

## District 14C Newsletter January 2023

### A Message From the District Governor

District Governor  
Keith Shoff

Fellow Lions, Lioness/Lions and Leos.

I wish to thank all the clubs of District 14-C that invited me to their Holiday celebrations this year. I truly had a great time celebrating the season at each of them, joining in the festivities with your friends and families. I suppose I'll need to move a little faster now to try and drop off those extra calories. As I write this, our District membership has 36 New Lions since we began on July 1st. My congratulations to Dillsburg Lions Club for adding 8 new members so far this year, all sponsored by Lorin Stough! **GREAT JOB!!** If you would like assistance in increasing your club membership, contact me, and an experienced Lion will be more than pleased to show your club different ways to grow. This may be the end of calendar year 2022, but we still have 6 more months to increase our ranks.

This is also a good time for us as Lions to evaluate our service and the culture of our clubs. Are there projects and methods that, as much as we might enjoy them, are no longer beneficial or effective? Are there new opportunities to serve, and just possibly new groups to invite to serve alongside of us? Our Past International President, Dr. Choi said, *"our diversity is our strength."* Perhaps we can increase our strength by increasing our diversity??

Later in this newsletter, you'll read the results of the MD14 Peace Poster contest. I have no intention on spilling the beans, so you'll just have to keep reading to find out the rest of the story 😊

Several weeks ago, I had the opportunity to assist with the tidying up of the State Office in Harrisburg. While cleaning out all the obsolete and meaningless collection of things, we located a time capsule from the 14-C Lioness Spring Breakfast, dated March 14, 1992. It was intended to be opened in 2017 but apparently got tucked away over the years never to be thought about again. It will be opened this Spring at our State Convention. After sorting thru the mysterious treasures inside, the intentions are to re-pack the capsule with new items. SO, any Club that wishes to submit a "small" item to be placed back in the capsule for another 30 years should contact PDG Deb Burkholder.

## A Message From the District Governor con't

I'm going to end this article on a sad note. Unfortunately, 13 of our Lion compatriots passed away within the last 6 months, taking their years of experience and knowledge with them. They will all be deeply missed, and I pray that their families can find solace in the fact that each one left this world a better place for those of us still here and for those yet to come. I felt that I had to mention those that have graduated to the greater Lions Club, because on December 17<sup>th</sup>, I too felt the sting of loss. It was on that day that a dear friend and member of the Brogue Community Lions (PDG Irv Bortz) left us. Lion Irv transferred to the Brogue Club in 2017 when he moved from Berks County but he fit in as if he had been with us for 50 years. Although I have several mentors, that I respect tremendously, when I presented my intentions to run for District Governor, PDG Irv immediately started handing me notes, impromptu speeches and all sorts of Governor related materials from his term as Governor in 1984 / 1985. He was a true inspiration to me and I will miss him and our conversations, dearly. I'd like to share a poem that he kept in his pocket and would hand out copies to people now and then. The title is "Little Gift" ...

I took the time to say hello, to someone I didn't know. To someone who was walking by, a look of sadness in his eye. And when he smiled back gratefully, I realized that my "Little Gift" had given both of us a lift. You'll never know just whom you'll meet, throughout your day on any street. People just like me and you, with loneliness and problems too. Yet life is always better when, we take the time to be a friend to someone we don't even know, and all it takes is one hello."

PDG Irv, Thank You for your service, Thank You for your encouragement and Thank You for being my friend. God's speed my friend, I'll see you on the other side.

Lion Kathy and I would like to wish a very Joyous and Happy New Year to you all. May 2023 instill you with kindness and compassion which is the fuel for what Lions are known for .... SERVICE

**THANK YOU** for your SERVICE and for all you do in your Communities, the Commonwealth of PA and around the world. **THANK YOU** for allowing me to be a part of your Lions journey.

Together we can. Together we will!!  
Yours in SERVICE and Friendship.

**LET'S ROAR!**

## A Message From the 1<sup>st</sup> Vice District Governor

1st Vice  
District Governor  
Marty Zimmerman

Fellow Lions, Lioness/Lions and Leos:

At this time of year, it is hard not to think in amazement that another year has flown by. To quote the Beatles (better than quoting myself)

“ There are places I remember  
All my life, though some have changed  
Some forever not for better  
Some have gone and some remain”

Sadly, we remember the Lions we have lost this year, give thanks for the Lions that remain and rejoice for the new lions.

In this year, Club visits, Cabinet Meetings, Council Meeting, Convention, and Calgary (all these C's reminds of my grades as an engineering student) were some of the events that provide great memories but also highlight the amazing service that Lions provide.

At the same time, I think back and thank PDG Tom Jones who invited me to become a Lion (yes it took a couple of invites). Tom showed me the path to follow and introduced me to an incredible group of Lions who have all provided support and guidance to help me grow and develop -still a long way to go.

DG Keith and myself often joke how sometimes people may mistakenly confuse us. Honestly, if I am going to be mistaken for someone I really can't think of a better person.

December is a month where we give and receive gifts. There is often a phrase “the gift that keeps on giving.” Thanks to Google, I traced this back to 1920 in a commercial for Victor Radio. (Although it has been used with many products since then.) I would suggest another possible use of this phrase, I encourage every Lion to offer the **gift that keeps on giving** through an invitation to join Lions, to family, friends and coworkers. I honestly, feel being a Lion one truly gives but also receives.

Thanks for all you do.

Peace,

Thanks for all you do.

Lion Marty Zimmerman, 1<sup>st</sup> VDG

## A Message From the 2nd Vice District Governor

**2nd Vice  
District Governor  
Galen Burkholder**

### Lions “We Serve.”

So, as I write this article, I am still wearing my Santa hat. But for this month’s contribution, I am putting on my GLT hat because this writing is all about training.

Thank you to all of you who are serving on a District or Club level. So, if you volunteer, isn’t it enough to just bring your knowledge and skills to the position? Well, do you want to be just average, or do you want to do your best?

Would a teacher, astronaut, musician, or a football player just show up with their knowledge and skills?

Dedicated teachers wouldn’t come to the classroom, sit in a chair and say, “Let me tell you about today’s lesson.” No. They would refer to a textbook, digital file, or online display. They would use display boards or use other visual aids; they would show examples. They would assign homework (just like Lions fulfill duties in their position). They would use all tools and experiences at their disposal.

Would an astronaut study, then skip G-force training and strength training? Would they crawl in the cabin, say I know it all, and fail to suit up for the flight? No, they would use all the tools. Would a musician study how to play an instrument and practice, then refuse to go to rehearsals to synchronize with the other performers? Would they show up for a concert saying I have the knowledge and have practiced, then leave their instrument at home? No. Would a rookie NFL football player say, “I have played football in high school and college. I have experience. I can skip football camp.” Then show up game day and let their pads and helmets in the locker room and expect to contribute to the team. No.

Then why would a Lion serve at a Club or District level and not want to learn from other Lions in that position now or in the past? Why would they not want to be mentored or trained? The Lions training and mentoring offered is truly great.

See schedule on next page and register for 2023.

## Spring Seminar Series

District 14-C is proud to present six interactive on-line seminars for Lions club members and club leaders during the months of February through June. All the seminars but one will be conducted through Zoom video conferencing. Pre-registration is required in order to participate in each seminar. Use the links provided below to register. PDG Kerry McNight will lead this seminar. This is an in-person seminar. Email Lion Kerry to register.

# District Disaster Relief Program

The [Disaster Relief Program](#) (DRP) is a focus program of the Lions Clubs International Foundation (LCIF). The DRP is good for Lions Clubs to reach out and touch their communities and to get the Lion's name and logo out in front of the public. Lions International DRP focus on four areas.

- [Disaster Preparedness](#) – plan and prepare for future disaster
- [Emergency Assistance](#) – immediate assistance after a disaster
- [Community Recovery](#) – support for short-term cleanup and repair efforts

Major Catastrophe – larger scale assistance for long-term projects

The DRP affords clubs the opportunity to work with community leadership, private business, and others to prepare for and respond to the unforeseen disasters and events. So why not use the DRP by getting involved with an already established local program or coordinate and begin a new program based on one of the monthly focuses. If you have questions or want to learn more; please reach out to the DRP Chairperson, Ray Highlands at [carlislelionray@comcast.net](mailto:carlislelionray@comcast.net).

# District Governor Visits Carlisle

DG Keith talks to the Carlisle Lions

DG Keith was reunited with an old friend. When DG Keith was the 1VDG he traveled the state with a 6" stuffed Lion from Carlisle. The Lion was saved and presented to him during his annual DG visit.

## Dallastown Participates in Wreaths Across America

The Dallastown Lions Club participated in the annual Wreaths Across America program again this year. Wreaths Across America honored all veterans across this wonderful nation and our local York County branch honored York County veterans. The ceremony was held at the Susquehanna Cemetery on Saturday, December 17, 2022.

At the conclusion of the service, everyone picked up a wreath for their loved ones and placed them on their grave. Dallastown Lions Club has many deceased members who also served in our great military and members of our club will be there to place wreaths on our fallen hero's graves. If you have a veteran that you would like to honor next year, please contact Joan Snyder at (717) 887-1848, [jsnyder1848@gmail.com](mailto:jsnyder1848@gmail.com) or visit [www.wreathscrossamerica.org](http://www.wreathscrossamerica.org). You can come to the ceremony next year and pick up an ordered wreath and take it to any cemetery that you would like to. We have Lions who take 20 wreaths to loved ones throughout the County and place them to honor their service.

Thanks to all of our veterans and those who currently serve for without their great sacrifices we would not be the free nation we are.

## **5 Facts about Guide Dogs**

1. Guide Dogs don't watch traffic signals. They wait on their blind handler to give a forward command. The handler listens to traffic patterns and makes an educated judgment about the best time to cross the street.
2. Petting distracts Guide Dogs from their work. When a Guide Dog is in its harness, his whole focus should be on his handler. If you're petting the dog or calling his name, you're taking his attention away from his handler and making his job harder.
3. Guide Dogs get lots of play time out of the harness. When you see a Guide Dog in public, he's working. But the handlers give their dogs plenty of toys, love, massages and playing time.
4. A Guide Dog behaves differently when he's working in his harness. He has been trained from puppyhood to understand that harness time is work time. When the harness comes off, you will often see a totally different dog. The harness also comes off for food, water, and potty breaks.
5. Guide Dogs enjoy their work. You cannot force a dog to guide a handler. The dog has to decide that this handler is worth guiding. When you show a dog his harness, he often becomes excited to work. If a dog does not love guide work, he does not become a guide dog.

The bond between a Guide Dog and his handler is exceedingly loving and from the heart. Please respect the bond and the need to travel safely for the Guide Dog and their handler.

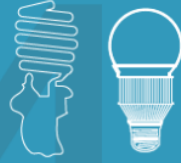

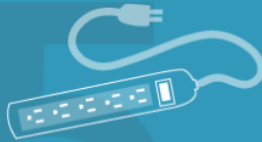

# Environmental Focus: The Green Team

**National Cut Your Energy Costs Day – January 10, 2023:** This day was created to help build awareness regarding energy efficiency. Wasting energy and resources is one of the worst things we can do because it not only jeopardizes ourselves, but the world around us and how it functions. The more energy we use, the worse it is for the environment. This day is in place to make people think about their energy consumption and what they can do to improve. ## Environmental Focus: The Green Team

**Oh Look...It's National Squirrel Appreciation Day – January 21, 2023:** Yes, you read that correctly. There is a national squirrel appreciation day. Why do we need a day just for them? Back in 2001 Christy Hargrove started this day to raise awareness about squirrels and their cunning creativeness. This day has grown bigger than she could have ever imagined. One of the most creative things to do to celebrate this day is to create a squirrel obstacle course. These creative courses are fun for not only the squirrel's but also very entertaining for us to watch as these beautiful creatures use their tails to balance in search of the nuts that are hidden throughout the course. Watch one person's obstacle course that went viral and was on USA Today:

**International Environmental Education Day – January 26, 2023:** This educational day is celebrated all over the world in hopes of improving the relationship between humans and nature. On this day, take time to think about solutions to environmental issues. For over 50 years this day has been celebrated to encourage everyone to try to make a difference in the world around them. Learn more about this day and its history by visiting

**National Seed Swap Day – January 28, 2023:** Celebrated the last Saturday in January this day celebrates the U.S. tradition of swapping seeds with neighbors. This day was used for gardeners to meet and exchange seeds in person with one another. Look for local events near you to meet with those in your area and swap seeds to grow a better ecosystem. Learn to grow the food you love and enjoy!

## Stewartstown Sponsors Community Tree Lighting

On December 3<sup>rd</sup>, the Stewartstown club partnered with the Mason-Dixon Public Library to hold Stewartstown's 2<sup>nd</sup> Annual Christmas tree lighting. Despite a rainy day, over 150 people showed up to light the tree, which resides on the library's property. The event featured a local dance troupe, carols from the Girls Scouts, a brass band from Kennard-Dale High School, and the Mayor of Stewartstown, who pushed the switch that activated the lights. Local churches provided free cookies and hot chocolate for all attendees as well.

## Lions Communication Corner

You know the saying “a picture is worth a thousand words?” It is so true. Think about when you used to be in those science fairs at school, or when you attended a viewing of a friend, or when you went home for Christmas, and you milled over all of the old family photos! The pictures told a story or explained your very complicated science fair project and you did not even need to say a word!

Lions is very much like that! If you tell the public what you do, people tend to hear only a few words and never get the true impact of your projects. This is why making a trifold with pictures and possibly a caption to briefly explain each photo is so effective! Some clubs use these trifolds at each and every event. They tell people what it is we do and gives them a front row seat to our true purpose, service. Some clubs have trifolds on all of what Lions International does, explaining our 5 areas of service. They also have trifolds showing the experiences of a camper that they sponsored at Beacon Lodge. Most show their community service and lives they touched in their community.

Try this technique at your next event and I can guarantee it will get your visitors talking! Remember to show that 100% of what is donated goes to the cause! This really gets people’s attention and gives them a positive feeling about donating to Lions. It also is a great tool to use to gain new members. You might just have a picture of something they hold most dear and would like to be a part of!

Children got to tell Santa what they wanted for Christmas and the club gave out coloring books and candy canes

## Dallastown Donates Food for the Holidays

The Dallastown Lions Club donated 35 pies for Thanksgiving and another 35 pies for Christmas to Life Path Ministries. They do this every year and this year they gave pies with the assistance of Jerry's Markets in Red Lion. This program is welcomed by Life Path as an essential part of their Thanksgiving and Christmas dinners for the needy in our area. A special thanks to the hard workers at Life Path Ministries for all that they do for our community. If anyone is interested in donating food to Life Path, please give them a call as they would welcome any and all donations. You can also donate your time if you have any to spare in the new year.

Lion D. Michael Craley and a representative from Life Path Ministries.

In addition, the Dallastown Club, along with its partners, prepared 21 Christmas Food Baskets for the needy in the Dallastown and Red Lion Area this year. Our very own Dallastown Leo Club and our Dallastown Area High School MCJROTC cadets helped to pick up, sort and deliver the food baskets to our residents. The Leos also provide food from their very own food drive. This year the club was joined by Building Bridges for Brianna who coordinated the Toys for Tots Program and donated extra toys for our families. Lion David Snyder and Lion Patricia Craigen donated many toys to this program so that every child had at least two gifts for under the tree!

Several families in the Dallastown area received baskets of food for their Christmas dinner. A special thank you to the Dallastown Middle School children, under the supervision of their amazing teachers for their hard work in collecting the cans and food goods for this project. Also, thanks to the Dallastown American Legion Auxiliary for their financial contribution to this cause.

By working together, our most vulnerable residents will have a very Merry Christmas and a Happy New Year!

## New Freedom Holds Christmas Dinner

The NFLC held their annual Christmas Dinner on December 20, 2022, at the Stonebridge Grille. The evening included appetizers, a wonderful meal, a carrot cake for dessert, Christmas Trivia, and a great time had by all. Thanks to Lion Jackie Summers for organizing the dinner and the beautiful Christmas decorations Lion Jackie and Lion Mitzi Perry adorned the venue with for the festivities!

At the event, five Lions received Leader Dogs Awards for their service to the club.

*(L to R) Lions Mike Summers, William "Neil" Taylor, Brian Miller, Tina Miller, and Fredy Zuluaga.*

The club members donated food as part of the club's Reverse Advent Calendar service project for Christmas. 226.7 pounds of food was donated to Southern York County Food Pantry and 14 boxes of food was donated to H.O.P.E., The Haven: a cancer respite center. Two birthdays were also celebrated, those of Lions Wayne Wurzbacher and Mike Marsicano.

# We Serve!

*From the desk of PDG Dennis Cope, Global Service Team (GST) Coordinator*

I hope all Lions enjoyed peace, good health, and happiness during the holiday season, and I wish all of you the same throughout the coming year.

I'm sure all of your clubs were busy with a variety of service activities during the holidays. Now it's time to report those activities in MyLION. Reporting your club's service shows that your club is active and helps the Lions organization show the tremendous impact Lions clubs have in their communities.

Already this year (July 1, 2022 to December 22, 2022), data reported to MyLION shows District 14-C clubs have completed 738 service activities, contributed 16,294 volunteer hours, and served 151,371 individuals. That means on average, each of our members has served 126 individuals and donated over 13 hours of volunteer time. I'm confident the actual numbers are much higher, but we don't know how much higher until we get all of our activities reported.

I implore Club Secretaries and Club Administrators to report all of their club's activities. This includes not only service projects, but also fundraisers, donations and club meetings. All of these activities involve volunteers and volunteer hours. It is much easier to do this reporting at the end of each month than it is to let it go for several months or until the end of the year. The longer you wait to report, the more likely it is something will be missed.

District Governor Keith has set a goal for 80% of our clubs to report at least one service activity this year. My goal is 100%! There is no reason we can't achieve these goals, and I stand willing and ready to help any club with this reporting. Just pick up the phone or send me an email: 717-357-3142 or [dennis.cope@icloud.com](mailto:dennis.cope@icloud.com).

As I have done in each newsletter this year, I am again providing a new set of potential service projects related to our five global causes. Look for that listing, and consider trying a new service project this Spring.

# Service Project Suggestions Related to Lions Clubs International's GLOBAL SERVICE CAUSES

Here are five new suggestions for service projects. Each project relates to one of Lions Global Causes: Vision, Hunger, Environment, Diabetes, and Childhood Cancer. Perhaps these ideas will pique your interest and look like something your club could do later this Lion year. I am ready and willing to help in any way I can. Feel free to contact me by phone or email to start the conversation. Five new suggestions will appear in next month's newsletter.

## Arendtsville Honors Peace Poster Contest Participants

The Arendtsville Lions Club, Upper Adams Lions Club and Apple City Leo Club joined together to sponsor three contest winners for the Lions Club International Peace Poster Contest. The contest was for 6th grade students at Upper Adams Intermediate School. Art teacher Emily Siles encouraged and guided the students as they developed their posters following an introductory presentation by the Lions. While all of the 6th grade students were required to create a poster as an Art class project, 16 of the students ultimately submitted their posters as entries in the contest. The Apple City Leo Club evaluated these 16 entries and narrowed the field to 9 finalists. These 9 posters were presented to each of the Lions clubs, and each club selected a winning poster. A third winning poster was also selected by the Leo Club. The clubs honored each of the three contest winners with a \$25 cash prize. The other six finalists received a \$15 cash prize. All of the students who entered the contest received a certificate acknowledging their participation in the contest.

## District Governor Visits Arendtsville

District Governor Keith Shoff visited the Arendtsville Lions Club on Tuesday evening, November 8, 2022. Six member of the Apple City Leo Club joined the members of the Arendtsville Lions Club for this visitation. The meeting included a tasty meal prepared by members Lion Gloria Weant and Lion Deb Gibbons. Prior to giving his remarks, DG Keith installed the Leo Club officers for 2022-2023, and President/Zone Chair Jay Stroup inducted three new Leo Club members. All in attendance were moved and inspired by DG Keith's presentation and message about the value and impact of service.

*Newly installed officers of the  
Apple City Leo club with DG Keith Shoff:  
Kaedyn Lentz, Vice President; Carlie Corson, President;  
Sam Gano, Treasurer.*

# Beacon Lodge Needs Our Help

By PDG Tom Jones  
Board of Directors Member for Beacon Lodge

We the Lions of Pennsylvania need to step up and provide support for our great handicapped camp. Please consider the options that are available and help as you are able.

## How to Help

- Let others know about your camp
- Volunteer at your camp to help with camp activities
- Volunteer at the 14-C camp work weekends. May 5 - 7 in 2023
- Fund campers camping fees
- Be a member of the 500 club by donating \$5.00
- Support the annual golf tournament
- Present a Carl Shoemaker Fellowship to someone
- Purchase a Brick Walkway to honor or memorialize someone
- Support the July Annual Duck Race
- Provide Wish List Items

I am available to make a presentation to your club. I can provide pictures, videos, and information that will help your club determine how they will best be able to assist in the operation of our camp.

Please contact me at [tljonesem2@gmail.com](mailto:tljonesem2@gmail.com) if I can be of any assistance to your club with Beacon Lodge issues.

## PENNSYLVANIA LIONS BEACON LODGE CAMP

114 SR 103 SOUTH, MOUNT UNION PA 17066 (P) 814-542-2511 (F) 814-542-7437  
www.BeaconLodge.org office@beaconlodge.org

### HISTORY:

The recognition of the need for a camp for blind people of Pennsylvania was extensively discussed at a meeting of a group of blind people in Philadelphia on November 8, 1947, in the office of the Pennsylvania Federation of the Blind. After several meetings concerning this matter, a corporation was formed in Mifflin County by Carl Shoemaker, which was established to make the camp project possible. The Mifflin County Court approved the statewide charter August 16, 1948: The camp was originally incorporated as "Vacations for the Blind". In 1953, the name was changed to "Beacon Lodge Camp for The Blind". In 1994, the name was changed again to "PA Lions Beacon Lodge Camp" to reflect the support of the camp that comes from the Pennsylvania Lions and to indicate that the camp serves more than just the visually impaired.

PA Lions Beacon Lodge Camp is situated on 583 beautiful acres in the natural woodlands along the Juniata River of Central Pennsylvania just two miles west of Newton Hamilton, near Mount Union. It is where people with visual, hearing, mental, and physical disabilities gather from all over Pennsylvania and surrounding states for a relaxing and fun vacation.

The Main Lodge, laid with hand hewn beams and horse hair plaster walls, has been standing for over 150 years and has held occupancy as a mill, barn, home and lodge. The main lodge and what is currently the maintenance building are the last structures left from the original property, dating from the 1800s. The maintenance building originally was a carriage house, with a hand laid brick floor still intact in the basement. All of the other structures are new construction from the 1950s to today.

The camp is divided into two main sections: The Adult Camp and the Children's Village. Each camp is run separately, with some of the recreational facilities shared by both. Both camps have their own dining facility and health center. Most cabin facilities are air-conditioned and include their own private bathroom. While at camp, most of the campers' time will be spent outdoors, but we want to be sure our campers are able to rest comfortably so that they are able to have fun during their camp stay.

The camp activities that our campers can participate in if able are archery, bowling, canoeing, campfires, caving, crafts, field trips, fishing, games, hikes, sleep-outs, swimming, rock climbing, zip line, miniature golf, and much more. During certain sessions, we have a canteen (snack shop) available for the campers to buy snacks. We also have a camp store for campers to buy souvenirs, clothing, etc.

The camp, being a non-profit organization, greatly depends upon funding through the Lions/Lioness/Leo Organizations of Pennsylvania.

A 501 (c) 3 Non-Profit organization (Gifts are tax deductible)

## Arendtsville Signature Holiday Projects

The Arendtsville Lions have two signature projects during the holidays. One is to hang lighted wreaths on poles along the town's two main streets. The other is to deliver fruit baskets featuring fresh citrus, apples, bananas and nuts, to residents who have lost their spouse.

*Lions Dave Eisenhart, Jim Bittle, Alan Dudley, Kim Presser, Joe Sharrah, Jamie Cope and Dennis Cronin delivered 30 holiday fruit baskets to Arendtsville residents.*

*Lion Matt McDannell hangs one of the 16 wreaths used to decorate the streets of Arendtsville.*
