A Message From the District Governor

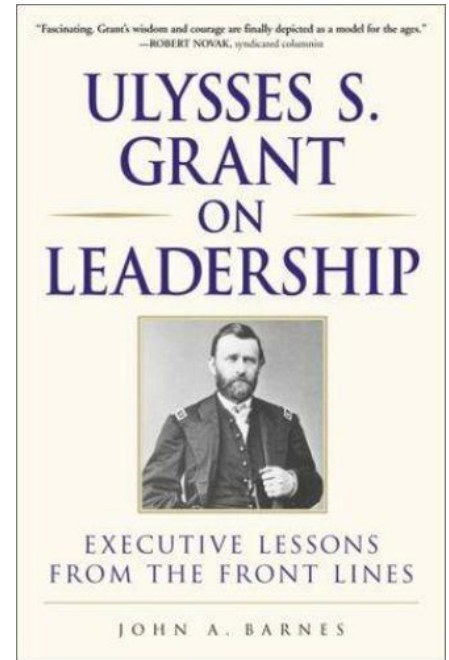

District Governor
Keith Shoff

September has been a busy month, but it was a FUN busy !!. I'm pleased that 1VDG Marty has joined me on several Club visits, so those Clubs got a double dose of the "staches" that evening. Thank You to all the clubs who have welcomed us, and for your support both of the Governor's projects and of my personal pin. It's interesting how many Members will come up to me and start discussing "dogs," a universal conversation starter and something that I love to talk about as well. I am anxiously looking forward to October as it will be my busiest month for club visitations, with fourteen clubs to visit in addition to a Council of Governors meeting in Pittsburgh at the end of the month.

As part of my conversation at Club visits, I mention that I am a Lion, just like everyone else in the room. I realize that some Clubs dislike or even dread a District Governor visit. That's a shame, because we're there to talk about what you're doing and how the District can help. We're there to meet Lions and make new friends. If me wearing my Green DG jacket makes you feel uneasy, or appears that I'm trying to be better than you, I have no problem not wearing it. In fact, I haven't worn it to a visit yet. I want you and your Clubs to feel comfortable and realize that we're a TEAM - **Team 14-C** - and I don't say that lightly. Both the District and I need the experience of each and every Lion in the District. The PDG's who have served before, and the Vice-District Governors coming after me are willing and available to assist with your questions and concerns. Part of that means that you need to examine what you do and how you do it and see whether there are better ways to serve and to raise funds for your service. How many times have you heard that we live in rapidly changing times? It's true, we really do. The other thing we hear is "think outside the box", well sometimes the hardest part is determining what that box is. We all carry around a "box" inside our heads. The way we look at the world and do things is a product of the way we were taught. Rules are important and usually exist for a reason, but changing technology and circumstances can change rules. As Lions Clubs, we have not always been as willing as we should be to adapt in order to continue and grow our service and our membership. That's where being a part of **Team 14-C** comes into play. As IP Brian says, *"Together we can, Together we will"*.

A Message From the District Governor con't

I recently finished reading a book, ["Ulysses S. Grant on Leadership: Executive Lessons from the Front Lines."](#) where I learned a valuable lesson in thinking outside the box. This event occurred during the battle for Mexico City. Mexico City is built on an island and the city could only be approached by a series of causeways, which the Mexican army had heavily barricaded. A young Lt. Grant noticed a nearby church with a tall bell tower and immediately thought it would make an excellent observation post, which it did. Once arriving at the top, Grant also noticed that there was enough room for a mountain howitzer. He and his men, disassembled the gun, hand carried the heavy parts up the rickety church stairs, reassembled it and began to fire upon the very startled Mexican army, who quickly ran for cover and allowed the American army to advance. Something that had never been done in battle before. The lesson is we shouldn't do things simply because "that's the way we've always done it", we need to be open to new and possibly better ways of accomplishing the task at hand, because times, conditions, and rules change.

THANK YOU for your SERVICE and for all you do in your Communities, the Commonwealth of PA and around the world. **THANK YOU** for allowing me to be a part of your Lions journey.

In closing, a quote from IP Brian Sheehan:

"Find the joy in being a Lion." Let's all be on a mission to share the Joy we find in being Lions and Serving in our communities.

Together we can. Together we will!!
Yours in SERVICE and Friendship.

LET'S ROAR!

A Message From the 1st Vice District Governor

District Governor

Fellow Lions, Lioness/Lions and Leos:

Again, it is hard to believe fall is here. As DG Keith, shared in his message, I have been honored to join him on a few of his club visits. It is great to get out and meet more Lions and thank them for their service to others. September was a busy month for me, attending the USA/Canada Forum in Calgary, I was a bit anxious, since the last time I flew in a plane was when I was in the Air Force – to give you a time reference I received my Commission from President Richard Nixon.

During a 5-hour layover (turned into 7 hours-had a plane but no flight crew) at the Minneapolis Airport, I had to opportunity to meet many Lions on their way to the Forum. No, not quite like the movie “a funny thing happened on the way to the forum” but quite enjoyable. The forum itself was very informative, again great keynote speakers and good seminars. I was humbled and honored to serve as a facilitator presenting a workshop on “Leading Change.” I also received my Master’s Degree from Lions University and participated in a STRIDES Walk. Also, all the Lions from Pennsylvania enjoyed a relaxing dinner at a local restaurant -thanks to PID Cindy and her husband Tom who organized the outing.

Serving in my capacity as part of the York/Adams Boy Scouts. I took part in Memorial Mall Service (Camp Tuckahoe ,Dillsburg)which honored scouters /scouts who pasted away in the last few years. I was impacted while reading the life summary for Gerald W. Leckrone who provided an astounding 55 years of volunteer service to the scouts , he also was a Lion who received a Melvin Jones Fellowship. Truly, a servant leader of his community.

Thanks to all of you for all you do to serve, I look forward to meeting more of you in the coming months.

Lion Marty Zimmerman, 1st VDG

A Message From the 2nd Vice District Governor

Lions “We Serve.”

Sometimes first impressions are correct. This time it was wrong. When I was first invited to a Lions Club meeting 45 years ago, I was so sad when I saw the banner with the two Lions heads. Was it one Lion with two heads or was it two Lions joined at the heads? Would surgery be successful or result in death(s). In the 70s I could create this logo altering a photo in the darkroom. Photoshop was not as we know it today and there was no morphing. Medical surgeries didn’t exist as we know them today. But weeks later, the significance of the logo made sense the night I was inducted. The Lion head facing the left represents the past with pride and accomplishment. The Lion head facing the right represents the future with confidence and looking in all directions to render service.

As the Shippensburg Club plans for its 90th anniversary celebration this month, I think of that Lion looking to the past. Sorting through our archived materials, I found a tray of slides from our 40th anniversary. When I had prints made, the prints revealed that 1972 was the year E.G. MacPherson was District Governor. He was a member of the Shippensburg Club. As I look at the head table, Lion Jack Squires (Founder of Squires Appliances) is in the photo. Years later, Lion Jack needed a blood transfusion. That’s 10 pints of blood. I knew Lions provide service to others, but this was Lions helping Lions. Since our club had enough donors giving to the blood bank, the blood cost him nothing. More recently PA Lions reached out to Kentucky Lions after the tornado. But all that is in the past. We can be proud, but that’s history.

Remember the Lion looking to the right? Now we are looking to assist with the flooded areas in Kentucky. This is just one opportunity that any Lion can join in the effort. It’s called **Service**.

Let’s create another scenario using the Lions logo.

Suppose the Lion looking to the left represents opportunities within Lionism. Most clubs would welcome someone to volunteer to be an officer or on a committee next year. We all have talents and abilities. We all have 24 hours a day. Some clubs have openings now. Training is available. Every club needs members (new and existing) who will volunteer to help with fundraisers and service. Are you, a past president and feel that you have been “put out to pasture” and are no longer of value? Wrong. Wrong. Wrong. You are now a seasoned, valuable Lion. Don’t want to be District Governor? No problem. There are opportunities at the Zone and District level. Don’t want to be on the District Cabinet? There are opportunities on Committees. It requires a willingness to get outside your zip code and the commitment to step forward and do more. Let your desires be known.

And what about the Lion looking to the right? There are so many opportunities to serve the public through our clubs, in our communities, and through LCIF. Some would rely on the “train coming down the tracks.” Lions rely on volunteers.

Thank you for serving and the opportunity for me to “serve.”

Galen Burkholder
2nd Vice District Governor

District Disaster Relief Program

The [Disaster Relief Program](#) (DRP) is a focus program of the Lions Clubs International Foundation (LCIF). The DRP is good for Lions Clubs to reach out and touch their communities and to get the Lion's name and logo out in front of the public. Lions International DRP focus on four areas.

[Disaster Preparedness](#) – plan and prepare for future disaster

[Emergency Assistance](#) – immediate assistance after a disaster

[Community Recovery](#) – support for short-term cleanup and repair efforts

Major Catastrophe – larger scale assistance for long-term projects

The DRP affords clubs the opportunity to work with community leadership, private businesses, and others to prepare for and respond to the unforeseen disasters and events. So why not use the DRP by getting involved with an already established local program or coordinate and begin a new program based on one of the monthly focuses. If you have questions or want to learn more; please reach out to the DRP Chairperson, Ray Highlands at carlislelionray@comcast.net.

Kentucky Assistance

In December, western Kentucky was hit by devastating tornados, and in July eastern Kentucky had severe flooding and storms. PA Lions stepped up and provided relief for the tornados, and now our fellow Lions in Kentucky are again in need of resources. District 14-C is doing another resource drive for flood survivors. Because of the short notice we are once again asking your clubs to provide gift cards.

DG Keith is setting a goal of \$12,000, which may sound like an unreachable amount, but it is just \$10 per member. Let's help DG Keith reach this goal! Clubs may donate from their project fund or collect individual donations from members. Clubs should purchase either a Lowes or Visa gift card and deliver it to your Zone Chair no later than October 14th. The District will purchase supplies from a list provided by the Kentucky Lions.

Paws for Thought

**Leader Dog Puppy Raiser
Robbie Teal**

The drive didn't seem long enough. I tried to savor every waking moment with my little buddy as we drove to Rochester Hills, Mi. I talked to him, sang to him and told him how proud he will make me as a Leader Dog. I think this is the time that every Puppy Raiser dreads when they are taking that last drive with the puppy they raised. Killian has been an extremely good boy these last few weeks. It's as if he was saying, "I'm ready for the next adventure at Leader Dog University." Our journey together has come to an end as we walk towards the entrance. It is tradition to take a picture of your Leader Dog with the statue when you pick up the puppy and then when you return the dog. We stopped at the statue so I could take Killian's picture.

Paws for Thought

We walked into the building and into the room where we would have the “exit interview”. Killian was weighed. He then met his new handlers Brie and Lori. Killian played shy at first, a first for him, but once I walked up to them and told Killian to “sit to greet,” he gladly took the treats they offered. I gave them a bag of Killian’s favorite treats, which they opened and started feeding him, and soon Killian was at ease with his new friends. They let Killian pick a new toy from the toy chest in the room. He could take his new toy to the kennel he would be assigned during his stay at Leader Dogs. We went over the questionnaire I had to complete before Killian’s return. The questions were on his response to various encounters with other dogs, people, and situations. The interview lasted a little less than an hour and I kept hoping it wouldn’t end. But the time came when Brie removed Killian’s collar, handed it to me and put his new collar and tags on. She then put on his leash and said, “Killian, it’s time.” They walked to the door and as Brie open it, Killian stopped, looked up at her as if to say, “I’m ready,” and walked out of the room to his next adventure in his training.

As I walked out of the building, the heavens opened up and I felt the rain softly mingle with the tears on my face. I walked to toward my truck; I remembered something a long-time puppy counselor once told me. She had raised over 30 puppies for Leader Dogs. I asked her if it gets any easier to return the dogs. She told me, “With ever puppy I pick up to raise, they give me a piece of their heart. And with every dog I return, they take a piece of mine. If I’m luck to live long enough, someday I will have the heart of a dog.” One can only hope.

Carlisle September Activities

Open House

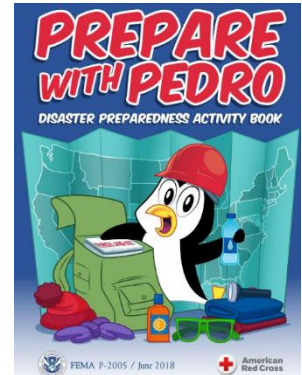

The Carlisle Lions club had their first ever open house on September 17th. Turn out was low but the club presented on different Lions programs for the club, district, and international. Connections were made for future coordination and cooperation on multiple projects. Thanks to all the Lions from the club and those guest from the district that made the day a success and beneficial.

Lions at the Harvest of the Arts Carlisle

The club setup a booth at the 40th Harvest of the Arts Festival in Carlisle on September 24. People visited and learned what Lions is about and the projects the club is doing in and around the community. The club also gave away Prepare with Pedro books to kids along with magnets, pens, and little tablets to remind people of the Carlisle Club.

Lions in Response

During the Harvest of the Arts the Club coordinated with the Carlisle Special Police Captain to carry Carlisle stuffed Lions in his response vehicle. They will be handed out to accident and disaster survivors for comfort. Specifically geared toward children the stuffed Lions will be at every incident in and around the Carlisle Area ready for those in need.

We Serve!

From the desk of PDG Dennis Cope, Global Service Team (GST) Coordinator

“WE SERVE!” It’s not just a motto, it’s a call to action, and it defines us as an organization. What Lions clubs do for their communities determines the club’s visibility and ability to attract new members. Most of the time, our clubs work to meet the needs of individuals, groups, and other non-profit organizations in their communities.

However, each of our local Lions clubs is part of the larger Lions International family. In addition to serving our local community, Lions have the opportunity to serve those in need in other parts of District 14-C, across Pennsylvania, throughout the United States and around the world. Our clubs are being given one such opportunity as a result of the recent floods in Kentucky.

Having established a relationship with the Kentucky Lions last December after the devastating tornadoes that ripped through Western Kentucky, Pennsylvania Lions are once again mobilizing to provide supplies to flood survivors in eastern Kentucky. As part of that effort, District 14-C is doing another resource drive for flood survivors. Because of the short notice we are once again asking District 14-C clubs to provide gift cards.

District Governor Keith has a goal of \$12,000, which may sound like an unreachable amount, but it is just \$10 per member. Let’s help DG Keith reach this goal! Clubs may donate from their project fund or collect individual donations from members. Clubs should use the funds to purchase either a Lowe’s or Visa gift card and deliver it to your Zone Chair no later than Friday, October 14th. The District will purchase supplies from a list provided by the Kentucky Lions. As part of the larger Lions family, let’s once again show our compassion and generosity toward those who have lost so much in eastern Kentucky.

Service Project Suggestions Related to Lions Clubs International's GLOBAL SERVICE CAUSES

Here are five new suggestions for service projects. Each project relates to one of Lions Global Causes: Vision, Hunger, Environment, Diabetes, and Childhood Cancer. Perhaps these ideas will pique your interest and look like something your club could do later this Lion year. I am ready and willing to help in any way I can. Feel free to contact me by phone or email to start the conversation. Five new suggestions will appear in next month's newsletter. - PDG Dennis Cope

Lions Communication Corner

When you ask most married couples that have been together for a very long time, “what is the success to your marriage,” they tell you that their secret is Communication.

When clubs communicate with each other and with different levels of Lions, amazing things are possible. Our District Governor wanted to take this simple concept and use it to get all of our Lions working together. District 14-C is already doing amazing things but working together makes what we can accomplish “Extraordinary”!

District Governor Keith would like to facilitate our District becoming extraordinary!! He has already gotten an Event’s Calendar up and running and many clubs are sending in their information. Next, he wants to get the website updated and linked to our Facebook Page and have our Facebook Page working hand in hand with our website.

Once this is done, we will be able to put all of your upcoming event flyers on the site with a link to your pages so everyone can access all of your events and information about your amazing clubs!

After we accomplish this, we will hopefully be able to link to the world outside of Lions so we can help everyone become more visible to the entire community.

Great things are happening in our District and thanks to District Governor Keith Shoff, we are on the cutting edge. Keep sending in your flyers and event information for the calendar to me at Dartha430@Comcast.net and keep your eyes peeled for more information through our future District Newsletters!!

Hanover Holds Their Traditional Summer Crab Feed

On a pleasant fall evening in September, fourteen members of the Hanover Lions Club and fourteen family members and two special guests gathered to enjoy an important part of being a Lion. It includes socialization and working together in fun, exciting activities. The major task at hand: picking crabs on the deck at Big Mike's Crabhouse at the corner of Chestnut and High Streets In Hanover. The feed included hardshell Maryland lump crabs, sweet corn on the cob, Maryland Crab Soup, and fried chicken for the thirty good people who do good work for the local community.

Past District Governors Lisa and John Griffie (right side) gratefully joined the Hanover Lions to partake with their fellow Lions in this annual event. The Griffies are seated with Lions Ann Brumback and Larry Sherfey.

WCC Donates Funds to Local Food Banks

The WCC (Western Cumberland County Lions Project Fund) has been developed from representatives from the seven area Lions Clubs. The WCC helps the Clubs with projects that are too expensive for the individual Clubs. Recently, the WCC designated \$7,000 (\$1,000) to each of the 7 Clubs so each Club could help the food banks in their area. This food is to benefit children in need of food.

Hanover Showcases Teamwork

On August 27, 2022 at the Pennsylvania State Loyal Order of Moose Association Convention in Harrisburg, PA, incoming State Moose Association President, George Chroniger, Jr. (above left), presented \$6,825 to Hanover Lions Club's Bob Gotwalt to support the programs for the blind and visually impaired at Beacon Lodge, Mt Union, PA. This generous contribution was part of the Moose's "Heart of the Community" annual community service project (<http://pamoose.org/communityservice.htm>) where donations were collected from 52 Moose Clubs across the state of Pennsylvania. The Hanover Lions Club (www.hanoverlionsclub.org) is honored to be the recipient of this donation and will pass along the funds to Beacon Lodge on behalf of the Moose in the coming weeks.

Hanover Continues an 87-Year Tradition of Local Community Service

2022 marks the 87th year the Hanover Lions Club has been using this fundraising project to support the local community. For many years, the project was conducted at the Hanover-Delone Football game (usually the very first game of the season) when most of the town came to support their respective team. The Lions also utilized the town square and local establishments when businesses were booming 'in-town'. Proceeds supported the cost of busing of youngsters to local swimming pools to participate in the Hanover Red Cross "Learn To Swim" program. More recently, the focus has been on providing financial support to the Children's Library Program at the Guthrie Memorial Library and supporting their programming efforts on behalf of the children from the Hanover community. It is a collaborative effort with students of local service clubs of the representing Hanover area high schools. The illustration above is the sticker given to donors who give to support the cause. You will find Lions and high school students at local football games on a Friday night in the fall. Members of the Lions also gather at the Hanover Market on Chestnut Street on a Saturday morning to catch those citizens who may not attend a game but wish to contribute. If you would like to contribute to this effort, please contact Matt Wootton, club president and project chair, at (410) 984-4562.

Scheduled football games where Lions/Service Club students will be available to take donations will be from 6:00-7:00 PM on September 23 @ Delone's JT Flaherty Field, on October 14 @ Hanover's Sheppard-Myers Stadium, and on October 28 @ The Corral at Southwestern High School

Do YOU Have a Lion Account?

A Lion Account is essential for conducting your Lions-related business. While access to some Lions digital product features is restricted to specific Lion titles, all Lions can benefit from having a Lion Account. From reporting your service in MyLion to updating your member roster in MyLCI to setting up a virtual meeting through *Connect* and more, your Lion Account provides the access you need to helpful digital tools. [Register now](#).

New Member Kits

[New member packets](#) are available on from LCI at no cost to clubs. The kit is designed for presentation to new members which includes the Welcome Booklet, Membership Certificate, Sponsorship Certificate, Sponsor Pin, Decal, Coupon, Pen and Lapel emblem. New members should be reported in MyLCI prior to ordering a new member kit. Do you have an unused kit from a previous year? You can order replacement certificates with International President Sheehan's signature. Just send an email to ecommerce@lionsclubs.org and request the number of replacement certificates needed. Be sure to request both membership and sponsor certificates

Distinguished Service Award Nominations Due

The Past District Governors from Multiple District 14 are also known as the PA Counsellors. Each year the PA Counsellors recognize deserving Lions in each district with the Distinguished Service Award. Each Lions club in District 14-C is encouraged to nominate one of their members to receive this award. The Lion nominated for this award must be a member in good standing. He or she must also have been a Lion for at least one (1) year and a day to be eligible.

Two Lions from District 14-C will be recommended for this award. Those two Lions will be selected by The Past District Governors Honorary Committee in November. Presentation of the awards will be made by the District Governor at the District 14-C Convention in April.

To nominate one deserving member or your club, please complete an application form and return it to PDG Lisa Griffie by Friday, November 11, 2022.

Newville Mourns Long-Time Member

W. Irvin Nelson, 90, of Newville passed away Sunday, September 4, 2022, in Pro-Medica, Carlisle. He was a 1949 graduate and treasurer of Newville High School. He was a Korean War Veteran having served in the U.S. Army, and had been the Office Manager and Bookkeeper for Fickes Silo Company, and Fickes Stonecrest Farm for 67 years.

He dedicated his life to his family and the Newville Community, and the list of volunteer service is unending. A partial list includes a member of Zion Lutheran Church, where he sang in the choir, taught Sunday School and served on the council. He was Treasurer of Neighbors in Christ, he was Secretary and Vice-President of the Newville Lions Club, a member of the Cumberland County Redevelopment Authority (Vice-President), member of the Cumberland County Home Town Committee, the Alwein Association (President), the Big Spring Band Association (President), the Newville Historical Society, a Life member of the American Legion Post 421, the Green Ridge Auxiliary. And a life long Boston Red Sox fan.

Memorial contributions in Irv's name may be sent to Zion Lutheran Church, 51 W. Main Street, Newville, PA 17241.

Hanover Lions Continue Support for Beacon Lodge Camper

For the past two years, the Hanover Lions Club has been directly sponsoring a local camper in attending the 11-day summer program at Beacon Lodge in Mt. Union, PA. In 2022, the summer session for the visually impaired ran from July 30-Aug 9. Beacon Lodge focuses on a person's strengths, not their weakness and provides a variety of fun summer-time activities ranging from swimming, bingo, arts & crafts, social interactions, group discussions, etc.

Pictured above are Lions John Zinn and Todd Boller with Roberta who enjoyed her time at Beacon Lodge during the beginning of August. In addition to covering the summer registration costs, members of the club "team up" to provide Roberta personal transportation to and from the camp.
