## District 14-C

June 2018

### Message from the District Governor

Greetings Fellow Lions, Lioness, and Leos,

We are approaching the end of another Lions year, and from my perspective, it has been a *great* one! The year began with a wonderful 100th anniversary celebration at the Lion Clubs International Centennial Convention in Chicago. At that time, our new International President, Dr. Naresh Aggerwal, challenged us to renew our commitment to service for this, the first year of our new century of Lionism.

We in District 14-C embraced that challenge by continuing the on-going service projects in our clubs, initiating some new endeavors, working with other clubs to expand our

service, and engaging in 3 district-wide service projects. As a district, we provided specialized lenses to help an individual with macular degeneration; provided relief money and supplies to individuals in Texas devastated by Hurricane Harvey; and collected 150 boxes of toys and games for pediatric cancer patients.

District 14-C can also boast of many other accomplishments over the past 12 months:

- chartering of a new club in Shrewsbury;
- recruiting nearly 100 new members and increasing the percentage of women members by 2%;

- donating over \$200,000, including \$33,000 in donations to Lions Clubs International Foundation;
- providing over 26,000 hours of service;
- collecting nearly 40,000 pairs of used eyeglasses for the eyeglass recycling program; and
- benefiting over 50,000 individuals through our service and donations.

In short, the Lions of District 14-C have given life to our motto, "We Serve!" We have remained true to our mission of serving our communities, meeting humanitarian needs, encouraging peace, and promoting international understanding. We have used "The Power of Action" to exemplify "The Power of We" and "The Power of Service." It has been an honor to serve as your Governor this year and watch the Lions of District 14-C ROAR!

As we end this Lions year, please accept my most sincere and heart-felt thanks for the kindness, generosity, hospitality and support you have shared with me throughout my year as your District Governor. It is my hope that you will extend that same level of support to District Governor-Elect Lisa Griffie as she presents her goals and works to achieve them throughout the upcoming Lions year.

Finally, remember that "We Serve" is more than a motto; it's a call to action. It is a call to donate our time, talents, and resources so our tradition of service can continue and so our beloved organization can thrive. Thanks, again, for your many efforts throughout the course of this year and for allowing me to serve as your District Governor.

Yours in Service,

### Club Officer Elections

*By now, your officer elections should be complete. If you have not already done so, please report next year's officers via MyLCI a.s.a.p.*

# From District Governor-Elect Lisa

Dear fellow Lions, Lioness and Leos,

It has been an awesome year here in District 14C. During this past year we have done a great job getting new members, and have added one new club to the district. We had an extraordinary response to the District Project for children with pediatric cancer.

It's an exciting time to be part of the leadership team for District 14-C. I want to take this opportunity to thank District Governor Dennis Cope for his awesome leadership and inspiration during the past year. I also look forward to working with our Vice District Governor team of Steve Shipman and C.R. Lloyd.

I am looking forward to serving this great district as your Governor during the coming year. Please review this year's

District Goals and let me know if there is anything you would like to see done.

I am finishing up my directory for this year and still have a few positions open. If you are in Zone 3A, I am still looking to fill CR's position of Zone Chair — I ask that anyone in that Zone who has been president seriously consider stepping up to this role. The role of Zone Chair is one of the best and rewarding jobs in the district.

Finally, thank you to all of the clubs who welcomed me to your meetings as I visited along with DG Dennis this past year, and for your hospitality and support. To those clubs I was not able to visit, I look forward to visiting you in the coming year.

Yours in Service,

*Lisa Griffie*

District Governor-Elect 14-C

## District 14-C Membership Goals Progress Report

	7/1/2017	Year to Date	Goal for 2017-2018	% of Goal Achieved
<b>Total Membership</b>	1301	1294	1347	96%
<b>Net Membership Growth</b>	n/a	-7	46	-15%
<b>New Members</b>	n/a	96	101	95%
<b>Number and Percentage of Female Members</b>	226 - 17%	247 - 19%	269 - 20%	66%
<b>Dropped Members</b>	n/a	103	<101	102%
<b>New Club Branches</b>	n/a	0	8	0%
<b>New Lions Clubs</b>	n/a	1	2	50%

## Membership Goals Progress Report

Our membership numbers as of May 22nd show some encouraging improvement over last month's numbers. While we are still not showing a net increase, the deficit has been cut from -14 last month to -7 this month. We have recruited 96 new members, just 5 members short of our goal of 101 new members. However, due to the number of drops we need to recruit more new members than that to end the year with a net increase.

Also, for the first time this year, our percentage of female members has risen broken the 19% figure. We need just 13 women to join between now and June 30th to meet our goal of 20%. 13 new female members would not only get us to our goal of 20% female membership, it would also help us achieve net membership growth for the year.

As was stated in last month's report, we need not only a strong push to recruit new members, we must work hard to avoid any more dropped members. Clearly, you have been working hard to help your club end the year "+1" for the year and help the District end the year with a net increase in membership. Please continue the push, and thank you for your on-going recruitment efforts.

## Membership Campaign Reminder

The District's Global Membership Team (GMT) has challenged each of our clubs to end the year with one more member than they started the year with, as shown in the District

Directory. This goal is reflected in our campaign theme, "Plus One for 101," meaning each club will have net membership growth of at least one member for the 101st year of our Lions organization.

Every member who sponsors a new member this year will receive a pin that looks like the logo pictured here. In addition, every club that meets the "+1" membership goal will be awarded a banner patch with this same logo.

District Governor Dennis is looking forward to giving away all 200 pins that have been purchased for this campaign and delivering a banner patch to each club!

***And note that President Aggarwal has waived the entrance fee for new members inducted and reported to LCI between June 7 and 30 of this year!***

# Peace Poster Contest and Essay Contest: “Kindness Matters”

Lions of 14-C — Make this be the year to participate in the Peace Poster Contest with your club. Now is the time to order your kits for the Peace Poster Contest for 2018-2019!

The peace posters submitted this past year from the Lions Clubs of 14-C were absolutely incredible. By just looking at the posters, one could see the amount of research, time, thought, and creative talent that was invested into each poster. But we need more clubs to be participating and giving this incredible opportunity to our youth! Encourage a volunteer from your Lions Club to offer the opportunity to a classroom of children, a Scout troop, a baseball team, a Sunday School Class or a Youth Group to participate in the Peace Poster Contest. Some of our Lions Clubs and schools have made it a tradition which both groups look forward to annually.

Kits are just \$11.95. **What a bargain!** Remember one kit must be purchased for each group your club sponsors. Much information about the Peace Poster Contest is available on the [LCI website](#) along with information about how to order the Peace Poster Kit. You can, also, order by calling Club Supplies Sales at (630)571-5466 or 1-800-710-7822. The theme for the 2018-2019 Peace Poster Contest is “Kindness Matters.” Students ages 11, 12, or 13 on November 15, are eligible to participate. The last date to order a kit is October 1, 2018.

Lions Clubs around the world are also encouraged to sponsor students in the Lions International Essay Contest. This essay contest was created to offer an opportunity for visually impaired young people to express their feelings about world peace. The theme of the 2018-2019 International Essay Contest is “Kindness Matters.” Students ages 11, 12, or 13 on November 15, are eligible to participate. For the essay contest rules and application form, [click here](#).

If you would like more information about how to sponsor the Peace Poster Contest for your club, contact Lion Patti Hullmann, Jacobus Lions Club, District 14-C Peace Poster Chairperson. For more information, email me at [hullmannp@aol.com](mailto:hullmannp@aol.com), or call 717-428-3659 or 717-324-7646. I can also come to your meeting and do a presentation about the Peace Poster Contest.

*2017-2018 Merit Award Winner: Jaine Gatelli from Brazil. Jaine is 13 years old and was sponsored by the Sao Miguel do Oeste Universidade Lions Club. Jaine was one of 24 merit winners. The theme was, “The Future of Peace.”*

## The Reisingers: Passionate about Vision Awareness

Although Lions provide many services to the community, our fundamental purpose remains providing programs for eyesight assistance to those in need. Here in Central Pennsylvania we place significant emphasis on serving children to detect and correct vision problems at the earliest ages possible. This month we profile two of our Lions who readily fulfill the mission of Lionism to promote and advocate our vision screening and awareness programs.

PDG George Reisinger and Lion Wanda Reisinger spend virtually every day promoting vision awareness. PDG George coordinates youth eye needs with the Northeastern York County School District and Lion Wanda does the same with Central York School District. The nurses at any school in these districts have the Reisingers on their speed dial and know that any eye examination and eyeglass need of their students will be promptly met and solved. PDG George and Lion Wanda work tirelessly every day to help their community.

Before retiring, PDG George worked for Caterpillar and Lion Wanda owned and operated Slim Time Spas. They met while playing racquetball and married in 1981. Lion Wanda's father, Lion Harry Crump, was a member of the Susquehanna Lions Club. He "encouraged" George to join, and George did so in September of 1988, joining Wanda's brother, Lion Robert Crump, as a member. PDG George has held every office in the Susquehanna Lions Club except Treasurer and served as District Governor in 2009-2010. He is currently the Administrator for District 14-C and Chairman of the district Long Range Planning Committee.

Lion Wanda joined the Shiloh Lionesses and served in a variety of offices including President, and is now a Lion with the York White Rose Lions Club. Lion Wanda's commitment to combating youth vision problems led to her endless advocacy for the establishment of the district vision screening program, and she currently serves as one of the vision screening coordinators for York County.

the District 14-C vision screening committee to hold vision screening events. Clubs have had great success holding these events at preschools and libraries. Other possibilities include having booths at community days and carnivals.

Contact Lion Wanda for more information on these events at [buddyrot@comcast.net](mailto:buddyrot@comcast.net). Each and every club has an opportunity to be a part of this wonderful program to give a child early detection and correction of vision problems.

## International President Honors 3 from District 14-C

## LCI Legal's Annual Tax Reminder

Club and district officers are also encouraged to share the following advisory from LCI's Legal Division:

*"Please remember that all Lions Clubs, Districts and Multiple districts that have annual gross receipts less than \$50,000 and do not have to file Form 990 or 990-EZ, must file the e-Postcard (also known as 990-N). If your Lions club, district or multiple district has a foundation, which is a separate legal entity, the appropriate form will need to be filed as well."*

The Plainfield Lions Club recently honored Shannon McCabe as their Student of the Month.

Shannon is a senior at Big Spring High School and a member of the Mu Alpha Theta, the Math National Honor Society. She was a member of the Big Spring Soccer team and served as a captain this year. She is also the Pennsylvania Interscholastic Athletic Association (PIAA) State AA Girls Diving Champion for 2018.

Shannon will be attending West Chester University, majoring in Forensic Toxicology or Biology. She also plans to continue diving. Her parents are Keith and Brandy McCabe and she has an older sister Chelsea.

## Check Please! EIN Numbers

The State Office reminds district and club treasurers that each club and district should have its own Employee Identification Number (EIN) and file a yearly report with the Internal Revenue Service (IRS). If you have questions or need more information on this matter, please contact LCI's Legal Division at 630.468.6732. This event will be open to the public from 8:00 AM until 2:00 PM. Vendors will be allowed in at 6 AM and all vendors should plan on being packed up and out of the Community Center by 3 PM. The New Freedom Lioness Club will be selling baked goods, breakfast sandwiches, hot dogs and beverages. No other food vendors will be permitted.

# Eye Screening Project Report

The Eye Screening Project has had another banner year. 969 children will have been screened by the end of this fiscal year. The referral rate on average is about 12 per cent. Several more Lions Clubs have become part of the project, for which the committee is grateful, and there are a few more who have expressed interest in knowing more about the project. The project is ending its third year. Time does fly, so it is said.

Everything generally speaking has run smoothly, until recently the first camera purchased had to be returned for technical service. The internal battery would no longer hold a charge. The life of the battery is 300 charges. All repairs were covered by the extended warranty, which was purchased with all three cameras.

The committee recently accepted the resignation of Chairperson, PDG Shirley Starner to be effective June 30, 2018. District Governor Dennis Cope will become the new Chairperson July 1, 2018.

Donations by Lions, Lionesses or Leo Clubs are greatly appreciated. Funds can be sent to the District Treasurer, Bob Jacobs, 857 Lake Road, Spring Grove, PA. 17362. A heartfelt thank you to all who have contributed over the past three years. The interest and support is greatly appreciated.

*Six members of the Hanover Lions Club assisted the Friends of Codorus in completing several environmental friendly tasks on a beautiful April 21 at Codorus State Park. These tasks included picking up trash, creating safer paths and walkways, and removal of tree branches, limbs and leaves from public areas of the park. Pictured are Lions Dan Lawrence, Todd Boller, Andy Groft and Matt Wootton. Members not pictured were Bob Jordan, Ken Zinn and his son David.*

*Hanover Lions Club member PDG Vance Stabley (left) was recently recognized with the Golden Lion Award at the recent District 14-C Convention. Hanover Lions Club President Ken Zinn presented PDG Vance with his pin. PDG Vance has been a member of the Hanover Lions since January 1968, and has served the club in many capacities including president, secretary, installation and induction officer, project chair, a mentor and a board member. Among his many accomplishments, PDG Vance served as governor of District 14-C with oversight of more than 45 clubs throughout the three county area of York, Cumberland and Adams. He is a Melvin Jones Fellowship recipient and through his ongoing humanitarian efforts he was recently honored and recognized with the Progressive Fellowship.*

**BE INSPIRED**

Join us in Columbus this September for the USA/Canada Forum. Not only will you have a lot of fun (and German Village is not to be missed), but you will receive inspiration and training for Lions and for life. We may charter a bus if enough are interested. Contact *Second VDG Steve Shipman* to get on the list for more information. [Click here](#) for registration or information on the event.

The Hanover Lions donated \$6,750 to the New Hope Ministries program in Hanover for the purchase of a new freezer unit vitally needed by the program for long-term food storage. Brent Toomey from New Hope visited the Lions to receive the donation from President Ken Zinn. She shared her program's overall mission of assisting and supporting over 1000 local families each month through their food pantry component, counseling services, and educational training and self-sufficiency support programs.

The Dallastown Lions Club recently held its first Gift Card Bingo at the Eureka Fire Company in Stewartstown. It was a resounding success and a near sellout! The Lions also raffled off a basket full of goodies and a beautiful home sewn blanket. Pictured are Lions Joanne and Norman Morris. The club plans to make this an annual event.

The 2018 Susquehanna Lions Scholarship was awarded to Ms. Caitlyn Rau at the Northeastern Senior High School Awards Program on May 29th. Caitlyn, the daughter of John and Betsy Rau, will be attending The Culinary Institute at Le Cordon Bleu, Bloomsbury, London, UK next year. Caitlyn intends to pursue a career as a pastry chef. She is shown receiving her scholarship from Susquehanna Lions Past President Scott Wojtkowiak.

The Dallastown Lions Club collected trash at their semi-annual Adopt A Highway Road Clean Up along Hess Farm Drive at Lake Redman. The lake looks amazing and is now ready for everyone to enjoy. The Lions ask that while you are enjoying the lake and all that it has to offer, please remember to pick up your trash before you leave. In keeping our lakes and roads clean everyone can enjoy nature.

The Plainfield Lions Club recently honored Samantha Meacock (left) as their Student of the Month.

Samantha is a senior at Big Spring High School. She is a member of the National Honor Society, the Math National Honor Society, the Science National Honor Society (which is a club that she help to start at Big Spring and where she serves as Vice-President), Club Care and Student Council. She served as a lawyer on the Mock Trial team. She plays the trombone in the Concert and Jazz Bands. She was a member of the Big Spring Field Hockey team and served as one of the captains during her senior year. She also teaches field hockey to the younger children in the Pixie Sticks club.

Outside of school, Samantha plays on the Central Penn Elite Field Hockey team and has a black belt in Karate. She won the regionals and advanced to the state finals in the National History Day contest sponsored by the University of Maryland.

Sammi plans to attend Swarthmore College in the fall and hopes to major in biochemistry. Her goal is to attend medical school after college and to become a physician. She also plans to play field hockey at Swarthmore.

Samantha is the daughter of Bill and Kim Meacock, and has two younger brothers, Will and Max.

## Keep Us All Informed

After two years, and with a year as First VDG about to begin, it is time to turn the keyboard over to a new editor, Lion Pat Simpson of the Jefferson Lions. You are still welcome to send 1VDGE *Steve Shipman* items for the Facebook page, but please send all newsletter items to Lion Pat.

**To contact the editor or send newsletter items, please email**

*[Newsletter14C@gmail.com](mailto:Newsletter14C@gmail.com)*

As before, you can help Lion Pat do a better job for you by sending her high quality jpeg pictures separate from any text (not imbedded in a Word or PDF document), letting her format articles (simple is best to work from), and not sending printed scans or printouts on colored paper. If somebody produced a flyer or other item on a computer, please send her the computer file and not a printout of it.
