

## DISTRICT 14C NEWSLETTER

March 2021

### A Message From the District Governor

March is here and we are warming up. Lots of snow in February but I was able to have DG Visits to all of the clubs that were scheduled. I visited three clubs with in person meetings and one club using Zoom. I held the GAT meeting and the #3 Cabinet Meeting by Zoom. I do believe that the covid-19 situation is working its way out of our lives as more and more of us are able to be vaccinated. It is going to be great to have service projects, fund raisers, meetings and social events coming back into play. I know that everyone is tired of this pandemic. Some have given there all and I am truly sorry that this has happened in many families. I do offer my condolences to all that have suffered with covid-19 and pray that it will end soon. I am very happy that our District is moving ahead with leader training, the NAMI program, Beacon Lodge fund raising and a whole lot of other positive activities.

***District Governor Tom Jones***

I am very happy to see that the Jacobus Lioness are working to become a Lioness Lions Club and will continue to serve their community just as they have for many years. I likewise am saddened that other Lioness Clubs have decided not to become Lioness Lions Clubs. It is my hope that many of the dedicated, hardworking, and talented Ladies that were members of those disbanded Lioness Clubs will join a Lions Club so that they can continue to provide the service as they have always done. A Lions Club will surely be blessed to have these Ladies become members of their club. I will be contacting clubs that I was not able to visit with the hope of finding a date that will work for me and the clubs for a DG Visit before my term ends. If you are in one of those clubs, please be considering a date that will work for my DG Visit and contact me.

**Stay Safe and Healthy,  
Work to make it great to be a Lion,  
Remember that Kindness Matters**

## A Message From 1st VDG Elect/D-GLT Dan Brant

Now we are to March and soon it will be the beginning of spring. That is great of course because our days will include longer periods of light and warmer temperatures. It also means by the end of the month that we are three quarters of the way through the Lions year. We must begin thinking about nominating officers for next year in our local Lions Clubs. Will you consider being a Vice President or Secretary or Treasurer or Tail Twister or whatever position is needed? If we all take our turn, the burden (or blessing) doesn't then fall on a few. Did I hear you say, you wouldn't know where to start? There is a lot of help available to everyone. Past officers in your club can help. LCI has great materials available for virtually every Lions Club position. And, if you look later in this Newsletter, there are Spring Seminars available in the Zoom format for incoming club officers. I think that means there should be no excuses. Am I correct?

I have now personally been a Lion for nearly 40 years, having joined the Newville Lions Club in October, 1982. Over the years I have been President of our Club multiple times, the Treasurer, a 3<sup>rd</sup>, 2<sup>nd</sup> and 1<sup>st</sup> Vice President, and Club Secretary for part of a year. I was on many of the club's committees at one time or another and chaired some of them more than once. I was working during many of those years, and for some of the years was helping my wife raise our children. I am not telling you this to "brag". I wasn't always "stellar" at my Lion's offices, but I did my best. Other Lions were typically understanding and supportive. That was what we were (and are) all doing. We are doing volunteer service in lives that are often already pretty full of things to do. Are you following me now? It isn't always easy, but it is important because WE SERVE. As you know of course, Tom Jones is your District Governor this year and I am the 1<sup>st</sup> Vice District Governor, which presumably means that I will be the District Governor elect for FY 2021/2022. That thought has me pretty nervous right at the moment. With your support, I hope to serve you successfully next year.

I want to add one quick word on another subject before ending this note. In the past week, I noticed an email from Immediate Past International President Gudrun Yngvadottir. She is the current Chairperson of the Lions Clubs International Foundation. She was sharing the LCIF Annual Report for 2019-2020. Wow! It is a wonderful document. I think LCIF disbursed more than \$30 million in grants last year in its mission to "serve communities locally and globally, giving hope and impacting lives." Because our dues cover the administrative costs for disbursing and managing these funds, nearly all of the funds go directly to the service projects themselves. That is something we can all be proud of. Hope everyone has a great month.  
Sincerely, 1<sup>st</sup> VDG Dan Brant

## Message From 2nd VDG Keith Shoff

Fellow Lions, Lioness' and Leos.

Finally, most of the winter is coming to a close, the COVID rates are starting to fall and vaccinations are proceeding. Not as fast as we'd all hoped, but at least there is action. This month, I want to focus briefly on the work of our NAMI Team, (North American Membership Initiative). This group of dedicated Lions, under the leadership of NAMI Champion PDG Lisa Griffie, has been meeting regularly to work on a membership strategy that will provide a roadmap under which the District, and Zones can support Clubs to achieve three objectives.

The purpose of NAMI is to

1. Rejuvenate Districts with New Clubs (DG Tom is currently has a goal to start a new club within the District area)
2. Revitalize clubs with new members
3. Re-Motivate members with new fellowships and exciting ways to serve

Under this structure, the District, the Zones, and the Clubs have a role to play in achieving these objectives. At each level (District, Zone and Club), leaders need to brainstorm ideas, select specific actions, and develop plans to achieve these goals. We do not need to focus on the negative of the COVID but should focus on the future. NAMI will be around for many years and we can build and grow as time goes on. This will be a collaborative effort working in conjunction with 1<sup>st</sup> VDG Dan's goals that he is currently preparing for his year as District Governor and DGE's in the future as well. Please mention in all of your meetings that PDG Lisa is available to come out either virtually or in person to discuss NAMI and help clubs get rejuvenated and focused on Service! The NAMI Team can provide all the necessary things, as well as helping to evaluate, plan and make it happen!

In times like these, it may not seem like we are making a difference - BUT we ARE- even the little things we do affects someone's life.

I continue to encourage all the Zone Chairs and Club Presidents to reach out and check on the members in their respective areas. Let's make sure that we take care of our own as well because we can't serve others without having healthy members. Where there is a need there is a Lion, even if a Lion is the one in need.

## **CLUB SECRETARIES AND CLUB ADMINISTRATORS**

### **Service Reporting in MyLion**

Club Secretaries and Administrators are reminded to complete their service activity reports in MyLion. Creating an event by using "Plan Future Activity" prior to the event allows other people to see your event who might want to attend or volunteer. However, it requires that you go back into MyLion after the event, enter follow-up information, and submit the report. Waiting until after an event and using "Report Past Activity" is easier and less time consuming than creating an activity prior to the event and then having to go back and finalize the report. Use the following steps when reporting an activity after it has occurred:

- 1 From the "Member Portal" page, click on "MyLion" icon.
- 2 At the top of the page, click on "Report Past Activity."
- 3 This should bring up a page showing both "Unreported Activities" and "Reported Activities." Before you go on to report a new activity, finalize any unreported activities you see from July 1, 2020 until now. Activities dated prior to July 1, 2020, cannot be reported.
- 4 To report the new activity, look for the orange "Report" button at the top right corner of the page and click on it.
- 5 Name the activity and complete the form. Enter a picture if you have one. Who knows, it might appear in the LION magazine!
- 6 Click on "Save" at the bottom of the page, make sure all of your information is correct, and then click on "Submit." Your activity will not be reported until you click "Submit."

If you have any trouble reporting your club's activities, contact PDG Dennis Cope for assistance: [dennis.cope@icloud.com](mailto:dennis.cope@icloud.com), 717-677-6283

### **VISION EXAM AND GLASSES GIFT CERTIFICATES**

Each zone chairperson currently has VSP Gift Certificates, which provide a vision exam and, if needed, glasses for low income individuals who meet eligibility requirements. If your club receives a request for assistance with glasses and/or a vision exam, please contact your zone chairperson and ask for a certificate. This will help your club save funds that can then be used for other needs. The current batch of certificates expire on August 27, 2021.

## Lions International Peace Poster Winners Announced

I am very much honored to share with you the winners of the Lions International Peace Poster Contest for 2020/2021.

The theme for the Peace Poster Contest this year was, "Peace Through Service." And, what a journey it has been for all of us this past year with the many challenges that were presented to us. It has, also, been an exceptional year of challenges and adaptations for our schools. Because of this, we did have fewer children able to participate in the contest. However, those that did, completed an amazing job in demonstrating their artistic ability, interpretation of the theme, and their originality. This year, we had 111 children create beautiful posters.

I do want to say a **big thank-you** and commend the clubs that were able to sponsor students in the contest this year. The clubs that did participate were: the **Arendtsville Lions Club**, the **Newville Lions Club** and the **Upper Adams Lions Club**. The **Apple City Leo Club** (sponsored by the Arendtsville Lions Club), also, participated in the process and contributed to the prize money that was awarded for the top 15 winners . **I am so proud of all three clubs for taking that extra step to sponsor a group of students and their teachers that allowed their students to participate!** In addition, I know that there were some clubs who were trying to sponsor children, but, were unable to do so because of restrictions for this year. Thank-you to those clubs for putting forth the effort. Please do not be discouraged!

I am hoping that this coming year will be a much more successful year in encouraging clubs to offer this wonderful opportunity to children by sponsoring them in the Peace Poster Contest. The theme for the 2021/2022 contest is "**We Are All Connected.**" This is, certainly, one of the many lessons we have learned over this year. Our likenesses far out way our differences! I can only imagine how the youth in our district will put this theme to paper in creating their beautiful posters. Zone Chairs, please encourage the clubs in your zone to get involved in this incredible program for our youth!

I have already purchased a number of Peace Poster Kits. So, let me know how many you need and I will see that you get them. The cost of each kit remains at \$11.95.

Also, the Lions International Essay contest was created to offer an opportunity for visually impaired young people to express their vision of world peace. Information about the essay contest is available on the LCI website.

*We Serve*

And, now let's celebrate this year's winners! As mentioned, the theme for 2020/2021 was "Peace Through Service." The children did an extraordinary job in using their creativity, their talent, and their introspectiveness in demonstrating this theme in their posters. DG Tom and I were put to work in choosing the winners and their placements. But, that is a problem we love to have! I am always so impressed at what the students create at such a young age. All of our winning students were just 11 years old when they created their posters!

Our district's honorable mention winner is **Mya Welsh** sponsored by the **Newville Lions Club**. Mya is in the 6<sup>th</sup> grade at Big Springs Middle School. Her favorite subject is English and Language Arts because she enjoys reading and writing. In school, Mya plays in the school band and sings in the chorus. She enjoys running and spending time with her family. Mya would like to study early childhood education in college and, someday, be a teacher because she enjoys helping people learn new things. Mya's quote about world peace which she wrote on the back of her poster was, **"Without peace, we would be alone, forever."**

Our district's third place winner is **Leslie Raya** sponsored by the **Arendtsville Lions Club**. Leslie is a 6<sup>th</sup> grader at the Upper Adams Intermediate School. Leslie, also, lists as her favorite subject, English and Language Arts, because she gets to write her own stories. She enjoys participating in art challenges and the STEM program which includes science, technology, engineering, and mathematics. She hopes to study art in college and work in a job where she uses her artistic skills. Leslie's quote about world peace was, **"I was thinking about all the people who are trying to save people's lives and the peace they were bringing. "**

*We Serve*

Our district's second place winner is **Adriana Celis** sponsored by the **Upper Adams Lions Club**. Adriana is in the 6<sup>th</sup> grade at Upper Adams Intermediate School. Adriana's quote about world peace was, **"When I think about peace, I think about equal rights, everyone respects each other, and a clean and peaceful world. "**

Our district's first place winner is **Emily Acuitlapa-Zaldivar** sponsored by the **Arendsville Lions Club**. Emily is a 6<sup>th</sup> grader at the Upper Adams Intermediate School. Emily's favorite subjects in school are Science and Art Class. In school, she enjoys participating in STEM club and SOLE Sisters, a program about exercise. For hobbies, Emily enjoys baking pies, cakes, and cookies. In college, Emily would like to study Art and learn more about baking. As far as a career, she would like to become an art therapist or a baker or both! Emily's quote about world peace was, **"I included everyone that helps in the world through service on my poster. I wanted it to be original."**

What an outstanding job each of the young ladies did in creating their peace posters! I am so proud of all of the participants! I will be delivering their certificates of achievement and the monetary award from the district to each of the sponsoring clubs.

I am truly looking forward to this coming year's contest. I hope you are, too! Please let me know if there is any way I can help your club to become an active sponsor in the Lions International Peace Poster Contest. ## 100<sup>th</sup> ANNIVERSARY FOR VISION RESOURCES OF CENTRAL PENNSYLVANIA

### WELLSPAN - YORK HOSPITAL MOBILE PLAYROOM

(Zone Chair Lion Theresa A. Craley and Aimee Friedrich, MSN, RN, CPN – Pediatric Nurse Manager, WellSpan – York Hospital)

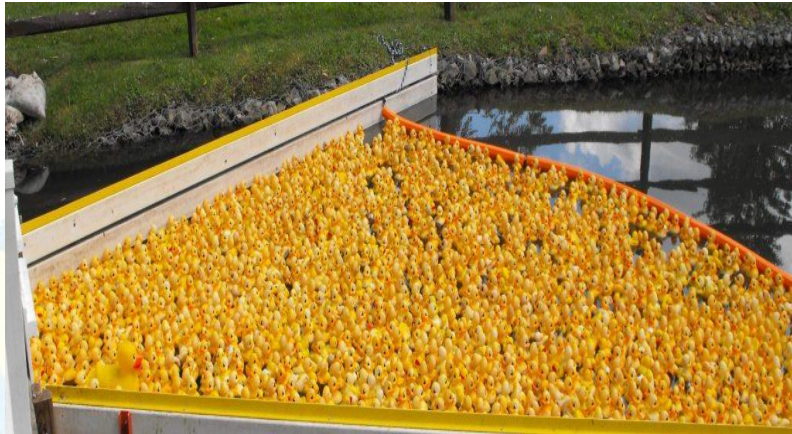

Pennsylvania Lions Service Foundation and Lions Zone 4-B, District 14-C partnered to be able to donate \$2,200.00 for WellSpan – York Hospital’s Pediatric Department to purchase a “Mobile Playroom” for children who are staying with the hospital while they are recovering from illness.

Well Span – York Hospital’s Pediatric Department was displaced because the hospital needed their room for COVID 19 patients. The department had to leave all toys behind and locked away. This new Mobile Playroom will give the department the ability to have toys for the ill children during their stay at the hospital.

Thanks to the Pennsylvania Service Foundation for their grant and the generous contributions from the Dallastown Lions Club, Dallastown Leo Club, Jacobus Lions Club, Jacobus Lioness Club, New Freedom Lions Club, Shrewsbury Area Centennial Lions Club, Susquehannock Leo Club, and the Stewartstown Lions Club, this Mobile Playroom can be a reality! Thanks also to Jessica Herrold, Child Life Specialist & Reach Out and Read Coordinator and Aimee Friedrich, MSN, RN, CPN, Pediatric Nurse Manager, both of WellSpan – York Hospital for all of their work toward this amazing project!

## Coming Soon to the Dallastown Lions Club Community Park

Last year the Dallastown Lions Club, the Dallastown American Legion, Post 605, and the Pennsylvania Lions Foundation, completed an amazing project at the Dallastown Lions Club Community Park! A brand-new playground area to serve children 2 to 5 years of age was installed in the spring with the special needs of handicapped children in mind. Handicap access to the playground has been installed along with an autism/handicap swing and a sensory station for those who are sight impaired or wish to learn braille. Along with this project was the completion of a brand-new regulation sized horse-shoe pit for renters and visitors to enjoy.

Now the Dallastown Lions Club, the Dallastown American Legion, Post 605, Duncan Weber, who is a boy scout and is working on his Eagle Scout Award with his Troup, the Dallastown Area Senior High School Leo Club, and the Dallastown Area Senior High School MCJROTC cadets and leadership will be building a bridge for easier access to our nature walking trail.

New benches have been received over the winter through a wonderful recycling program with Trex. Many local non-profit organizations donated plastic for these benches. They include; Dallastown Lions Club, Dallastown Area Senior High School Leo Club, Dallastown Area Senior High School MCJROTC, Dallastown Area Cougar Association, Zone 4-B Lions, Bethlehem United Methodist Church, White Rose Friends of NRA, Nell's Market Fresh Foods, and Jerry's Great Value! Thanks to all of these amazing organizations, we have 9 new benches to install this spring.

This just goes to show what great things can be accomplished when great people work together to better serve their community! Come out and see for yourself the new and improved Dallastown Lions Club Community Park and consider renting our facility for your next family gathering, reunion, or party!

Growing Churches

Giving Hope

Changing Communities

Bountiful Blessings is a Christian based charity that serves need-based families of all faiths. Our goal is to assist working poor families and senior citizens, who are in need, during those temporary times of financial hardship. It is our prayer, through supplementing these families with non-food items, they can get back on their feet and improve their situation.

Immediate Need:

**Dishwashing Liquid – 8 oz to 12 oz**

**Shampoo – 8 oz to 12 oz**

**Paper Towels**

Bountiful Blessings works through 21 locations in Pennsylvania alone. They have locations in Maryland and West Virginia as well. Their main office location is in Mechanicsburg, Pennsylvania. They service over 8,000 families and are in desperate need of the above items.

If your Lion's Club can provide some of the items that they so desperately need, please contact Lion ZC Theresa A. Craley at [Dartha430@Comcast.net](mailto:Dartha430@Comcast.net) (Zone 4-B Lions). We will come and pick up your items.

The seminar on May 20<sup>th</sup> will be for Zone Chairs with the goal of reviewing 1) the use of binders with resources that have been given to Zone Chairs, 2) other resources available through LCI, and 3) the role of Zone Chairs with District 14C 2021/2022 Goals and Action Plans. Instructors will be PDG Dennis Cope and 1<sup>st</sup> VDG/GLT-D Dan Brant.

The seminar on May 27<sup>th</sup> is for Lions Club Tail Twisters and any aspiring Tail Twisters or other interested Lions. The instructor will be District Secretary (2<sup>nd</sup> VDG elect), Martin Zimmerman. Be advised, this session may be fun!

The seminar on June 3<sup>rd</sup> is designed for first year Lions Club members. They will gain a better understanding of the Lions organization beyond the club level, and what it means to be a Lion. Other interested Lions Club members are welcome to attend. The instructor will be PDG Lisa Griffie

The final seminar on June 10<sup>th</sup> is for all Lions Club members. Attendees will consider whether club goals and plans may need to be re-evaluated and/or reset following our long COVID pause. Current needs and conditions may require new services or suggest that we do things differently. The instructor will be District Secretary (2<sup>nd</sup> VDG elect), Martin Zimmerman.

*Although we do not anticipate a spring training session for Club Treasurers, District Treasurer Phil Olphin will continue to assist them as needed on an individual basis.*

## Bureau of Corporations and Charitable Organizations

Many, if not all, of our clubs should have received a notice like the one pictured below. It is important that clubs respond to this notice to protect the exclusive use of your club's name by your club and keep any other group from fraudulently using it. Clicking on the following link will take you to a form that needs to be submitted to the Bureau of Corporations and Charitable Organizations along with a required \$70 fee:

<https://www.dos.pa.gov/BusinessCharities/Business/RegistrationForms/Documents/Updated%202017%20Registration%20Forms/Miscellaneous%20Forms/54-503%20Decennial%20Rpt%20of%20Assn%20Cont%20Exist.pdf>

If your club did not receive a form, use the link pictured on the card below to contact the Bureau to see if your club is registered and if not, how to get registered. Please do not neglect this important responsibility.

### **ACTION REQUESTED BY: December 31, 2021**

The records of the Department of State's Bureau of Corporations and Charitable Organizations (Bureau) indicate that your association has not made or amended any filing with the Bureau from January 1, 2012 to December 31, 2020. Pursuant to 54 Pa.C.S. §503, the association is required to file a Decennial Report of Continued Existence between January 1, 2021 and December 31, 2021. If the association fails to file a Decennial Report on or before December 31, 2021, it will no longer have exclusive use of its name. This means that, while the non-filing association continues to exist, its name becomes available for use by any other business registering in Pennsylvania.

More information about Decennial Reports, including forms, fees and contact information for the Bureau, is at <https://www.dos.pa.gov/decennialreport>.

## In Memorium

It is with great sadness that I acknowledge the passing of the following 25 District 14C Lions from our district thus far in this Lions Year. I offer my condolences to their families and to the clubs that they belonged to. They are surely missed by us and I pray that they rest in peace. – DG Tom Jones

## **District 14C New Members**

It is great to announce that District 14C has been able to gain 32 new members during this very challenging Lions Year. We welcome all of these new members and encourage them to join in our training programs so they can be all that they can be as Lions. I thank all of the sponsors of these new Lions for their services to Lions Clubs International.
