## District 14-C

### May 2017

## Message from the District Governor

To our Lions family-

On April 22nd at our 2017 14-C District Convention, I believe we saw a little insight into the future of Lions Clubs and District 14-C. Not only

did we have a spectacular turnout for the convention, 14-C members also participated in our first ever District "Dining in the Dark" fundraising event for Leader Dogs for the Blind. Photos are included in this newsletter.

It was just a couple years ago discussions were held whether 14-C

should cease holding District Conventions due to low attendance. I am pleased to report this year's attendance was up 33% from the convention average. The "Dining in the Dark" dinner was a great success with the convention attendees not only enjoying a wonderful meal, but experiencing, however briefly, what it feels like to either be visually impaired or blind. Performing a simple task such as eating a meal, I had difficulty attempting to butter a roll (more butter was on my sleeve than the roll), something I never have given a second thought. Experiences such as this increase our awareness of the day-to-day activities those who have vision difficulties must deal with. Lion Kevin Turnbaugh spoke on his appreciation to Leader Dog for partnering him with his service dog, Harpo.

My highlight of the day was hosting our very

special guests, Past International Director Cindy and PDG Tom Gregg. PID Cindy was the Keynote Speaker during the convention and also gave an inspiring speech following our dinner, along with leading a seminar on Women and Families in Lions. This year I have been promoting families and generations of Lions serving. PID Cindy and PDG Tom are excellent examples of dedication and passion, and thankfully they are freely willing to share their knowledge with us.

Three Leo members from York College and three from Apple City Leo Club attended and assisted with the convention. One of the Centennial Service Projects was donating 100 children's books to the York Hospital Pediatric Unit. These books were delivered to the hospital by all six Leo's with their advisors. They approached me at the conclusion of the day to thank the Lions of District 14-C for allowing them to participate in the activities. No, Leo's we thank you!

The primary purpose of Lions gathering at a District Convention is to choose our future leaders. First Vice District Governor Dennis Cope, Second Vice District Governor Lisa Griffie, and Zone Chair Steve Shipman were elected to lead us into the beginning of our second century of serving, and asked for our support.

We thank Convention Chair PDG Shirley Starner and her committee for a fantastic job organizing this year's convention.

I wrote that I had an insight into the future of Lions. Between our Leos, the new District leadership, and the momentum 14-C clubs have developed, I believe District 14-C's future is very bright.

ALL ABOARD TO SERVE,  
*Governor Kerry*

## Governor's Visit

Monday, May 8

Pinchot Park Lioness

# From the First Vice District Governor (and District Governor-Elect):

Greetings Fellow Lions, Lioness, and Leos,

Did you make it to the District Convention? If not, you missed an enjoyable afternoon and evening of remembrance, learning, and celebration. The fine

*First VDG Dennis Cope*

presentations by Past International Director Cindy Gregg and Past District Governor Tom Gregg were particular highlights. Thank you to the Convention Planning Committee for a great job!

Next up, the MD-14 State Convention May 18-21 at Seven Springs Resort, and then on to Chicago for our Lions 100th birthday bash

June 30-July 4. It's not too late to register for either of these events. I hope to see you at one or both.

This is a busy time for many of our clubs. I'm seeing (and eating) a lot of chicken BBQ, attending bingo fundraisers, buying flowers, and enjoying zone socials. My home club sponsored a new fundraiser, Spring Fest, last month. It's a bit intimidating to take on new fundraisers and projects, but the success of these new endeavors is what motivates us,

helps us attract new members, and most importantly, allows us to fulfill our mission of service. All clubs need to keep looking for new opportunities to avoid stagnation and decline. Take the risk and reap the rewards!

A highlight of my Lions activities in April was joining a couple dozen Lions at Beacon Lodge in early April for our District 14-C work weekend. This was the first time I participated, but it won't be the last. Lots of good work was accomplished, but there is always plenty of work waiting to be done. Consider joining us next year!

Finally, this is the 21st message I've written for the District Newsletter since becoming a Vice District Governor, and I'm rather curious as to how many people are actually taking time to read the messages. So let me know if you read this month's message by sending me a quick email or a text message using the contact information below. Best wishes to all as you wrap another Lions year, and as always, thanks for the great work you are doing for your communities!

Yours in Service,  
*Dennis Cope*

# District Convention Was a Huge Success!

As Governor Kerry indicated ([page 1](#)), our 2017 District Convention was a huge success.

The District was indeed honored to welcome PID Cindy and PDG Tom Gregg to share us in the celebration. PID Cindy is the first female elected as International Director from Pennsylvania. They have a son, daughter, and son-in-law who are all Lions, and 3-year-old grandson who is a future Lion.

In addition to Governor Kerry's report, it is worth noting that a total of \$2800 was collected and donated to Lions Clubs International Foundation in memory of PDG Noah Krout. A plaque was presented to his widow, Lion Becky Krout.

In commemoration of the 100th Anniversary of Lions Clubs International, a Rising Sun Redbud tree was planted at Wyndham Gardens in York, the convention site this year.

The convention concluded with a "Dining in the Dark" dinner. The purpose was for all attendees to develop a keen awareness of a visually impaired person experiences. Simulated eyeglass conditions were provided by Fore Sight Vision, and blindfolds were contributed by Leader Dog School for the Blind.

Training will be offered on Saturday, May 13, 2017

Time: 9:00 to 3:00 pm (we will work through lunch)

Where: The York Springs Lions Building (adjacent to the York Springs Fire hall)

Lunch will be provided.

If interested contact PDG Denny Bell by May 6, 2017.

(717) 979-5279

Looking forward to working with all of you.

*The Dallastown Lions Club conducted its semiannual Adopt-A-Highway Road Clean Up on Hess Farm Drive along Lake Redman. With the water level of Lake Redman being lowered for repairs to the dam, the Lions were able to collect 17 bags of garbage and debris last fall and 8 bags this month. This was a great opportunity to clean up what was left in the lake and to beautify our community.*

*The Lions would like to remind everyone that the lake is there for everyone's enjoyment, however, everyone has a great responsibility as well. Please remember to remove all trash as you leave the lake and try to take any other trash that you see. If everyone does their part, we all will be able to enjoy the beauty of our lake for many generations to come.*

## “I’ll join the Lion’s Club, but I won’t ever have time to...”

We were both recently fortunate and honored to hear Past International Director Cindy Gregg, from Belle Vernon, PA, the featured speaker at our District 14-C Convention on April 22, 2017. The story of her meteoric rise from joining her Lions Club in 2000 to election as an International Director only 13 years later, and her continuing activities, is one which must be shared with those Lions and Lionesses who were unable to attend.

PID Cindy grew up surrounded by Lions. Her father and mother were Lions. Her husband Tom is a Lion, having served in many offices at different levels and achieving recognition as a Progressive Melvin Jones Fellow. Her son became a Lion. For twenty-five years,

Cindy, a school music teacher, followed the path we have often seen with women, that of following along to meetings and helping with every project, but “never having the time” to join the local Lions Club herself.

All that changed in 2000, when Cindy’s daughter, a charter Leo at the local high school, needed to sponsor someone into Lions membership to obtain an achievement award. Mom naturally stepped forward, and the rest, as we say, is history. So now that Cindy was finally a Lion, she expected to be a “backbencher” who could just continue to help others and work on projects behind the scenes. Soon after joining, her club had their election and needed a second vice-president. Cindy decided that would be OK, as it would give her a few years to learn more about things. But fate had other ideas. The first-vice president did not show up for installation and the President resigned due to employment responsibilities, so Cindy found herself as President of the Rostraver Township Lions Club nine months after joining.

The woman with no time to do things then became a district governor, council chairperson, district MERL & LCIF Coordinator, chaired the Woman’s Action Committee and served as vice-chair of the Service Activities Committee. With her retirement from teaching in 2010, she thought

maybe she finally had some time to do more. This led to her election to a two-year term as a director of Lions Clubs International at the association’s 96th International Convention in Hamburg, Germany in 2013.

Today PID Cindy is “content” to serve as the GMT leader for Constitutional Area 1-B (Ohio, PA, VA & West Virginia), is a group leader for District Governor Elect School in Chicago and the 2016 USA/Canada Lions Leadership Forum Seminar Committee. She is also a presenter and moderator for Lions forums and conventions throughout the area. Her non-Lion activities include numerous professional and community organizations, including the Arts Education Collaborative Leadership Institute, National Associate for Music Education, and the American Orff-Schulwerk Association.

In recognition of her service, she has received Club Excellence and Leadership Awards, six President’s Medals, International President’s Certificates of Appreciation, the Certified Guiding Lion Medal, the Joseph L. Wroblewski Award, a Progressive Lions of Pennsylvania Fellowship, the Carl Shoemaker and Ross DiMarco Fellowships, and the Ambassador of Good Will, which is the highest award in Lionism. She is also a Progressive Melvin Jones Fellow, and her district established the Kidsight Fellowship in her name this year.

Along with her other family members in Lionism, the woman with no time has climbed many mountains and made major contributions to solving the problems Lions Clubs face. Her story should be an inspiration to all of us who initially think, “I can’t do this”.

## Thanking Lion Gene Gemmill for Resource for Lions Park

Congratulations to Dallastown Lion E. Eugene Gemmill for his tireless work helping his community through his time with the Dallastown Lions Club as well as many other organizations throughout the community of Dallastown. Through Lion Gene’s perseverance and hard work with Verizon, they have entered into a lease to place a wireless utility service facility in our park. With this wonderful source of steady income, the Lions Club will be able to put a new roof on the restrooms, repair the roof over our open pavilion, remove some dead trees, and grind some old tree stumps that have been riddled throughout our park for many years.

The Dallastown Lions Club will also be looking at some new playground equipment for the younger children and possibly a volleyball court for our community. Every year the Lions give a scholarship to a deserving Dallastown Area High School senior, and are hopeful to be able to give an additional scholarship to help students in our community.

Thanks again to Lion Gene for all that he has done and continues to do for the Lions and our community. If you see Lion Gene, let him know how much he is appreciated!

## Secretary New Officer Reporting

Current secretaries: Please remember that your 2017 – 2018 club officers must be reported now. Are you having problems reporting your 2017-18 new officers? Try this.

1. Sign in to your MyLCI
2. On your club’s “Home” Page; Click on “Enter next year’s officers” under “My Tasks”
3. Click “Select Term“ (Unless you are using special club officer titles, there is no need to use (Officer Types” or “Add Local Title”)
4. Click “Next Year”
5. Click “Add Officer” for the office position to listed (i.e., “Club President”)
6. Under the window “Assign Officer” click “Select Member”
7. Locate and click on the member’s name. (The name will appear in the “Selected Member” window)
8. Click “Save.” Not clicking on “Save” will result in not recording the entry and require redoing it.
9. Click on “Go back to Officers” to do the next officer position or “Go to home page” to do another task or sign out.
10. Congratulations! You have finished your new officers reporting.
11. BUT WAIT. There is more. This year each club is asked to assign a “Club LCIF Coordinator”, which needs to be reported under the new officers entries.
12. You are no longer required to send a list of officers to the PA Lions office, as they, like our leaders, now collect the information from your MyLCI report. Your job just keeps getting easier.

Still have questions? Feel free to contact PDGs John Parker [[click here](#)] or 428-3983, or George Reisinger [[click here](#)] or 266-1923.

The Dallastown Lions Park, which is located directly across from the Dallastown High School Football field, is now open for the summer for all to enjoy. Please come and enjoy our community park and all that it has to offer. The Dallastown Cougar Baseball participants have the two baseball fields looking amazing again this year. Also, we will again be hosting the Bethlehem United Methodist Church summer day camp every week day beginning in June and running through the end of August.

The park is open to everyone to rent or to just enjoy. Make our park your destination for a day of picnicking, playing or just nature walking. We hope to see many of you enjoying our park.

The Dallastown Lions Club has owned and maintained their park for over 60 years and look forward to doing so for the community for the next 100 years. If you are interested in renting the park buildings and kitchen for a reunion, party or any other group or family event, please contact [Lion D. Michael Craley](#) at (717) 880-5052.

THE GOVERNOR

**GREETINGS:**

It is my honor to join with the Lions District 14-C and congratulate their 100<sup>th</sup> Anniversary Celebration.

Since 1917, the Lions Club has been a leader in civic engagement, dedicated service, and inclusiveness. Lions District 14-C has been instrumental in providing healthcare services such as vision and hearing screenings or diabetes awareness seminars to those in need in the tri-county area. This organization has opened wide the doors of possibility and promise for vulnerable citizens through mobilizing resources, establishing partnerships, and promoting public policies that identify and find local solutions for poverty. I applaud these efforts which have empowered individuals with the skills and opportunities to strengthen their communities. I am certain that this organization will continue to contribute to the elimination of poverty and health issues for the betterment of the commonwealth.

As Governor, and on behalf of all the citizens of the Commonwealth of Pennsylvania, I am thrilled to recognize this milestone. Please accept my best wishes for continued success.

Zone 4-B had hoped to have 100 Lions attend their Zone Social to celebrate 100 years of Lionism. They are delighted to report that 103 were there. They enjoyed good food and fellowship, along with an informative presentation about the training of Leader Dogs. Attendees raised \$750 for Leader Dogs for the Blind.

At top left, President Skip of East Prospect Lions presents Lion Don Eckert with a 25 year pin at the January 5 club meeting.

Below left, the Lovable Lion (Jim Cunningham) gives a big hug at the event.

*Above: Another shot of PID Cindy Gregg and District Governor Kerry McKnight at the tree planting ceremony at the conclusion of our District Convention. PID Cindy commented, "What a beautiful tree and a fantastic day. Thank you, Lions of 14-C."*

Pinchot Park Lions held their annual Easter Egg Hunt at Gifford Pinchot State Park. Above left the Easter Bunny gives treats to some participants. Above right, three children were looking for somebody to thank for the event and found King Lion Charles Walter. Just above we see one of the mob scenes as children scrambled for eggs.

The club also sponsored as a fundraiser a four-hour Gospel and Bluegrass concert at the Dover Intermediate School.

Middle left is a view of one of the bands performing, with the club banner prominently displayed for all to see.

Bottom left are King Lion Charles Walter, Lion David Pyper, and PDG Alvin Hayes of the Pinchot Park Lions, taking a brief break in the lobby to pose for a photo before they got back to work.

*On a sunny April Saturday, the Jacksonville Lions recently sponsored their 52nd annual Easter Egg Hunt. Over sixty children collected candy, including those marked to win prize baskets full of goodies. In the assembled crowd were parents and even some grandparents who participated when they were kids! The Jacksonville Lions Club invited the Cumberland County Sheriff's Office to conduct its Child ID program, which accommodated over 20 kids this year.*

*The Jacksonville Lions Club recognized and honored six Big Spring High School seniors for their academic and community achievements. Each received a check and framed certificate of academic achievement. Family and friends accompanied these scholars at the award ceremony, and also heard a bit about how Lions serve at the local, regional and international levels. Big Spring Assistant Superintendent Kevin Roberts and Big Springs High School Principal Bill August were also on hand to warmly congratulate these students for their achievements in the classroom and their community, and to applaud their recognition by community organizations such as the Jacksonville Lions.*

## **Help Us All Get Aboard**

Lion Steve Shipman (Dillsburg Lions) is editor of this newsletter.

Lion Steve needs your news and information. The best way to get him items is to send pictures as JPEG files (they don't look as good if he takes them from your PDF), and text as either a Word document or a Rich Text Format (rtf) file. He cannot open WordPerfect or Microsoft Publisher files, and please watch your Word settings so they don't come to his Mac in the infamous winmail.dat format.

Send him items at [prsteveshipman@gmail.com](mailto:prsteveshipman@gmail.com), or call or text him at 570-916-7780. If you have not entered the computer age, his snail mail is 436 E Ridge Rd, Dillsburg PA 17019. Glossy photos work best. He is happy to retype text. If you give him an idea of how you want your item to appear, he will do his best.

**Please do not send e-mails to the Comcast address. We use it only to send this newsletter and other items, and it is not checked regularly. [Click on this article or email \[prsteveshipman@gmail.com\]\(mailto:prsteveshipman@gmail.com\)](#)**
