

NEWS FROM THE LIONS' DEN

DISTRICT 14-C

JULY 2018

MESSAGE FROM THE DISTRICT GOVERNOR

Greetings Lions, Lioness and Leo's,

On July 3rd I will become District Governor in Las Vegas. I am looking forward to working and serving with all of you this year! As I leave for Las Vegas I am filled with excitement and ready to

take on my duties to serve this great District!

New member packets have arrived from Lions Club Intl office. Let's spread the word of how great our organization is and get our friends and family to join us. I would love to see some clubs encourage

family membership to include young families with children. Let's teach the children all about service to others while they are young! Let's make our meetings fun and motivational to keep our members happy and want to serve!

Together we can do so much and I am counting on each one of you to do your part in growing our service to others!

My theme is Chart Your Course and I want every member to push themselves to make a plan as to how you can do your part to serve more with Lions Pride!

Yours in Lionism,
DG Lisa Griffie

CLUB OFFICER ELECTIONS

By now, your officer elections should be complete. If you have not already done so, please report next year's officers via MyLCI a.s.a.p.

MEMBERSHIP GOALS PROGRESS REPORT

Our membership numbers as of May 22nd show some encouraging improvement over last month's numbers. While we are still not showing a net increase, the deficit has been cut from -14 last month to -7 this month. We have recruited 96 new members, just 5 members short of our goal of 101 new members. However, due to the number of drops we need to recruit more new members than that to end the year with a net increase.

Also, for the first time this year, our percentage of female members has risen broken the 19% figure. We need just 13 women to join between now and

June 30th to meet our goal of 20%. 13 new female members would not only get us to our goal of 20% female membership, it would also help us achieve net membership growth for the year.

As was stated in last month's report, we need not only a strong push to recruit new members, we must work hard to avoid any more dropped members. Clearly, you have been working hard to help your club end the year "+1" for the year and help the District end the year with a net increase in membership. Please continue the push, and thank you for your on-going recruitment efforts.

MEMBERSHIP CAMPAIGN REMINDER

Our membership campaign for 2017-2018 yielded a mixed bag of results. Some goals were achieved, and others were not. Unfortunately, the net result is our District membership dropped from 1,301 July 1, 2017 to 1,281 on June 30, 2018.

On the bright side, we exceeded our goal of recruiting 101 new members. Our clubs that were in place on July 1, 2017, recruited 105 new members over the course of the year. We also started a new club, the Shrewsbury Area Centennial Lions Club, which accounted for 16 additional members in the end-of-year count. That gave us a total of 121 new members for this year.

Another goal was to increase the percentage of women members in our District. We started the year at 17% and moved that number to over 19%, just shy of our goal of 20%.

While we were fortunate and grateful to start 1 new club, we did not establish any Club Branches. Our goal was to have at least 1 club in each zone establish a Club Branch with the hope that branch could grow into an independent club.

Finally, dropped members appears to be the primary reason we did not achieve net membership growth for the year. Our goal was to keep this number to 100 or less. In the end, we had 141 dropped members reported this year.

The District Membership Team (GMT) appreciates the efforts of all our clubs and members who recruited new members, and we will be working during the coming year to find ways to capitalize on our successes and overcome our weaknesses.

Also, please note that clubs that ended last year with positive membership growth will be listed in next month's newsletter and recognized at the August Cabinet Meeting.

PEACE POSTER CONTEST AND ESSAY CONTEST: "KINDNESS MATTERS"

Lions of 14-C—Make this be the year to participate in the Peace Poster Contest with your club Now is the time to order your kits for the Peace Poster Contest for 2018-2019!

The peace posters submitted this past year from the Lions Clubs of 14-C were absolutely incredible. By just looking at the posters, one could see the amount of research, time, thought, and creative talent that was invested into each poster. But we need more clubs to be participating and giving this incredible opportunity to our youth! Encourage a volunteer from your Lions Club to offer the opportunity to a classroom of children, a Scout troop, a baseball team, a Sunday School Class or a Youth Group to participate in the Peace Poster Contest. Some of our Lions Clubs and schools have made it a tradition which both groups look forward to annually.

Kits are just \$11.95. What a bargain! Remember one kit must be purchased for each group your club sponsors. Much information about the Peace Poster Contest is available on the LCI website along with information about how to order the Peace Poster Kit. You can, also, order by calling Club Supplies Sales at (630)571-5466 or 1-800-710-7822. The theme for the 2018-2019 Peace Poster Contest is "Kindness Matters." Students ages 11, 12, or 13 on November 15, are eligible to participate. The last date to order a kit is October 1, 2018.

Lions Clubs around the world are also encouraged to sponsor students in the Lions International Essay Contest. This essay contest was created to offer an opportunity for visually impaired young people to express their feelings about world peace. The theme of the 2018-2019 International Essay Contest is "Kindness Matters." Students ages 11, 12, or 13 on November 15, are eligible to participate. For the essay contest rules and application form.

If you would like more information about how to sponsor the Peace Poster Contest for your club, contact Lion Patti Hullmann, Jacobus Lions Club, District 14-C Peace Poster Chairperson. For more information, email me at hullmannt@aol.com, or call 717-428-3659 or 717-324-7646. I can also come to your meeting and do a presentation about the Peace Poster Contest.

2017-2018 Merit Award Winner: Jaine Gatelli from Brazil. Jaine is 13 years old and was sponsored by the Sao Miguel do Oeste Universidade Lions Club. Jaine was one of 24 merit winners. The theme was, "The Future of Peace."

LIONS CLUB INTERNATIONAL HONORS EUGENE HENRY FOR 50 YEARS OF SERVICE

Eugene Henry of the Plainfield Lions Club was honored recently for his 50th year of service with Lions Club International.

Eugene first joined the Boiling Springs Lions Club but shortly after joining transferred his membership to the Plainfield Club. He previously served the club as President and numerous other offices during his time. Eugene also helps with many of the fund raising projects that the club operates, including the preparation of chicken corn soup, which is the club's main fund raising project. He also helps every year with the Easter Egg Hunt, which is one of the club's main sponsored projects.

The Lions Club is a service-oriented club founded over 100 years ago in Chicago and one of the few organizations that donate 100% of its donations to those in need.

Eugene, on the left in the picture, is shown with Zone Chairman Dan Brandt, who presented him the award at the club's meeting in June.

RICHARD WALKER OF THE PLAINFIELD LIONS CLUB WAS NAMED THE 2017 – 2018 LION OF THE YEAR FOR THE CLUB.

Richard served the club this year as its Second Vice-President, but was called upon to chair a couple of the meetings due to outside circumstances. Richard served this year on the Christmas Party, Community Service, Chicken Corn Soup, Easter Egg Hunt and Sandwich Sales Committees. He was especially helpful as a contact with the West Pennsboro Fire Company and West Pennsboro Township on those occasions when the club needed the use of their facilities. Richard, on the left in the picture, is shown with Zone Chairman Dan Brandt, who presented him the award at the club's meeting in June.

PLAINFIELD LIONS HONOR SUSAN HOLTRY AS MELVIN JONES FELLOWSHIP HONOREE

Susan Holtry of the Plainfield Lions Club was named as a Melvin Jones Fellowship Honoree for her dedication and work in serving the community over the past 10 years.

During that time, Susan has served the club by baking goods for the various fundraisers, sending get well and birthday cards to club members, cutting corn and preparing soup for the Chicken Corn Soup project, and working with the Big Spring School District to select and honor students for Plainfield's Student of the Month recognition. She also has donned the Easter Bunny outfit at more than one Easter Egg Hunt to the delight of the kids that show up at the community's annual Easter Egg Hunt at West Pennsboro Park, which is sponsored by the Plainfield

Lions Club. She prepared and donated a number of boxes of cleaning supplies and made other donations to the victims of hurricanes Harvey, Maria and Irma. She also donated a number of non-perishable items to the Big Spring Food Bank and helped prepare fruit baskets at Christmas for those in the community that are less fortunate. Susan, on the right in the picture, is shown with Zone Chairman Dan Brandt, who presented her the award at the club's meeting in June. The second picture shows her at this year's Easter Egg Hunt.

MELVIN JONES FELLOWSHIP LUNCHEON

Lions Clubs International Foundation (LCIF) was founded in 1968 to take the mission of Lions Clubs International to new heights by tackling global problems, as well as assisting Lions with large-scale local humanitarian projects. LCIF's history is filled with high-impact projects, meaningful partnerships and the kindness and efforts of Lions.

In honor of the 50th anniversary of LCIF, District 14-C will hold a celebration luncheon on Saturday, September 1st. See the flyer in this newsletter. All Lions/Lioness, Melvin Jones Fellows and guests are invited to attend and dine with our special keynote speaker, Past International President and current LCIF Coordinator for the United States, Clement F. Kusiak.

PIP Clement will speak on how your contributions aid Lions Clubs International Foundation projects all over the world. He will share his experiences as LCIF Coordinator.

Also, he will proudly introduce to us "Campaign 100: LCIF Empowering Service". The most ambitious effort in LCIF's history.

There have been nearly 1,000 recipients in your District 14-C honored as "Melvin Jones Fellows", each one well deserved. Consider sharing an enlightening afternoon with PIP Clem and other MJF'S to celebrate 50 years of LCIF service to the world.

HANOVER LIONS PROVIDE SCHOLARSHIP AWARDS TO LOCAL STUDENTS

The Hanover Lions Club recently recognized Sydni Roth and Rylee Smith and presented each with a scholarship award at the club's annual scholarship ceremony. Sydni is a recent graduate from Delone Catholic High School and plans to begin studies in elementary education and special education at York College. Rylee is a graduate from Hanover High School and will attend the main

campus of Penn State pursuing studies in their engineering pre-major program. Chloe Kindig was also an award recipient but unable to participate in the ceremony. She is a recent graduate from Delone Catholic and has chosen Penn State-Altoona in furthering her education in the accounting field. With Sydni and Rylee are the club's scholarship selection committee members Judith Stewart, Tom Staub and Jack Stewart.

HANOVER LIONS ENGAGE IN ZONE 1A SERVICE PROJECT TO SUPPORT HANOVER'S NEW HOPE MINISTRIES

The Hanover Lions Club was one of several clubs from the 1A Zone who recently teamed up to collect food and personal items along with donations to benefit Hanover's New Hope Ministries' Food Drive. Seeking support from shoppers at the Weis Markets on Carlisle Street in Hanover, the Hanover Club was able to collect over 500 pounds of items and take in \$172 in cash donations. Striving to achieve success in one area

of the Lions Club's service initiatives, this volunteer project served to 'feed the hungry' in many ways. Seven club members assisted in the project. Pictured are Gerry DeGroft, club coordinator for the service project, John Griffie, PDG (New Oxford Club), John Zinn, and Carl Waldman.

YORK NEW SALEM LIONS CLUB AWARDS SCHOLARSHIPS

At its May 9, 2018 meeting, the York New Salem Lions Club awarded scholarships to Kylie Good and Patrick Bowman, both 2018 graduates of Spring Grove Area High School. Kylie will continue her education at York College and study Supply Chain Operations. Patrick will continue his education at the University of Pittsburgh and study Mechanical Engineering.

The York New Salem Lions Club Memorial Scholarship program was established in 1980. As of 2018, the Club has awarded a total of \$64,900 in 71 scholarships. Scholarship applicants and awardees are high school seniors who reside in the Spring Grove area school district and attend either Spring Grove Area Senior High School, York Catholic High School, or the York County School of Technology.

THE SUSQUEHANNA LIONS COMPLETE THEIR 9TH "FILL THE TRUCK" FOOD DRIVE

The Susquehanna Lions recently completed their 9th "Fill The Truck" food drive for the Northeastern Food Pantry on June 22nd through the 24th. This year generous shoppers at the Giant Food Store in Manchester, PA donated 5,160 items for the food pantry. Shown holding our banner are Lions Richard Bolding, Michael Beshore, Joe Weirich and Larry Weirich. A very generous donor, Mr. Gary Kline, is shown handing off his donation to Lions Nevin Weirich and Art Kasper who packed 209 boxes of non-perishable items for the food panty this year. On behalf of the Northeastern Food Pantry, the Susquehanna Lions thanks Mr. Gary Kline and all the generous Giant shoppers who helped us successfully fill the truck this weekend.

HANOVER LIONS CLUB DONATES ANNIVERSARY BOOK TO HANOVER'S PUBLIC LIBRARY

President Ken Zinn presents a copy of the 85th Anniversary Book to Lisa Kane, Executive Director of the Guthrie Memorial Library (Hanover) at a recent club meeting. Lisa was the guest speaker and shared current information about the library and its plans for the future in providing a valuable service to the local community. The book captures, highlights, and documents the many news articles and photographs about the club's history, and specifically its commitment to providing service to the Hanover community from 1932 to 2017.

WCC = WESTERN CUMBERLAND COUNTY PROJECT FUND

WCC = Western Cumberland County Project fund comprised of the following Lions Clubs: Boiling Springs, Carlisle, Jacksonville, Mt Holly Springs, Newville, Plainfield, Shippensburg

The first activity for the WCC Project Fund in 2018 was the installation of a chair lift for Logan H. Logan has Neurofibromatosis Type 1, which is a condition characterized in skin coloring (pigmentation) and the growth of tumors along nerves in the skin, brain, and other parts of the body.

The signs and symptoms of this condition vary widely among affected people. Beginning in early childhood, almost all people with neurofibromatosis type 1 have multiple café-au-lait spots, which are flat patches on the skin that are darker than the surrounding area. These spots increase in size and number as the individual grows older. Freckles in the underarms and groin typically develop later in childhood. Additional signs and symptoms of

neurofibromatosis type 1 include high blood pressure (hypertension), short stature, an unusually large head (macrocephaly), and skeletal abnormalities such as an abnormal curvature of the spine (scoliosis). Although most people with neurofibromatosis type 1 have normal intelligence, learning disabilities and attention deficit hyperactivity disorder (ADHD) occur frequently in affected individuals. (I copied two of the above paragraphs from the net: <https://ghr.nlm.nih.gov/condition/neurofibromatosis-type-1>).

Logan's mother, Mrs. H., suggested that Logan would benefit greatly from a chair lift as it is difficult for him to negotiate the stairs. The lift was installed on June 13, 2018 by Acorn Stairlifts.

HANOVER LIONS CLUB INSTALLS NEW OFFICERS

District Governor Dennis Cope (front) was the installation officer at the June 26 Hanover Lions Club meeting for the 2018-2019 club officers and board members. He is joined behind him in this photo by: L-R: 2nd VP & Lion Tamer Tom Staub, Board Director Brian Shea, Treasure Bob Gotwalt, Chaplain Fred Baber, President Todd Boller, Board Director Truman Geiman, Board Chairman Ken Zinn, Secretary Gerry DeGroft, Board Director Judith Stewart, Board Director John Zinn, and 1st VP Dan Lawrence. Missing from photograph were Board Director Jack Stewart and Tail Twister Don Dorr.

JACKSONVILLE LIONS TAKE A BREAK

The Jacksonville Lions “paws-ed” from their many community service programs for their annual picnic. Besides enjoying the fellowship of other club members and their guests, club officers for 2018-19 were officially installed by Lions Zone 2A Chairman and Newville Lion Dan Brant. The picnic took place in Walnut Bottom at the Trinity United Methodist Community Center pavilion on a beautiful June 26 evening.

The Jacksonville Lions Club generally meets monthly at the South Newton Township Volunteer Fire Company on the 4th Tuesday at 6:30 p.m., though the next meeting will be August 28. Anyone intrigued by the scope of Lions’ services is invited to attend our meetings and to consider becoming a member. We Serve!

Lions Family of Pennsylvania

On Wednesday, June 13, 2018, the partnership between Four Diamonds and the Lions of Pennsylvania was kicked off with a media event. The event was held at the Penn State University Hershey Medical Center. Four Diamonds ensures that every child, diagnosed with cancer at Hershey Children's Hospital or elsewhere and referred to Hershey Medical Center receives the care and support needed to overcome the disease. Meanwhile their families not only never receive a bill for their child's treatment but also are given the support they need to see them through this trying time. Furthermore, Four Diamonds supports research into the treatment and cure for childhood cancer.

Sadly, childhood cancer continues to be the leading cause of non-communicable-related deaths in children throughout the world. Globally, more than 300,000 children are diagnosed with cancer each year. Because of these statistics, Lions Clubs International is beginning its global campaign to raise awareness about this terrible disease and to express support for children and adolescents with cancer, the survivors, and their families. We, as Pennsylvania Lions, are proud and honored to enter this partnership with Four Diamonds to promote an increased appreciation and a deeper understanding of the issues and challenges relevant to this terrible illness and its impact on children/adolescents with cancer, the survivors, their families and society. It also spotlights the need for more equitable and accessible treatment and care for all children with cancer. We, the Lions, Lioness, and Leos of Pennsylvania, look forward to working with the Four Diamonds to serve those children and their families in a time of great need. We plan to do this financially by raising at least \$100,000 during the 2018 – 2019 Lions year, continuing the financial assistance in coming years, providing in-kind services to the families staying on the Hershey Medical Center campus as their child receives treatment and by encouraging our youth group, the LEOS to participate in "Mini THONS" throughout the Commonwealth. We thank Four Diamonds for allowing us to partner with them. As our partnership grows in the coming years, we look forward to being able to expand our help to Four Diamonds.

Why did we choose to partner with Four Diamonds, several reasons. First and foremost, they not only serve all of Pennsylvania but also the surrounding areas. They are affiliated with Penn State University and we will have access to the University Alumni database to help with fundraising and possibly for membership in our clubs. Finally, their mission dovetails with ours in serving those who need our help the most.

How we can help:

1. Make a financial contribution in the following ways
 - A. Use the donation page that was created for us and this is the link FourDiamonds.org/PALions
 - B. Write a check payable to PA State Council of Lions with "Lions Care For The Kids" on the memo line and send it to the Pa Lions State Office.
 - C. Write a check payable to Lions of Pennsylvania Foundation with "Lions Care For The Kids" on the memo line and mail to the Lions of PA Foundation.Methods A and C are tax deductible donations

2. Make a contribution of supplies and other needs for the Four Diamonds Wish List.
3. If you sponsor a LEO Club, encourage them to become a part of "Mini Thon"
4. Sponsor a meal for those families staying on the Medical Center's Campus as their child undergoes treatment.
5. Encourage local business to make a contribution to the campaign
6. Hold a fundraiser for the campaign.

As we move forward we would like to include your stories on the "Lions Care For The Kids" Facebook page. Please send me pictures, videos and stories what your club and district is doing for the partnership.

KEEP US ALL INFORMED

After two years, and with a year as First VDG about to begin, it is time to turn the keyboard over to a new editor, Lion Pat Simpson of the Jefferson Lions. You are still welcome to send 1VDGE Steve Shipman items for the Facebook page, but please send all newsletter items to Lion Pat.

To contact the editor or send newsletter items, please email: Newsletter14C@gmail.com

As before, you can help Lion Pat do a better job for you by sending her high quality jpeg pictures separate from any text (not imbedded in a Word or PDF document), letting her format articles (simple is best to work from), and not sending printed scans or printouts on colored paper. If somebody produced a flyer or other item on a computer, please send her the computer file and not a printout of it.
