A Message From the District Governor

**District Governor
Dan Brant**

At all 41 clubs that I visited so far this year, I talked about our District goals for the year. I am still trying to meet some of those goals with your help. Among the membership goals, we wanted to add 100 new members across the District and limit the number of dropped members, excluding deaths, which sadly always occur. Through April, we have added 73 new members and had 79 drops which include deaths. That makes us just -6 for the year. Let's keep adding new members who will provide more hands and new ideas for "doing the work". We are doing great!

In regard to membership, we still have a couple "of cards to play" that will help us to the goal. First, PDG Dennis Bell reported at the District Cabinet Meeting/Convention that the developing new club in New Cumberland has 23 prospective members who have paid their dues for the year and that a meeting is being planned to elect officers and prepare for a charter event. This will mean an infusion of members. In

addition, PDG Shirley Starner has organized a Branch Club in Sprengle Village. Two members will transfer from the parent club which is Weiglestown. The other five or more members will be new members. The organizational meeting for this branch club will be held May 2nd. And finally, we have begun working with the Pinchot Park Lions Club and my goal there is to help them add ten new members by the end of June. If all goes well and we can limit the number of drops, we could end the year on the plus side of the ledger. That would be worth some kind of District-wide celebration.

In regard to LCIF, our goal was that 85% of the clubs would make donations (although my personal goal was 100%) and that we would increase our donations over the previous year by 20%. We have been doing great here as well. PDG Kerry McKnight tells me that we are leading all districts in Pennsylvania at the level of our donations and getting close to our goals for the year. If you are still thinking about personal or club donations, please do it now, so we can take this last year of LCIF's Campaign 100 out with a bang!

Now let's look at several things we have coming up over the next month or so. First, we have District 14C Lions Diabetes Awareness/Stride Walk events in three locations on Saturday, May 14th. The events will be held at the Valley Meadow Park in Carlisle, the Upper Adams Intermediate School in Arendstville and the York County Rail Trail in New Freedom in conjunction with their Backyard Olympics. The events are designed to raise awareness about the incidence, risks and care for diabetes. Donations will be accepted for diabetic causes. Let's let people know we are doing these events. Hang Lion Theresa's posters in fire halls, municipal buildings, doctor's offices, grocery stores and wherever. Let the local media know. Get it out on social media. Let's let everyone know that Lions are concerned about the health impacts of diabetes, and want to help produce better outcomes for everyone.

Then from May 19th-22nd, the annual MD-14 (State) Lions Convention will be held in King of Prussia at the Valley Forge Casino Resort. Immediate Past International President, Dr. Jung-Yul Choi, will be the keynote speaker at the International Banquet on Saturday evening. Hospitality night will be held on Friday night from 9-11 with a "Doo Wop Sock Hop." It is not too late to register. If the cost is of concern to you, just register for Saturday at the heart of the convention. Come be part of the "rally of the troops."

And finally, on June 18th is a combined event at the Newville Lions Fairground. It will be the Newville Lions 75th Anniversary celebration, and it will also be the Banner Exchange between the outgoing Governor, yours truly, and the incoming District Governor, Keith Shoff. In conjunction with the Banner Exchange, we will be providing awards and recognitions to quite a few Lions who have served the District, Zones and Clubs so selflessly and effectively this year. Many of you have received invitations from Lion Nancy Hockenberry, Secretary of the Newville Lions Club. If you have not received an invitation and would like to attend, please let me know asap. For a picnic style luncheon that includes fried chicken, scalloped potatoes, baked beans and coleslaw, the cost is just \$15.00. You must rsvp by June 1st.

We continue to have a lot of things going on in our District this spring. Let's finish the year strongly. I wish the best for you and your family. Have a great month.

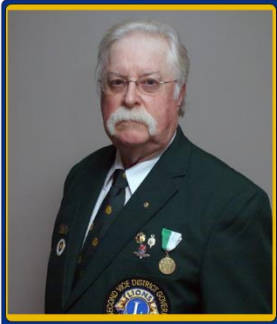

Sincerely and in Service from the Heart,

DG Dan

A Message From the District Governor Elect

District Governor

Fellow Lions, Lioness/Lions and Leos:

Time to celebrate - May has arrived. The Sun is warming, the birds are chirping, the flowers are blooming, and the garden will soon be growing (The weeds already are). May is the home for Mother's Day on the 8th and Memorial Day on the 30th, and let us not forget that May 4th – 11th is Root Canal Awareness Week. On second thought maybe, we should forget that one. Convention season is also upon us. Did you make it to the District Convention? If not, you missed an outstanding afternoon and evening of remembrance, learning, and celebration. The 2 presentations by Past International Director Dr. Ed Cortes were particular highlights. Thank you to the Convention Planning Committee for a job WELL DONE!!

Some of the 26 Lions who enjoyed dinner following the convention and heard PID Cordes speak about early childhood vision screenings.

I would be remiss to not THANK YOU for your confidence and your vote as 2022 / 2023 District Governor Elect for 14-C. Also CONGRATULATIONS to FVDGE Marty and 2VDGE Galen on their successful campaigns and elections as well. Next is the MD 14 State Convention which will be held in King of Prussia @ the Valley Forge Casino Resort on May 19 thru 22 and then the finale will be the 104th Lions Clubs International Convention which will be held in Montreal Canada on June 24 thru 28

A Message From the District Governor Elect con't

Although our Lions Year is quickly coming to an end, there is still plenty of things to keep us busy, i.e., the need for clubs to report their listing of officers for the 2022/2023 year. Club Secretaries should be reporting their slate of officers for the new year online through MYLCI. These reports are due by May 15th. Any Secretary who needs assistance should contact another Club Secretary, Zone Chair or our District Administrator asap for help. Please consider placing an advertisement in our District Directory to help offset the printing cost for the Directory. I don't know about you, but I find the Directory helpful throughout the year for contact information, the District Calendar, etc. \

I'd also like to remind you of some upcoming training. By the time you read this the Presidents & Vice Presidents training will be over (28 April), Club Secretary and Club Admin (5 May), Zone Chair (12 May), New Member Orientation (2 June), Guiding Lion (11 June). Most, if not all, training sessions will be recorded, so you have access to go back and refresh your memory. Remember these are all FREE to attend but you do have to register to get the appropriate links.

Keep looking for new opportunities for Service projects. Service attracts new members and even though it may be intimidating at first, try something new. You might be pleasantly surprised with the outcome. One last thing, June is always the month when Clubs "clean house" but remember that retention is a huge part of a Club's success. Have your members fill out a member satisfaction survey to get an idea of things that might be happening in the background. No matter what you do - DO NOT drop members for not attending meetings!! Attending meetings is no longer a requirement by LCI. It's all about SERVICE.

THANK YOU for your Service and for all you do in your Communities, the Commonwealth of PA and around the world. Thank you for allowing me to be a part of this Lions journey. I am truly blessed.

Again, I end this newsletter article with this quote from our International President (Doug Alexander).

"Service to others is the rent we pay for the space we occupy here on Earth."

Let's Roar!

Yours in SERVICE,

A Message From the 1st Vice District Governor Elect

**2nd Vice
District Governor
Marty Zimmerman**

It was good to see many of you at the district convention on the 23rd. below was my acceptance speech for the position of 1stVDG. Thanks to PDG Dennis and PDG John for a wonderful convention.

First of all, thank you for all you do to serve others. I appreciate your support and with your help, I hope I may continue to lead District 14-C in a positive direction. A while back I did a training for Tail Twisters, it mentioned 3 duties for that position, which I feel are important to remember: 1) to promote harmony 2) promote good fellowship and 3) show enthusiasm. These are areas, I hope to foster in the district. There were also 3 Fs for successful meetings 1) fellowship -again made the list, along with 2) Fulfilment and 3) FUN. Of course, we could add a 4th F of food. I also pointed out that an adult Lion *rests or sleeps* 16-20 hours a day, (of course we as Lions are much busier answering the call of those in need.) Again, thank you, I am humbled and look forward to working with DG Keith and his leadership team in the upcoming year.

Hope to see you in Valley Forge, I heard all bets are on for a great State Convention.

District 14-C Convention

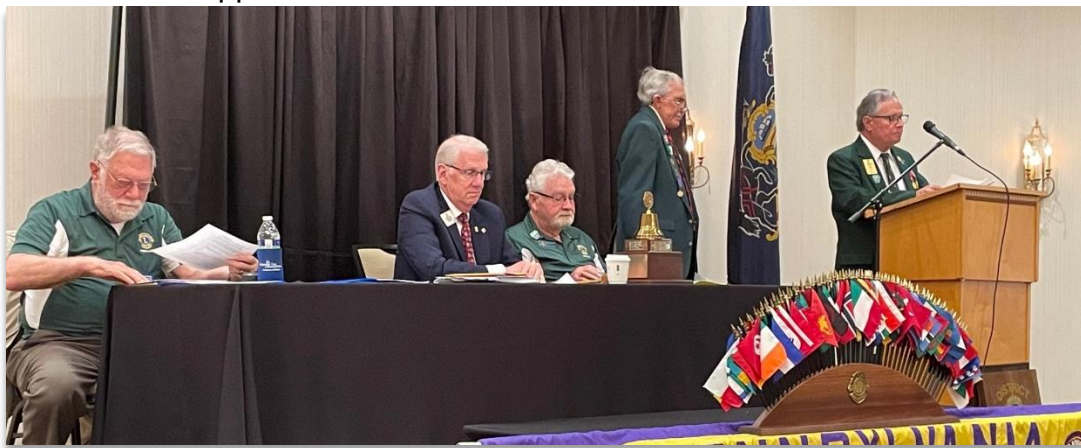

We Came, We Saw, We Got on Board!!

The 2022 District 14-C Convention is now history, and it was a great success. The theme of the convention was *All Hands On Deck*, mirroring District Governor Dan Brant's theme for this year. The Lions of District 14-C were challenged to get on board with new service initiatives, recruiting members and letting our communities know what we do. 77 Lions attended the convention and 26 Lions stayed for dinner following the convention, where they heard our International Guest, Past International Director Dr. Edward V. Cordes, speak about KidSight USA Foundation and the importance of early childhood vision screenings.

PID Cordes was also the Keynote Speaker during the convention, bringing us greetings on behalf of International President Douglas Alexander. During his remarks, he spoke about the challenges our clubs face as they emerge from the COVID-19 pandemic; and he reflected on our traditional commitments to help those with vision and hearing impairments. He also encouraged us to embrace new challenges and identify emerging needs in our communities. He spoke about the need for Lions to raise our visibility in the communities we serve in order to attract new members. In addition, Dr. Cordes asked us to take stock of our current practices to be sure they are not a hinderance to attracting new members.

The convention opened with a brief Cabinet Meeting. The Cabinet meeting was followed by the annual necrology service, which was led by District Chaplain Lion Rodger Snyder. Lion Rodger recited the words to a hymn that focused on service. A slide show containing the names and pictures of deceased Lions accompanied the reading of the names and sounding of the bell. Next up was the Keynote Speech by PID Cordes, and this was followed by the presentation of several awards, including the PA Counsellors' Distinguished Service Awards, Leo of the Year Award, and International President's Certificates of Appreciation.

PDG George Reisinger presenting the names of candidates for District Governor and Vice District Governor.

District 14-C Convention

Nominees for 2022-2023 District Governor, First Vice District Governor and Second Vice District Governor were presented to the convention along with nominating speeches. Voting followed, and Lion Keith Shoff (Brogue Community Lions Club) was elected as District Governor, Martin Zimmerman (Stewartstown Lions Club) was elected First Vice District Governor, and Galen Burkholder (Shippensburg Lions Club) was elected Second Vice District Governor.

Following the voting, convention attendees were able to choose one of three seminars. *Raising Your Club's Visibility* focused on using traditional media and social media to help clubs build awareness in the community of the existence of their Lions club and the good work they do. Vice District Governor Keith Shoff, Zone Chair Doug Nace, both from Brogue Community Lions Club, and Lion Don Dippner from Red Lion Lions Club led this seminar and provided a wealth of materials and resources for club leaders to utilize.

Lion Raymond Highlands, District 14-C Disaster Relief Coordinator, assisted by Lion Laura Arnolt, both from the Carlisle Lions Club, presented an overview on Lions Club International Foundation (LCIF) Disaster Relief Program. In his presentation he covered the background and information on what a disaster is and summary on how the disaster response and recovery system works. He presented an overview of the LCIF Disaster Relief program and explained how Lions clubs could benefit their clubs and communities.

The third seminar focused on Action Planning and gave an overview of a strategic planning process that involves using a vision statement and a mission statement generate SMART Goals: **S**trategic, **M**easurable, **A**ctionable, **R**ealistic, and **T**ime-sensitive. A series of action steps is then created that will contribute to accomplishing the goal. Each action step includes a person responsible for its implementation and a deadline for completing the action. This seminar was led by PDG Dennis Cope, Arendtsville Lions Club.

The convention ended with closing remarks by each of the incoming district officers and approval of a date for the 2023 District 14-C Convention, which will be Saturday, April 15, 2023.

Lion Jane Little, Upper Adams Lions Club, and Lion William Scheaffer, Susquehanna Lions Club, each received a Pennsylvania Counsellors distinguished Service Medal from District Governor Dan Brant. District Disaster Relief Program

The [Disaster Relief Program](#) (DRP) is a focus program of the Lions Clubs International Foundation (LCIF). The DRP can be used by Lions Clubs to reach out and touch their communities and to get the Lion's name and logo out in front of the public. Lions International DRP focus on four areas.

- [Disaster Preparedness](#) – plan and prepare for future disaster
- [Emergency Assistance](#) – immediate assistance after a disaster
- [Community Recovery](#) – support for short-term cleanup and repair efforts
- Major Catastrophe – larger scale assistance for long-term projects

The DRP affords clubs the opportunity to work with community leadership, private businesses, and others to prepare for and respond to the unforeseen disasters and events. So why not use the DRP by getting involved with an already established local program or coordinate and begin a new program based on one of the monthly focuses. If you have questions or want to learn more; please reach out to the DRP Chairperson, Ray Highlands at carlislelionray@comcast.net.

May's Readiness Focus

Wildfires

Most people when they think of wildfires, they think of the devastating fires on the west coast, but a wildfire can happen in any community. Pennsylvania averages about 1,100 wildfires annually. Learn more about the wildfire danger at www.ready.gov/wildfires, www.usfa.fema.gov/wui, or [PA DCNR wildfire page](#).

National Hurricane Awareness Week

Hurricanes are dangerous and can cause major damage from storm surge, wind damage, rip currents and flooding. Atlantic Hurricane Season is from June 1 to Nov. 30. Knowing your risk and how to staff safe could be the difference between life and death. Learn more at www.ready.gov/hurricanes.

Don't Fry Day

The Friday before Memorial Day is [Don't Fry Day!](#) No, this is not don't cook by frying food, this is don't fry you skin day. The National Council on Skin Cancer Prevention designated the Friday before Memorial Day as *Don't Fry Day*. The council's goal is to encourage sun safety awareness by reminding everyone to protect their skin while enjoying the outdoors.

New Freedom Cleans Up a Local Stream

The New Freedom Lions Club along with volunteers from Envirothon cleaned the stream running from Marge Goodfellow Park through NF Green to an area behind some local buildings in town (approximately a half mile of stream). They collected trash, debris, trimmed bushes, cut down overgrown trees, and retrenched the silt in the stream bed to assist with drainage and storm run-off.

Mechanicsburg Renaissance

In 1820, 1 West Main Street in Mechanicsburg was designated to become a community park, the “civic soul” of the town. Instead, a church stood on the square for 100 years. Then, in 1954, Hurricane Hazel ripped through Mechanicsburg damaging the church. Several years later, a one-story brick building took its place. Lion Jayne Drake, Executive Director of the Downtown Mechanicsburg Partnership, spear-headed the demolition of this brick building on the corner of Main and Market Streets. On March 26, 2022, a cold and rainy day, marked the demolition of the building so that the land will be returned to its original intention as a community centered space. The Mechanicsburg Lions club was a sponsor to this historic event and collected items for the Time Capsule as well as promoted our mission of service. Lion Bob Buhrig was also a sponsor and provided all the tables, chairs, water, and bricks for children to paint. The community can’t wait for this beautiful outdoor space to be enjoyed by all.

Hanover Supports Local Businesses with Benches

Throughout the Hanover community, the Hanover Lions Club has donated numerous sitting benches with the support of several local businesses. Bench locations include various retail stores, community playgrounds, the YMCA Walking trail, and the local hospital. From time to time, these heavily-used benches, exposed to the four-season weather, require maintenance and upgrading. Lion Gerry DeGroft (left) chairs the project, makes the benches, and delivers them. He also oversees their respective maintenance. This spring, he worked with Lion Todd Boller (right) to repair the bench at the entrance of the Hanover Chestnut Street Market House. Nice job, fellas!!

Paws for Thought

**Leader Dog Puppy Raiser
Robbie Teal**

Aww, Spring is in the air. What says Spring more than children and puppies outside playing in the warm sunshine. Since I have been writing this article I have written a lot about training and prepping for a puppy. But raising a puppy for Leader Dogs is not all about the work you put into a puppy. There are lots of fun times and funny stories that you can share. I know a lot of Puppy Raisers set a schedule for daily training. But I view raising a Future Leader Dog a little differently. Grocery Stores are great for distraction training, especially having the puppy being exposed to little children. As if the sights and smells in a Grocery Store aren't enough of a distraction, having youngsters walking by or up to a Future Leader Dog can be a challenge and educational. They always want to pet the puppy and it is a great time to work on sit/stays or down/stays as I talk to the kids and their parents about how to approach a service dog. My speech goes something like this, "Thank you for asking to pet (or show interest in) Future Leader Dog for the Blind Killian. He is about 9 months old and is learning to be a guide dog for a blind person. He is a working dog and whenever you see a working dog with their owner, you should never approach the dog without asking first. These dogs are trained not to seek attention as they are focusing on the needs of their owner." That often leads into more conversation about working and training service dogs. As the saying goes, "Kids say the darndest things" and I've heard a few of them.

My 3-year-old Granddaughter Michaela and Killian are the best of friends. She calls him, "My Killian." The other day, she was helping "Nanny" weed the flower bed by the fence. We were in the flower bed while Killian was in the yard on the other side. Michaela had on her little gloves and trowel digging away, when I looked over to see she was actually digging under the fence with Killian's nose poking out. I asked her what she was doing, and she told me she wanted to see Killian. I'm sure Killian was lending a "paw" to help in this escape plan on the other side. On another day, I was hanging out the laundry with Michaela and Killian playing in the yard. I looked over and Killian was "pooping" all of the sudden, Michaela dropped her pants and squatted down. I yelled, "Michaela! What are you doing?" She said in that 3-year-old voice, "I poop with Killian." I nearly busted a gut trying not to laugh as I got her into the house. There is never a dull moment with those two!

Mt. Holly Provides Blessings

The Mt. Holly Springs Lions Club instituted a Blessing Box to help those in need of food and household supplies. Each month, a different organization sponsors the box by keeping it stocked. The box is available 24 hours day and every day. The response for giving to help supply the box and appreciation for the food and supplies has been overwhelming!

We are truly blessed to live in the Mt. Holly Springs community.

Vision Screening Update

April was another busy month for vision screenings around District 14-C. We are now over 5,000 people screened since July 1, 2021! Things have slowed a bit, but there are still four clubs conducting screenings between now and the end of this Lions year. Look for a complete report of 2021-2022 activities in the July newsletter.

Lions International Peace Poster Contest

Please appreciate this bright and beautiful peace poster created by Jack O Brien, a 13-year-old from New Mexico and sponsored by the Sandia Mountain Lions Club! Many connections of the flags of the world are depicted in Jack's poster. Jack was one of 23 merit winners from this past year's contest in which the theme was "We Are All Connected." For Jack's hard work and insight, he was awarded with a prize of \$500!

We, also, want to express a sincere congratulations to Shreya Zoy, a 13 year old from India sponsored by the Mannuthy Agri City Lions Club, who won the grand prize in the Lions International Peace Essay Contest for the year 2021-2022! I was very impressed with Shreya's expression of our many connections as a human race. Shreya's last paragraph of her essay truly sums up our human interdependency and the necessity for our connectivity to bring peace to our world.

"We Are All Connected" by Shreya Zoy

We all know that comforting feeling when we are being physically embraced, feeling heard, emotionally understood and supported by another human being. This warm human connection is very important in maintaining our overall emotional and physical health.

There is a saying in Sanskrit 'Vasudhaiva Kutumbikam' mainly "the world is one family". Certainly we can see that the whole world is populated by people who are working to attain same things - happiness, peace, security, resources like food and shelter and hopeful future.

Our real identity is not whether we belong to a certain ethnic group or culture. Yes, we may follow different paths or religions but these can be changed and the soul is above all such temporary designations. and the nature of soul is to love and be loved. Happiness is found in relations and no happiness is more than a deep loving relationship. But the highest relationship is that when we are spiritually devoted to the supreme being, the ultimate lovable object. That is eternal spiritual path.

By having a solid knowledge of spiritual knowledge, we automatically are respecting all others regardless of their race, sex or species. This brings moral and peaceful social behaviour in everyone towards, everyone. By having respect for everyone's spiritual identity, parts and parcels of Lord, also gives us innate happiness. We can understand that we are visiting this planet for a short time and we are all in this together.

It is after thousands of destructive wars, humans realized the importance of peace. It applies on every angle like wars, pollution, natural disasters and more.

When peace and harmony are maintained, things will continue to run smoothly without any delay. Moreover, it is a savior for many who do not like to engage in destructing activities and more.

I think there is another deeper lesson from Covid-19. A lesson about our interconnection and interdependence. It is now clear that if we follow the right measures of our own, if we wash our hands, if we wear a mask, follow proper social distancing, then we may prevent ourselves from Covid.

Unless we are working to make those decisions and choices, then we aren't able to open the school, workplaces are not going to back up and running, our healthcare systems will be continued to be overtaxed and society won't essentially set up.

And, one of the lessons of Covid is we can't respond alone. So, we have to mount a unified, thoughtful response. Unity is not just on a country basis, but between countries. We must be able to work together and put our common welfare ahead of our individual choices.

If we want to build a unified response to Covid and future pandemics, we recognize that we are truly connected and we depend on one another.

To conclude,

We are birds of the same nest, wearing different skins, speaking different languages, believing in certain religions and belonging to different culture - yet we are in the same home - our earth. Born on the same planet, covered by the same skies, gazing at the same stars and breathing the same air, we must learn to progress together happily. For humans can live individually but can survive only collectively. "YES, WE ARE ALL CONNECTED."

The theme for the 2022-2023 Lions International Peace Poster Contest and Peace Essay Contest is **"Lead with Compassion."** Please consider offering the opportunity of creating a poster or writing an essay (for visually impaired children) by sponsoring an organized group of students to participate.

The organized group of students could be from a public/private school, scouting group, homeschool group, church youth group, teen volunteer group, etc. Students must be 11, 12, or 13 on November 15 to be eligible to participate. Please let me know if your club needs a Peace Poster Kit. I still have a supply of them and will make sure your club gets one. The kit includes the contest rules and guide for the club, the contest rules and guide for the participating students, a participation flyer (this flyer shares the information about the contest with the parent/s), a winner sticker to be place on the back of the winning poster, an achievement award certificate, and a certificate of appreciation for the participants. The essay contest rules and application form are available on the LCI website.

If you would like to discuss how to sponsor a Peace Poster Contest/ Essay Contest for your club, contact Lion Patti Hullmann, Jacobus Lions Club District 14-C Peace Poster Chairperson. For more information, email me at hullmannt@aol.com or call (717)428-3659 or (717) 600-7642.

As said by Henry Wadsworth Longfellow, "Youth comes but once in a lifetime."

Let's take advantage of the wonderful youth we have in our district by allowing them to share their wisdom about world peace through the creation of a poster or the composing of an essay.

Humanitarian Support for Ukraine

Lions' clubs have come together in cooperation with Carlisle Events and the Salvation Army to collect donations for Humanitarian efforts in Ukraine.

Beginning with Carlisle Events' Spring Carlisle show and running through the Fall Carlisle show at the end of September, members of District 14-C lions clubs will staff gates collecting donations marked for Ukraine.

Carlisle Events advertises in multiple medias and lions have been included in local news broadcast, banners, and newsprint getting the word out about Lionism.

Carlisle Events may have called the Carlisle Lions club, but this effort will take multiple clubs to ensure the success. Currently clubs from Zone 2a have stepped up and staffed the Spring Carlisle Show. However, with one show completed and 7 more to go, additional lions may be called to ensure we have staffing for future events.

Future dates:

CARLISLE
Events

- Carlisle Import & Performance Nationals – Friday and Saturday, May 13 and 14
- Carlisle Ford Nationals – Friday and Saturday, June 3 and 4

DISTRICT 14-C LIONS CONVENTION "All Hands On Deck"

Lions, Leos and guests are cordially invited to attend the 2022 District 14-C Convention on Saturday, April 23, 2022, at the Wyndham Garden Hotel in York. Registration for this year's convention will begin at Noon with the opening of the convention scheduled for 1:30 p.m., followed by an afternoon filled with interesting and informative activities. The fourth District Cabinet Meeting will precede the opening of the convention and begin at 1:00 p.m.

Following the opening of the convention, our District Chaplain, Lion Rodger Snyder will honor our recently deceased members by leading the District 14-C Necrology.

Our Keynote Speaker, Past International Director Dr. Edward V. Cordes, will follow the Necrology with an inspiring message focused on how service promotes membership and develops leaders. PID Dr. Cordes comes to us from Corning, New York, and served as International Director from July 1996 through June 1998. He is a retired optometrist and has been a Lion since 1976. In 2014, he was appointed chairperson of Lions KidSight USA, an initiative to create a national vision screening program for kids 6 months to 6 years, in which all USA Lions Clubs can participate. He has received numerous association awards and is a Progressive Melvin Jones Fellow. PID Dr. Cordes will be joined by his wife, Lion Gail Cordes, who is also a Progressive Melvin Jones Fellow.

PID Dr. Cordes and District Governor Dan Brant will honor several deserving Lions with awards following the Keynote Address. After a short break, we will conduct our annual District Caucus and Election of District Officers. This is an opportunity to learn about the candidates who have agreed to run for District Governor and Vice District Governor for the upcoming year before casting your vote.

Three "breakout" seminars have been scheduled following the voting. "Raising Your Club's Visibility Using Traditional and Social Media" will focus on ways to build awareness of your Lions Club in your community. The seminar will include effective ways to use various forms of social media as well as traditional media. "Disaster Relief - Planning and Response" will look at ways our clubs can serve their own communities and other communities by developing relationships with local emergency management personnel. "Action Planning - It's How Stuff Gets Done" will guide participants through the process of developing S.M.A.R.T. Goals and an action plan to achieve that goal.

Following the seminars, we will have a report on the election and hear from our Governor-Elect and Vice Governors-Elect. After some closing remarks, the convention will end.

All interested Lions are welcome to join our International Guests and District Leaders for dinner at the hotel following the close of the convention. This will be a casual order-from-the-menu, pay-on-your-own affair in either the hotel restaurant or in the Crystal Ballroom, depending on the number of people interested in staying for dinner.

We look forward to a great convention and a great turnout for our 2022 District Convention!

We're rallyin' the troops at Valley Forge!

Lions Mission: "We Serve"

Who are the Lions?

Founded in Chicago, Illinois, in 1917 by businessman Melvin Jones. Since its inception, Lions Clubs International has been dedicated to helping those less fortunate in their communities and around the world. In 1925, Helen Keller challenged the members to be "knights of the blind." "We Serve" became the association's official motto in 1954.

Dallastown Asks for Help With Mental Health Awareness Month

The Dallastown Lions Club would like to ask our entire district family for support during the month of May by changing out your outdoor lights with a green bulb in support of Mental Health Awareness!

Since the Building Bridges for Brianna organization came to our club and told us about all of the suicides in the schools around us, we have become aware of this overwhelming issue with our youth. With all of us working with our Leo Clubs and the young people in our communities, we need to be aware that this silent killer is always present.

We are asking to help us inform our communities that this is ever present in the lives of our young people and if we can learn how to help with this illness, we can better serve everyone.
