

## District 14C Newsletter May 2023

### A Message From the District Governor

District Governor  
Keith Shoff

Fellow Lions, Lioness/Lions and Leos.

I was warned, many times in fact, of how fast my year as District Governor would pass. In a little over 60 days, I will “hand over the reins” officially to DGE Marty. With 60 more days, we can still continue the outstanding community service that 14-C is famous for, and I know we will. I’ve had a great ride this past year, and I thank you for your diligence, patience and friendship along the way.

As you are reading this, our District Convention has been completed, and I’d like to THANK every single person that played a role in making it a success. From PDG Lisa Grifffie (Convention Chair) to those that ran the fun events at the Cowboy Café, the event would have never gone so smoothly without you. We had a spectacular turnout. Thanks in part to all my “friends” that campaigned for me to put up the money I had promised in a attendance challenge (totaling \$740.00) and then successful bidding at an auction of a beautiful slate painting by Lion Nancy Hochenberry (\$150.00), I’ll be writing a check to LCIF for \$1000.00! Thank you to our special guest, International Director Ron Keller and his partner in service Kitty, who were so gracious the entire weekend. ID Ron gave a wonderful inspiring presentation during our Convention and both he and Kitty both were naturals with our whole western theme.

## A Message From the District Governor con't

One of the main purposes of Lions gathering at a District Convention is to choose the future Leaders - DGE Marty Zimmerman, 1VDGE Galen Burkholder and 2 VDGE Doug Nace were elected to carry 14-C into the 101<sup>st</sup> year of PA Lionism. I believe the future of 14-C is in good hands as these new Leaders will bring a fresh perspective to how we go about doing our humanitarian duties. The Convention also offered the opportunity to attend seminars: "Marketing your Club to the Community" presented by Lion Theresa Craley, "Building your Leadership Pizza" presented by PDG Kerry McKnight, "Effective Strategies to Grow Membership" presented by 2VDGE Doug Nace, all were well attended and got rave reviews. Speaking about the future - we even had a new member Induction take place. Personally, I enjoyed the Convention - seeing old friends and having a few laughs. Enjoy the photos from our Convention, later in this newsletter.

Another thing that Conventions tend to do is to inspire us, give us new energy and renew our commitment to our Communities and our world. Every so often, we need to sit back, relax, and re-group. Remember the old saying that *"you can't see the forest for the trees?"* Well, sometimes we get so focused on 1 thing that we lose perspective of what else is going on around us and we could miss an opportunity to help 1 more person in need. We need to access our own needs as well, you could be THAT 1 that needs help. How often do we overlook ourselves and our own health and wellbeing? There's another Cowboy saying - *"What lies behind us and what lies before us are tiny matters compared to what lies within us"*. Please take the time to care for yourself and your loved ones, because without YOU, service to others doesn't exist.

It's been a wonderful "ride" for me, one I'll never forget and I encourage you to invite others to join us on our Lions journey and *"Ride for the Brand"*....

Until then, Lion Kathy and I wish you continued success in your efforts to meet the needs of your community and fulfill our motto, **"We Serve"**

Together we can. Together we will!!  
Yours in SERVICE and Friendship.

**LET'S ROAR!**

## A Message From the 1<sup>st</sup> Vice District Governor

1st Vice  
District Governor  
Marty Zimmerman

Fellow Lions, Lioness/Lions and Leos:

Thank you, two words that sometimes are not said or become a reflex with no connection. I truly want to say THANK YOU to everyone for giving me the opportunity to serve as District Governor of 14 – C. At the District Convention International Director Ron Keller use the word awesome to describe the Lions of 14 – C, I agree.

Every District is somewhat different and during my training I have interacted with Lions from all over the world. It became clear that 14 – C has been blessed with a history of Lions who are willing to serve in leadership positions, while other Districts struggle to fill positions. When I became President of my club, I sent out an introductory letter to club members, pointing out that the Club was theirs, it was not “MY Club.” I

am humbled to serve as your District Governor and similarly, I will do my best, with your help and support to guide **our** District forward.

There are many opportunities to serve the District, I hope I may count on you to step forward to make your District the best it can be. In the National Youth Leadership Training (Boy Scouts) there was a slogan “If You Can See It, you can be it”. Again, our vision continues to evolve and expand. My hope is that looking at the areas of Hunger, Vision, Environment, Diabetes, and Childhood Cancer there is one or maybe more where there is a connection or a calling for you. We all know membership, is an area of concern for our District and for North America. Of course, part of membership includes adding new members, but also important is the retention of current members. My belief is, if you are serving others in an area where you have a passion – it is unlikely that you will walk away from it. Please share and grow your passion of service. “You can make a difference”

Thanks again,

Lion Marty Zimmerman, 1<sup>st</sup> VDG (Old guy in the middle)

## A Message From the 2nd Vice District Governor

**2nd Vice  
District Governor  
Galen Burkholder**

The May District 14-C Convention is now history. The theme was “Riding for the Brand.” If you weren’t there, then it is a given you missed it. No cowboy in your future.

“What did I miss?” you ask. As my mother used to say, “Let me tell you.” The meeting focused on *having fun* and *giving recognition*, two important aspects of Lionism. Everything was wonderful, including the guest speaker International Director Ron Keller, Millersport, Ohio.

Friday night as IPDG Dan Brant and I were making the drive over to Goldsboro to enjoy dinner with Lions Ron and his wife Kitty, we were reminiscing about our childhood, songs we sang, and having fun. What ever happened to having fun?

As I pondered that thought, I recognized that when we are first born, we rely on our parents for everything. Then we learn to crawl and when we can walk, we feel independent and invincible. In those simple years, the next priority is playing and having fun. How dare our parents interrupt our pleasures as they call us to the table to have a meal. “I’ll be there in a couple minutes,” we said.

Then the deterioration begins. We go to school and they start controlling having fun. Oh, now there is class time and “having fun” is limited to recess time. And we accept it.

Then we head off to Middle School, High School, and some University. So, it will get better now, right? Wrrroonnggg. Now we are told if we want to have fun, use our spare time, like, sports, music, and the arts. And we accept it.

Then the reality of adulthood sets in; we get a job. Only wise supervisors allow us to have fun on the job. Most believe that it will hurt productivity, or we are “stealing” from the boss. If only they realized, *happy employees work harder*.

So, I have digressed enough. Back to the convention. It was about having fun, like lassoing the bull, playing miniature golf with a cowboy boot putter, or getting a Lion Teresa tattoo that lasted 6 days. It also had recognition to and from the Kellers. It included recognitions from DG Keith.

So why must service, having fun, and giving recognition be separated like classroom and recess? I think we just established that it can be combined. I am confident that DG Elect Marty, myself, and 2VDG Elect Doug Nace will continue in DG Keith’s “boot” steps.

Thank you for your service.

*Galen Burkholder*

2<sup>nd</sup> Vice District Governor

## New Cumberland Celebrates Easter

The New Cumberland Area Lions Club volunteered with helping the New Cumberland Youth Baseball Association get ready for a big day of Egg hunting for approximately 150 children. The age groups were from 2-11. They assisted in getting all areas roped off for each age group while loading the areas with various items which were donated and purchased by the Baseball Association. The Lions volunteers also helped with parking so that all the children were safe without having cars near the hunt area. Different vendors were there to add to the fun. Tables were set up for children to participate in drawing as well as a sand art table where there was a small fee to create a cool sand art. Well over 1000 eggs were placed for the kids to take home.

## **Paws for Thought**

**Leader Dog Puppy Raiser  
Robbie Teal**

Did you know that you can adopt a Career Changed Leader Dog? Two months ago I shared that CC Killian came home to me because of harness aversion, which happened at the very end of his training. Leader Dogs offered Killian to me first because I was his Puppy Raiser. He is home and helping me do Leader Dog presentations to other Lions Club. But what happens when the Puppy Raiser can't take the dog back that they raised. Well, some dogs are put up for adoption, while other dogs go on to different careers in detection, therapy, or veteran and court advocacy dog organizations. CC Molson's sister suffered the same harness aversion as Killian, and is now a therapy dog for an autistic child.

There are about 100 dogs available for adoption a year from Leader Dogs. A Career Changed dog is available for public adopters to meet and potentially adopt with a 1-4 year time period from the time application is submitted. Leader Dogs requires all prospective applicants attend an orientation about the Career Changed program. Orientations are free of charge and are offered a few times a year. Career Change orientation is on a first come, first served basis. If you are interested in adopting a dog after you complete the orientation, applications will be available and may be submitted with a \$25.00 fee. A \$2,000.00 tax-deductible donation is expected at the time of adoption. After you attend an orientation and complete your application, Leader Dogs will keep it on file until they find a dog to match with you. They will notify you when the match has been made. Adopters must be willing to travel to Leader Dog campus at their own expense. They will not ship dogs. Remember, you will be getting a trained dog, unlike a puppy where you are starting from scratch. Any questions about adopting a CC Leader Dog, you can go to [LeaderDogs.org](http://LeaderDogs.org), go to the puppy raiser tab, then adopt a dog.

Don't forget about the bus trip to Leader Dogs, July 21<sup>st</sup>—23<sup>rd</sup>.

## District Disaster Relief Program

The [Disaster Relief Program](#) (DRP) is a focus program of the Lions Clubs International Foundation (LCIF). The DRP can be used by Lions Clubs to reach out and touch their communities and to get the Lion's name and logo out to the public. Lions International DRP focuses on four areas.

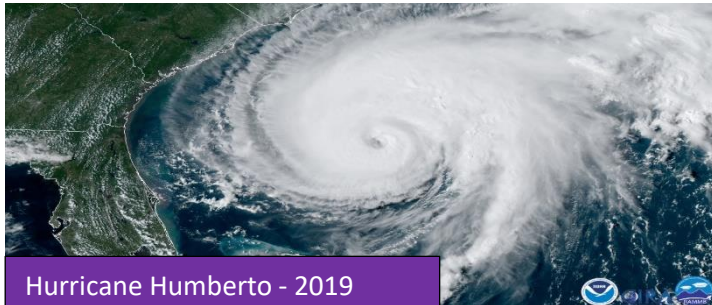

- [Disaster Preparedness](#) – plan and prepare for future disaster.
- [Emergency Assistance](#) – immediate assistance after a disaster.
- [Community Recovery](#) – support for short-term cleanup and repair efforts.
- Major Catastrophe – larger scale assistance for long-term projects.

The DRP affords clubs the opportunity to work with community leadership, private businesses, and others to prepare for and respond to unforeseen disasters and events. So why not use the DRP by getting involved with an already established local program or coordinate and begin a new program based on one of the monthly focuses. If you have questions or want to learn more; please reach out to the DRP Chairperson, Ray Highlands at [carlislelionray@comcast.net](mailto:carlislelionray@comcast.net).

### May's Readiness Focus

#### [National Wildfire Awareness](#)

[Month](#) – Wildfires are unplanned fires that burn in natural areas like forests, grasslands, or prairies. These dangerous fires spread quickly and can devastate not only wildlife and natural areas, but also communities. [Wildfires | Ready.gov](#)

#### **National Hurricane Preparedness Week**

– Hurricanes are dangerous and can cause major damage from storm surge, wind damage, rip currents and flooding. They can happen along any U.S. coast or in any territory in the Atlantic or Pacific oceans. Storm surge historically is the leading cause of hurricane-related deaths in the United States.

**Don't Fry Day** – The National Council on Skin Cancer Prevention designated the Friday before Memorial Day as *Don't Fry Day*. The Council's goal is to encourage sun safety awareness by reminding everyone to protect their skin while enjoying the outdoors on *Don't Fry Day* and every day. [Don't Fry Day | US EPA](#)

## Hanover Holds Pill Bottle Collection

During the months of February and March, the Hanover Lions Club engaged in a club service project collecting empty used prescription bottles. Working with the *Matthew25 Ministries* program out of Ohio, these collected bottles are cleaned, boxed, and sent to the M25M program. M25M then ships the bottles overseas to under-developed nations within healthcare packages where the bottles can be re-used for safe and clean distribution of medications to the poor in those countries. This is the club's first year for this service project and collected 354 bottles, with a long-range plan to involve the entire community of Hanover next year.

## Lions International Peace Poster and Essay Contest

Congratulations to Emma Andreea Paveliuc from Romania for creating this poignant and stunning peace poster representing the theme for 2022/2023, **“Leading with Compassion.”** If you study the poster, closely, you will see many acts of compassionate leadership being displayed in Andreea’s poster. Andreea is 13 years old and was sponsored by the IASI D Lions Club in Romania. What a creative and intricate way of demonstrating this year’s contest theme!

**The Lions International Peace Poster Contest** allows children around the world the opportunity to express and share their visions of world peace along with inspiring the world with their art, creativity, and sense of hope and encouragement for each of us. Our Lions Clubs are, also, given the opportunity to extend this gift of sponsorship to the children in local schools or youth groups. Make this year be the year to become involved with this fantastic contest for our children!

The theme for the 2023-2024 contest is **“Dare to Dream.”** This theme is more important than ever for inspiring our youth to set their goals and work toward achieving them not letting any roadblock get in their way! I am really looking forward to seeing how the children will capture this theme in their posters. Their insights will, surely, promote **our** hope for the future. Please consider giving our children this amazing chance to showcase their talents.

The Peace Poster kits cost \$11.95. You may order the kit on the LCI website.

Lions Clubs around the world are, also, encourage sponsoring students in the Lions International Essay Contest. The essay contest was created to offer the opportunity to visually impaired young people to express their ideas of world peace. Students who are visually impaired and who are the ages 11-13 as of November 15 are eligible to participate. The essay contest rules and application form are included in the Peace Poster Kit and can, also, be found by searching Lions International Peace Essay Contest.

Please let me know if there is any way I can help your club to become a generous sponsor of children in this contest. I would love to come to speak to your club about the contest or visit with the teacher, principal, counselor, advisor, youth group leader, etc. with you to make a presentation about the contest. Contact me at [hullmann@aol.com](mailto:hullmann@aol.com) or (717) 600-7642.

## Upper Adams Celebrates Teacher Appreciation Day

The Upper Adams Lions Club is excited to share a recent service project of theirs, Teacher Appreciation Day! This is an event that started as a meal and appreciation event that teachers at Biglerville HS were invited to attend. Because of Covid, the club needed a new way to express their appreciation, and it turned out that making cookies and then goody bags was a well-received option. In fact, for this year's April 19th event, we were able to reach 285 people total!

Lion Jane Little reported that we prepared 91 goody bags and delivered 70 dozen cookies to the School Board, Administrative Building, High School, Middle School, Upper Adams Intermediate, and Biglerville Elementary. We were also able to deliver a goody bag for each custodian, cafeteria worker, van and bus driver! Thanks to all the workers who help educate and serve our Upper Adams students! And thanks to all our Lions who made this Appreciation Day possible!

## Meeting My Match: A Leader Dog Diary

Excerpts from Joey J.'s blog post on [LeaderDog.org](http://LeaderDog.org)

Day 1: We had our first "Juno" walk, which is a human holding the harness while I give her the directions. Kind of "practice" before handling my actual dog. Then we broke for lunch and had some free time. We headed downtown for another "Juno" walk, this time a couple city blocks around the other [Leader Dog] facility. Once back we had a fire drill and GPS training, as they give you GPS units that help with traveling by yourself. It's a \$900 device that they provide for free. Pretty cool stuff.

Day 3: Well, to state the obvious, today was issue day. Man, is Tucker full of energy! After I received Tucker, we spent a little time together in the room and then practiced "heeling" in the hallway. Then, we had our very first walk in harness, and let me tell y'all, this is where he shined. Very fast walker, stopped at every curb like a champ, maneuvered around a tree branch for me. Just spectacular!

Day 5: This morning we had three scheduled "traffic checks" where [Leader Dog instructors] pulled out in front of us while Tucker was guiding me. He nailed it every time. This pup isn't gonna let me walk out in front of a car.

Day 19: Celebration Day. We had a wonderful catered lunch, a few speeches with some tears mixed in. Then we took some great pics. To say this has been the experience of a lifetime is an understatement. All that is left is to pack our suitcases and try and get some sleep tonight. Because me and Tucker... are going home tomorrow! Officially a Leader Dog Guide Team.

IN EVERY LEADER DOG  
LIES THE HEART OF A LION.

In addition to PDG Dennis Cope, helping that day in March covering three separate elementary schools in the Hanover Public School District were PDG John Griffie, Clyde Griffie, Denny Bidwa, Zone 1A Chair Todd Boller, Ken Raleigh, Linda Green, Greg Green, Robbie Teal, and John Zinn (and his granddaughters).

## New Lions Portal Information

Not much information has been released yet, but we are being told all reporting will be done from one landing page. No more jumping back-and-forth between MyLCI and MyLion. LCI is stressing the importance of making sure the member information in MyLCI is up-to-date and accurate prior to the roll-over to the new portal, which is expected sometime between July 1 and December 31, 2023

It is highly recommended that Club Secretaries run the *Membership Information Update Report* for your club from MyLCI. This report will give you a page for each member that contains the information on file for them in the MyLCI database. Members can review their page, make necessary updates, and return the paper to you so you can make the necessary updates in MyLCI. Please encourage members to include an email address, which will be needed to access the new Lions Portal. Email is also the primary way members receive information from LCI and District 14-C.

LCI is also interested in having Lions participate in a focus group for this new portal. Interested Lions should contact Lion Hailey Hawkins: [Hailey.Hawkins@lionsclubs.org](mailto:Hailey.Hawkins@lionsclubs.org)

# We Serve!

*From the desk of PDG Dennis Cope, Global Service Team (GST) Coordinator*

District 14-C service reporting numbers continue to grow, and we continue to make progress toward the goal of 100% of clubs reporting service activities by June 30, 2023. We have not yet reached last year's totals, but I am optimistic that we will do so as clubs complete their reporting for this year.

As has been the case in each newsletter this year, there are 5 new suggestions for club service activities related to Lion's five global: Childhood Cancer, Hunger, Diabetes, Environment, and Vision. I encourage your club to consider a new project this year and stand ready and willing to assist in any way I can.

Throughout this year, I have been using this space to encourage clubs to consider new service projects related to Lions International's five global causes. Sometimes, however, there are needs that are too big for a single club to handle. For that reason, I would like to echo Vice District Governor Galen Burkholder's comments at the District Convention and encourage each of our zones to establish an ongoing method funds needs and projects that are beyond the capacity of a single club. WCCL (Western Cumberland County Lions) can serve as a model for such an effort, having formed several years ago and distributed over \$100,000 to individuals in need. Such an effort can make a huge impact on the lives of those served, raise our clubs' visibility in the community, and attract new members.

# Service Project Suggestions Related to Lions Clubs International's GLOBAL SERVICE CAUSES

Here are five new suggestions for service projects. Each project relates to one of Lions Global Causes: Vision, Hunger, Environment, Diabetes, and Childhood Cancer. Perhaps these ideas will pique your interest and look like something your club could do later this Lion year. I am ready and willing to help in any way I can. Feel free to contact me by phone or email to start the conversation. Five new suggestions will appear in next month's newsletter.
