

DISTRICT 14C NEWSLETTER

July 2021

A Message From the District Governor

It is an honor and a privilege to serve as your District Governor. I am grateful for the example provided by some great District 14C leaders who preceded me and am especially thankful to IPDG Tom Jones for his leadership through the pandemic. Where do we go from here? Well, based on an understanding of where we are and would like to be as a District in the areas of service, membership and leadership, we have established District goals for the coming year. Having the support of a great District leadership team, I

District Governor Dan Brant

believe these goals are achievable if, and only if, we can help Lions Clubs and LEO Clubs throughout the District be successful.

Now emerging from the pandemic, we may need to determine what help our clubs need to be successful. Clubs have been affected in different ways. Some clubs have been able to remain active in service while meeting regularly either in person or virtually. Others have found it difficult to meet and serve. Some have been able to retain their membership and possibly even see some growth, while others have lost members. Club leaders who might benefit from assistance and support provided by the District should reach out to their Zone Chair. The Zone Chair may provide assistance and/or contact the District Governor or another representative from the Global Action Team to explain what the club wants to do and ask for assistance. Our goal will be to meet the Club where it is and provide assistance, possibly with the use of some great LCI resources such as Build a Vision for Your Club, Blueprint for a Stronger Club and the Club Quality Initiative.

As I meet with club leaders and members throughout the year, I will be anxious to hear about their efforts to serve the needs of their local communities, as well as their efforts to serve others in the world through LCIF. I will also be interested in their efforts to retain and grow their club membership so that we can do even more to address community needs as well as LCI's five global causes – vision, hunger, childhood cancer, diabetes and the environment.

As we begin this new year, let us reflect with satisfaction on what we have done and are doing as Lions, and then rededicate ourselves to keeping our clubs strong, vibrant and visible in service in our communities and the world. We will need “all hands, on deck”, my theme for the District 14C 2021-2022 Lions year.

Yours in Lionism and Service from the Heart,
DG Dan Brant

A Message From 1st VDG Elect/D-GLT Keith Shoff

Welcome. Here it is July, the beginning of a new Lion year! As 14-C's newest First Vice District Governor, my wife, Lion Kathy, and I look forward with pleasure to serving with all members of this district under the guidance of our new District Governor, Dan Brandt. Most, if not all, Clubs have installed Officers. Some of those are serving for the very first time. This can be intimidating until you actually hold a few meetings. Hopefully you have taken some of the classes that are offered by our District, or on the LCI website. There are also resourceful free online courses I have taken on the USA Canada forum website known as "Lion's University". But most of all, please realize that you are not serving alone. We all have the same objectives and there are past Officers in your club and in our District willing to assist you.

As First Vice District Governor Elect, I did have an awesome opportunity to meet several Clubs in Zone 3B, and am looking forward to meeting many more of you during club visitations with DG Dan throughout the upcoming year. This is an exciting time to be a Lion in District 14-C. Every day we're becoming more active Under the direction of NAMI Champion Lisa Griffe, the District has kicked off its North American Membership Initiative and is working diligently to set its goals and action plans in place to help us all increase membership and awareness of Lionism. You'll be hearing more about this Initiative and how you can participate in the next few weeks.

Since the new Lions year is just beginning, I would encourage each Club in our District to work toward the "Club Excellence Award." It's really not that difficult to achieve and if you start the process right now, you have almost an entire year to accomplish the qualifications. The application is just 1 page with a few questions and boxes to check. I'd be glad to send you a copy of the application so you can see for yourself how simple the process really is. Just contact me or go to the LCI website and search "Club Excellence Award Application."

The dedication and enthusiasm of Lions such as yourself are what make this a great organization and District 14-C a great district. I wish all of our clubs much success with all your endeavors this year.

I'm proud to be a Lion in District 14-C and I'm honored to serve beside you ... Let's have some fun !!
Yours in SERVICE,

1st VDG Lion Keith Shoff

A Message From 2nd VDG Marty Zimmerman

Congratulations to District Governor Tom Jones for his amazing leadership with the first ever District 14-C Rubber Ducky Race! Under his leadership, District 14-C was able to donate \$4,200.00 to Pennsylvania Lions Beacon Lodge Camp. District Governor Tom Jones will be visiting Beacon Lodge on Lions Appreciation Day, July 18, 2021 to present the check.

There were cash awards for the first 10 ducks to cross the finish line as well as a prize for the very last duck that limped across. There also awards for the separate Club Duck race. All participating clubs will receive a rubber duck for their Banner, additional prizes will be awarded to top finishing clubs. Well, the good news is all clubs were in the top 30. Congratulations to Newville Lions with a first-place finish.

Thanks to all 27 clubs in order of finish:

Newville, Spring Grove, Jacksonville, Shrewsbury, Jacobus, York Springs, Weigelstown, Stewartstown, Gettysburg, Hanover, Dillsburg, Mason-Dixon, Shippensburg, Carlise, New Freedom, Dallastown Lions, Arendtsville, Shiloh, East Prospect, Dallastown Leos, New Oxford, York Salem, Upper Adams, Mount Holly Springs, Jefferson Community, Dover, Susquehanna.

Special thanks to Jonathan Carver, Casey his wife and son whose involvement made the race possible. They transported over 1500 quacking ducks down from Beacon Lodge and the Carver family all took the plunge and herded the ducks down the creek to the finish line.

Dallastown Park Gets New Bridge

(Eagle Scout Duncan Webber)

Eagle Scout, Duncan Webber, his troop, and his father installed steps and a bridge connecting the Dallastown Lions Club community park with the new Dallastown Lions Club Nature Trail that was constructed by Eagle Scout, Sean Fleagle last year!

This new nature trail will be completed in the next few years and everyone is invited to come and enjoy our nature trail and our park.

14-C LCIF Report

PDG Kerry McKnight

Challenging is the term I believe best serves as the type of year we have had in regards to Lions Clubs International Foundation (LCIF).

Your District 14-C has been the leading contributor to LCIF in Pennsylvania for several years. I feared we would lose that title at different points of the 2020-2021 year.

There were limited club visits for me as many clubs were not meeting. I tried to make up for it by communicating through emails & phone calls with club Presidents & LCIF coordinators just to remind them that LCIF and Campaign 100 was still ongoing and needed to help our communities more than ever during the pandemic. I asked many clubs the same simple question "Is there anything in your budget for LCIF this year?" Donations ended the year down 38% versus 2019-2020 Lions year.

Our total for donations for DG Tom's term will be in the neighborhood of \$34,000. This still leads the other 16 Districts in MD14 by a wide margin. As far as donors, 14-C had twice as many individual Lions contribute to Campaign 100 as any other MD14 districts.

2021-2022 will be the final year for the Campaign 100 fundraiser. Worldwide we have currently raised \$207 million of the \$300 million goal. Through the generosity of our clubs & members, \$181,000 came from your District 14-C.

Lions Clubs International Foundation and I thank you for your support.

Spring Seminars Update

Our District 14-C Spring Seminars have been completed, and the response was great!

On May 6th, we began our training series with a seminar for Club Presidents, led by PDG Dennis Cope. 17 participants tuned in to learn what was expected of this office and receive ideas and resources to help plan for the upcoming Lions year.

On May 13th, PDG Kerry McKnight conducted a seminar for Club Secretaries and Club Administrators. 14 participants listened to PDG Kerry provide an overview of the Club Secretary's responsibilities and learned how to handle the duties of the position.

On May 20th, District Governor-Elect Dan Brant and PDG Dennis Cope conducted a seminar for ten current and in-coming Zone Chairs. Participants reviewed the roles and responsibilities of a Zone Chair and heard DGE Dan's plans for the upcoming Lions year.

The fourth seminar in the series, which was for Club Tail Twisters, was held on May 27th. This seminar attracted 17 participants and was presented by Second Vice District Governor-Elect Marty Zimmerman. In his unique and self-deprecating style, VDG-Elect Marty provided a wealth of ideas to help Tail Twisters make meetings livelier and more entertaining.

June 3rd was the Member Orientation Seminar, which will be led by PDG Lisa Griffie. A mix of nine new and veteran members tuned in to learn about our Lions organization outside of the club level activities.

On June 10th, VDG-Elect Marty Zimmerman conducted a seminar titled, "Our Lions Clubs Moving Forward Post Covid." The 8 members who participated in this seminar learned the basics of "change process" and were introduced to tools club leaders can use to identify and initiate needed changes, which will strengthen their clubs.

Links to recordings of all of these seminars except for "Our Lions Clubs Moving Forward" can be found at the District 14-C website. Click here to go to the webpage listing the seminars and the links to the recordings: [Spring 2021 Seminar Series](#).

District 14-C will host the PA Lions State Council of Governors for their meetings, February 4-6, 2022. The weekend will include the State Council Meeting, State Committee meetings and reports, Vice District Governor Training, and a closing banquet featuring a guest International Director or Past International Director. Volunteers will be needed for a variety of duties throughout the weekend. Look for details in upcoming editions of the District Newsletter.

VISION BOWL STRIKES AWARENESS

Harrisburg, Pa- Did you know that bowling is a sport that many blind or visually impaired individuals really enjoy? Did you know that the number of persons affected by the four major eye diseases is predicted to continue to steadily increase? You may not have thought about these questions before, but at the annual **Vision Resources of Central Pennsylvania (VROCP)**, *Vision Bowl*, low vision awareness event, you will have the opportunity to learn more about the major diseases that lead to vision loss. You will also understand what has made **VROCP** a vital non-profit organization, assisting individuals experiencing low-vision or blindness, for 100 years.

Vision Bowl will share some information with each bowler participating in this unique fundraising event, but most importantly, this bowling competition places bowlers in the shoes of a visually impaired individual. Following a friendly, fun, first warm-up game, along with some food, refreshments and a little humorous taunting between teams, the evening turns serious, *but with a wink and a smile*. The real challenge of the competition is during the second game when bowlers will be competing for bragging rights and trophies, as they are required to bowl wearing one-of-four special lightweight eyeglasses that emulate what a person with Glaucoma, Diabetic Retinopathy, Age Related Macular Degeneration, and Cataracts see.

Vision Bowl will take place on Monday, July 12, at ABC East lanes, 1001 Eisenhower Blvd., Harrisburg at 6:00 p.m. The competitors must bowl in teams of four and the \$200 contribution entry fee, per team, includes shoes, a souvenir t-shirt, and foods to snack on. The event also welcomes sponsorships and *all interested parties* are asked to please contact Cheryl Cuddy at, ccuddy@vrocp.org for details.

The goal of **Vision Resources of Central Pennsylvania** is to raise the quality of life for the blind, visually impaired and otherwise disabled in the region and to provide prevention services to all. The agency's programs extend to Cumberland, Dauphin, Franklin and Perry Counties.

###

Vision Resources of Central Pennsylvania is a 501 (c) (3) non-profit organization. Contributions are tax-deductible to the extent allowed by law. The official registration and financial information of Vision Resources of Central Pennsylvania may be obtained from the Pennsylvania Department of State by calling toll free within Pennsylvania, 1-800-732-0999. Building Bridges for Brianna

Dallastown Lions Club's Lion Matt Dorgan hosted the first ever Building Bridges for Brianna on Saturday, June 26, 2021, at the Dallastown Lions Club community park. During this extraordinary event to help prevent suicide, thousands of members of the public attended.

Brianna Dorgan was a tenth grader at Dallastown Area Senior High School and committed suicide in December of 2020. This event was held to shed light on the suicide rate among not only our children but our veterans returning home. Many organizations assisted with this event. The Dallastown American Legion, Post 605, the York Regional Police, the Veterans Wellness group, the Dallastown Area High School MCJROTC and their advisor, Major Kenneth White, the Dallastown Area Schools, to name a few.

The event was extremely important to educate the public on just how often this happens to our youth and to our veterans! Awareness is the first step and this event accomplished this for all those who attended or read about it on Facebook and in the paper.

The community joined together, and everyone worked hard to bring light to this important issue.

This year the York Fair is from July 23rd. to August 1st.

Many Lions Clubs and Lion/Lioness Clubs have had to cancel fund raisers, mine included. This is your chance to make up for those lost funds. You will be working outside in the fresh air and sunshine. As far as we know there are no changes for 2021 (except for the date) everything else should operate just like before. I encourage you to participate, remember any funds derived from this activity may be deposited into your club's administrative accounts. Shift request have been mailed to all club secretaries and are assigned on a first come first serve basis so get them back to me as soon as you can. You can save on postage by replying by email to buddyrot@comcast.net. Every participant will get a 30-minute lunch break at the discretion of the gate captain and rain gear may be necessary.

Shifts:

Shifts are from 11 am to 4 pm and from 4 pm until closing Friday, Saturday and Sunday and 12 noon until 4 pm and 4 pm until closing Monday – Thursday.

What we do:

Scan entry, parking and show tickets using a wired or wireless scanner- Hand out brochures when possible- Put reentry wrist bands on customers when available and requested- Give directions to customers (brochures)- Conduct yourself as a courteous Lion, Lioness or Leo at all times.

What we don't do:

Handle money- Remove wrist bands- Act in a loud boisterous manner- Tell any fair employee how to do their job.

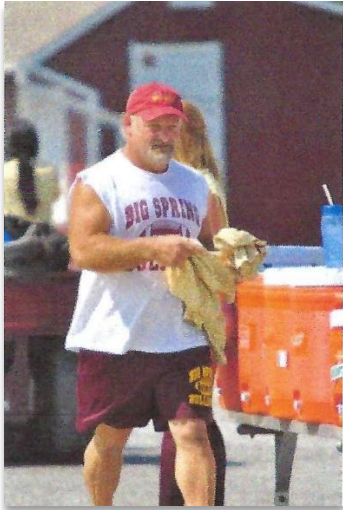

Who can participate:

Lions, Lion/Lioness, Leos or anyone who is willing to donate their earnings to an approved Lions project and they are at least 16 years old. (If your Lions or Lions/Lioness Club sponsors a LEO Club make sure they get this information.)
