District 14-C

December 2016

Message from the District Governor

Lions District 14-C family,

I am so proud of our Lions. Everywhere I have been throughout our district, the one thing that resonates is that our Lions want to serve. The love of Lionism and the passion to serve those less fortunate has been demonstrated to

me time and time again. At every turn, I walked away energized and revitalized knowing that good things were being done all over our district.

I have thoroughly enjoyed ALL the club visits. Here is a reminder for Club Presidents — Please review the Pennsylvania Counsellors Distinguished Service Award instructions and application included in this newsletter [[click here](#)]. This is an opportunity to recommend a Lion from your club to be honored. I hope to see many applications because I have met many Lions that are deserving of this

prestigious award.

Our District contains many Lions that are second or third generation of serving our organization, including myself. I would like everyone to think about asking a family member to join you in Lions Clubs. Even if they do not reside in York, Adams, or Cumberland counties. Lions are needed everywhere. Share your ROAR!

Lion Deb and I would like to wish a very Merry and Blessed Christmas to you all. May you find warmth of the season with your families – and with your Lion family.

ALL ABOARD TO SERVE,
DG Kerry

DISTRICT 14-C CONVENTION

**Keynote Speaker —
PID Cindy Gregg**

Saturday, April 22, 2017

Registration Begins 12:30 PM

Wyndham Garden

2000 Loucks Road, York, PA

**Join us as we celebrate 100 years
of Lions Service**

From the First Vice District Governor:

Greetings Fellow Lions, Lioness, and Leos,

In last month's newsletter message, I discussed the need for proper orientation of new members and highlighted a cornerstone principle of Lions, which

First VDG Dennis Cope

appears in Article XII of the *Standard Club Constitution*. The two sections of this article read as follows:

Section 1. PUBLIC (ACTIVITY) FUNDS. All funds raised from the public must be returned to public use, including money accumulated from invested public funds. The only deductions that may be made from the activity

accounts are the direct operating expenses of the fundraising activity. Money accumulated from interest must also be returned to public use.

Section 2. ADMINISTRATIVE FUNDS.

Administrative funds are supported through contributions from members through dues, fines and other individual contributions.

Many of our clubs are facing financial challenges when it comes to covering club administrative expenses. As a result, clubs must make difficult decisions regarding increasing dues and/or reducing expenses. Both of these actions hold the potential of adversely affecting membership. Increases in dues may be unaffordable, particularly for members who are on fixed incomes. Reducing expenses probably means changes in club activities that have been long-standing traditions or charging additional fees for things that once were included in a member's dues.

To avoid the difficult decisions regarding coverage of administrative costs, it is very tempting for clubs to look for creative justifications to use project funds (funds raised from the public) to cover administrative costs. It is imperative for the integrity of our Lions organization that club officers and boards of directors be vigilant in not letting this happen. Clubs need to keep separate project and administrative ledgers, and club treasurers need to be sure that the funds in each account are not spent inappropriately. While benefits such as social engagement and camaraderie enhance our expe-

rience as a Lions club member, they cannot become the primary focus of our clubs' activities. As Lions, we conduct fundraising projects to fulfill our primary mission - SERVICE to our communities and the world. Use of project funds to benefit club members is contrary to the principles of our organization, and we must guard against inappropriate use of these funds.

Keeping members informed about the basic principles of Lionism will help mitigate potential membership losses when difficult decisions are made regarding dues increases and changes to club operations. Take time to make sure your members are well-informed about the basic principles of Lions club.

Yours in Service,
Dennis Cope

District Centennial Coordinator Named

Past Council Chair and Mechanicsburg Lion Terry Hartzell has agreed to serve as the District Centennial Coordinator for District 14-C.

PCC Terry has been a Lion for more than 38 years. In that time he has served as a club president, Cabinet Secretary, District Governor (20E-2, the Finger Lakes District), and Council Chair in 2013-14 for New York State and Bermuda. He received the International President's Award during his Council Chair year and is a Melvin Jones Fellow and a Certified Guiding Lion.

PCC Terry indicates that his goals are to lead through service, invite for growth, and connect with the community. He will work with the clubs to share with the district the centennial projects the various clubs have undertaken, how they are inviting new members, how they are serving more people, and finally, how they are making a lasting effect on their communities.

Lions as a Family Affair: Introducing the Nace Family

Lionism can be a family affair. Many Lions clubs are struggling with dwindling numbers and are looking at adding family members as one way to increase their membership. No one knows more of what is involved or expected of our volunteers better than the child, sibling or spouse of a current Lion. A great example can be seen in our two third generation brothers in Lionism, Doug and Eric

Nace, who serve with the Brogue Lions Club.

To say that Doug and Eric grew up within the “lion’s den” is an understatement. Their grandfather, Stewart Bahn and step-grandfather, Roy Yost, were member of the Glen Rock Lions

Club and Doug remem-

bers when Roy and other Glen Rock Lions founded the volunteer ambulance service in Glen Rock. Lion Roy was a past president of the Glen Rock Lions.

Their father, Samuel Nace, grew up in Glen Rock, then joined the Brogue Lions Club in the 1940’s and ultimately served as Past President, Bulletin Editor, District 14-C - District Secretary, Regional Chairperson, Zone Chairperson and Public Relations Chairperson. In addition to service with the Lions Club, Sam also served with the New Bridgeville Volunteer Fire Company. Sam’s brother, Harold is currently a member of the Manchester Lions Club in Maryland.

Lionism was a family function for Sam, as his wife and both young sons became immersed in more events in Lionism. Doug attended his first State Lions Convention at the age of 11 and remembers helping with fundraisers, Lion family picnics

and visiting Beacon Lodge. The entire family helped with ham suppers, pot-pie fundraisers and other projects held at various area churches and the Chanceford Elementary School. In addition to these activities, Doug remembers attending Lion’s Conventions, and that his mother and other spouses of Lions were respectfully referred to as Lionesses long before the official creation of Lioness Clubs.

Doug and Eric both joined the Brogue Lions Club on the same night over 20 years ago and continue the third generation of community service by their family. Both have held various offices in the Brogue Lions Club. Lion Eric served as past president and past secretary, and Doug currently serves as treasurer and has served as past president, Bulletin Editor, Public Relations and Song Leader and currently serves as Chairman of Zone 4-B. He has also served as past Environmental Awareness Chairperson and Public Relations Chairperson. Their community service extends beyond the Lions Club with Eric serving on church council at St. Luke’s Lutheran Church and Doug about to complete his 22nd year as President of York Rifle Range Association.

Lions Doug and Eric serve as shining examples to all clubs and their members of what we can accomplish by embracing family and women into membership to increase our ranks and continue our tradition of service with the future of their club, zone and district.

LIONS CLUBS INTERNATIONAL FOUNDATION (LCIF) FIGHTS DIABETES

Lions by way of LCIF:

- We "Lions" Give Sight
- We "Lions" support Youth
- We "Lions" provide disaster relief
- We "Lions" address Humanitarian needs

Diabetes program enables Lions to realize a variety of initiatives to prevent and reduce the impact of diabetes as a public health concern. Diagnosed and undiagnosed **diabetes** in the **United States** Total: 29.1 million people or 9.3% of the population have **diabetes**.

Undiagnosed: 8.1 million

people (27.8% of people with **diabetes** are undiagnosed). Over time, diabetes can damage the heart, blood vessels, eyes, kidneys and nerves, and the overall risk of dying among people with diabetes is at least double the risk of their peers without diabetes. Lions support the expansion and enhancement of diabetes *education, prevention and treatment program*.

Yes, this is the time of year we think of those less fortunate than us. Support the needy in your community and remember LCIF, thousands of dollars have been returned to our district in the form of grants.

Lions Clubs of District 14-C invite me to one of your club meetings for a 20-30 minute presentation on LCIF. I will be able to show you the many ways to donate to LCIF.

Make a Difference for Hungry People

The Pennsylvania Lions Centennial Convention in May 2017 will include several service projects, based on the four pillars of service from Lions International. The main project will be assembling high-calorie food pouches for 30,000 individuals.

PDG Tom Gregg, Host Committee Chairperson, notes that we will be working with a group called Stop Hunger Now. It will be a joint project of the Pennsylvania Counsellors Association and the Host Committee. The intention will be to continue the project, perhaps on a smaller scale, at a Council Meeting each year.

The total cost of the project will be \$10,600. PDG Tom is asking for each club to donate \$15 (per club and not per member) to the project from your Activities Funds. The preference is for a check to be issued to each district, who would then forward the checks to the Pennsylvania Counsellors Association. If a club wishes to make a larger donation, any excess funds will be used to fund the ongoing service project.

Clubs that donate to the project will be recognized in the Convention Book.

Pennsylvania Lions will be "Celebrating Our Centennial by Making a Difference Every Day."

PDG Tom asks for your help. Contact DG Kerry for more information.

Plainfield Lions Honor Students of the Month

The Plainfield Lions Club recently honored Elizabeth Anderson (photo on left) as their October Student of the Month, the club's first honoree of the 2016-2017 school year.

Elizabeth is the daughter of Lauren Belden and a senior at Big Spring High School. She is a member of the National Honor Society. During her sophomore and junior years she served as a member of the Student Council. This year she is the secretary of the Dawg Pound club, which tries to build school spirit among the high school students. She is a member of the Bulldogs field hockey team and the Big Spring United Lutheran Church, and works at Green Ridge Village as an assistant Dietitian.

Elizabeth hopes to continue her education at Mansfield University. She has already been accepted at Millersville University. She would like to major in Psychology, eventually obtaining a Master's degree in that major.

In November the club honored Bethany Baker (photo on right).

Bethany is the daughter of Matt and Natalie Baker and a senior at Big Spring High School. She is a member of the National Honor Society and serves as the Big Spring Historian for the club.

Bethany is also Head Editor of the school's literary magazine, and she serves as a Tech Crew Member for the Big Spring musicals. Bethany was a member of the Big Spring Dance Team and currently teaches tap dancing at a local studio.

She has applied to six different universities. Bethany hopes to major in Art Education and Graphic Design.

Dillsburg Lions Celebrate 85 Years of Service

Lions International was still a young organization in 1931 when a group of men in northern York County organized the Dillsburg Lions Club, still the largest club in District 14-C.

The club acknowledged its anniversary at the same time it honored and recognized veterans on Monday, November 14, at the Dillsburg VFW.

Col. Ralph Borja of the US Army War College managed to include both emphases in his address to the group. He had obviously done a good bit of research into the Lions.

Colonel Borja

Pennsylvania State Representative and Senator-elect Mike Regan was present and also congratulated the group. Congressman Scott Perry, a member of the club, was unable to be present because the House was in session, but he sent his greetings.

Dillsburg Borough Council President and Lion John Richardson presented a congratulatory proclamation adopted by the council on the occasion of the anniversary.

Regional Lions Leadership Institute

Your editor, Zone Chair Steve Shipman (Dillsburg Lions) joined a large group of Lions from around the state of Pennsylvania at the Regional Lions Leadership Institute in Harrisburg, November 11-13.

Lions International recognizes that if we are to “Climb New Mountains” of service and to thrive through the next hundred years, trained leaders are a necessity. Hence the many training events held in various locations and online.

Not only did we get to know many other leaders and coming leaders in Lionism from around the state, we were helped to grow in many leadership skills that will benefit us beyond our service to our clubs.

From the opening session where we were all surprised by the things we didn't know about Lions history, through the closing time with our leaders,

we worked on time management, working in teams, diversity, developing a personal mission statement, motivating members, club goal setting, and leadership opportunities.

Every participant prepared and delivered a brief speech to the group. The variety of gifts and personalities made this a highlight of our time together.

Take advantage of the many opportunities to grow as a person and as a Lion. You can climb many personal mountains as you help your club grow ever stronger.

My reaction is that I wish I had taken advantage of opportunities such as this 40 years ago. Don't delay! Lions can help you grow even as you serve others.

Oh, and I am the guy standing at the left of the group as you look at the picture.

You Can Tell Others About Your Club

Lion Steve Shipman (Dillsburg Lions) is editor of this newsletter.

Lion Steve needs your news and information. The best way to get him items is to send pictures as JPEG files (they don't look as good if he takes them from your PDF), and text as either a Word document or a Rich Text Format (rtf) file. He cannot open WordPerfect or Microsoft Publisher files, and please watch your Word settings so they don't come to his Mac in the infamous winmail.dat format.

Send him items at prstevesshipman@gmail.com, or call or text him at 570-916-7780. If you have not entered the computer age, his snail mail is 436 E Ridge Rd, Dillsburg PA 17019. Glossy photos work best. He is happy to retype text. If you give him an idea of how you want your item to appear, he will do his best.

We want to publish on the first of each month, so please submit ALL material at least a week before that date!
