

NEWS FROM THE LIONS' DEN

DISTRICT 14-C

MARCH 2020

MESSAGE FROM THE DISTRICT GOVERNOR

Thanks to all those who attended our District Cabinet meeting in February. The Susquehanna Lions did their usual great job of providing hospitality (coffee always makes a

morning go better), and Lion Patti Hullman continues to inspire us with her work on the Peace Poster Contest.

We all got to meet and hear from our Pennsylvania State Council of Governors Chair William Morgan, as he shared information from outside our district. I can tell you he was impressed by the attendance and participation in District 14-C.

We are blessed with two outstanding Lions who have stepped up to serve as District Governor and First Vice-District Governor next year in Tom Jones and Dan Brant. I am delighted that Lion Ortrun Gates has also announced her intention to seek the office of Second Vice-District Governor for next year. This lets some of you off the hook this year, but please consider serving in this way in the future. As I said at the meeting, yes, it is for a person willing to serve as Second Vice-District Governor. There are ways to fudge making the qualifications (Zone Chair or Cabinet Officer) but please don't let the word out! It is best to have the full two years of service as Vice-Governor

in order to make your transition to Governor smoother. As I said at the meeting, yes, it is a lot of time and work, but it also gives a lot of personal satisfaction and growth that far outweighs the effort you will put into it.

Please make every effort to come to our District Convention (see page 21) on April 18 at the Wyndham Gardens Hotel in York, which seems to have become our usual location. We keep going back because they do such a great job of hosting us and they are central to our district. We always are sent an outstanding International Director or Past International Director, and those of us who have heard ID Gary Brown know that this year is no exception. We also will have helpful seminars and a great time together. We also will have Katie Anderson from Four Diamonds there, and will present a gift from both the District Governor's Project Fund and your pin donations. We also plan to auction off the football I have been using in my presentations to benefit Four Diamonds. We may even have a special surprise; stay tuned!

And of course (no message from a Governor is complete without this), please look for potential Lions you can invite to serve along with you and introduce to the great work Lions do for our communities and our world. While our membership losses have slowed, we are still -16 for this Lions year as I write this. It isn't too late — what if all of our 45 clubs could receive just one new member!

It really is great to be a Lion, and it is my privilege to serve this year as your District Governor. Thank you to all who have given me this opportunity, and to our wonderful team of Past District Governors and other officers and Lions who are the ones who make things happen.

Thank you for the privilege of serving alongside of you.

We Serve!

FIRST DISTRICT VICE GOVERNOR 14-C THOMAS L. JONES - STEWARTSTOWN LIONS CLUB

Lions, Lioness, and Leos All,

By the time this is published March 2020 will have arrived. I will have been nominated for the position of District Governor for district 14-C 2020 to 2021. I will have completed my District Governor training put on by Lions International in the Q-Center located in St. Charles IL. I will also complete my first organizational meeting with the Zone Chairs and VDG for the Lions Year 2020 to 2021. I hope that I was able to get my year as your District Governor off to a running start and inspired our Zone leaders to think positive about District 14-C and its future. I will be presenting ideals that I hope will help District 14-C grow in numbers and in the service it provides to its communities and the world.

I hope to set the course for a great 2020 to 2021 Lions year for District 14-C. Together, we can and will make it great to be a Lion in the next Lions Year and beyond.

Together, we can make a difference and we will.
Please help other Lions, Lioness, and Leos that may be in need.

Work to make it great to be a Lion!

Thank You for your Service

CELEBRATION OF OUR PEACE POSTER WINNERS

Step aside Emmies, Golden Globes, and Oscars--- and make room for the Lions International Peace Poster Awards that I am about to share with you! What an honor it was to share the beautiful Peace Posters and introduce the outstanding students who created them at our District 14-C Cabinet meeting on Saturday, February 22, 2020!

This year's theme for our Peace Poster Contest was "Journey of Peace." There were 165 entrants (our largest number, ever) from our district with four Lions Clubs participating by sponsoring a group of students. The children did an extraordinary job in using their creativity, their talent, and their insightfulness in demonstrating the theme in their posters. With the 2019/2020

year, the Lions International Peace Poster Contest has reached its 32nd birthday! It continues to grow in popularity so much that over 600,000 children in 75 countries participate in it, annually. Children of the ages 11, 12, and 13 are given this invaluable opportunity to share their vision of world peace through the creation of a poster.

In District 14-C, this year, we had 4 clubs that promoted the journey of peace by sponsoring and encouraging students to participate in the Peace Poster Contest. I want to exclaim a huge THANK-YOU and congratulate those clubs that put forth the effort to sponsor and encourage students to participate in the contest. The clubs that did participate in the sponsorship this year were: the Arendtsville Lions Club (including their Apple City Leo Club), the Dallastown Lions Club, the Jacobus Lions Club, and the Windsor Lions Club.

Let's meet our winners:

Our district's honorable mention winner is Natalie Keeren. Natalie is a 6th grade student at Bendersville Elementary School. The Arendtsville Lions Club sponsored Natalie. The Apple City Leo Club organized the Peace Poster Contest at Bendersville Elementary School. Fifty students participated from the school. In school, Natalie's favorite subject is Social Studies because she enjoys notetaking. In school, she participates in photography and helps to take care of the plants. Out of school, Natalie enjoys completing art projects. She aspires to study art and animation in college to prepare herself for a career in freelance animation. Other information she would like to share about herself is that she loves animals, including rats.

Natalie's quote about peace is "Peace is simply about people helping others to get the quality of life we all deserve." Congratulations to Natalie!

Our district's third place winner is Sophia Papayannis. Sophia is a 7th grade student at Dallastown Area Middle School. The Dallastown Lions Club sponsored Sophia. Five students participated from the school. Sophia's favorite subject in school is Language Arts because she enjoys using creativity when reading to picture what's going on in her head and enjoys writing and creating stories. In school, she enjoys participating in extra art during study hall, TV Studio, Student Council, and in this year's musical, "The Little Mermaid," playing the part of Ursula. Out of school, Sophia participates in tap and jazz dancing at Adrenaline Dance Studio, the York Junior Honors Choir, and completes multiple productions throughout the year. In college, Sophia would like to study musical theatre and would like to work for Disney as the

Disney Princess, Jasmine, along with, someday, becoming an actress. Other information, she would like to share about herself is that she loves Disney World and would like to do an internship at Disney World while she is in college because she really enjoys musical theatre.

Sophia's quote about peace is "Peace begins with a smile as said by Albert Einstein."

Congratulations to Sophia!

Our district's second place winner is Anika Ray. Anika is a sixth grade student at Dallastown Area Intermediate School. The Jacobus Lions Club sponsored Anika. Sixteen students participated from the school. Anika's favorite subject is Language Arts because she loves to express her creativity through writing. In school, she participates in the gifted program, DELTA, and Chorus. Out of school, Anika enjoys learning at Kumon and participating in dance and piano. In college, she would like to study architecture to prepare her for a career as an architect. Other information she would like to share about herself is that she loves to write, read, draw, and study science.

Anika's quote about peace is "No matter how bad the world can be; the answer is to stay calm. Anger never results in peace."

Congratulations to Anika!

Our district's first place winner is Sophia Peglow. Sophia is a sixth grade student at Arendtsville Elementary School. The Arendtsville Lions Club sponsored Sophia. Forty-seven students participate from the school. Sophia's favorite subject in school is music because she likes to do fun new activities involving music along with singing new songs. In school, she enjoys participating in STEM Club, Yearbook Club, Book Club, Student Council, Announcement Club, Band, and Chorus. Out of school, Sophia enjoys dance including ballet, jazz, and hip-hop classes. She, also, is on the competition team that performs contemporary and lyrical dances. In college, she would like to study environmental and mechanical engineering. She is, also, interested in pursuing culinary studies. As an occupation, someday, Sophia would like to become an environmental/mechanical engineer. Other information she would like to share about herself is that in her free time, she likes to make and edit videos. Sophia's quote about peace is "Peace is the glue that connects us all."

Congratulations to Sophia!

What an amazing job each of the young ladies did in creating their posters! All 4 winners are very busy, bright, artistic, self-driven, kind and creative young ladies with very admirable and industrious goals for their future. I am sure you would agree that if we could combine all of the girls' quotes about world peace, we would have a recipe for peace that the world could put into practice. We congratulate Sophia, Anika, Sophia, and Natalie on their accomplishments and wish them continued success in their future endeavors!

It was a very exciting year for District 14-C with the Peace Poster Contest! There were quite a few "first evers" for our district! And, what is better than first evers! Here they are:

1. We increased our number of students participating in the contest by 33 students and had our greatest # of participants ever!
2. We had a club for the very first time in their club's history sponsor a group of students. (Thank-you, Dallastown Lions Club.)
3. We had a club sponsor 2 contests, a contest in 2 different elementary schools. (Thank-you, Arendtsville Lions Club.)
4. We had a Leo Club organize a contest in a school. (Thank-you Apple City Leo Club sponsored by Arendtsville Lions Club.)

CELEBRATION OF OUR PEACE POSTER WINNERS

5. We had a zone chair invite me to come speak with their Zone about the Peace Poster Contest. (Thank-you Zone 4-A.)
6. We had a club come very close to sponsoring a group of students and, hopefully, that will come to pass this year. (Thank-you New Oxford Lions Club.)
7. And for the last amazing first ever: the honorable mention winner in last year's contest at the club level went on to complete a new poster for this year's contest and won first place at the club level and third place in the district level competition. (Thank-you Sophia Papayannis.) Talk about perseverance and the pursuit to achieve!

I hope all of these successes will encourage more clubs to get involved in the contest for this year. The theme for 2020/2021 is "Peace Through Service." This is not only a beautiful theme, but, it is the definition of Lionism. I cannot wait to see what the students create with this amazing theme!

So, with this in mind, ask for a "volunteer" from your club to chair the Peace Poster Contest. It really only takes one club member. Take a look at your community and make a list of schools and/or organizations such as Scouts, Youth Centers, 4-H groups, church youth groups, etc. that you could offer this opportunity to, take the plunge and make the call or email. Please use me as a resource. I would love to come and speak with your club and even go along to the school to share information about the Peace Poster Contest with the teacher and/or advisor.

Order a kit online at www.lionsclubs.org. Type in Peace Poster Contest Kit, click, and order your kit or call Club Supplies at (630)571-5466 or 1-800-710-7822. (The staff is very helpful.) The cost of the kit is \$11.95 plus shipping.

Lions Clubs around the world are, also, encouraged to sponsor students in the Lions International Essay Contest. The essay contest was created to offer the opportunity to visually impaired young people to express their ideas of world peace. The theme of the 2020-2021 International Essay Contest is "Peace Through Service." Students who are visually impaired and who are ages 11-13 as of November 15 are eligible to participate. For the essay contest rules and application form, please contact me.

*If you would like to discuss how to sponsor a Peace Poster Contest for your club, contact Lion Patti Hullmann, Jacobus Lions Club District 14-C Peace Poster Chairperson. For more information, email me at hullmannp@aol.com or call 717-428-3659 or 717-600-7642.

CELEBRATION OF OUR PEACE POSTER WINNERS

LION POWER

Can you imagine a stranger approaching you, offering to fix your eyeglasses? Can you imagine that leading to life-changing surgery? Mr. Harry Spencer, a founding member of the Westgate Sunrise Lions Club and Master Optician, always carries an eye glass repair kit in his car with him. It enables him to do periodic good deeds and help total strangers like Cathie.

Cathie is the cashier at CVS where Harry would periodically pick up his medication. Harry would always notice her. Being a Master Optician, he would also notice her well-worn glasses which were often in need of repair. Harry would always do a quick repair or adjustment. One day, he realized the glasses were beyond repair. He kindly asked Cathie if she would mind if he submitted her name for a vision certificate. He explained the certificate would enable her to obtain an exam and new glasses at no cost to her. Cathie gratefully accepted and explained to Harry it had been ten years since she had an eye exam or new glasses. She admitted she struggled with seeing on a daily basis and had given up driving at night. Cathie did not have insurance and, as a single Mom, taking care of herself was not her first priority. The money simply was not there to purchase new glasses.

Hearing Cathie was open to being helped, Harry reached out to his friend Dr. Karena Strain of Clear Focus Eye Care of York. Dr. Strain, who is a member of the Weigelstown Lions Club, knew how the VSP Vision Certificates worked having used the program to help people in the community to obtain exams and glasses at no cost.

Dr. Strain's examination revealed she needed more than new glasses—she desperately needed cataract surgery. Without surgery, new glasses would make very little impact in her life. Knowing Cathie could not afford the surgery on her own, Dr. Strain explained the problem to Zone Chair, Lori Trimmer. Lori recalled a training she had attended with PDG Dennis on the use and availability of grants. While Lori takes great notes, she can't always find them, so she contacted Dennis who pointed her to the "Northeast Pennsylvania Lions Service Foundation" grant.

Lori completed the application and with the help of Dr. Strain, Dr. Jerome Benz (the Eye Surgeon), and Vickie (the Surgery Department Supervisor at Eyes of York) and their Staff, surgery costs were calculated and submitted to the "Northeast Pennsylvania Lions Service Foundation." In less than two weeks, Lori received the good news the grant was approved and a check for over \$4,000.00 was on its way to cover all of Cathie's surgery expenses. The York New Salem and Shiloh Lions accepted the check and distributed the funds to the appropriate individuals.

Dr. Benz's initial evaluation showed Cathie had a very strong prescription and her best corrected vision was 20/150 in each eye which is almost to the level of legal blindness. Cathie had cataract surgery near the end of December and is in the process of healing. At her last visit with Dr. Benz, Cathie was able to read 20/20 in the right eye and 20/25 in the left eye with only a minimal prescription. She will soon stop by the office of Dr. Strain to get those much-needed glasses. Cathie says the operation has changed her life, and she is "having a love affair with color now". She is deeply appreciative of the opportunity and says she cannot begin to express her gratitude.

Her life has changed for the better because one Lion cared and was prepared to do good and a pride of Lions cared and were prepared to help. Lions do make a difference.

*The funding for NPLSF initially came from the asset transfer of the NE PA Lions Eye Bank to Sight First. From donations from Lions Clubs and from individual donations. Anyone can donate through their website. <http://nepalsf.org/> or directly to them at NEPALSF, PO Box 415, Macungie PA 18062. Checks may be made out to NEPALSF.

Meal: Buffet Dinner Featuring: Roast Beef, Chicken Cordon Bleu, Stuffing, Mashed Potatoes, Gravy, Vegetable Medley, Applesauce, and Assorted Cakes for Dessert

Cost: \$20.00 Per Person

At this year's Zone Social, we will be holding a charity auction to benefit Four Diamonds at Penn State Children's Hospital. In 2018, the Pennsylvania Lions initiated "Care for the Kids" to benefit Four Diamonds, with a goal of raising \$100,000 annually. This is our Pennsylvania Lions project to address Childhood Cancer, which is one of Lions Clubs International's five global service initiatives. It is also our District Governor's primary cause for this year.

Attendees will have an opportunity to bid on items donated by the clubs, individual Lions, and local businesses. Each club is asked to provide 3 items for the auction ranging in value from \$20 to \$50. Bidders will be making "blind" bids on most items and will not know what they might be getting if they have the winning bid. Therefore, donated items should be wrapped, or in a gift bag, perhaps in a way that gives a hint as to what is inside and definitely in a way that will make people want to bid on it.

Please come prepared to bid and help Zone 1-B show how much we "Care for the Kids!" RSVP by Friday, March 6, 2020, to Lion Dennis Cronin: email dgc917@earthlink.net or phone 717-515-7913. Clubs should submit a total number of attendees on behalf of their club members and their guests. All other attendees should RSVP individually.

DISTRICT 14-C LIONS CONVENTION **“Bridge to Service” Through Leadership**

Lions, Lionesses, Leos and guests are cordially invited to attend the 2020 District 14-C Convention on Saturday, April 18, 2020, at the Wyndham Garden Hotel in York. Registration for this year’s convention will begin at Noon with the opening of the convention scheduled for 1:15, followed by an afternoon filled with interesting and informative activities.

Following the opening of the convention, our District Chaplain, Lion Rodger Snyder will honor our recently deceased members by leading the District 14-C Necrology.

Our Keynote Speaker, International Director Gary Brown, will follow the Necrology with an inspiring message focused on leadership. Director Brown is from Vincent, New York, and he is currently in his second year of a 2-year term on the Lions Clubs International Board of Directors. He has a 37-year career in the field of Investment Management, and through his own branch company, mentored several successful representative. He has served in a variety of Lions leadership roles leading to his election as International Director. These experiences have provided him with a wealth of expertise in finding and developing leaders. We are pleased and honored to welcome both Director Brown and his wife, Lion Barbara, as our guests.

A presentation about Four Diamonds at Penn State Children’s Hospital’s will follow Director Brown’s presentation. Our guest for this presentation will be Katie Anderson, Associate Director of Community and Corporate Engagement. She will be speaking about the Pennsylvania Lions partnership with Four Diamonds, “Care for the Kids.”

Four “breakout” seminars have been schedule for the 3 o’clock hour. “Finding New Leaders” will focus on developing leadership within your club. Director Brown will be the presenter for this seminar. “Service Impact Stories” will feature stories of individuals and groups who have benefited from the efforts of Lions in District 14-C. Lions Duane Hull, our District Service Coordinator, and Lion Lamar “Peck” Freeland will facilitate this seminar. “Improving Diversity In Our Membership” will explore ways to expand membership by expanding the diversity of the membership within our clubs and by developing new clubs. “Are You Following the Rules” will be a guided tour through the Standard Form Club Constitution and By-Laws. The seminar will help participants better understand the how to structure their clubs for more efficient and consistent operation - a perfect seminar for incoming club officers! PDG Dennis Cope and Lion Mike Craley will lead this seminar.

Our annual District Caucus and Election of District Officers follows the seminars. This is an opportunity to learn about the candidates who have agreed to run for District Governor and Vice District Governor for the upcoming year before casting your vote.

The final District Cabinet Meeting for the year will be held following the election, at which time a number of Lions will be recognized with special awards.

All interested Lions are welcome to join our International Guests and District Leaders for dinner at the hotel following the close of the convention. This will be a casual order-from-the menu, pay-on-your own affair in either the hotel restaurant or in the Crystal Ballroom, depending on the number of people interested in staying for dinner.

We look forward to a great convention and a great turnout for our 2020 District Convention!
