MESSAGE FROM THE DISTRICT GOVERNOR

Hello Fellow Lions, Lioness and Leos,

I hope everyone had a Merry Christmas and a Happy New Year. Now that the Holidays are behind us; it is time for me to start my second half of the years visits. The first half of my year's visits, I spoke about things our International President Dr. Yamada wanted us to achieve. The second half of my year I also want to discuss what our District needs to do to retain our members! We cannot afford to continue to lose any more members. My Motto this year is be a GAME CHANGER. Unfortunately, the only thing changing is that our numbers continue to drop. Let's pull up the boot straps get some new members, retain the members we have and get our members involved so they feel a part of the organization and do not want to leave. Imagine if we could at least maintain our current membership, not to mention if how great it would be if our "New Years" resolution was to have each member bring in one new member!!! More hands to serve others.

Fellow Lions Lets ROARrrrr and have an exciting second half of this year. I encourage all of you to come to the Cabinet and State Council meetings and get involved in your District. We as a Team, working together can make 14-C stronger. Till next time remember to BE A GAME CHANGER!!!!

Yours in Lionism,

John Griffie

District Governor 14C

MESSAGE FROM THE FIRST VICE DISTRICT GOVERNOR

Lions, Lionesses, & Leos in 14C,

As we enter 2016, our District 14C has a new club with 36 members, and growing. The average age is 16 years old. As of December, a brand new Leo club was chartered at Susquehannock High School in Glen Rock, York county. The process took about a year and a half from the first thought of the idea until its inception.

Within a few days of being chartered, the new club members had volunteered 40 hours at the food pantry just in time for the Christmas holidays. They also began a project benefiting the local library. This was on the wish list the library had previously put on hold for years due to not enough manpower, but now it's near completion, thanks to the Leo Club.

Founding a Leo club is something most 14C Lions Clubs can accomplish. Just imagine the help with your projects and service that can be performed together, expanded on, and all the eager young hands willing to work. They may even transition into Lions members in your club in the near future!

Don't view a Leo Club solely as another way to serve the community, but it equally benefits the students. Leo's learn from doing and it is the responsibility of the sponsoring Lions Club to help guide them.

If you have any questions about Leo's, or have an interest in starting a club, please contact any member of your District Governor's team for information. We are here to help you.

MESSAGE FROM THE 2nd VICE DISTRICT GOVERNOR

Fellow Lions, Lioness, and Leos,

Happy New Year! It's hard to believe we are half way through this Lions year. What a pleasure and privilege it has been serving as your 2nd Vice District Governor. I greatly appreciate the support and guidance I have received from District Governor John, Vice District Governor Kerry, Past District Governors all, and the many Lions I have met during the first six months of this Lions year.

It is hard for me to overstate the benefit of getting into the District Governor queue as 2nd VDG rather than waiting and having just one year (or less) to learn and prepare for the responsibilities related to the office of District Governor. While there is much to learn regarding the structure and operation of Lions at the district level, the material is not difficult to understand and at times quite interesting. Also, so much can be done during the two years prior to serving as District Governor to help make that year go smoothly.

With those thoughts in mind, it is time to nominate candidates for the District Governor and Vice District Governor for the 2016-2017 Lions year. Both VDG Kerry and I are planning to run for District Governor and 1st VDG, respectively. While we welcome competition for these roles, the most critical need is to secure nominees for 2nd VDG. To be eligible to serve, one must have served as a Zone Chair or Cabinet Secretary. To become a nominee, one must first secure the endorsement of his/her home club. A letter of intent to run for District office should be sent to DG John along with a letter from your club secretary stating the club's endorsement of your candidacy.

I strongly encourage all Lions with good leadership and organizational skills to consider running for district office. I can assure you the rewards of this service far outweigh the time and effort you will sacrifice.

Yours in *SERVICE*,

Dennis Cope

2nd Vice District Governor

LIONS CLUB INTERNATIONAL DISTRICT 14-C CABINET MEETING

MINUTES - (CONTINUED FROM PAGE 3)

BEACON LODGE 500 CLUB - Lion Louanna Bare reported that request cards for Beacon Lodge 500 Club were mailed in early September. To date Lion Louanna has received checks from 27 Lions Clubs and 5 Lioness Clubs totaling \$4,310.00. The proceeds from Beacon Lodge 500 Club goes to offset the maintenance of Beacon Lodge.

HEARING RESEARCH/HEARING AID Project - Report was presented by Lion Ray Rosnick. The board of directors of the PA Lions Hearing Research Foundation, at their May 15, 2015 meeting made 3 research grants totaling \$60,000.00. On Friday, July 31, the directors hosted the 1st VDGs from all PA districts to a dinner and to acquaint the 1st VDGs with the Foundation's programs and to answer any questions. At the board's October 31, 2015 meeting, recognition of the top contributing districts was made. District 14-C was number 2 in support of the Foundation, contributing \$7,250.00. Friday, July 24, 2015, was the annual Lions Night with the Senators. There were 31 picnic and 21 games only tickets sold for a total contribution of 5104 being made to the Foundation. In addition, the New Freedom Lioness Club did not attend the game but made a \$100.00 donation. Lion Ray also gave an update on the District 14-C Hearing Aid Program. Several years before her retirement, District 14-C had presented Wanda Riley, provider for the District Hearing Aid Program from October, 1995 through December 1, 2008, with a plaque for her services. Lion Rosnick stated that he felt it only fitting that the District should extend the same courtesy to our current provider. Lion Rosnick asked the District leadership to take appropriate action with this request. 2nd VDG Dennis Cope made a motion to give a plaque to our current provider before the end of the current year, seconded by Lion Lisa Griffie (New Oxford Lions Club). Motion carried.

EYEGLOSS RECYCLING - The report was presented by Lion Gene Kilgore. The Used Eyeglass Program has seen an increase of glasses brought in from District 14-C over the past 3 years. The recycling center in Arlington, VA has not been able to fill the orders for eyeglasses that they have received. Lion Kilgore reported that he recently delivered 10,842 pairs of eyeglasses to the Arlington recycling center. Lion Kilgore reminded the audience that lenses not in frames, contact lenses, and sunglasses cannot be used.

DISTRICT PROJECT PRESENTATION - PDG Shirley Starnier, Presenter - PDG Starnier introduced the "Lions Kidsight USA - Saving Kids Sight" Project. This is a nationwide program to safeguard the vision of children from 6 months to 6 years of age. IPP Joe Preston has challenged Lions to screen 25 million children by June, 2018, the end of the 100th year anniversary of Lions International. Screening is not the entire program. The data or information secured at a screening may warrant a referral to a professional eye care specialist and a follow-up program with a once a year screening repeated. Education experts say that 80% of learning is visual, yet most young children don't get their vision screened until they have problems learning or paying attention in school. Where is District 14-C with this project? Since August, the committee has met with 2 agencies in our district to establish rapport and to generate dialogue with the directors. We have secured a list of all licensed daycare centers, but there are other sites, such as home schoolers, who are not being screened. The project is very much in the planning stage within the district. 2nd VDG Dennis has developed a SMART (Specific, Measurable, Action, Realistic, Time-bound) Plan of Action for the project. The committee envisions every club in the district being involved in the screening process, having 3-5 members of each club trained to meet the needs to the children in their area.

GMT - SMART GOALS PRESENTATION - ZC CR Lloyd Presenter. New Freedom has a new Leo Club with approximately 30 students - through Susquehannock High School. The GMT Committee meets the second Saturday of each month at 8:30 at the Cross Keys Diner. All Zone Chairs are members of the GMT committee and should attend the meeting. All other Lions are invited to attend. ZC Lloyd said that he made visits to 2 clubs to talk about the GMT committee. 2nd VDG Dennis Cope made a PowerPoint presentation for the GMT. Four points to remember: 1-) Retain, 2) Recruit, 3) Orient, 4) Promote.

OLD BUSINESS:

No Old Business presented.

VOLUNTEERS NEEDED/ SAVE THE DATE

Dear District 14-C Lions we have been asked to assist the **York County Special Olympic** on Saturday, February 6, 2016 at one of their fund raisers, the **Polar Bear Plunge**. Please consider helping out in one of the following roles; set up, registration, distributing handouts, refreshment stands, and clean up. This event is held in Wrightsville at the John Wright Restaurant. The event activities start around 8:30 with set up and finish with cleanup by noon. If you are interested in being a part of the fantastic event, please e-mail me at rkpinkrose@comcast.net and put Special Olympic as the subject or call 225-4892.

Please consider giving a couple hours to support the York County Special Olympics, I am sure that they would also appreciate anyone willing to collect donations and take the plunge with them. Let me know and I will get donation forms to you.

Lions Club International has made Special Olympics a project that they would like all Lion Clubs to participate and become involved with, here is District 14-C's opportunity to build a relationship and support the Special Olympics Athletes. District 14-C has thus far participated in a golfing tournament, bowling tournament, and Adams County Special Olympics Christmas party these experiences have been very rewarding to those who have already volunteered. There is also the opportunity coming up the first Saturday in May at York College where the Spring Games are held and the need for assistance is overwhelming. There will be more information in the future on the Spring Games and how individuals or Lion Clubs can assist.

Thank you and I look forward to seeing the relationship between Special Olympics and Lion Clubs in District 14-C grow and develop.

Lion Becky Krout

Dear Lion,

The holiday season is a special time of year when we celebrate, reflect and give thanks. And no one deserves thanks more than you and your Lions.

Thanks to you, our communities are stronger. Lions are leading through service and making a real impact in the lives of those who need us most. Your commitment to service and your support of the Centennial Service Challenge have helped Lions around the world impact the lives of more than 60 million people.

Thanks to you, our clubs are stronger. Lions are inviting new members who are increasing our service impact in our local communities. Lions and clubs around the world are earning limited-edition recognition in the Centennial Celebration Membership Awards for strengthening their clubs and communities. I hope you will continue inviting new members to serve with you as Lions.

Thanks to you, we're looking forward to another great year. We will continue to invite, serve, and celebrate our upcoming Centennial in 2017. On behalf of Lions Clubs International, have a happy holiday season!

Sincerely,

Dr. Jitsuhiro Yamada
Your International President

Bring Dignity to the Holidays

The holidays are a time of celebration and joy, but for those who are hungry, it's an especially difficult time of year. I encourage your club to host a service project over the holidays to help children, families or elderly neighbors who are struggling to put food on their tables.

And be sure to join Lions around the world for the [Worldwide Week of Service to Fight Hunger and Poverty](#) on **January 10-16**. It's a great opportunity to fight hunger in your community and earn special Centennial recognition for your club when you report your service on the MyLCI Service Activity Report.

Shape the Future of Service

You have a special opportunity to help determine our service priorities for our next century of service. **This January, Lions Clubs International will be sending a survey to all Lions** around the world asking what kinds of service are important to you and your community.

Please tell your Lions they will be receiving the important survey email in January, and encourage every member to respond. We want to make sure you and your Lions have a voice in shaping the future of Lions and our global service efforts.
