District 14-C
February 2017

Message from the District Governor

District 14-C Family,

I wish to share several items with our membership this month —

First, our District 14-C Convention details are included in this newsletter. I am very excited as our

guests and Special Keynote speaker will be Past International Director Cindy Gregg and her husband, PDG Tom Gregg. Not only will we have such a distinguished and dedicated Lion as PID Cindy, 14-C will hold a "Dining in the Dark" dinner event immediately following the

convention. If you have never attended a District Convention, please consider joining us to celebrate Lions 100th anniversary celebration.

The LCI Centennial Commemorative coin is now available for purchase from the U.S. Mint. I have ordered mine even though I'm not a collector. If all the minted coins are sold, Lions Clubs International Foundation will receive \$4 million to further its programs for the blind and visually impaired in the United States and abroad, invest in

District 14-C will hold a membership workshop open to all Lions, Lioness, & Leos in our District on March 11 at Union Hook and Ladder in New Oxford. See registration form on [page 14](#).

Membership is still on the plus side for this Lions year. I appreciate all 67 new members for joining our ranks, and their sponsors for the encouraging friends and family to serve. Female new members are also greatly increasing our membership. We definitely need to keep up this momentum.

Finally, as I review the monthly service activities reports our clubs are filing with LCI, I cannot help but be amazed at the level of service being performed by our 14-C membership. Please keep up the great work.

Governor Kerry

District Cabinet Meeting

Saturday, February 18
St. Paul's United Methodist Church
4360 Board Rd., Manchester
9:30 AM to NOON

From the First Vice District Governor:

Greetings Fellow Lions, Lioness, and Leos,
Have you ever attended a District, State, or International Lions Convention? If so, you know it's a great opportunity to meet Lions, Lioness, and Leos from other clubs, enjoy the company of like-minded individuals, and share ideas for improving the work and health of your club. Attending a convention also provides a chance to grow in your knowledge of our great organization and learn about opportunities to grow your involvement in Lions.

First VDG Dennis Cope

The District 14-C Convention is scheduled for Saturday, April 22nd. This year's convention features some changes we hope will make it more inviting and enjoyable for you to attend. The starting time has been moved to the afternoon with a condensed schedule for seminars and business meeting. The highlight of the day will be a "Dinner in the Dark" event, which will be both entertaining and informative.

Four weeks later, the MD-14 (Pennsylvania) Convention will be held at Seven Springs Mountain Resort. This is a multi-day event that begins with various tours on Thursday, May 18, and ends with the seating of the new Board of Governors on Sunday, May 21. In between there will be educational seminars, featured speakers, and a culminating banquet featuring an address by our International President, Chancellor Bob Corlew. You can attend one, two, or all three days.

This year's International Convention is in Chicago, an easy day's drive from Central Pennsylvania. This will be my first International Convention and the organization's 100th Anniversary Convention, and I'm quite excited. What better time to meet and interact with Lions from all over the world? The dates for this convention are June 30 through July 4. Imagine watching Fourth of July fireworks in one of our country's greatest cities!

Lions as a Family Affair: PDG Larry and Lion/ess Louanna Bare

Every Pennsylvania Lion has heard of our Pennsylvania Beacon Lodge and their amazing mission of serving children with special needs in Pennsylvania. Most Lions here in Central Pennsylvania know about their additional mission of serving families of our disabled veterans. Here in District 14-C we are always kept up to date on Beacon Lodge happenings by two of our Lions who have gone above and beyond in the mission of Lionism to promote and advocate for this wonderful and necessary camp.

PDG Lion Larry Bare and Lion/Lioness Louanna Bare have dedicated themselves to Lionism in general and to Beacon Lodge specifically as their special missions. They have given on their local and district level, on a state level, and they continue to go over and above with their mission at the lodge. From collecting money for their project to filling their garage with donated items to ensure its success, PDG Lion Larry and Lion/Lioness Louanna work tirelessly every day to help their community.

PDG Larry and Lion/Lioness Louanna met in their home town of Mt. Wolf. After serving in the military, PDG Larry worked for the Federal Aviation Administration in Virginia for twenty-five years. When he retired, we are all very fortunate that they decided to come back to Central Pennsylvania. Lion/Lioness Louanna's father, Lion William Kann, was a charter member of the Susquehanna Lions Club. He encouraged Larry to join, and Larry did so in September of 1984. PDG Larry held many offices in the Susquehanna Lions Club and throughout the district, including District Governor in 1998-1999. PDG Larry was asked to go to Beacon Lodge by his friend and fellow Lion Glenn Ferree. Throughout the time he served as a Lion, he volunteered for work weekends at Beacon Lodge and visited often. He enjoyed Beacon Lodge so much that in 1989 he organized the first bus trip to take local Lions to the lodge.

After the return to our area, Lion/Lioness Louanna volunteered at her church and was unable to join Lionesses until 1989 when she joined the

Susquehanna Lioness Club. When the Susquehanna Lionesses disbanded, she joined the Shiloh Lionesses and is now a Dover Lioness, as well as a member of the York White Rose Lions Club. Both PDG Larry and Lion/Lioness Louanna serve as our district liaisons to Beacon Lodge.

Lion/Lioness Louanna accepted a position as Pennsylvania State Lioness Representative to the Pennsylvania Lions Beacon Lodge Board of Directors, and has served in that position for over fifteen years. Lion Larry joined the Board of Directors when Lion Glenn Ferree passed away. They have served on the board as a team ever since.

In addition to serving on the board of directors for Beacon Lodge, Lion/Lioness Louanna also currently serves as Beacon Lodge 500 Club Chair for District 14-C and PDG Larry is Beacon Lodge Project Chair for District 14-C. They both work tirelessly for Lions and for the lodge. They say that it is a labor of love for both of them. They are extremely thankful for the support our district gives the lodge. Our district is one of the most generous districts in the state to Beacon Lodge.

We encourage every club to consider visiting Beacon Lodge on a work weekend or on the Lions' Appreciation Day on Sunday, July 16, 2017. Contact PDG Lion Larry Bare or Lion/Lioness Louanna Bare for more information on these events and visit the Beacon Lodge website at <http://www.BeaconLodge.com> ([click here](#)).

Plainfield Student of Month

The Plainfield Lions Club recently honored Madison Frick as their January Student of the Month.

Madison is a senior at Big Spring High School. She serves as Secretary on the Student Council and is a member of the National Honor Society. She is also a member of Mu Alpha Theta, a club for mathematicians. She also is a volunteer for the Mini-Thon for 4 Diamonds at Big Spring, which raises money for cancer research.

Madison works at Leo's Ice Cream Shop in Carlisle. She will be attending Shippensburg University in the fall in pursuit of a degree in Elementary Education.

Madison, on the right, is shown receiving her certificate from Lion President Jill Freeland.

And about that sign ...

The one time that folks in your town think about Lions is when they see that Lions Club Highway sign as they enter into your community. If your sign is faded and people can't tell if it's Lions or Rotary, or leaning at a severe angle, they have to wonder if your club is still in existence.

As I've been traveling around our district, I've noticed some signs have seen better days.

The Lions Store online has commemorative highway signs and decals on sale to spruce up your signage for the 100th anniversary.

For clubs that don't have anyone able to perform the repairs, District 14C has formed a "Lions Sign Crew". This is a group of Lion volunteers that are well equipped with all the necessary hardware and tools.

Order whatever signage needed, then contact the crew when you receive it. They will make arrangements to perform the upgrade at no charge to your Lions Club.

To schedule your upgrade, or if you have any questions, feel free to call the "Lions Sign Crew" at (717) 759-0711, or email me at DGMcKnight@att.net.

Beacon Lodge Work Weekend and 500 Club

Beacon Lodge Work Weekend

District 14-C Spring Work Weekend will be held on April 7, 8, and 9, 2017. Come and join us for work, fun, fellowship, and to contribute to your Lions camp. The purpose of this activity is to ready the camp for the coming camping season. Projects have not been assigned for this weekend. We will be getting this information in March.

Beacon Lodge will provide meals and lodging along with bedding for the weekend. All you will need to provide are work clothing, work gloves, wash cloth, and your personal items. Plan to arrive Friday evening, April 7, or by 7 AM on Saturday, April 8. We will work until lunch on Sunday and leave for home after lunch.

As always, the accomplishment of this activity depends on Lions to give their time and efforts. I encourage the Lions to participate in this important activity.

It is very important that the staff at the camp know how many will be attending, so that they can order sufficient food and prepare accommodations. They need to know the exact number to expect. Please call me by April 1, 2017. Do not hesitate to contact me if you have any questions. My phone number is 717-650-2966 and my email is llbjb@comcast.net. This weekend will be limited to the first 40 Lions who register. To register please call me so I can notify the camp of the number attending this service project. PLEASE DO NOT CALL THE CAMP!!!

PDG Larry J. Bare

Beacon Lodge Work Weekend Chairman.

**What does YOUR Beacon
Lodge Camp Need?
See Wish List on Next Page!**

Beacon Lodge "500 Club"

Along with Beacon Lodge, I want to thank the clubs who have contributed to the "500 Club" for the 2016-2017 year. I have forwarded checks to Beacon Lodge in the amount of \$4,435.00 for the "500 Club." I encourage those clubs who have not contributed to please consider doing so and to support this important project. This goes to the maintenance of your camp.

In addition, I have received \$1,000 for the operating budget, and \$1,100 for camperships.

The budget for the 2016-2017 Camping Year is \$582,700.00

Again, Beacon Lodge thanks you and I thank you for your continuing support.

Keep up the good work!

Lion/Lioness Louanna Bare

Congratulations to Lion P. Lynn Henry (above right) of the Dallastown Lions, who was presented with a pin by Zone 4-C Chairman Alan Diehl in recognition of his fifty-five years of service to his community through the Dallastown Lions Club.

Lion Lynn spent his career as an educator and guidance counselor for thousands of children with Dallastown Area High School for over thirty-six years prior to his retirement. Lion Lynn has served in many capacities over his long tenure as a Dallastown Lion, including President from 1971-1972 and Secretary for many years. He was also recognized for outstanding service to our community in 2002 when he was awarded the Melvin Jones Fellowship.

Lion Lynn can also always be counted on to be there for many projects, including to wash and prepare potatoes for our chicken barbeques and help where ever needed.

District Convention Takes On New Flavor

The District 14-C Convention will be held at Wyndham Garden Hotel in York on April 22, 2017, beginning with registration at 12:30 PM. If you have not planned to attend, please give serious thought to spending an afternoon with fellow Lions, Lionesses, and Leos in the District. REMEMBER, we are celebrating 100 years as an organization — *the largest worldwide humanitarian organization*.

The convention this year will take on a different flavor in a number of ways. First, the time is different (something DG Kerry wants to do); second, the format is similar during the convention and will end with a dinner, which will provide a keen awareness of visual impairment. Third, we will have one or two service projects

during the convention, which will involve representatives from our four Leo Clubs, assisting with the projects. Fourth, there will be four seminars: Presidents-Elect; Secretaries; Family and Women in Lions; and one for current Zone

Chairpersons and those who may be interested in the position in the future. Last, but certainly not least, we are honored and privileged to have as our Keynote Speaker, PID Cindy Gregg and her Partner-in-Service PDG Tom Gregg. PID Cindy will speak briefly during the convention, and also at the dinner.

Please note the REGISTRATION form in this newsletter. Each attendee must fill out the form. The dinner cost includes a salad, entrée of choice, rolls/butter; beverage, and dessert. The gratuity and a donation to Leader Dog School for the Blind are also included. Alcoholic beverages can be purchased in “FENDERZ”, the hotel restaurant.

Allow me to elaborate briefly on the above mentioned dinner, being called “DINNER IN THE DARK”. The dinner does not take place in a dark room. It is a dinner designed to build awareness of the needs of people who are visually impaired. Attendees may opt to wear simulation goggles that give some idea, as to how a person with particular eye conditions see their surroundings; wear a blindfold or no eye cover at all. The eye cover can be removed at any time. A person who is blind cannot

do this and there are also some psychological components being blind for a long time, instead of just for a few minutes. Please take a few minutes to read and share the article written by Tony Heath, entitled “Dining IN THE DARK”, which begins below.

It is the hope of the convention committee to see a large attendance at the convention and dinner. Again, we are celebrating 100 years as an organization. We should all feel very proud to be a Lion and always remember, “WE SERVE” and “Wherever there is a need there is a LION.”

Dining In The Dark

*By Tony Heath – Access Technology Specialist,
Vision Corps*

Dining in the dark takes place in a dark restaurant, or individuals are blindfolded so that they cannot see the food they are eating. In spite of a popular misconception, Dining in the Dark is not meant to simulate what it feels like to be blind. The basic concept is that the removal of vision enhances the other senses and increases gastronomic pleasure.

An analysis by Allen (2012) of customer reviews found that many people report “heightening of the non visual senses”. One theory for why this happens is that flavors are intensified when people can’t see what they’re eating. Another postulates that most of us eat with our eyes, enjoying a plate before we’ve tasted it

I have attended two Dining in the Dark events. I personally did not notice any intensified flavor. This is undoubtedly because I have been vision impaired since birth and also have no sense of smell.

Having said this, I enjoyed myself at the events and think they are worthwhile. I am fascinated by the opinions of the sighted guests at the tables around me. I noticed that people seemed a bit awkward at first, but by the end of the meal, there was lots of laughter and great conversation. It was almost as if people forgot they were blindfolded. And I don’t recall any major accidents where someone spilled something all over themselves or someone else.

Although Dining in the Dark does not simulate blindness, it is great for building awareness of the

continued on next page

Dining in the Dark (continued)

needs of people who are blind or vision impaired. We have simulation goggles here at Vision Corps that can give you some idea as to how a person with a particular eye condition sees the world. They do not simulate that condition for several reasons. Mainly that you are looking through the goggles with your eyes which have normal 20/20 vision. Also, you can remove those goggles any time you like. A person who is blind obviously cannot. Finally, there are many psychological components that accompany being blind for an extended period of time. You will only be blind for a few moments.

If you ever encounter someone who is blind or vision impaired, be yourself. Try not to be afraid that you will do or say the “wrong” thing. Believe me; we’ve heard it all before.

I always say that there are three things to remember when you are with someone who is blind: Communicate, communicate, and communicate. If someone doesn’t see at all, they may not be aware of anything that is beyond their fingertips or that

doesn’t make a sound. You can greatly enhance a blind person’s experience by merely providing information about your surroundings.

One of my pet peeves is when someone approaches me and asks me if I know who they are. When this happens, it can be embarrassing because I may or may not recognize their voice. A better way is just to say, “Hi Tony, it’s John.” There are a number of factors that can have an effect on the way your voice sounds, i.e., a cold, background noise, time of day, the passage of time, etc.

It is fine to ask someone who is vision impaired how much they can see. This is often the “elephant in the room” and it shouldn’t be. The more you know about a person’s vision the more comfortable you will become.

So dine in the dark and have a great time. Talk, laugh and enjoy each other’s company. But, you may not want to wear that expensive new white dress or your rented tuxedo. Bon appetit!

Peace Poster Winners and Next Year’s Contest

It is with great honor that I would like to announce the winners of the Peace Poster Contest for 2016-2017 sponsored by the Lions Club of District 14-C. The theme for the 2016-2017 contest was “A Celebration of Peace.”

The first place winner is Bessy Jiang, a sixth grade student at Dallastown Intermediate School, sponsored by the Jacobus Lions Club. The second place winner is Natalie Showaker, a sixth grade student at Arendtsville Elementary School, sponsored by the Arendtsville Lions Club. The third place winner is Kylee Carr, a seventh grade student at Big Spring Middle School, sponsored by the Jacksonville Lions Club.

Congratulations to each of the winners, and the other participants also! All of the students did an outstanding job in demonstrating their vision of world peace through their creative art expression. Thank you to the Lions Clubs who sponsored the students and gave them the opportunity to participate in this very worthwhile contest. This contest promotes positive publicity for our Lions Clubs and our district.

Now, Lions of 14-C, it is already time to order your kits for the Peace Poster Contest for 2017-2018. Approximately 600,000 children from over

75 countries participate in the contest annually. Encourage your club to sponsor a group of children. The group could consist of a school class, a Scout troop, a church youth group, your children or your grandchildren, etc.

The theme of the 2017-2018 Peace Poster Contest is “The Future of Peace.” Students ages 11, 12, or 13 as of November 15, are eligible to participate. Each poster is judged on originality, artistic merit, and expression of the theme. Posters advance through several judging levels: Local, district, multiple district and international. At the international level, judges from the art, peace, youth, education and media communities select one grand prize winner and 23 merit award winners. One international grand prize winner will receive \$5,000 and a trip to a special award ceremony at the International Conference. Each of the 23 merit award winners will receive a cash award of \$500 and a certificate of achievement.

Order a kit online by [clicking here](#) or call Club Supplies at (630) 571-5466 or 1-800-710-7822.

Lions Clubs around the world are also encouraged to sponsor students in the Lions International Essay Contest. This essay contest was created to

Pictured (from left to right) are Bruce Silar, East Prospect Lions Club President; Brandyn Holtzinger, Boy Scout District Executive; and Lewis Brown, East Prospect Lions Club Chartered Organization Representative.

East Prospect Lions Club recently became the chartering organization for Cub Scout Pack 6 in their community.

The Boy Scout District Executive, Cub Master, and Committee Chair met with the club to explain the unit charter agreement with the local Boy Scout Council. The chartering organization and the Pack must utilize the Scouting program to accomplish many of the specific objectives related to youth character development, career skill development, community service, patriotism and military and veteran recognition, and faith-based youth ministry. It should be noted that many of these objectives have a direct relationship with the principals of Lionism. Cub Scout Pack 6 is affiliated with Boy Scout Troop 6, and currently has 30 members.

East Prospect Lions Club looks forward to a growing relationship with Cub Scout Pack 6. The Lions Club views it as an extension of its many programs to reach out and support the local community.

A number of the East Prospect Lions Club members have been scouts, all the way to the rank of eagle and have served in a number of scouting capacities. Many people say the Scouting Program has been one of the most beneficial experiences in a young person's life, and a large number of statistics substantiate this point.

Hanover Lions Honor Three Members for Distinguished Service

Above: DG Kerry congratulates Lion Charlie Stauffer for 50 years of service. Charlie is Past President of Penn Twp. Lions, which joined with Hanover Lions in 2014.

Top right: 55-year member Lion Merle Dubbs donated a Lion statue to the club. He is a past president and a Melvin Jones Fellow.

Bottom right: Lion Carl Waldmann receives a letter honoring him for his 40 years of service. He is a past president and Melvin Jones Fellow.

Hanover Lions Help the Kids

The Hanover Lions Club's "Help the Kids" project has raised \$2,000 to support children's programming at Guthrie Memorial Library in Hanover.

Members of the service organization, along with students from Hanover, Delone Catholic, and Southwestern High Schools, collected donations during "year-end" home football games. Hanover Lions added to those monies by collecting at the doors at Hanover Market House. Together, football fans and shoppers donated just over \$1,700 with the Hanover Lions Club monetary contribution bringing the total gift to \$2,000.

Top right: King Lion Dwain Smith presents a \$2,000 check to Kelly Horner, Children's Librarian of Guthrie Memorial Library. Joining in the presentation are Everett Kenworthy and Kiersan Cue of the Hanover High School Key Club, left, and Lions Project Chair Ken Zinn, right.

Bottom right: At the Hanover-Delone Football game in McSherrystown, Delone Catholic High School National Honor Society members Makenna Martin and Marlee Lackey along with Hanover Lion Fred Baber and the Lion Mascot (Tom Staub) collect donations as part of the Hanover Lions Club's Tag Day project.

Help Us All Get Aboard

Lion Steve Shipman (Dillsburg Lions) is editor of this newsletter.

Lion Steve needs your news and information. The best way to get him items is to send pictures as JPEG files (they don't look as good if he takes them from your PDF), and text as either a Word document or a Rich Text Format (rtf) file. He cannot open WordPerfect or Microsoft Publisher files, and please watch your Word settings so they don't come to his Mac in the infamous winmail.dat format.

Send him items at prsteveshipman@gmail.com, or call or text him at 570-916-7780. If you have not entered the computer age, his snail mail is 436 E Ridge Rd, Dillsburg PA 17019. Glossy photos work best. He is happy to retype text. If you give him an idea of how you want your item to appear, he will do his best.

Please do not send e-mails to the Comcast address. We use it only to send this newsletter and other items, and it is not checked regularly. [Click on this article or email prsteveshipman@gmail.com](#)
