form a distinctive feature during the ceremony, but the flag itself should never be used as the covering for the statue.

Communication Procedures on the Death of a Lion

When a Lion member dies, the Club President or other responsible member should obtain the following information from the family of the deceased.

- 1) Name, location and phone number of the Funeral Home.
- 2) If a Lions ceremony is to be held, time and date.
- 3) Order of dress - vest, business suit, official Lion's dress, etc.
- 4) Time, place and date of funeral.
- 5) Special family requests.

The Club President or designate should offer the Lions Memorial Service to the family. Suggest to the family that this is non-denominational and brief. It can be held either before or after the visitations so that it doesn't interfere. This is a chance for our Lions family who served with the deceased an opportunity to honour them. This service may be conducted by the District Governor, District Officers or Club Members. It is suggested that Club Members close to the family be involved.
