June 2021

A Message From the District Governor

I can't believe that it is June 2021 already. My year as your District Governor will soon come to an end. It has been a privilege to serve District 14C for the 2020 – 2021 lions year and I will always remember this period of my life as a very positive time. I got to meet and come to know many of the fine people that make up the Lions of District 14C. I learned of the hard work that they do to serve the needs of their communities and the world. This pandemic made it hard in many ways, but through it all, District 14C Lions found ways to serve. Contributions made to the District Governor's Project fund are at least \$18,121 and still growing. Out of that, at least the following will be dispersed this month:

- \$4,530.00 to Lions Club International Foundation
- \$1,812.00 to the food banks located in Lions District 14C
- \$1,812.00 to the Northeast PA Lions Service Foundation
- \$1,812.00 to the PA Beacon Lodge Camp
- \$1,812.00 to the PA Lions Hearing Research Foundation
- \$1,812.00 to the PA Lions Sight Conservation and Eye Research Foundation
- \$960.00 to the Lions District 14 Disaster Relief Fund
- \$960.00 to the Lions District 14C Leo Clubs Support Fund
- \$960.00 to the Leader Dogs for the Blind Organization
- \$960.00 to the Lions of Pennsylvania Foundation
- \$960.00 to the PA Lions Care for the Kids (Four Diamonds)

District Governor Tom Jones

In addition, at least \$4,500.00 will be raised for the PA Bacon Lodge Camp through the efforts of District 14C with the Rubber Duck Race event to be held on June 12th in Glen Rock. I am proud to be a member of District 14C for the way that they fulfilled the motto of Lions, WE SERVE! Please continue in the next Lions Year to support the 2021- 2022 District Governors team and all the new leaders for District 14C and your Clubs.

**Stay Safe and Healthy,
Work to make it great to be a Lion,
Remember that Kindness Matters**

A Message From 1st VDG Elect/D-GLT Dan Brant

What a year it has been!! What a year to look forward to!! What a month it will be!!

June is both the end of one Lion's year, and the time when the foundation is laid for the new year. We are closing out our books so to speak on 2020-2021, recognizing and congratulating our current officers and patting ourselves on the back for a job well done. This is particularly important this year because it has been the year of the Great Pandemic. We kept our clubs going while continuing to serve those in need. Our meeting minutes will be one record of our activities throughout the year of course, but it is important that we report our service activities in MYLION. These include a wide range of things from the collection of eyeglasses for distribution worldwide by LCI, to vision screening and providing eye examinations and glasses for children and others in our local communities, to providing food support for people who were out of work, to the provision of PPE for first responders and hospital workers. The record of our service impact is important to potential partners who may choose to join Lions in addressing our five global causes – hunger, blindness and the visually impaired, childhood cancer, diabetes and the environment. Lions won't conquer any of these major challenges by themselves.

As we close out the year, I want to personally say thanks again to District Governor Tom for guiding us through the many challenges we confronted as Lions in District 14C during the year. With COVID everywhere we had to figure out if, when, where and how we could meet to do work as clubs and in District gatherings. We had to figure out if and how to provide service and conduct fund raisers safely. With the District Governor's leadership, we worked together and helped each other. That is how it should be and needs to be.

And now, looking forward, we have elected and will be installing new officers this month. These new officers may have utilized training opportunities available from the District, Multiple District or LCI to prepare for the year. They may have established some goals for themselves or their clubs. Some action plans may have been developed. This is all good of course - fresh ideas, new leadership, new energy. Let us commit to working with our new officers to stabilize, retain and grow the membership of our clubs so that we can better serve those in need near and far.

And as I will now move on to become District Governor, I will be guided by the goals that we have established for the District. I will do my best to provide the leadership that Lions throughout District 14C deserve, but I will need your help and support. After a year of COVID, let us strive to "build back better". **We will need "all hands on deck"**.

A Message From 2nd VDG Keith Shoff

Oh my gosh ... its June already, summer has unofficially started and our Lions year is coming to a close. With the pandemic quickly fading and things opening up again... its time for us to get a fresh start, a new beginning. As I write this, there is some sadness for me to be exiting as Zone Chair of Zone 4A. I truly enjoyed working with you all, but I'm encouraged to know that Lion Doug Nace has accepted to guide this wonderful group onward.

I recently had the opportunity to attend a Lions "Membership Connections" seminar in State College, PA where many of our MD Leaders and International Leaders presented a full day of information on an array of topics. Two of those presentations were an eye opener for me. The first was "Boosting Membership Satisfaction", presented by ID Larry Edwards. He asked us all, "why did we become Lions?" Of course, the answers were many and varied but the bottom line was that people wanted to make a difference, develop friendships and have a sense of belonging. Just as our Communities are diverse and have different needs, the same can be said for our members. So how do we keep Members satisfied, engaged, happy and coming back? To start with, you'll need to "define membership satisfaction for YOUR Club." Ask the current Members, get them involved, ask former Members why they left. For a much greater insight about Membership Satisfaction, please go to the LCI website and download a copy of **ME301EN** - Membership Satisfaction Guide

The second presentation which grabbed my attention was presented by outgoing MD-14 GST Coordinator PDG Tom Gregg. The title of his talk was "Service – More Opportunities." The part that interested me the most was when he took a dive into the history of "digital service reporting." Did you know that prior to "MYLION" when reporting was done by paper, MD-14 had a 75% rate of reporting. With the release of MYLION that dropped to 18%. Why you ask? Well, it seems that a 3rd party firm was contracted for the software and they didn't understand how Lions do their reporting and unfortunately the program was designed into a multiple page format which turned out to be very user "unfriendly" and tedious to use. Since that time, many Lions that actually do reporting have had a say in the rewriting of the service reporting software in MYLION and My LCI, which is currently yielding an approx. 46% rate. It still may not be perfect but there's progress to make it easier to use.

A Message From 2nd VDG Keith Shoff – con't.

I have to repeat something that DGE Dan said in his article. It is VERY important that we all report our service activities. Many organizations that partner with Lions Clubs International want to see the “what” we do and how many people are affected. The more we can show is reflected in the amount of money these organizations are willing to donate to our cause. I want to become more proficient in helping every Club in District 14-C to become better at reporting. We can all learn together and become the best reporting District in MD-14.

It's an exciting time to be a Lion in District 14-C. I'd like to take this opportunity to THANK District Governor Tom for his Leadership and inspiration during the past difficult year. I look forward to working with District Governor Elect Dan, as he takes the reins of the District in the near future. I'd like to THANK all the instructors that participated in our District training. But finally I'd like to THANK all of you for the warm welcomes when I happened to visit your Club or meet you at an event. I truly look forward to meeting as many of you as possible in this coming year.

Don't forget about LCIcon, the virtual International Convention which is scheduled for June 25-29. I'm proud to be a Lion in District 14-C and I'm honored to serve beside you.

Thank you for your service.

SPRING SEMINAR SERIES

Four of our District 14-C spring officer training seminars have been completed, and the response has been great!

On May 6th, we began our training series with a seminar for Club Presidents, led by PDG Dennis Cope. 17 participants tuned in to learn what was expected of this office and receive ideas and resources to help plan for the upcoming Lions year.

On May 13th, PDG Kerry McKnight conducted a seminar for Club Secretaries and Club Administrators. 14 participants listened to PDG Kerry provide an overview of the Club Secretary's responsibilities and learned how to handle the duties of the position.

On May 20th, District Governor-Elect Dan Brant and PDG Dennis Cope conducted a seminar for ten current and in-coming Zone Chairs. Participants reviewed the roles and responsibilities of a Zone Chair and heard DGE Dan's plans for the upcoming Lions year.

The fourth seminar in the series, which was for Club Tail Twisters, was held on May 27th. This seminar was presented by Second Vice District Governor-Elect Marty Zimmerman. In his unique and self-deprecating style, VDG-Elect Marty provided a wealth of ideas to help Tail Twisters make meetings more lively and entertaining. [View it here.](#)

Stewartstown Awards Scholarships

South Eastern Dollars for Scholars is an important organization run by a group of local citizens in order to encourage life-long learning by raising and distributing scholarships to students who reside in the South Eastern School District. Resident students who attend either Kennard-Dale High School or the York County School of Technology and plan to continue their education beyond high school, attending a two or four year college or a technical/trade school, may apply for scholarships. Scholarships are made possible by hundreds of community members serving at annual fundraising events and by the many generous contributions by individuals, businesses and other organizations. All scholarships awarded this year totaled \$79,700. Since 1999 South Eastern Dollars for Scholars has awarded over \$1 million in scholarships to Kennard Dale seniors .

The Stewartstown Lions Club has been a proud contributor to Dollars for Scholars for many years. Lion Richard Maters attended this year's ceremony and presented \$1,000 checks to both Kaylee Prestianni and Brendon Stoner.

Lions International Peace Poster

Very wise words from Winnie-the-Pooh that we can all take to heart when we need a little boost in our lives.

Also, very wise words used to create the grand prize winning Lions International Peace Essay Contest for 2020/2021 for visually impaired young people. The essay was composed by thirteen year old Joshua Wood from Australia and sponsored by the Brisbane Camphill Carindale Lions Club. Joshua will receive \$5,000 for his accomplishment! The theme for this year was "Peace

Through Service." His essay is entitled, "Peace and Service Go Hand in Hand." In his essay, Joshua shared the priceless lessons he learned from his Grandfather about the importance of service to others and "how this service not only promotes peace, but also, provides an inner peace that so many people are striving for."

Peace and Service Go Hand in Hand

I remember walking hand in hand with my Grandfather when I was a little boy. He was a very wise man, his grey hair highlighting his wisdom. His hands felt dry and rough, particularly to a child who uses his fingers to read.

It was many years later when I stood at his funeral that I realized the significance of those dry, rough hands. They were the hands that held mine and guided me when I was young. They were the hands of a young man, who went to War, sacrificing his own safety, to preserve freedom in our country. They were the hands of a man who held his dying mate in battle. They were the hands of a man who mowed the lawns of local elderly people. They were the hands of the man that had been awarded medals, yet didn't wear them as he felt he did not need recognition for his service. They were the hands of a man who truly understood what service meant.

My Grandfather planted a seed in my mind many years ago about the importance of service and its huge contribution to not only peace in our communities but providing inner peace as well. I often think about the conflicts, wars and fighting in the world and the sadness in many people's lives. I also often think about how selfless my Grandfather was by helping others without wanting anything in return. My Grandfather would say to me, "you don't have sight, but you have insight and that is much more important."

We can find inspiration from so many who have gone before us. Mother Theresa who served the poor in India. William Booth, Founder of the Salvation Army, who dedicated his life to helping the poor. The most inspiring for me personally, is Helen Keller who herself was blind and deaf, yet lived a life of service. Despite her disabilities she helped veterans blinded in World War 1, founded charities, advocated for the blind and poor and led the American Foundation for the Blind for over forty years. All these incredible people served others, and by doing so brought peace to the poor, wounded and hungry. A quote by Albert Schweitzer resonates with me, "the only really happy people are those who have learned how to serve."

I have made a promise to my Grandfather. That I will spread the word about serving others and how it not only promotes peace for others but also provides an inner peace that so many people are striving for. I can serve others despite my disability. I do not want to be self-focused but focused on others. I hope to inspire others to achieve peace through service. In the words of Mother Theresa, "The fruit of service is peace." I want to plant seeds of peace in my life and encourage others to do so also. Peace and service go hand in hand just like my Grandfather and I walking along many years ago.

The theme for the 2021/2022 Lions International Peace Essay Contest is "We Are All Connected." Lions Clubs around the world are encouraged to sponsor student in the Lions International Peace Essay Contest. Students who are visually impaired and who are of the ages 11-13 as of November 15 are eligible to participate. For the essay contest rules and application forms, please contact me.

The theme for the 2021/2022 Lions International Peace Poster Contest is "We Are All Connected." I can't wait to see how the students in our district demonstrate this meaningful theme in their creations. I hope your club will help to give them this opportunity. Please let me know if your club is in need of a Peace Poster Kit. I have a supply of them and will make sure you get one.

VISION BOWL STRIKES AWARENESS

Harrisburg, Pa- Did you know that bowling is a sport that many blind or visually impaired individuals really enjoy? Did you know that the number of persons affected by the four major eye diseases is predicted to continue to steadily increase? You may not have thought about these questions before, but at the annual **Vision Resources of Central Pennsylvania (VROCP), Vision Bowl**, low vision awareness event, you will have the opportunity to learn more about the major diseases that lead to vision loss. You will also understand what has made **VROCP** a vital non-profit organization, assisting individuals experiencing low-vision or blindness, for 100 years.

Vision Bowl will share some information with each bowler participating in this unique fundraising event, but most importantly, this bowling competition places bowlers in the shoes of a visually impaired individual. Following a friendly, fun, first warm-up game, along with some food, refreshments and a little humorous taunting between teams, the evening turns serious, *but with a wink and a smile*. The real challenge of the competition is during the second game when bowlers will be competing for bragging rights and trophies, as they are required to bowl wearing one-of-four special lightweight eyeglasses that emulate what a person with Glaucoma, Diabetic Retinopathy, Age Related Macular Degeneration, and Cataracts see.

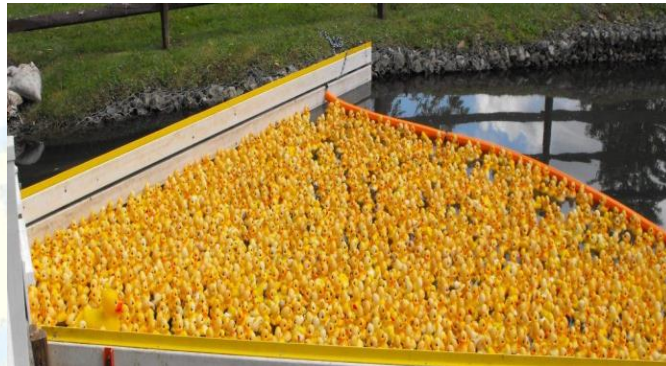

Vision Bowl will take place on Monday, July 12, at ABC East lanes, 1001 Eisenhower Blvd., Harrisburg at 6:00 p.m. The competitors must bowl in teams of four and the \$200 contribution entry fee, per team, includes shoes, a souvenir t-shirt, and foods to snack on. The event also welcomes sponsorships and *all interested parties* are asked to please contact Cheryl Cuddy at, ccuddy@vrocp.org for details.

The goal of **Vision Resources of Central Pennsylvania** is to raise the quality of life for the blind, visually impaired and otherwise disabled in the region and to provide prevention services to all. The agency's programs extend to Cumberland, Dauphin, Franklin and Perry Counties.

Vision Resources of Central Pennsylvania is a 501 (c) (3) non-profit organization. Contributions are tax-deductible to the extent allowed by law. The official registration and financial information of Vision Resources of Central Pennsylvania may be obtained from the Pennsylvania Department of State by calling toll free within Pennsylvania, 1-800-732-0999. This year the York Fair is from July 23rd. to August 1st.

This year the York Fair is from July 23rd. to August 1st. This is a great opportunity to earn funds working the entrance gates scanning tickets. A few walk-in gates are available and most are shaded. Couples who wish to work together will be provided for when possible.

You will be working outside in the fresh air and sunshine. As far as we know there are no changes for 2021 (except for the date) everything else should operate just like before. I encourage you to participate. Shift request have been mailed to all club secretaries and are assigned on a first come first serve basis so get them back to me as soon as you can. You can save on postage by replying by email to **buddyrot@comcast.net**. Every participant will get a 30-minute lunch break at the discretion of the gate captain and rain gear may be necessary.

Shifts: Shifts are from 11 am to 4 pm and from 4 pm until closing Friday, Saturday and Sunday and 12 noon until 4 pm and 4 pm until closing Monday – Thursday.

What we do: Scan entry, parking and show tickets using a wired or wireless scanner- Hand out brochures when possible- Put reentry wrist bands on customers when available and requested- Give directions to customers (brochures)- Conduct yourself as a courteous, helpful person at all times.

What we don't do: Handle money- Remove wrist bands- Act in a loud boisterous manner- Tell any fair employee how to do their job.

Who can participate: Lions, Lion/Lioness, Leos or anyone who is willing to donate their earnings to an approved Lions project and they are at least 16 years old. (If your Lions or Lions/Lioness Club sponsors a LEO Club make sure they get this information.)
