MESSAGE FROM THE DISTRICT GOVERNOR

Hello Fellow Lions, Lioness and Leos,

What a busy month! Lisa and I attended our first International Convention in Hawaii. I had DGE Training for several days prior to the actual convention. The convention was unbelievable; there were over 18,000 Lions from around the world in attendance. The International Parade was spectacular; however, the day was a hot one! On July 19, we attended the Beacon Lodge Appreciation day (another hot one!). It is amazing to see how the camp changes for the better from year to year, thanks to the dedication and hard work of our fellow Lions! The campers' talent show was awesome too!

"Dignity. Harmony. Humanity" is our International President's, Dr. Jitsuhiro Yamada's theme for this Lions Year 2015-16. The central elements of his theme are peace, hope, determination, team work and uniting people through service. Dr. Yamada would like all of us to consider ways to expand our services to children by continuing and expanding the Reading Action Program, addressing the needs of hungry children and by supporting and helping to brighten the outlook of children in hospitals. The children are our future. Dr. Yamada also stressed that our Club Presidents hold the key to our success. The following are the Club Presidents 7 Keys to Success:

1. Increased value in being a member (better educate new members).
2. Making clubs be a place that members are proud to be part of (improving club satisfaction).
3. High quality service projects (relevant to the actual needs of our communities).
4. Serving with family members (because "Ask One" should start at home).
5. More female and younger members (the ideal man to woman ration is 1:1).
6. Being leaders in the community (more leadership training).
7. Thinking outside of the box (reform of inefficient practices, customs and policies).

Dr. Yamada wants us to remember and meditate upon the words of our Founder, Melvin Jones - "You can't get very far until you start doing something for somebody else". This quote fits in with my theme for the Year - "Be a Game Changer"... Let's all work together; clubs & entire zones, to make that difference by doing things to make in a difference in the lives of the less fortunate. As we continue to serve others we must sow the seeds of harmony, understanding and peace. I know we can do it!

In closing, I ask that you please consider coming out to support me at my first cabinet meeting which will be held on Saturday August 15th at the New Oxford Fire Co., 21 N. Bolton St., New Oxford, PA. Registration will begin at 8:45 and the meeting will start at 9:30. Dress code for this meeting will be casual. I hope to see many new faces at my first meeting! Come on out and get involved. You can make the difference! We can always use new ideas on how to make our District even better!!

Yours in Lionism,
DG John

MESSAGE FROM THE VICE DISTRICT GOVERNOR

Fellow members serving in 14C,

When I was a child in the early 60's, my favorite Disney movie was "101 Dalmatians". This is the one about the couple who end up with a LOT of dogs. In the beginning of August, Lioness Debbie & I will be traveling all the way to Michigan to tour the "Leader Dogs for the Blind" facilities.

Now, I know none of the puppies are Dalmatians, but we are really looking forward to seeing the operation. I have worked with Leader Dog in the past assisting a legally blind person obtain a service dog. This is a tremendous organization that does a wonderful service. Thanks to all our clubs for their support that make it possible for Leader Dog to exist..

Speaking of traveling, I would enjoy attending a meeting of your club this year, either as a visitor or speaker. Just contact me & we will work out a date.

Yours in Lionism,

VDG Kerry McKnight

ATTENTION LIONS AND LIONESS CLUB SECRETARIES

District Governor Elect John Griffie has chosen to have a district Points Contest for lion's year 2015-2016. For Lions Clubs the contest will be based on LCI Report "ACT0013_W" this is the 2015-2016 Service Activity – Club Summary. A copy of this report will be sent to any club secretary upon request. I have been appointed by the Governor Elect to be the administrator of the contest this year. Nothing extra is required of Lions club secretaries you only need to submit your LCI activities report as usual. There will be no district report to file on the district web site.

Because Lioness Club Sectaries do not submit an LCI report you will file a report to me by email or regular mail and I will compile the information for the Governor. The information in this report is important whether you wish to participate in the contest or not. Do not submit a report on the district web site.

ACTIVITIES – Activities are an event such as: Fund raisers, service activities or club meetings.

LIONESS HOURS – Lioness participating in activity times how long the activity lasted = lioness hours.
