## Message from the District Governor

*District Governor  
Kerry McKnight*

Hello fellow members serving in District 14-C,

I appear to have finally recovered from the jet lag that I encountered after the flight home from the Lion's International Convention in Japan. Since Fukuoka is 13 hours time difference from Pennsylvania, I felt like going to bed around noon most days. But, it was worth every minute of the

28 hour trip each way.

Your District 14-C has several activities either underway or scheduled for the near future. The very important "Kindsight USA" screening program, which has been in development for the past year, has screened hundreds of children's eyes. Also, Global Membership Training has begun for club Membership committees.

The first 14-C Cabinet Meeting of the year will be held August 20th, 9:30 A.M. at St. John the Baptist Catholic Church, 315 North Constitution Avenue, in New Freedom. Our guest speaker will be MD14 Centennial Coordinator PDG Elizabeth

Moffatt. She will fill us in on the events pertaining to Lions Club's 100th anniversary. Dress code is CASUAL!

There will be a feature that will make this Cabinet Meeting a little different. As a fundraiser to benefit Diabetes Awareness, immediately following the meeting we will be holding a "Strides Walk" for those that would like to participate. Several Lions from our District walked in one at the USA/Canada Forum last year. Cost is a \$10 donation to District 14-C Diabetes Awareness. Everyone walking will receive a "Strides" pin. We will gather at the municipal parking lot in New Freedom adjacent to the Heritage Rail Trail that goes through town. You will be able to stroll leisurely, at your own pace, as far as you care to walk.

So lace up your sneakers and join us for a combination Cabinet Meeting/Fundraiser/Good Time! See you there.

ALL ABOARD TO SERVE

# From the First Vice District Governor:

## Fellow Lions, Lioness, and Leos,

The “dog days of summer” have finally arrived! The temperature on the thermometer reads 95 degrees as I write this message, but I hope cooler

*First VDG Dennis Cope*

temperatures and some rain arrive by the time you read this.

I am writing this message having just completed our first GMT (Global Membership Team) Membership Growth Workshop. Three clubs sent teams to this training: New Freedom, Weiglestown, and York New Salem.

The morning was spent helping these teams develop action plans to promote membership growth in their clubs. This workshop will be repeated three more times between now and the end of September in different locations throughout the district: August 27th at the Jacobus Ambulance Building, September 10th in the Gettysburg Area, and September 24th in the Carlisle area. I encourage every club to send a team of 3-5 members to one of these workshops and develop a plan to grow your membership. A registration form is on page 3.

July was a busy month, which included planning for the GMT workshops, conducting vision screenings, and visiting Beacon Lodge for Lions Appreciation Day. August will bring a visit Leader Dogs near Detroit, our first cabinet meeting for the year, and our second GMT workshop. Those activities, along with my own club's fundraiser at the South Mountain Fair will make for another busy month. Busy is good, especially when it comes to Lions work. I find the time and effort given to Lions activities both fulfilling and rewarding. I'm sure you agree, and that is why *YOU* are a *LION* and why you live our motto - *WE SERVE!*

Yours in **SERVICE**,

# Welcoming Families and Women

*from our Family and Women's Specialists*

Lions Clubs were founded by Melvin Jones in 1917 in his home town in Illinois. Typical of the time period, Mr. Jones started this wonderful organization with his fellow male citizens, even though he was known as a family man. Over the years, men joined this volunteer organization to give back to their communities. As time passed, women became interested in volunteering in community organizations, and it was slowly becoming acceptable for them to do so. They were not able to join the Lions, so they started their own auxiliary organization, Lioness Clubs, in December 1975.

Lions Clubs began to be more inclusive and have been encouraging women to join with them in our fight for sight. With women come families. Our children learn how important volunteering is, not by what we say, but by what we do. Getting our kids started in volunteering should not be done in high school as a resumé enhancer, it should be started at birth as a symbol of respect for your community.

## Introducing Us

Mike comes from a family of volunteers. Like most returning military veterans, his dad continued his service to the community by volunteering with his local fire company, serving on borough council, and contributing to other community organizations. Mike was raised seeing his parents give back, and he taught that valuable lesson to his wife Theresa from the moment we met. When our daughter Samantha was born, she started visiting the fire hall with grandpa, working at the Lions Club events with mom and dad, and being part of the Pennsylvania Lion All-State Band for several years. When she was in eighth grade, she decided that she wanted to be part of her school's Marine Corps JROTC and Dallastown's Leo Club. Both organizations are based on volunteer service to their community.

Lions, like many volunteer organizations that we deal with through our business, invited the family to become active and contribute. Lions Clubs have Leo Clubs in our high schools and in our colleges. When our children leave school and move toward adulthood, what they have learned, seen, and done throughout their young lives shapes them into the

*continued on page 3*

# Welcoming Women and Families (continued from page 2)

volunteers of tomorrow.

All volunteer organizations are suffering from a loss of volunteers. Welcoming spouses and family members into the Lions family will ensure that the generations to come will continue the strong tradition of Mr. Melvin Jones and all of those Lions who have come before us.

## Help Make Us Stronger

Make Lions a strong organization and bring in your spouse and family, to join our family in making our communities a better place for everyone. This is why we have agreed to volunteer for this position in educating all of our members in the benefits of bringing their families to ours. We will

try to accomplish this by highlighting a Lion 'family' in our district each month. Look for our articles in this newsletter and you might be surprised to find one of your own.

# Peace Poster Contest and Essay Contest

## **“A Celebration of Peace”**

**Lions of 14-C—make this year be the year to participate in the Peace Poster Contest with your club. Now is the time to order your kits for the Peace Poster Contest for 2016-2017!**

Order a kit online by following *this link* or call Club Supplies Sales at (630)571-5466 or 1-800-710-7822.

**The 2015-2016 winner of the Peace Poster Contest was Yumo Zhu, a 12 year old student from China.** The theme was, “Share Peace.” As quoted from the Lion Magazine, “Art is open to interpretation, but, Yumo’s creation seems to suggest that like a cake oozing with delights, peace is a sweet deal that comes with cherries on top.” Is there anything more “sweet” than world peace?

### **Offer the Opportunity**

The peace posters submitted this past year from the Lions Clubs of 14-C were absolutely incredible. By just looking at the posters, one could see the amount of research, time, thought, and creative talent that was invested into each poster.

But, we need more clubs to be participating and giving this incredible opportunity to our youth! Encourage a volunteer from your Lions Club to offer the opportunity to a classroom of children, a Scout troop, a baseball team, a Sunday School Class or a Youth Group to participate in the Peace Poster Contest. Some of our Lions Clubs and schools have made it a tradition which both groups look forward to annually.

Remember one kit must be purchased for each group your club sponsors.

### **This Year’s Theme**

The Theme for the 2016-2017 Peace Poster Contest is, “A Celebration of Peace.” Students ages 11, 12, or 13 on November 15, are eligible to participate. The last date to order a kit is October 1, 2016.

Order your kit by clicking *here* or calling the numbers above.

Each year, Lions Clubs around the world proudly sponsor the Lions International Peace Poster Contest in local school and youth groups. This art contest for kids encourages young people world wide to express their visions of peace. For more than 25 years, millions of children from nearly 100 countries have participated in the contest.

### **Essay Contest**

Lions Clubs around the world are, also, encouraged to sponsor students in the Lions International Essay Contest. This essay contest was created to offer an opportunity to visually impaired young people to express their feelings of peace. The theme of the 2016-2017 International Essay Contest is “A Celebration of Peace.” Students who are visually impaired and who are ages 11, 12 or 13 on November 15, are eligible to participate. For the essay contest rules and application form, go online to *this link*.

Any questions, please contact Lion Patti Hullmann at [hullmannt@aol.com](mailto:hullmannt@aol.com).

## DG Kerry's First Club Visit

*District Governor Kerry made his first official visit as Governor to the Dallastown Lions Club on July 12. Here Dallastown Lions President Theresa Craley presents a donation to him for the District Governor's project fund.*

## Our District Celebrities

International President Bob Corlew told the Partners in Service of the new District Governors at the International Convention that the best way they can support their DG partners is to become Lions.

Lioness Debbie McKnight accepted the invitation and joined the New Freedom Lions.

See this link ([click here](#)) for the full article in the Lions blog on the International website.

## Search for Baskets Continues

The search for baskets continues for the State Council Meeting October 28-30 in Grantville.

In addition to my request for each Lions and Lioness Club to provide a basket for the Basket Raffle at the October State Council Meeting I picked up two baskets at the Beacon Lodge Christmas in July Basket Raffle held July 17 during the Lions Appreciation Day celebrations. A \$10 investment won me a basket provided by Council Chair Karen Brady of District 14-K and a basket provided by PDG Estella Kristiniak of District 14-A. I thank them both for their lovely donations which I am in turn donating to the October Basket Raffle along with a third basket that my wife Lion Gloria Ann is putting together.

For each club, I would prefer that you arrange with a Past District Governor or Zone Chair to deliver your basket to Holiday Inn in Grantville if you can't get it there yourselves. I will be need the baskets as close to 8:00 AM as you can get them there on Friday, October 28. The earlier we have them, the more time there will be for people to buy chances on them.

I will also need some volunteers who are attending the Council Meeting to help sell raffle tickets both days and hold the drawing on Saturday afternoon.

I appreciate your efforts to provide baskets and help with the raffle.

# Making a Difference for Sight

Fellow Lions, Lionesses and Leos,

As a new year begins for District 14-C, I'd like to introduce myself.

I am Bonnie Hensel – a mother of three adult children with varying stages of Retinitis Pigmentosa (RP - a potentially blinding inherited retinal degenerative disease), grandmother of an 8-year-old boy diagnosed with the disease when he was four, President of the Shiloh Lions, Board Member of the Foundation Fighting Blindness, and now your new Sight Conservation and Eye Research Chair.

As you can see, I have a very personal vested interest in sight conservation and research. When my children were diagnosed, we were told to get them Seeing Eye dogs and teach them braille, that there is no known cure or treatment and they will go blind. Thanks to people like the Lions, Lionesses and Leos who help support eye research, that is no longer the case. Treatments, if not cures, are on the horizon.

As you can also see, my main focus will be on the retinal degenerative disease research. This does not mean, however, that it will be only for RP. Macular Degeneration is a more widely known retinal degenerative disease, affecting many of our older generation. Most of us know someone who has Macular Degeneration. Shiloh Lions sponsors a special event every spring that supports the Foundation Fighting Blindness Research for these retinal diseases.

I will be glad to speak at your clubs about the research and share any information I have. I look forward to working with you for this cause. Together we can make a difference.

Yours in Lionism,

*Lion Bonnie Hensel*

# Eye Screening Project

The District Eye Screening Project has completed several successful pilot events during the months of June and July.

To date over two hundred children have been screened at various locations throughout the District. The referral rate has come in higher than the expected national suggested level, which was five (5) percent for the twenty-five (25) million to be screened. Our current level is at about ten (10) percent.

## Coordinators

The committee is now ready to assist any Lions Clubs who wish to venture out and plan a screening in their respective community. Coordinators have been designated for each county in the District. Lion Gail Fridenvalds and 1st VDG Dennis Cope will oversee Adams County; Lion Gloria Anne Hilsinger and Lions Jill and "Peck" Freeland will coordinate Cumberland County, and PDG Shirley Starner and Lions Rebecca Krout and Wanda Reisinger will assist clubs in York County.

Clubs are asked to contact any of the above mentioned individuals to schedule an orientation several days in advance of the planned screening date. This purpose of the orientation is to go over suggested guidelines formed by the committee, to handle the equipment and learn how to set up the area where the screening will take place.

Please direct any questions to PDG Shirley [sas2953@comcast.net](mailto:sas2953@comcast.net) or phone 717-764-6669.

This is an exciting time in the District and the project is most interesting and rewarding for all who participate.

Lion Steve Shipman (Dillsburg Lions) has taken over the editorship of this newsletter, giving Lion Dennis Meckley a well-deserved retirement (or is it just a break) after the many years he has done it so faithfully and well. Many thanks to Lion Dennis, who is also helping immensely in the transition.

Lion Steve needs your news and information. The best way to get him items is to send pictures as JPEG files (they don't look as good if he takes them from your PDF), and text as either a Word document or a Rich Text Format (rtf) file. He cannot open WordPerfect or Microsoft Publisher files, and please watch your Word settings so they don't come to his Mac in the infamous winmail.dat format.

Send him items at [prsteveshipman@gmail.com](mailto:prsteveshipman@gmail.com), or call or text him at 570-916-7780. If you have not entered the computer age, his snail mail is 436 E Ridge Rd, Dillsburg PA 17019.
