

DISTRICT 14C NEWSLETTER

April 2021

A Message From the District Governor

Spring is here! Vaccines are being given to lots of our members. Plans are being made for the District and State Conventions. Flowers are blooming. Trees are starting to bud. Trout are being stocked in our streams. Baseball is being played. Days are getting longer. Life is good for most of us. We all for the most part have lots to be thankful for and are looking forward to a more normal 2021 to 2022 Lions Year.

I now only have three more months as your District Governor. I have visited most of the clubs in District 14C either in person or by the Zoom format. I am looking forward to hearing from the clubs that I was not able to visit in order to set up a date that I can come to a meeting before the end of June 2021. I thank all of you for your support this Lions Year. I know that it was a challenge for us all to do what Lions do, (We Serve). I am proud to belong to this dedicated group and I know that the 2021 to 2022 Lions year will be a great comeback year for us.

District Governor Tom Jones

I do wish the leadership team for the next Lions year a very successful year and I want to assure them that I will be here to help as I am able. Together, we can make it great to be a Lion. Our incoming officers have been fully trained and they are ready to get started with their year. I hope that all of you will give them all of your support as you have given it to me.

I am very happy that our District is moving ahead with leader training, the NAMI program, Beacon Lodge fund raising and a whole lot of other positive activities.

I will be contacting clubs that I was not able to visit with the hope of finding a date that will work for me and the clubs for a DG Visit before my term ends. If you are in one of those clubs, please be considering a date that will work for my visit and contact me.

**Stay Safe and Healthy,
Work to make it great to be a Lion,
Remember that Kindness Matters**

A Message From 1st VDG Elect/D-GLT Dan Brant

April is LEO Awareness Month on the LIONS Calendar. LEOs are an integral part of the Lions family. There are over 6500 LEO clubs located throughout more than 140 nations. The Glenside Lions Club in Pennsylvania sponsored the first LEO Club at Abington High School in 1957, with 35 members. Ten years later, the LCI Board of Directors adopted the LEO Club program as an official program of the association. Through LEO Clubs, young people practice leadership, organization and social skills in their club activities and service projects. There are five LEO Clubs in District 14C, three of which are in York County, one in Adams County and one in Cumberland County. In York County, the Dallastown LEO Club is sponsored by the Dallastown Lions Club, the Jacobus LEO Club is sponsored by the Jacobus Lions Club, and the Susquehannock LEO Club is sponsored by the New Freedom Lions Club. In Adams County, the Apple City LEO Club is sponsored by the Arendtsville Lions Club. In Cumberland County, the TEMPUS LEO Club is sponsored by the Jacksonville, Newville and Plainfield Lions Clubs. The LEO Club motto is Leadership, Experience and Opportunity. Let's give three cheers for our LEOs and the services they are providing. I think it is possible for us to organize more LEO Clubs in the District. They are invested in the work of Lions Clubs and they share our passion for service. Recognizing LEOs as prospective members is an effective way to insure the future of Lions in our counties and communities.

One thing that I want to remind everyone about is our District Convention which occurs on April 17th. It is entirely virtual and involves no cost for you. The International guest is Ardie Klemish from Iowa. There will be concurrent seminars and your opportunity to participate in the election of District Officers. See the notice about the Convention elsewhere in this Newsletter. Hope everyone has a great month.

Sincerely, 1st VDG Dan Brant

Message From 2nd VDG Keith Shoff

Have you noticed the Spring Flowers starting to bloom? Are you anxious to do some trout fishing, or spring turkey hunting or maybe relaxing at a baseball game? Yes, it's that time of year when we all look forward to coming out of winter hibernation and starting everything "New and Fresh". And so it is with our Lions organization as well - we look forward to gathering with fellow Lions from near and far and getting back out into our Communities to service the many needs that exist.

I'm happy to report that many Clubs in our District have continued to serve and fundraise. Oh, maybe not in the traditional ways but remember the saying that, "necessity is the mother of invention?" Clubs have sponsored Blood Drives, Stream and Road Cleanup, Plastic Collection, Online Raffles, Drive Thru BBQ's, Continued Support for Food Pantries. I am extremely proud of the combined effort that the Brogue Community and East Prospect Lions put into raising funds for the Cohenour Family who suffered a tragic accident right before Christmas. Through donations and a Meat Raffle, approximately \$29,000 was raised to support the needs of this family

Since all our Conventions will be virtual this year, I hope you'll consider attending at least 1. Our very own District 14C convention will be held on April 17th and you will have multiple seminar choices to pick from. Plus get to hear from our guest speaker, PID Ardie Klemish, who I know you'll enjoy. On Sunday May 16, our MD 14 will present our State Convention from Noon to 5 PM. There is a huge list of inspirational speakers scheduled to present - our current International President Dr. Jung -Yul Choi / PIP Joseph Wroblewski / Current ID Larry Edwards, just to name a few!! And last but certainly not least is the LCIcon, the International Convention scheduled for June 25-29.

Please consider taking a Leadership role in your Club, in your Zone, or at the District level. Only you can make the difference. If you want training, please attend one or more of the District 14-C scheduled training classes this Spring. Don't forget to check out Lions University for some of the best and least expensive (it's FREE) training available. Speaking of which, it was announced last week that the USA-Canada Forum WILL be held live and in-person in Des Moines this year. What a great opportunity to learn and meet Lions from all over Constitutional Area 1 and beyond. Speaking of Lions University, when you see PDG Kerry McKnight, don't forget to congratulate him on being accepted as a Doctoral candidate - Dr. K does have a nice ring to it 😊

I'm proud to be a Lion in District 14-C and I'm honored to serve beside you. Thank you for your service.

Upper Adams County Pays Tribute to Schools

The Upper Adams County Lions Club of Biglerville paid tribute to the Upper Adams Schools District March 17th with cookie trays and bags of treats. In past years, the Lions have hosted a Staff Appreciation dinner. Covid 19 has greatly altered our plans. This year the club has had to be creative. The old saying, "When life give you lemons, make lemonade." Well, when you are in a Pandemic and can't have your Staff Appreciation dinner you make 85 dozen cookies. The Lions made cookies galore, made shamrocks, packed and delivered trays of cookies for the staff of the Upper Adams schools and treat bags for the cafeteria workers, custodians and bus drivers. It was a group effort as We Serve.

Lions International Peace Poster Winners Announced

Lions of District 14-C: Just as the children in the graphic are demonstrating the Lions International Peace Poster theme for 2021/2022, “We Are All Connected,” it is time for your club to make **connections** with an organized group of children and offer them the opportunity to participate in the **Lions International Peace Poster Contest**. The organized group can be children in a classroom, a church youth group, a youth volunteer group, a Scouting group, homeschool group, etc. Students must be 11, 12, or 13 on November 15 to be eligible to participate. One can not know what difference it could make in a child’s life by encouraging him/her to take this journey of creating a poster about world peace. And, as I had mentioned in previous articles, it is a wonderful way to let your community learn more about your Lions Club! Your club can do it!

Please let me know if your club needs a Peace Poster Kit. I have a supply of them and will make sure your club gets one. The kit includes the contest rules and guide for the club, the contest rules and guide for the participating students, a participation flyer (this flyer shares the information about the contest with the parent/s), a winner sticker to be placed on the back of the winning poster, an achievement award certificate, and a certificate of appreciation for the participants.

Your club can, also, sponsor visually-impaired students in the Lions International Essay Contest! The theme for the 2021/2022 Lions International Peace Essay Contest is “We Are All Connected.” Students who are visually impaired and who are of the ages 11-13 as of November 15 are eligible to participate. For the essay contest rules and application form, please contact me.

If you would like to discuss how to sponsor a Peace Poster Contest for your club, contact Lion Patti Hullmann, Jacobus Lions Club District 14-C Peace Poster Chairperson. I am, also, available to join a representative from your club to meet with a teacher or advisor to share information about the Peace Poster Contest. For more information, email me at hullmannp@aol.com or call 717-428-3659 or 717-600-7642.

Northeast Pennsylvania Lions Service Foundation Report

Lion Bob Dickson & PDG George Hilsinger
14C Reps to NEPALASF

The Northeast PA Lions Service Foundation has been hard at work accepting grant applications, improving our operations and even expanding our board of directors.

Recent grants awarded include facility improvements at Camp Victory (District 14G), a mobile playroom for Wellspan York Hospital (District 14C), equipment grants for vision screeners for Districts 14D and G, community project grants for Mansfield Veterans Park (District 14G) and the Center for Vision Loss in District 14K as well as a patient care grant for cataract surgery in District 14C.

Our relationship with Salus University Department of Blindness and Low Vision continues in 2021 with a \$25,000 award for scholarships and an additional \$5000 to replace training equipment.

The foundation by laws have been amended to allow an additional board representative from each of our nine Lions district service area, expanding our board of directors from eighteen voting members to twenty-seven. A policy and procedures manual has been developed to aid with board member orientation and development.

We request club or district meeting minutes be included with grant applications which document that a vote was taken to endorse the grant request. Please visit www.nepalsf.org to access application guidelines under the GRANTS tab. If you have any questions or need assistance, please reach out to your district's board members or to grants@nepalsf.org.

Sadly, we mourn the loss of another charter board member, PDG Jack Smith, whose energy, sense of humor and collaboration was invaluable to the NEPALSF.

100th Anniversary for Vision Resources of Central Pennsylvania

March 2021 will mark the 100th anniversary for one of Central Pennsylvania's most vital non-profit, community benefit organizations: Vision Resources of Central Pennsylvania (VROCP). The agency began as a member agency of the Pennsylvania Association for the Blind (PAB) for Dauphin County and the programs and services of VROCP have grown to include Cumberland, Perry and Franklin counties.

A growing, elderly population in Pennsylvania and across the nation has witnessed increases of individuals affected by the four major eye diseases: Macular Degeneration, Diabetic Retinopathy, Cataract, and Glaucoma. In turn there will be greater needs for prevention and education programs, employment for individuals with disabilities, and case coordinators providing support and social services to fulfill the VROCP mission to *facilitate independence, enrich the quality of life, and empower individuals who are visually impaired or otherwise disabled through prevention, employment and educational awareness programs.*

Vision Resources appreciates all that the Lions have done to support the agency's mission to the blind and visually impaired. VROCP would be interested in District 14-C joining in celebration for the organization's 100th anniversary and forging a *New Century of Service* to the region. The first event will be a sit-down dinner celebration Wednesday, May 19, at Harmony Hall, Middletown. Tickets will go on sale April 1, 2021.

To learn more call 717-238-2531, or email pzavinsky@vrocp.org. Thank you for your consideration.
