## Message from the District Governor

Members of our Lions Family,

In our July District newsletter I stated I am committed to giving my 100% this Lions year as your District Governor, in memory and respect of the Lions who preceded us in the past 100 years. I requested each member of

District 14-C to reach deep down inside yourself and give a little extra in their honor for our Centennial year.

You listened. I see it everywhere I go. Every club visitation, every event, and every fundraiser. There is a renewed enthusiasm as clubs are working diligently to enlist new members, and provide that extra service.

Lions, Lionesses and Leos are no longer content sitting in their meetings staring at the door, waiting

for all those new members to voluntarily walk in and announce "I will join your club". Membership committees have formed and are working on plans to grow for the present and the future of our organization.

Membership drops have slowed to a mere trickle, and we are now on the plus side for the number of District members in this Lions year! Club officers have been alerting me in advance how many new members they will have for me to induct when we visit with their club. This is fantastic news.

I had the pleasure of meeting with Lions International President Bob Corlew in Pittsburgh last month. He asked me to please tell the membership of District 14-C from him to.... "Keep Climbing!!!"

*Gov. Kerry*

# From the First Vice District Governor:

Greetings Fellow Lions, Lioness, and Leos,

I am writing this message having just returned from Omaha, Nebraska, site of the 2016 USA/

*First VDG Dennis Cope*

Canada Lions Leadership Forum. *What a GREAT 3 days!!* This leadership forum is an outstanding opportunity to learn about Lions and reenergize your enthusiasm for Lions.

Take a look at some of the seminar titles and see if you agree that every club in District 14-C could benefit from knowing more about

these topics:

- *Getting Your Club Involved in the Centennial Celebration*
- *Branding Your Lions Club in Today's Competitive Environment*
- *Legal and Ethical Issues for Lions*
- *Supporting Local Youth Through Lions Quest*
- *Is the Club Quality Initiative the Answer to Your club's Problems?*
- *Your Club Your Way-Change for a New Century*
- *Code Purple Resuscitation-CPR for Weak Clubs*
- *Fundraising Can Be Fun*
- *Expanding Your Club's Reach Through Social Media*
- *Successful Project Management*
- *Forming Local Partnerships to Maximize Club Effectiveness*
- *Lions Community Health Screenings Reap Positive Impacts.*

These are just some of the 82 seminar topics that were offered at this year's forum. While a trip to Portland, Oregon, for next year's forum may be out of reach for many of you, I encourage all Lion leaders in District 14-C to start planning now to attend the 2018 USA/Canada Lions Leadership Forum in Columbus, Ohio, an easy drive for most of us.

By the time this message is published, the Global Membership Team (GMT) will have completed our first set of Membership Growth Workshops. 26

clubs sent teams to these workshops with nearly 100 participants. The GMT will be looking at the feedback we received from these workshops and making plans for activities to promote membership growth in District 14-C. We thank the clubs for their participation and the members for taking time on a Saturday morning to attend this training.

Best wishes to all as you engage in your projects and fundraisers during the month of October.

Yours in *SERVICE*,

## District Administrator Can Help with Web and Reporting

District Governor Kerry McKnight has appointed me to the office of District Administrator. This new district position allows me to make certain edits to club and district information on the LCI website (MyLCI). I have not completely explored what information I can change but I do know I can remove and add some district officers and the same with club officers. I don't have access to any district or club officer passwords. I guess we will explore this new position together. So, if you have any questions about your club information or would like me to change something let me know.

## Red Lion Lions: Four Generations of Service

The Red Lion Lions Club has a long history of being a large club with many hardworking members who have given back to their community in many ways.

One of their members, Lion Douglas F. Meisenhelter, has volunteered as a Lion for more than 30 years. In addition to his volunteer service to the community as a Lion, he diligently served his community as a police officer for many years, and was elected and served as our local Magisterial District Judge. Recently, Doug was joined in the Red Lion Lions Club by his wife, Susan. Susan has the distinction of being the first woman inducted as a Lion in the Red Lion Lions Club.

For many years, Red Lion Lions Club has benefited from Doug's involvement and service as an officer, including a term as president. Sue is part of four generations of her family being members in the Red Lion Lions Club.

Her family has provided a combined 91 years of

service and commitment, including the founding of the Red Lion Lions Club. Her grandfather, Arthur Ziegler was a founding member. Her father, Richard Ziegler joined in 1946 and served as a past president and longtime secretary. When Sue was younger, she was honored as the student of the month for the Red Lion Lions Club in 1969. Doug and Sue also sponsored their son Matt when he joined the club, and he is continuing their long family tradition of service and commitment to their community.

Red Lion Lions Club is a shining example of a club that has embraced family and women into membership. They continue a tradition of service that will hopefully cement the future of their club and all Lions Clubs throughout the world.

## Susquehanna Lions Celebrate Exciting Events!

The Susquehanna Lions had some exciting events as the summer wound down this year.

On August 25th, Lion Kenneth Heindel became our newest Susquehanna Lions Melvin Jones Lion.

After making the presentation, Past District Governor Gordon Sinclair looks on as Ken's wife, Joyce, proudly attaches Ken's Melvin Jones pin to his collar.

Past District Governor John Griffie, Jr. attended

our regular meeting on September 8th to award our Lion of the Year Award to our secretary, Halloween Parade Chairman and primary go-to for anything anyone might need help with Lion Michael Starner.

Congratulations Ken and Mike!!!!  
Well Done!!!!!!!!!!!!!!!!!!!!

## District 14-C Is Planning to Grow!

## Support PA Lions All-State Band!

My Fellow Lions:

This is a special year for Lions all over the world! The 100th year of service to people all over the world gives all Lions a reason to be proud. As the 2017 Chairman of the PA Lions All-State Band Committee, I want the band to be its best as we celebrate in Chicago. At the last several state conferences, we have worked to recruit band members who would possibly go with us to Chicago. This past year, we had 112 students participating at the State Convention in Reading. For Chicago, we would like to have 120 band members and a staff of 20.

It has always sent a chill up my spine seeing our PA All-State Lions Band coming down the street in the International Parade! For us to have a band of 120 members, the band needs the help of Lions club presidents and district governors. Please tell the band directors in your area about the band.

If a student cannot afford the fee for the recreational activities, food, lodging, and transportation, consider asking your club to help financially or organize a fund-raiser. In Bedford, the students have organized car washes and split the profits to reduce the amount each student would need to pay.

I know in one of my families, they have three sons that have participated. They all want to attend and are great musicians. This year the fee for

*Looking for new members young or old at the New Freedom Fest.*

Chicago is estimated at \$550 per person. This will include a camp at Gettysburg College for four nights and then to Chicago for five nights.

I'm also investigating staying near Sandusky, Ohio, on the way back with a trip to Cedar Point. With this great adventure to be reached by the students, please discuss what help can be given. I know with the help of my fellow Lions we can have a great representative band from the state of Pennsylvania that will make all of us proud!

Additional information can be found on our website at [www.palionsband.org](http://www.palionsband.org).

If I can be of help, please let me know.

Yours in Lionism Service,

*Ray Barfield*

## **Let Us All Know What Your Club is Doing!**

Lion Steve Shipman (Dillsburg Lions) is now editor of this newsletter.

Lion Steve needs your news and information. The best way to get him items is to send pictures as JPEG files (they don't look as good if he takes them from your PDF), and text as either a Word document or a Rich Text Format (rtf) file. He cannot open WordPerfect or Microsoft Publisher files, and please watch your Word settings so they don't come to his Mac in the infamous winmail.dat format.

Send him items at [prsteveshipman@gmail.com](mailto:prsteveshipman@gmail.com), or call or text him at 570-916-7780. If you have not entered the computer age, his snail mail is 436 E Ridge Rd, Dillsburg PA 17019. Glossy photos work best; a printout will never look any better than what you see in front of you. He is happy to retype text. If you give him an idea of how you want your item to appear, he will do his best.

**We want to publish on the first of each month, so please submit material at least a week before that date!**
