DISTRICT 14-C

JULY 2019

## MESSAGE FROM THE DISTRICT GOVERNOR

I don't know whether this is my last article as DGE or my first one as DG. I guess it depends on exactly when you are reading it. Regardless, thanks to DG (or maybe IPDG) Lisa for all her hard work, for a fantastic year of service, and most of all for her friendship and support. She and PDG John are true Lions,

committed to the vision of making a better world through service to others.

As we begin this year together, I want to go back to where we started when we were inducted as Lions for the first time. Part of our induction is a promise to follow the Lions Code of Ethics. Every time I hear this, I wonder whether the person making the promise has actually read the commitment they are making.

So for the reflection and review of all of us, and in the hope that we can grow and maintain a positive culture in all of our clubs, this is the Lions Code of Ethics, downloaded from lionsclubs.org. Google it if you want to print a copy for your club.

### LIONS CODE OF ETHICS

**To Show** my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

**To Seek** success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

**To Remember** that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

**Whenever** a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

**To Hold** friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

**Always** bear in mind my obligations as a citizen to my nation, my state, and my community, and to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.

**To Aid** others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

**To Be Careful** with my criticism and liberal with my praise; to build up and not destroy.

Let's remember this as we go forward to serve!

# FIRST DISTRICT VICE GOVERNOR 14-C THOMAS L. JONES - STEWARTSTOWN LIONS CLUB

## *Lions, Lionesses, and leos,*

Wow! Here we go on a new adventure in my life as a Lion. I want to thank you all for your trust and support of me to be your 1st Vice District Governor for the 2019 to 2020 Lions year. I have a lot to learn and I have already started that process. I hope to visit all of the clubs in the District and learn about the service that they are providing to those in need. I hope to encourage member retention by providing ideals that will help make membership in our Clubs a great experience. We need to serve others and also help our own when they are in need. We need to serve others and also have fun. Happy Club members will also encourage new membership as we will want others to become a part of our great organization.

As part of your leadership team, I look forward to a great year for 14C

**Thomas L. Jones**  
First District Vice Governor  
We Serve!

## 2ND VDG MESSAGE

Encourage your clubs to grow memberships and find service projects to be done. The Leadership Team has been meeting and working to make the 2019 – 2020 year another successful year for District 14C.

Thanks for all you do,  
**2VDG Duane Hull**

# UPCOMING EVENTS

Please get any business items to DG Steve or Secretary-Treasurer Bob well in advance. And spread the word in your club newsletters and any mailing lists you have, as well as personal contacts with members.

Folks are checking on our usual places of the UM Church in Manchester and the York Springs Fire Hall for our other District Cabinet meetings, but they have not been confirmed.

**Our District Convention will be April 18, 2020**, at the Wyndham Gardens in York. Please put this on your calendars now and ask your clubs to do the same.

## MEMBERSHIP UPDATE

June was a tough month for membership in District 14-C. As clubs adjusted their rosters in preparation for the new year, the dropped 26 members. Unfortunately, we didn't add nearly as many new members. Our new member count to June is 8 Lions, and we are grateful to those clubs that added these new members: Boiling Springs, Fairfield, Mason-Dixon, New Cumberland, New Freedom and Newville.

The most unfortunate aspect of this month's drops is that our District 14-C membership has dropped below 1,250, the number needed to be viable to nominate a candidate for International Director. As of the writing of this article, our membership stands at 1,242. It is imperative that we reverse these losses and push our membership back over the 1,250 mark. As you begin planning for the upcoming Lions year, please take time to develop a membership recruitment strategy. Your Zone Chair and our new Membership Coordinator, IPDG Lisa Griffie, will be happy to assist your club in any way possible.

At the same time, make sure your club is sensitive to the needs and wishes of your current membership. Of the 130 members we lost this year, only 24 were due to deaths. That means 106 members dropped for other reasons. Please take a critical look at the members your club lost this year and over the past few years and see if there are things your club could do to avoid future losses. Think about changes your club could make to make meeting and membership more engaging and enjoyable. Finding ways to improve member satisfaction will help retain current members as well attract new members.

# VISION SCREENING COMMITTEE REPORT

The District 14-C Vision Screening Committee is proud to report that we have surpassed last year's vision screening totals and set a new record for the number of screenings conducted. Last year's total was 1266, and already this year we have screened more than 1300 individuals! With two months and several screenings on the schedule, we hope to reach at least 1500 screenings this year.

21 of our Lions clubs have sponsored screenings so far this year. With 44 clubs in the district, there is plenty of room for growth. This is an easy, fun, and rewarding project for your club. To get started, simply contact one of the following Vision Screening Committee members:

## FREE VISION EXAMS AND GLASSES THROUGH VSP

Earlier this year, our District 14-C Vision Screening Committee requested and received gift certificates for free vision exams and glasses. These certificates were made available to us from our Lions Club International Foundation (LCIF) in cooperation with Vision Services Providers (VSP). The certificates can be used to cover the cost of a basic vision exam and glasses through a participating provider for either children and adults.

The District was awarded 80 certificates. Each Zone Chair was given 10 certificates to distribute to the clubs in his or her zone as needed. We strongly encourage each club to secure a certificate when they receive a request for assistance before tapping into their own club resources. It is important that we use all 80 certificates before they expire in mid-August so that we can request and receive at least the same number of certificates next year.

If your club receives a request for assistance, please contact your zone chair or IPDG Dennis Cope, Vision Screening Committee Chair, to secure a VSP Gift Certificate. You will receive the certificate along with instructions and locations of participating providers.

# LIONS CLUB INTERNATIONAL PEACE POSTER

**2018/19 Merit Award Winner, Jaelyn Ridley, sponsored by the Sault Ste Marie Lions Club from Michigan with the theme, “Kindness Matters.”**

**Attention, Lions of District 14-C:** Join in the celebration of the 32nd birthday of Lions Club International Peace Poster contest by sponsoring a group of students. Extend the opportunity to students in your community for their voices to be heard in the form of their poster creations about peace. The theme for 2019/2020 is “Journey of Peace.” I, myself, cannot wait to see what the children in my area will create!

**Incoming presidents**, in order to get the ball rolling, ask a member of your club to chair the Peace Poster Contest. **Only one member is necessary.** Take a look at your community and make a list of schools and/or organizations such as Scouts, Youth Centers, 4-H groups, church youth groups, etc. that you could offer this opportunity to and make the call or email. I would love to come and speak with your club and even go along to the school/youth group, etc. to share information about the Peace Poster Contest with the teacher and/or advisor.

The Peace Poster Contest is open to children ages 11-13 as of November 15. Each poster is judged on originality, artistic merit, and expression of the theme. Posters advance through several judging levels: local, district, multiple district, and international. At the international level, judges from the art, peace, youth, education and media communities select one grand prize winner and 23 merit award winners. One international grand prize winner will receive \$5,000 and a trip to a special award ceremony at the International Convention. Each of the 23 merit award winners will receive a cash award of \$500 and a certificate of achievement.

Order a kit online at [www.lionsclub.org](http://www.lionsclub.org). Click on SHOP, type in and click on **Peace Poster Contest Kit**, and order your kit or call Club Supplies at (630571-5466 or 1-800-710-7822. (The staff is very helpful.) The cost of the kit is \$11.95 plus shipping. Lions Clubs around the world are, also, encouraged to sponsor students in the Lions International Essay Contest. The essay contest was created to offer the opportunity to visually impaired young people to express their ideas of world peace. The theme of the 2019-2020 International Essay Contest is “Journey of Peace.” Students who are visually impaired and who are ages 11-13 as of November 15 are eligible to participate. The essay contest rules and entry form are included in the Peace Poster Contest Kit packet.

If you would like to discuss how to sponsor a Peace Poster Contest for your club, contact Lion Patti Hullmann, Jacobus Lions Club District 14-C Peace Poster Chairperson. For more information, email me at [hullmannt@aol.com](mailto:hullmannt@aol.com) or call 717-428-3659 or 717-324-7646.

# MELVIN JONES FELLOWSHIPS

I wish to let all Clubs know that as we enter the final quarter of this Lions year, right now is an excellent time to plan for honoring deserving members with Melvin Jones Fellowships.

A \$1,000 donation to Lions Clubs International Foundation qualifies for a MJF to honor a Lion or Lioness that has been a key member of your club, perhaps for many years. Melvin Jones Fellowships may be named in honor or in memory of an individual. Turn around time is 3-5 weeks from application for the MJF to receiving the plaque and pin.

The MJF donation does not need to be paid at once; minimum installments to LCIF of \$100 can be paid over a five-year period to total \$1,000, at which time donor applies for the MJF.

Your club may presently have funds available that were donated to LCIF in past years, but unused in your MJF club account. All that it takes to find out is to contact me and it would be my pleasure to help you with anything you need to apply for a MJF, or donate to LCIF's Campaign 100 for this honor.

# SUSQUEHANNA LIONS SCHOLARSHIP

The 2019 Susquehanna Lions Scholarship was awarded to Mr. Benjamin Hays at the Northeastern Senior High School Awards Program on May 28th. Ben, the son of Sherry and Bryan Hays, will be attending The University of Pittsburgh this Fall majoring in molecular biology. He plans to complete an undergraduate pre-med program and become a medical practitioner. Ben is shown receiving his scholarship from Susquehanna Lions Past President Scott Wojtkowiak. Congratulations and good luck in your future studies Ben!!!!!!!!!!

# BRADY BUGGY

Hometown heroes are putting pediatric cancer patients on the move.

The Zone 4-A with support from the Northeast PA Lions Service Foundation donated a Brady buggy to UPMC Pinnacle Harrisburg hospital.

Brady buggies, named for a child who lost his battle with leukemia, are wagons that help sick children get around. Patients can wheel from room to room with their medical supplies in tow.

"To date, I believe the Pennsylvania Lions have contributed close to 100 buggies across Pennsylvania, so this was our opportunity, our zone to participate in that," said Keith Shoff, the Zone 4-A Chair.

Each Brady buggy costs about \$1,000.

The image features a dark blue banner at the top left with the 'CAMPAIGN 100 LCIF' logo, which consists of a circular graphic with the number '100' in the center and 'CAMPAIGN' above and 'LCIF' below. To the right of the logo is a photograph of two young children sitting at a table. The child on the right is wearing a blue and white striped tank top and is eating with a spoon. The child on the left is looking down at their plate. A white text box with a blue border is overlaid on the bottom left of the image, containing text about the campaign's impact. Below the text box is a blue bar with white text providing a donation link.

**Did you know, each night, more than 800 million people go to bed hungry? Lions Clubs International Foundation's Campaign 100 will work toward a world in which no one goes hungry, expanding resources and infrastructure needed to address food shortages in our communities around the world.**

**As we enter into the new Lions year, please consider adding Campaign 100 to your club's budget for 2019-2020. For more information, contact PDG Kerry McKnight at [klm52@aol.com](mailto:klm52@aol.com).**
