

News from the Lions' Den

District 14-C

November 2016

Message from the District Governor

Lions Clubs District 14-C family,

October had been a very busy month, but I am really sad to see it end. Lion/ Lioness Deb and I had the joy of visiting 11 clubs last month, along with attending the Council Meeting in Grantville. Each club showed us why we

are proud of being Lions and we thank them all for their hospitality and service.

Your District 14-C was the host of the October Council Meeting. I wish to thank PDG Shirley and Lion Clair Starnier, PDG George and Lion Gloria Anne Hilsinger, and VDG Dennis for all their efforts in hosting the Council Meeting. Many of our clubs and zones donated raffle baskets to help cover the cost of the event. We thank you all. It was an Unforgettable weekend.

As I write this, the Lions year is one-third over and our membership in District 14-C is on the positive side. This does not surprise me as I know many clubs are making a special effort to increase membership in honor of our Lions Centennial year.

When it comes to new members, one area I would like to see us make an improvement is orientation. PDG Gus Fridenvalds has agreed to provide orientation for these new (and even experienced) members of your club. Please feel free to contact him to make arrangements to visit your club for this training. The sooner you can have members "hit the ground running," the sooner they become more effective serving your club and your community.

Saturday, November 19th is our 2nd District Cabinet meeting of this Lions year. This meeting will be held at the York Springs Fire Hall beginning at 9:30 AM. Cabinet members who have the green jackets are requested to wear them.

November is Diabetes Awareness month and our guest speaker at the Cabinet Meeting will be PDG Dr. Don Gilbala, a member of the Butler Lions Club in District 14-N, near Pittsburgh. PDG Don has been active as a professional, and as a volunteer, in the healthcare field for over 45 years.

District Treasurer Phil Olphin has a final update on the Strides walk for Diabetes Awareness held at the August Cabinet Meeting. Our 14-C family raised an amazing \$365.00, just for going on a stroll on a beautiful day. Great job everyone!

"ALL ABOARD TO SERVE"

DG Kerry McKnight

See Governor Kerry's visitation schedule for November on next page! Don't miss his visit to your club!

From the First Vice District Governor:

Greetings Fellow Lions, Lioness, and Leos,

Providing orientation to new Lions regarding the basic tenets of Lionism is an important responsibility of club leaders and district officials. Even many current member are woefully uninformed about the vision, mission, and purpose of our local clubs and Lions Clubs International.

First VDG Dennis Cope

Overview information is easily obtained and available to members in *The Lion* magazine. More detailed and specific information can be gained by studying the Standard Club Constitution and By-laws. While not the most enthralling reading material, it is important for our club leaders to know and understand how clubs are to be organized and run, in order to remain true to the principles upon which our organization was founded. Also, a complete orientation program is available to clubs at the LCI website: <http://lionsclubs.org>. As DG Kerry mentioned in his message, contact PDG Gus Fridenvalds for more information regarding orientation.

One of the cornerstone principals of Lions as an organization is that 100% of the funds we raise from our fundraisers goes back to the community. As stated in the *Standard Club Constitution*, Article XII, Section 1, "All funds raised from the public must be returned to public use, including money accumulated from invested public funds. The only deductions that may be made from the activity accounts are the direct operating expenses of the fundraising activity." In addition, Article XII, Section 2, of the *Standard Club Constitution and By-laws* clearly states that club administrative costs are to be covered "through contributions from members through dues, fines and other individual contributions."

This principle needs to be emphasized with prospective members, and current members need to be reminded of this principle on a regular basis. Why? Because SERVICE is at the heart of what we do as Lions, and fundraisers provide the means by which

we are able to serve our communities, support our district and state projects, and help individuals around the world. Maintaining a clear distinction between funds raised and spent for project versus administrative expenses is critical. It is the responsibility of every Lion, Lioness and Leo to be sure this principle is upheld in his or her club in order to maintain the integrity of the organization.

As we celebrate our first century of service and enter our second century, let's make sure we remain true to the principles upon which our organization was founded.

Yours in Service,

Dennis Cope

District Administrator Can Help with Web and Reporting

District Governor Kerry McKnight has appointed me to the office of District Administrator. This new district position allows me to make certain edits to club and district information on the LCI website (MyLCI). I have not completely explored what information I can change but I do know I can remove and add some district officers and the same with club officers. I don't have access to any district or club officer passwords. I guess we will explore this new position together. So, if you have any questions about your club information or would like me to change something let me know.

The Griffies: Serving Together

Most Lions Clubs in Pennsylvania strive to be active and full of life. Club members all have their own stories as to how they became involved in Lionism and what motivates them to stay involved at the levels they do.

We all owe our thanks to these dedicated individuals who make up our wonderful Pennsylvania Lions, for without them Lions could not do the amazing things we need to do to help our fellow citizens. Not only do many of these Lions serve individually and in a club, but they serve with their spouses and families.

One such couple is John and Lisa Griffie. Both John and Lisa are members of the New Oxford Lions Club, which was formed in 1939 and has been serving the community for 77 years. Both of these amazing Lions have served for many years in their club. Lion John joined the New Oxford Lions in 1996, after spending twenty-two years with the Abbottstown Lions, and has served in many different offices. He has also served as zone chair on three separate occasions. John is joined in Lionism by his brother Clyde, who is a member of the West Manheim Lions Club.

Lion Lisa grew up in the New Salem area, where her father was active in many community organizations and events. Because of his example, she joined the New Oxford Lions Club in 1998, where she has served as Secretary and is currently President. When she joined, two other women were members in the club, and they now have five women in the 33 member organization. She enjoys fundraising, and is one of those Lions who is always helping out behind the scenes to make sure that club projects go smoothly.

Being active in their own Lions Club was not enough for Lion John and Lion Lisa. Lion John served several terms as Zone Chair, served on the

District Council, and was District Governor during the 2015-2016 term. Lion John is currently our Immediate Past District Governor. In addition to being President of the New Oxford Lions Club, Lion Lisa serves as the current Zone Chair for Zone 1-A. Never one to refuse to help, she also accepted the challenge of the position as the Second Vice District Governor of District 14-C, and is on her way to becoming District Governor in two years.

Their involvement in local, zone and district positions has given John and Lisa the opportunity to see Lionism on many different levels. They are very encouraged to see spouses and family members of current Lions attend events at all levels, and believe that these family members will perhaps join the ranks of Lionism in the future; but their support of their spouses and local Lions Clubs is invaluable today.

Lion John and Lion Lisa are an example to all clubs and their members of what we can accomplish by embracing family and women into membership to increase our ranks and continue our tradition of service, guaranteeing the future of their club, zone and district.

You Can Tell Others About Your Club

Lion Steve Shipman (Dillsburg Lions) is editor of this newsletter.

Lion Steve needs your news and information. The best way to get him items is to send pictures as JPEG files (they don't look as good if he takes them from your PDF), and text as either a Word document or a Rich Text Format (rtf) file. He cannot open WordPerfect or Microsoft Publisher files, and please watch your Word settings so they don't come to his Mac in the infamous winmail.dat format.

Send him items at prstevesshipman@gmail.com, or call or text him at 570-916-7780. If you have not entered the computer age, his snail mail is 436 E Ridge Rd, Dillsburg PA 17019. Glossy photos work best. He is happy to retype text. If you give him an idea of how you want your item to appear, he will do his best.
