

NEWS FROM THE LIONS' DEN

DISTRICT 14-C

AUGUST 2018

MESSAGE FROM THE DISTRICT GOVERNOR

Greetings Lions, Lioness and Leo's,

PDG John and I returned from the International Convention in Las Vegas with a renewed spirit and even more enthusiasm; however, the real challenge for all of us is to continue the momentum.

This year's International President Gudrun Yvnavdottir (pronounced Ing-va-daughter) is the first female to be come international president.

She is also the first International President from her country of Iceland. Her theme this year is "We Serve, beyond the Horizon".

My main goal this year is RETENTION of our current members; work on keep the members of your clubs by keeping them involved, engaged and happy!! I realize we cannot help when members pass away; but there are things we can do to keep the ones we have enthusiastic and motivated to serve.

When you get new members in your clubs make sure they have a member induction ceremony that is special and meaningful. The ceremony should include information regarding your club service activities and how you serve your community as a group. Below are some thoughts on keep your new members enthusiastic and feeling like they are welcome in your club:

- Club President or Secretaries should send new members an email or give them a call about a week after their induction and ask if they have any questions and remind them of the next meeting or event of the club. Make sure they have your phone number and email address in case they would have any questions later.
- Continue to follow up with them especially if you do not see them at the next meeting. Keep reminding them they are needed and valued as a member.
- Remember to NOT make it about meetings but make it about SERVICE. If the new members cannot attend every meeting, make sure they are aware of the upcoming events and that their help is needed.
- Ask a Veteran – There is no admission fee (\$35) for all veterans who are recruited by June of 2021

CLUB OFFICER ELECTIONS

By now, your officer elections should be complete. If you have not already done so, please report next year's officers via MyLCI a.s.a.p.

- Any Lioness wishing to convert to a Lion has no entrance/admission fee (\$35). This would apply to any Lioness club wanting to convert to a Lions club.
- Enthusiasm is CONTAGIOUS!!!
- Have fun at your meetings – no one wants to join a club that only meets for dinner and goes home. We need to brainstorm at our meetings and come up with new ideas for how we will serve our communities. In order to get younger people in our clubs we need to be more open to change which is hard for all of us. Contact me to set up a program on how to attract new members!! We have people on our District Governor team who can help your club grow and prosper.

My theme this year is “Chart Your Course” – I want each member of this great district to come up with a plan how they personally can contribute to getting new members, keeping our members and most of all; how they will serve in their clubs, the District and on a state level. Remember, if you set your mind to it you CAN achieve it!!

In closing, I would like to remind everyone not to waste a minute – life is short and we have lots to achieve! In order to sail our ship into the future, we need teamwork – be prepared at all times to change direction and to be flexible!

Your in Friendship,

DG Lisa Griffie

MESSAGE FROM STEVE SHIPMAN

A key to success in many areas of life is, “Get back to the basics.” Winning coaches stress to their athletic teams the need to get the basics perfected before trying to move on to fancy plays.

In Lions, we are about service. That was the vision of Melvin Jones, and that is what has made us the world’s largest service organization.

But it is so easy for any organization to lose sight of the basics and try to succeed by razzle-dazzle. And it is tempting for an organization founded on service to others to become ingrown and squander its energy trying to please the members.

I spent three days recently helping a homeless family move from a hotel to an apartment in York. It was hard and at times frustrating (some time ask me about the large sofa that almost fit into their front door; thankfully we got it in the back way). Yet, even as I drove home dirty, tired, and sore, I had a sense of satisfaction in knowing I had been able to make a difference for real human beings.

I doubt that many members will remember a program or meal from a Lions meeting very long, with a few exceptions (and sometimes things we wish they would forget). But years later we will remember with joy the people we have been able to meet and to help. My adult children still talk about the service projects we did together many years ago. I doubt whether they could remember anything from one of my sermons, unless it was a time I might have embarrassed them.

The most important way for your club to grow will not be by inviting members to your meetings, but by inviting people to serve alongside of you. As they experience what Lions do, they will be much more open to consider an invitation to membership. And if they don’t want to join but are willing to help, be grateful and welcome their assistance.

We are Lions. We serve.
Let’s not lose sight of the basics.

THE FINAL NUMBERS - 2017-2018 MEMBERSHIP GOALS REPORT

Our membership campaign for 2017-2018 yielded a mixed bag of results. Some goals were achieved, and others were not. Unfortunately, the net result is our District membership dropped from 1,301 July 1, 2017 to 1,281 on June 30, 2018.

On the bright side, we exceeded our goal of recruiting 101 new members. Our clubs that were in place on July 1, 2017, recruited 105 new members over the course of the year. We also started a new club, the Shrewsbury Area Centennial Lions Club, which accounted for 16 additional members in the end-of-year count. That gave us a total of 121 new members for this year. Another goal was to increase the percentage of women members in our District. We started the year at 17% and moved that number to over 19%, just shy of our goal of 20%.

While we were fortunate and grateful to start 1 new club, we did not establish any Club Branches. Our goal was to have at least 1 club in each zone establish a Club Branch with the hope that branch could grow into an independent club.

Finally, dropped members appears to be the primary reason we did not achieve net membership growth for the year. Our goal was to keep this number to 100 or less. In the end, we had 141 dropped members reported this year.

The District Membership Team (GMT) appreciates the efforts of all our clubs and members who recruited new members, and we will be working during the coming year to find ways to capitalize on our successes and overcome our weaknesses.

MEMBERSHIP GROWTH SUCCESS!

Congratulations to the following clubs that achieved net membership growth for the 2017-2018 Lions Year:

Dallastown	+2	Newville	+5
Jefferson Community	+2	Shiloh	+1
Mechanicsburg	+2	Stewartstown	+6
Mount Holly Springs	+2	Weiglestown	+2
New Oxford	+5	West Shore	+1

EYEGLASSES COLLECTION - ANOTHER SUCCESSFUL YEAR

District 14-C had another successful year of collecting used eyeglasses during Lions year 2017-2018. Eyeglasses Chairperson Lion Eugene Kilgore reported that 41,671 pairs of glasses were collected. What a great program of our Lions to provide clear sight to those in need of good vision. Lion Gene made four trips to Arlington, VA, to deliver glasses.

As was the case last year, used eyeglasses will be collected at each of the District Cabinet Meetings and at the District Convention. Clubs

are encouraged to collect glasses and send them to these meetings with either their club representative or their Zone Chairperson. District Governor Lisa will also be happy to take them when she visits your club.

Collection boxes are available through the Lions Clubs International Store. They make an attractive display for vision care offices, stores, banks, etc. Please consider placing several around your community. You'll be surprised at the response.

PEACE POSTER CONTEST AND ESSAY CONTEST: "KINDNESS MATTERS"

Lions of 14-C: showcase the artistic talent of the students in your area by supporting a group of children in the 2018-2019 Lions Club International Peace Poster Contest.

The 2017-2018 grand prize winner of the Peace Poster Contest was ZhuoQi Wang, a 13 year old student from China, and was sponsored by the Dalian Heping Huihua Lions Club. The theme was, "The Future of Peace."

School bells will soon be ringing and it is the perfect time to seek out schools in your area to offer the opportunity to the students to participate in the Lions Club International Peace Poster Contest. The Peace Poster Contest is open to children ages 11-13 years of age on November 15, 2018. Your Lions Club can sponsor the Peace Poster Contest in local schools or organized sponsored youth groups. An organized sponsored youth group can be your local Girl Scout Troop, your Boy Scout Troop, or organized Youth Groups such as a Church Group or the YMCA or YWCA.

Please help to increase the number of sponsoring Lions Clubs and the number of children that our offered this wonderful opportunity to create a poster. It is a fantastic way to build a relationship with your community along with giving young people the opportunity to express their vision of world peace.

Kits are just \$11.95. Quite a bargain!!!! Much information about the Peace Poster Contest is available on the LCI website along with information about how to order the Peace Poster Kit. You can, also, order by calling Club Supplies Sales at (630)571-5466 or 1-800-710-7822. **One kit must be purchased for each group your club sponsors.**

Lions Clubs around the world are, also, encouraged to sponsor students in the Lions International Essay Contest. This essay contest was created to offer an opportunity for visual impaired young

people to express their feelings about world peace. The theme of the 2018-2019 International Essay Contest is "Kindness Matters." Students who are visually impaired and who are ages 11-13 on November 15, 2018 are eligible to participate. For the essay contest rules and application form go online to <http://members.lionsclubs.org/EN/serve/contests/essay-contest.php>

If you would like more information about how to sponsor the Peace Poster Contest for your club, contact Lion Patti Hullmann, Jacobus Lions Club, District 14-C Peace Poster Chairperson. For more information, email me at hullmannt@aol.com, or call 717-428-3659 or 717-324-7646. I can, also, come to your meeting and do a presentation about the Peace Poster Contest.

LION'S IN THE SPOTLIGHT

Being a Lion exposes us to many amazing people. Lions Timothy and Laura McCaulley are no exception. Lion Tim and Lion Laura are another wonderful couple who have given of themselves to their community through Lionism. Tim was first recruited into the Mechanicsburg Lions Club by Laura's father in 1972. Her father was a Lion for over 53 years. Laura also followed in his footsteps by joining the Dandy Lions, which was a predecessor to the Lioness Club, and then later into the Mechanicsburg Lions Club.

The Mechanicsburg Lions Club has been blessed to have both Lion Tim and Lion Laura not only as Lions but as leaders. Lion Tim has served in many positions including three terms as President, as well as Chaplin and Director. He has also served as a member of the Board of Directors of Beacon Lodge for over 30 years. Lion Laura has also served in leadership as Treasurer. The Mechanicsburg Lions Club has grown by almost a third by simply inviting residents from a 55+ community near them. Some of these residents were Lions previously and some were extremely interested in giving back to their community. Now, the Mechanicsburg Lions Club has a very active club with 40 to 45 members of both men and women.

Lion Tim worked in business sales with an electrical company and Lion Laura was a senior vice-president of a medical malpractice company. Their daughter, Erica, was active in college with her sorority sisters by volunteering with their local eyeglass collection agency.

Both Lion Tim and Lion Laura are also involved in their signature project, which is the Lions' Pin Traders Association. If you are unfamiliar with this organization, you are not alone. The history of the pin traders is extraordinary in that they do more than just gather to trade pins at conventions. Pin Traders started trading friendship pins with other state organizations at conventions. The first two states that started a pin traders organization were Virginia and Pennsylvania. From that small beginning, pin traders has now expanded worldwide.

Lion Tim has been on the Board of Directors of the Pin Traders Association for 2 years. Both he and Lion Laura attended the Pennsylvania State Convention in March as hospitality chairpersons, and will be

attending the International Convention in Las Vegas in July. In 2019 the International Convention will be in Italy, but the pin traders will have their own separate meeting in Kentucky because they never attend conventions outside of the United States.

Since attending their first convention in Atlanta in 1982, the McCaulley's have collected over 100,000 pins. This year is the 35th Anniversary of the Pennsylvania Pin Traders Club. The Pin Traders Association has approximately 800 members and every year they work on a local service project. They prepared pink pillows for the "Pink hands of hope", an organization that helps comfort those with breast cancer.

The association's motto is "Lions First" and they not only trade pins and serve the local communities that host their conventions, but they also give scholarships to students all over the United States who are graduating high school and are involved in their local Leo Clubs or are children and grandchildren of Lions. Last year they gave scholarships in the amount of \$2,500.00 per student.

If you work with your local Leo Club or if you have children or grandchildren who are graduating from high school, please contact the McCaulley's and get an application for this amazing scholarship and you just might find an interest in the history these pins can give to you. Consider asking the McCaulley's to speak to your club to explain this wonderful association and what they do more fully. Let's help the McCaulley's and the pin traders get the word out about this outstanding scholarship!

Message from Gudrun Yngvadottir

Dear Lion,
Growing up in my home country of Iceland has helped shape who I am today. It is a small but beautiful country with tight-knit communities of people who rely on each

other and work together to meet new challenges. Just like Lions. This spirit of unity is a cornerstone of our motto and my presidential theme, "We Serve."

We serve the world, our local communities, our neighbors and each other with unmatched kindness and pride. We are a global force for good with a century of experience and compassion. When we channel the power of more than 1.4 million Lions, we can reach new horizons of service together.

We can do it by finding creative solutions to the challenges facing our communities. We can achieve more when we embrace new technologies. We can go further than we've ever gone before when we invite caring men and women to join us in service. It's true, we have achieved so much in our first 100 years, but together we can unlock our true potential in our communities and around the world.

When we embrace our ambitious future together, we will serve in a way the world has never seen before. It will be my honor to stand side by side with you as we serve beyond the horizon.

In friendship,
Gudrun Yngvadottir
Your International President

ANNUAL BANNER EXCHANGE

The annual Banner Exchange was held recently at Boyer Nursery and Wine Cellars in Adams County. The banner designating the home club of the District Governor passed from the Arendtsville Lions to the New Oxford Lions, as IPDG Dennis Cope has now been succeeded in that position by DG Lisa Griffie.

Below: IPDG Dennis officially presents the banner to DG Lisa to entrust to the New Oxford Lions.

New Oxford Lions President David Yake accepts responsibility for the banner as IPDG Dennis looks on.

The Four Winds from Upper Adams High School provided musical

entertainment for the group. As you can tell from their shirts, all four have been part of the Pennsylvania Lions All-State Band.

The Arendtsville Fire Company prepared a steak dinner for those who assembled, and of course there were other beverages and goodies available.

APPRECIATION BANQUET

Our IVDG Steve Shipman and District Govenor Lisa Griffie presenting a gift to IVDG Dennis Cope in appreciation for all his hard work during the 2017-2018 Lion year.

KEEP US ALL INFORMED

After two years, and with a year as First VDG about to begin, it is time to turn the keyboard over to a new editor, Lion Pat Simpson of the Jefferson Lions. You are still welcome to send 1VDGE Steve Shipman items for the Facebook page, but please send all newsletter items to Lion Pat.

To contact the editor or send newsletter items, please email: Newsletter14C@gmail.com

As before, you can help Lion Pat do a better job for you by sending her high quality jpeg pictures separate from any text (not imbedded in a Word or PDF document), letting her format articles (simple is best to work from), and not sending printed scans or printouts on colored paper. If somebody produced a flyer or other item on a computer, please send her the computer file and not a printout of it.
