

News from the Lions' Den

District 14-C

June 2017

Message from the District Governor

To our Lions family,

This month of June concludes another Lions year. 2016-2017 was a whirlwind for me as your District Governor. Each and every month brought new friends and more excitement with ambitious activities from the clubs of District 14-C.

However, this is not your normal June. We are not only concluding another Lions year,

Lions International has come to the end of our first century of service. July 1 is just the beginning of a new century serving where there's a need.

I encouraged Lions during my year as Governor to remembering and recognizing all those who have served in District 14-C in the past, present, and future. The ideal way to enter a new era is to pledge, or make a goal to have our 101st year be the best your club has ever experienced.

Challenge every Lion to sponsor another new member, and start a project with neighboring clubs or with your zone. District 14-C has graduated 14

new "Certified Guiding Lions" that are dedicated to assisting our member's climb their new mountains, wherever they may be.

Finally, I thank all Lions, Lioness, and Leo clubs of 14-C from the bottom of my heart for committing to "All Aboard to Serve" our communities this past year. I believe we did make a difference to our organization. I am truly appreciative of the hospitality shown to myself and my Partner-in-Service, Lion Deb. It was always a lot of work, but was always a lot of fun, and helped to make this a year the two us will remember forever.

We need to maintain our momentum for DGE Dennis and his team into 2017-2018 and our second century of serving.

"All Aboard to Serve"
Governor Kerry

From the First Vice District Governor (and District Governor-Elect):

Isn't it great to be a *Lion*! That proud feeling that comes from being one of the *Pride* was reinforced at the Pennsylvania Lions State Convention last month. One highlight of the convention for me was participating in a service project on Saturday afternoon.

Lions gathered in a large exhibit hall, and over the course of approximately 3 hours, we assembled and packed 10,000 meal packets that will be sent to third-world countries to help with famine relief. Six lines of tables were set up to assemble the meal packets, which contained rice,

dried vegetables, and other dried ingredients. The ingredients were measured and placed into plastic bags. The meal packets were then sealed and delivered to another station where date stickers were attached to them, and the bags were placed into shipping boxes. Each meal packet contained enough food to feed three people. Therefore, in just 3 hours, a few hundred Lions prepared meals to feed approximately 30,000 people!

I can't say this enough - *Service Equals Satisfaction!* The more our clubs and members engage in meaningful service, the greater our level of satisfaction, which translates to better member retention and easier new member recruitment. Satisfied members take pride in their clubs and are enthusiastic about being a Lion. That enthusiasm is contagious and attractive to potential new members.

If your club is stagnant, struggling to keep its members and unable to attract new members, take a critical look at how your club is engaging its members in service. My guess is your club's service is not providing much satisfaction or enthusiasm to your members. Identify a compelling cause that people are willing to rally around. Perhaps it is something related to one of Lions five major service platforms: vision, diabetes, environment, hunger, and pediatric cancer.

Even if your numbers are few, there are ways to engage in meaningful and fulfilling service. One

way is to partner with other organizations. Your club's willingness to provide workers to assist with other organizations helps increase your club's visibility in the community. In turn, those organizations may be willing to help your club with a project you might not be able conduct on your own. The engagement with other organizations also allows your members to interact with potential new members who share your passion for service.

As your club plans a new year of Lions activities, make sure *service* remains at the forefront of your club's time and energy. Identify new ways to serve others in a meaningful, impactful and engaging manner. The health of your club depends on it!

Yours in Service,
Dennis Cope
District Governor-Elect

You May Have a Potential Lion as Your Neighbor

This month our search for another hard-working volunteer Lions couple has landed at our home club. Norman and Joanne Morris have only been with the Dallastown Lions Club since 2015, but both have many years of involvement with other Lions Clubs, and their contributions to the community stand out.

Norm and Joanne are both originally from Luzerne County. Norm spent his career with the *Scranton Times-Leader* newspaper, working in the reporting, circulation and advertising departments.

The community work of local Lions Clubs in the Scranton and Wilkes-Barre area was well known to Norm from his business dealings with them. In 1990, at age 44, Norm decided to join the Twin Cities Lions Club, which served the Shick-shinny-Mocanaqua area. He particularly enjoyed the awarding of student scholarships, eyeglass collection awareness, and the maintenance work the club did on the St. Mary's park. He also served for 13 years a club treasurer.

Joanne also joined the Twin Cities Lions Club in the late 1990's. She was encouraged to join by Norm and another neighboring couple who were both active lions. Joanne did not hold any offices, but was a diligent worker who could always be counted on to contribute to any club project. She particularly enjoyed the annual community picnic which the club held as their major fundraiser.

September 8, 2011 was a day which changed Norm and Joanne's lives. Tropical Storm Lee battered Pennsylvania. In the northeast, flooding in Wilkes-Barre led to evacuation of all areas which were flooded in 1972 by Hurricane Agnes. While the levee system saved Wilkes-Barre, other neighboring towns were not as lucky. Norm and Joanne's neighborhood was flooded and they joined about 10,000 other people who were displaced. They literally lost everything. After considering their options for the future, they decided to move in with their daughter in York Township. William Gleaves, a member of the Springettsbury Township Lions Club, found out about the Lionism background of his new neighbor and got him involved with that club, where Norm helped with the basket bingos and other fund raising events.

Unlike Norm, who was now retired, Joanne was working in the medical field for up to 12 hours a day and did not have the time to continue her involvement with Lionism.

Only a few years after Norm joined, the Springettsbury Township Lions Club made the difficult decision to disband. He decided to transfer his membership to York White Rose Lions Club. He also became active with the Red Lion Senior Center, where he learned about the community activities of the nearby Dallastown Lions Club. Norm attended meetings in Dallastown, transferred his membership, and quickly became involved in community events, park maintenance, and fundraising.

By the end of 2015, Joanne decided to retire. She then also joined the Dallastown Lions Club, and quickly became a part of the Lions community and our fundraising efforts. She currently serves as our Diabetes Awareness Coordinator. She was diagnosed with Type 1 Diabetes at the age of 12, and is a tireless advocate for recognition, understanding and awareness of this disease, and provides insight and information for us at every meeting.

Another life changing moment for Norm and Joanne happened on May 5, 2016. After a seemingly uneventful mowing of the yard, Norm suffered a major heart attack and went into cardiac arrest. He was successfully defibrillated by paramedics from York Area Medical Services and has made a full recovery.

Both Norm and Joanne have overcome more than their share of adversity and continue to serve their community. Everyone should take note and look around at their neighbors, as you just may have a "Norm and Joanne" living nearby as potential new members for your club.

Plainfield Lions Honor Students of the Month

The Plainfield Lions Club recently honored Karley Kann and Bailey Lehman as their May Students of the Month.

Karley is a senior at Big Spring High School. She is involved in the National Honor Society, Mu Alpha Theta and the Dawg Pound Spirit Club. Karley also serves as a student athletic trainer, which ties in nicely with her work at the Carlisle Regional Medical Center. Her plans are to attend Penn State at University Park in the fall, majoring in biology, which will place her on track to a Pre-Med degree. Upon graduation from the university, she hopes to attend medical school and eventually become a neonatologist, which involves the care of newborn infants, especially those born premature or with an illness.

Karley is the daughter of Rich and Denise Kann and has a sister Kelsey. Karley, on the right in the picture on the left, is shown receiving her award from Lion Jill Freeland, President of the Plainfield Lions.

Bailey Lehman (above on the left) is also a senior at Big Spring High School and a member of the National Honor Society, Mu Alpha Theta and Student Council. Bailey participated on the Field Hockey team in the fall, the Swimming team in the winter and the Track and Field team during the spring. She was a member of the Central Penn Elite Field Hockey club and attends Salem Stone UCC Church.

Bailey will be attending Albright College in Reading this fall and will major in Business Administration. She wants to concentrate on Marketing and International Business, and would like to get a minor degree in Spanish. She will also be playing field hockey.

Bailey is the daughter of Doug and Staci Lehman, and has two sisters, Brooke and Blair.

Bailey is shown receiving her award from Lion Susan Holtry, Co-Chair of the Student of the Month Committee for the Plainfield Lions.

At left: International President Chancellor Bob Corlew conducts the Pennsylvania Lions All-State Band at the Multiple District 14 (Pennsylvania) State Convention at Seven Springs (probably with some help from the guy to his left).

Next year the convention will be in State College, May 17-20.

Block out the dates now for a great time with hundreds of your fellow Lions.

There will be seminars to help you grow as a Lion and as a person in your service, along with lots of fun and celebration of the achievements of many Lions.

Come, be inspired, and enjoy!

On his official visits to clubs this year, DG Kerry invited everybody to sign this centennial banner. As promised, it was displayed at our Multiple District 14 (state) convention at Seven Springs in May. Here DG Kerry poses in front of our banner with International President Corlew.

Four seniors from Hanover High School were recently presented the Hanover Lions Club's \$1000 Scholarship Awards for 2017. Maria Drawbaugh, Alberto Mateos, Madison Maloney, and Alyson Reese are pictured with members of the Lions Scholarship Selection Committee, Judith Stewart and Tom Staub. Maria plans to study Civic Engineering at Temple University, Alberto will focus on Marketing at York College, Madison will pursue a degree in Speech/Language Pathology through Lebanon Valley College, and Alyson will attend Penn State University and major in Biology.

The New Freedom Lions conducted a vision screening at the Paul Smith Library "Truck Zoo" in April. More than 50 children were screened at the event.

DG Kerry had the privilege of inducting a new member into the Pinchot Park Lioness Club as he made his official visit to them at the Warrington Township Park. New Lioness Geraldine Pick (center) is pictured with her sponsor Secretary Janice Shank (right)

Posing at the District Governor Honors Banquet at the Multiple District Convention are (l to r) District Governor-Elect Dennis Cope, Past District Governor John Griffie, First Vice District Governor-Elect Lisa Griffie, Lion/Lioness Deb McKnight, and District Governor Kerry McKnight.

Entrance Fee Waiver

Dear Fellow Lion Leaders,

In celebration of our 100th birthday on June 7th, 2017 we are **waiving entrance fees for all new members added between June 1st and June 10th**. Not only will new members help us make an even bigger impact, they will belong to a distinguished group of “Centennial Lions,” in recognition of this unique moment in our history.

So, how does it work? As you celebrate the founder's anniversary of Lions on June 7th and induct new members, as they're entered into MyLCI, subsequent billing will reflect this special promotion. This is a limited, one-time offer that does not apply to new members added prior to June 1st or after June 10th of this year. No exceptions will be approved. Charter and transfer charter fees do not qualify for this one-time waiver.

So invite family, friends and colleagues to make history with us. If you have any questions or concerns, please feel free to contact our Accounts Receivable Department via email accountsreceivable@lionsclubs.org or via phone at 630-203-3810.

Very truly yours,
Chancellor Bob Corlew
