DR. JUNG-YUL CHOI

International President

Dr. Jung-Yul Choi of Busan, Republic of Korea, was elected to serve as international president of Lions Clubs International at the association's 102nd International Convention, held in Milan, Italy, July 5 through July 9, 2019.

A member of the Busan Jae-il Lions Club since 1977, President Choi has held many offices within the association, including club president, cabinet secretary, district governor and international director. He also served numerous times as a DGE Group Leader and served on 11 committees as a member of the International Board of Directors. In addition, he was a chairperson of the 39th OSEAL Forum in 2000 and a host committee chairperson at the 95th Lions International Convention in Busan in 2012, the largest convention ever held in Lions history.

In recognition of his service to the association, President Choi has received numerous awards, including the Humanitarian Partnership; Senior Master Key Award; 100% District Governor Award; multiple International President's Leadership Awards; multiple International President's Awards; and an Ambassador of Good Will Award, the highest honor the association bestows upon its members. He is also a Progressive Melvin Jones Fellow.

In addition to his Lion activities, President Choi is chief executive officer of Koala Company, Ltd., an international trading company, and is also a past director of the Busan Sports Association.

President Choi and his wife, Seong-Bok, have one son, four daughters and two granddaughters.

Fellow Lions and Friends: To say the least it's been a really different year for Lions around the world, and certainly for the Lions of Arkansas.

When I started my year as District Governor (seems like forever and a day ago) there were high hopes that we would increase our membership, start a few new clubs, visit every club in the district and have a lot of fun meeting new people and serving communities throughout the district. Well, March 2020 ended most of those ambitious goals.

As I assumed the duties of Council Chair, we were cautiously optimistic that the new Lions year would bring a new set of opportunities for growth of membership and service. However, the cloud of COVID continued to put a damper on all our activities, projects, and services.

But I want to tell the Lions of Arkansas one thing for certain... your elected District Governors have persevered through not being unable to attend the international convention on a once-in-a-lifetime trip to Singapore, they missed the wonderful learning opportunities of the USA/Canada Forum in Louisville, they scrambled to host Zoom meetings throughout the first 9 months of their year, they did not have the fulfilling experience of visiting all their clubs and other districts and still to deal with the "normal" things that arise in a DGs year. These four Lions have served above and beyond the call of duty to try and keep your Lions Clubs viable and active.

Thanks to each and every one of you who have persevered right along with these outstanding leaders. You all could have thrown in the towel and said, it's just too hard to keep going. Without "normal" meetings and fund-raisers, you and your club could have completely given up. But, in the true spirit of Lionism, you kept on serving and your communities are better for your efforts.

As we come together for the first time in 14 months, I congratulate every Lion in Arkansas for bringing your dedication, your grit, your positive attitude, and your service to our state. What a different community we are because of THE LIONS!

Welcome to our 103rd Arkansas Lions State Convention. Our State Special Events Committee, the Host Committee and the Little Rock Founders Club have put together a remarkable convention and agenda. I hope you have a good time and I hope you learn more about what we can continue to do as Lions to make Arkansas and the world a better place through the diversity, kindness and SERVICE of Lionism.

Together in service

Brad Baker, Council Chair

ADJOURN

LIONS CLUB CODE OF ETHICS

To Show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

To Seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

To Remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

Whenever a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

To Hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

Always to bear in mind my obligations as a citizen to my nation, my state, and my community, and to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.

To Aid others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

To Be Careful with my criticism and liberal with my praise; to build up and not destroy.

HAVE ASPIRATIONS WILL TRAVEL

Shortly after birth, Eric was diagnosed with **Retinopathy of Prematurity, an abnormal buildup of blood vessels that scar the retina.** Even though he can't see with his eyes, he lacked no vision as he rose to Flotilla Vice Commander in the Coast Guard Auxiliary (with Payton by his side).

More than **75,000 people become blind or visually impaired** each year. In stark contrast, only **10% travel independently with a guide dog or white cane.** But with your help, we'll raise and train even more of these tenacious canines. And together, we'll make people unstoppable.

CURRY'S PROUDLY SUPPORTS

I would like to take this opportunity to thank all the clubs and members of District 7 O that have supported me as their District Governor in this trying year of 2020-2021. This year has been a year to remember and a year to forget. We have lost so much but gained so much as well. We have had new ideas and new opportunities to serve unlike any other year. We still have several clubs that are struggling to get back on their feet, but as the great Helen Keller once said, “Alone we can do so little; together we can do so much.” I make a commitment, to any club, that I will be there to help in anyway possible.

I would also like to say a special thank you to my District Cabinet. I could not have done anything without the great leadership, mentorship, and encouragement I have received from them this year. I am deeply honored and humbled to have served as District Governor with you. I say, “service is love made visible,” and I have seen so much love in my year as District Governor. Our District 7 O is full of men and women that love to serve.

Thank you all again. I cannot wait to serve with you soon and see what our future has in store.
