DISTRICT GOVERNOR 14-C

Lion Doug Nace
"The" Brogue Community Lions Club

Dear Lions, Lioness/Lions and Leos,

IT IS GREAT TO BE A LION! Lions Clubs International is entering its 108th Year of service and is the largest membership service organization in the world. As we continue to move further into our second century of service, our commitment to taking action and making a positive impact on the world is stronger than ever.

What an exciting time to be a Lion! I am excited, and above all honored, to have the opportunity to serve as your District Governor in District 14-C this year. My home club, "The" Brogue Community Lions Club, has been very supportive in my journey to become District Governor. My girlfriend and partner in service, Lion Terry, has been understanding and supportive through this whole process, along with my family. Being a Lions member for over 30 years, I have had the opportunity to meet a lot of Great Lions. Many of these Lions have helped me hone my leadership skills along the way, while serving on many of their Cabinets and as a Chairperson. I look forward to their continued input, support and encouragement as we work together as a Team to grow and strengthen our District.

My theme this year is "Driving Innovations". I used my two Shelby Mustangs to illustrate, as seen on my District Governor's pin. The 1966 Shelby Mustang was on the cutting edge of technology back in the day when it was designed. Jumping ahead 40 years to the 2006 Shelby Mustang, there are so many advancements in technology. This same thought process holds true for our Lions Clubs today. What was done to promote and run our Clubs 40 years ago needs to be improved upon for today's world, especially with the advancements in newer technologies. It is nice to reminisce about the old days, and I get that feeling when I drive my 1966 Shelby, but it is nice to get into the 2006 Shelby with all

conditioning, a great sound system and other modern conveniences. The point is, we have a multitude of technology at our fingertips today, so let's take advantage of this technology to promote our Clubs and the fantastic work we do. This year, one of our goals in District 14-C is to get our Clubs noticed and be known to our communities once again. We, as Lions, need to work together to make this happen and live up to our 108 year legacy of Lionism. I am looking forward to taking on this goal and having the opportunity to work with the Lions, Lioness/Lions and Leos of this Great District.

I am so proud of our District for what we have accomplished in the past. But more excited knowing we are going to increase our membership and service opportunities this year, so we can make this a better world in which to live. Thank you for your support and I look forward to working with everyone. So let's open the floodgates to New Members, New Clubs and New Service Opportunities. We can do it!

Yours in Lionism,

Doug Nace
District Governor

FIRST VICE DISTRICT GOVERNOR 14-C

Lion Patti Wurzbacher
New Freedom Lions Club

Lions and LEOs of District 14C

I am absolutely thrilled and deeply honored to serve as the First Vice District Governor of District 14C for the 2025-2026 Lions year! This role is a true privilege, and I embrace the responsibility with heartfelt gratitude and enthusiasm. Being part of this incredible organization means the world to me, and I'm eager to give my very best.

I have the utmost respect for the inspiring leaders who've come before me—their dedication, wisdom, and unwavering commitment to the Lions have lit the path we now walk. It's an honor to stand alongside District Governor Doug and Second Vice District Governor Ray Highlands as we lead our District into a new chapter of growth and service.

This year is bursting with possibilities—new faces, fresh ideas, and countless opportunities to serve our communities with pride, passion, and purpose. Together, as one united team, we can uphold the values of Lionism and make a powerful, positive impact throughout our District. Let's make it an unforgettable year!

We Serve!

Patti Wurzbacher
First Vice District Governor

SECOND VICE DISTRICT GOVERNOR 14-C

Lion Raymond Highlands
Carlisle Lions Club

It is an honor to walk the path that many others before me have blazed the trail and serve as the Second Vice-District Governor. It is with great honor that I serve in this position for the Lions Year 2025-2026. I am humbled with the thought of the great men and women who have held this position prior to me and the accomplishments they have achieved. I look forward working with DG Doug and 1VDG Patti in supporting the clubs and Lions in District 14-C and seeing all the great things that can be accomplished.

As we begin this new year let us all remember why we volunteered and became Lions. I have had the honor and privilege to become a Lion because it was a family tradition. I grew up seeing the great things Lions did in our communities and around the world. I asked all Lions to take a moment and remember why you joined Lionism and use that to spark a fire in someone else to become a Lion and see what it means when we Roar "We Serve".

Thank you for entrusting me to serve in this position and to serve the Lions of District 14-C.

Raymond E. Highlands
Second Vice District Governor

DISTRICT GOALS 2025-2026

Prior to becoming District Governor, the First Vice District Governor receives training, which includes a requirement to set goals for their year as Governor. These goals are set through consultation with the district's leadership team, which includes the District Governor, Vice-District Governors, Zone Chairs, and others. This year's district goals are as follows:

1. District 14-C will start 1 new club with at least 20 charter members, will induct 126 new members into existing clubs for a net gain of +5
2. District 14-C will meet or exceed the 2024-2025 reporting percentage. Goal is to have at least 95% of clubs reporting service activities.
3. District 14-C will donate at least \$37,000 to LCIF with 100% club participation.
4. District 14-C will conduct Club Officer and Zone Chair training plus new member and sponsor orientations. All training will be reported by the District GLT Coordinator using LI reporting tools. District will also promote Lions University, RLLI, LI LEARN and other training opportunities at symposiums and forums.
5. District 14-C will plan and hold three service events with a focus on: the environment partnering with organizations like Alliance for the Chesapeake Bay; Diabetes Awareness, partnering with local hospitals; and Childhood Cancer, partnering with Four Diamonds.

This is an ambitious set of goals, which will require the commitment of the district's leadership team and the enthusiastic support of our clubs. Clubs that demonstrate their support for this year's District Goals will be recognized with a Certificate of Achievement from the District Governor.

PROTOCOL

What is "protocol?" A humorist defined it as the "science of the seats" because the term is often applied to the seating arrangements of officers, dignitaries, and guests. In our International organization, we sincerely try to respect rank, which is the basis of discipline and is the basis of a perfectly organized society.

We do not subscribe to "protocol" because of a desire to outshine, but rather to prove that we are organized and have respect for the fundamental concepts of a discipline that we have imposed upon ourselves voluntarily. Protocol, therefore is the order of precedence that must be established in any organization.

Protocol for District Governor's Visit

The office of the District Governor is the highest ranking authority within your district. The Lion who holds this office was chosen because of his/her talents and dedication to Lionism. Accordingly, proper recognition and respect for the Lion who holds this office requires the careful attention of clubs within the district. The following list of suggestions may prove helpful:

1. The program for this official visitation will be the District Governor's message. No other program other than normal club business shall be scheduled for this meeting.
2. The club president should greet the District Governor upon arrival. The president (or designee) should have the members meet and greet the governor.
3. When the District Governor is introduced, the members should rise and applaud, and should do so again at the conclusion of his/her presentation.
4. Even though the District Governor will be a good sport, the tail twister, in good taste, should respect the individual and the position.
5. The District Governor may wish to meet with the Board of Directors immediately after the meeting to discuss mutual concerns.
6. Discuss club problems with your District Governor. It is his/her job to help solve problems and suggest new ideas.
7. Head Table Seating Arrangement
 - President - Center or left of rostrum
 - District Governor - on President's right
 - Zone Chair - on District Governor's right

- Other club officers are seated at the discretion of the President.
8. Introduction - Head Table
- President introduces Zone Chair
 - Zone Chair introduces District Governor and, if in attendance, Vice-District Governor.

GENERAL INFORMATION

Flag and Banner Display

The AMERICAN FLAG should be displayed during all club meetings at the President's right as he/she faces the group.

The CLUB BANNER should be displayed during all club meetings at President's left as he/she faces the group or directly behind the rostrum.

Induction and Installation Ceremonies

To ensure a dignified and impressive procedure, in line with proper protocol, the District Governor, Vice District Governor, Past District Governor, or any qualified member of the District Cabinet should perform these ceremonies. However, current or past presidents may also perform the ceremony.

Awards and Special Presentations

To avoid unnecessary and lengthy ceremonies, the proper format should be followed when presenting awards and making presentations. Their presentations should be entrusted to a qualified officer of a club or another district dignitary.

Directory Changes and Corrections

Send all changes and corrections to the District Governor and Newsletter Editor. Submitted items will be published in a subsequent District Newsletter.

Collections

The district collects and recycles used eye glasses, hearing aids, and cell phones. Items collected by clubs should be taken to cabinet meetings. District personnel sort these items and deliver them to appropriate locations, where they can be put to good use. Items may also be given to the District Governor, Vice District Governor, or Zone Chair during a club visit or Zone Advisory meeting. Please note that inside-the-ear models of hearing aids cannot be used.

LCI, MD-14 and District 14-C Dues

Lions Club members pay dues to cover the administrative costs associated with running the international organization, their multiple district, their district, and their club. Dues paid to the international organization, multiple district and district result in services and programs that help support clubs and provide training for club leaders. Online courses, informational videos and brochures, easy-to-complete templates, websites and social media platforms are just a few examples of the many resource available to club leaders and members.

The chart below shows the annual fees clubs pay to Lions Clubs International, Multiple District 14, and District 14-C. Clubs typically include an additional fee in their dues assessment to cover the club's operating costs. For new members, there is a \$35 entrance fee, which may be paid by the member or the club.

LIONS CLUBS INTERNATIONAL	MULTIPLE DISTRICT 14	DISTRICT 14-C	TOTAL ASSESSMENT
\$50 Club pays \$25 per member semi-annually based on membership as of July 1 and January 1	\$16 Club pays \$8 per member semi-annually based on membership as of July 1 and January 1	\$2 Club pays \$2 per member annually based on membership as of July 1	\$68

Reporting to Lions International

Club Secretaries or Club Administrators should update club membership and activities periodically using the ***Lion Portal***.

Use ***Lion Portal*** to manage your club membership, create/update your club's profile, check club voter eligibility, check club account balances and check status of Club Branch, New Lions Club or new Leo Club applications.

Also use the ***Lion Portal*** to report service activities, plan service projects, connect with other Lions, view club data, access training and create a personal profile. The ***Lion Portal*** can be accessed through the LI website (lionsclubs.org).

Any Lion can set up a ***Lion Portal*** account. To gain access to the ***Lion Portal***, you must first set up a user name and password. To do so, you will need to provide your membership number and the same email address your Club Secretary has on file with LCI. Members can update their personal information once they have set up a ***Lion Portal*** account.

Club Presidents, Secretaries and Administrators are the club officers who have the ability to edit club and member information in the *Lion Portal*. Ideally, updates on club membership and activities should be made monthly during the last 5 days of the month. At a minimum, reporting should occur quarterly during the last 5 days of September, December, March, and June.

PLEASE NOTE - Membership information for billing purposes is extracted from the *Lion Portal* on July 1st and January 1st. Clubs are responsible to pay dues for members based on the data extracted from the *Lion Portal* on those dates.

New officers should be reported using the *Lion Portal*, preferably before, but no later than, May 20th of each year. Prompt reporting allows for notification of new officers by District and LCI personnel regarding training and proper listing in the district directory.

Questions regarding the use of the *Lion Portal* should be directed to the District Administrator.

INTERNATIONAL PRESIDENTIAL THEME 2025-2026

“LEAD TO SERVE, SERVE TO LEAD”

Service to others defines who we are. It is the very reason we exist as a global organization. A Lions club brings people together. When people work together, amazing things happen. Friendships form, leaders arise and communities change for the better. But it all comes down to one thing — service. Our sole purpose as Lions is, and always has been, to serve those in need.

With “We Serve” as our motto, we will focus on bringing kindness to our communities and our world. This is a call for Lions to show our world that change is possible, and that we are working every day to be the change that our communities and our world need.

We know that we will need to work together to lead our communities, strengthen our clubs and achieve our MISSION 1.5 goal of reaching 1.5 million members by July 1, 2027 so we can serve more people than ever before. Together we have an opportunity to take the lead on service and guide the way toward a brighter future.

I have always believed that at the heart of our service you’ll find kindness, commitment and generosity for the many people we serve — and for the incredibly diverse family of Leos and Lions with whom we serve. Together, we will make our communities and our world a better place for all people.

Together we serve,

A.P. Singh

On a Mission to Serve

Lions Serve. It's that simple, and it has been since we first began in 1917. Our clubs are places where individuals join together to give their valuable time and effort to improving their communities, and the world.

Our Mission

To empower volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions Clubs.

Our Vision

To be the global leader in community and humanitarian service.

“NOT ABOVE YOU
NOT BENEATH YOU
BUT WITH YOU”**
