

News from the Lions' Den

District 14-C

March 2018

Message from the District Governor

Greetings Fellow Lions, Lioness, and Leos,

We are well into the second half of our Lions year, and I am pleased to report that we are making progress toward achieving our District goals for this year.

In the area of *Service*, we now have plans in place for our District Same-Day Service Project, and you will read more about that project elsewhere on this page. This project will be tied to our District Convention service project. A big thank-you to VDG Steve Shipman for coordinating this project.

In the area of *Leadership*, the number of club officers who have completed on-line training continues to increase. I

strongly encourage 1st VPs to complete *the President's course* in preparation for their year as Club President. Also, VDG Lisa will conduct a workshop this month for individuals who are thinking of taking a leadership role outside of their club. You will see more information about this workshop *later in this newsletter*. Thank-you to VDG Lisa for her leadership in preparing this workshop

In the area of *Membership*, much work remains to be done. Our pace of recruitment is running behind last year's pace, and the number of dropped members is threatening to exceed the limit we set for this year. Currently, just eight of our clubs stand at +1 for the year. I remain, however, optimistic that our clubs will rise to the challenge and we will see a surge in the number of new

members our clubs recruit between now and June 30th. Please keep asking!

Finally, I once again wish to express my deepest gratitude to each of our clubs for the hospitality and generosity you have extended to the Vice District Governors and me as we visit your clubs. It truly is an honor and a privilege to be welcomed into your meetings and given the opportunity to share our message with your members. Great work is being done by Lions in every part of our District, and I encourage you to continue your efforts to meet the needs of your communities and seek new ways to serve.

Yours in Service,
Dennis Cope
District Governor

District Service Project Planned

Help us show our neighbors that "We Serve" by, well, serving.

On Saturday, March 24, all Lions Clubs in District 14-C are asked to collect items needed by children and families dealing with pediatric cancer, a global service initiative added this year.

Every member on our email list has already received a flyer that can be reproduced, cut, and handed to people (four flyers per sheet), with the items we are suggesting.

What you need to do is contact the manager of a store selling those items (or most of them) and ask permission to stand outside on March 24 distributing those flyers. It is a win-win-win situation for everybody: We help those dealing with pediatric cancer, the store enjoys additional purchases, and we get visibility in our communities.

Please note that *it is not the intention for clubs to collect these items from your membership*. The point of a District Service Project is to gain visibility in the community while we offer humanitarian service. You might want to have a few club brochures handy in case anybody asks for more information about your club.

You can bring the items you collect to our *District Convention* on April 14. We will pack them there to be delivered to Penn State—Hershey Children's Hospital at a later date.

The plan is for this to become an annual event, where every club in District 14-C is seen serving together in our communities.

District Governor's Visits

Tuesday, March 27
Tuesday, April 10 (change)

Dallastown Lions
Cashtown Lions

From our 1st Vice-District Governor

Hello Fellow Lions,

I am busy preparing for my upcoming year as District Governor, I will be emailing all clubs with my proposed date for my

Governor's visit. I would greatly appreciate it if all clubs would try to accommodate me on the date requested, since it is quite a chore to rearrange my dates once the emails are sent out. Please provide a response to my visit request no later than March 30.

In this newsletter is a flyer for Directory Ads for the upcoming year's directory [[click here](#)]. I encourage everyone to place an ad in the directory, because it helps to defer the cost of printing the directory (cost is approximately \$800 per year). I thank you in advance for helping

the District to reduce our costs where possible without resorting to electronic directories only. Ads and payment must be to me by May 1, 2018.

As the District's Leadership Coordinator, I will be holding an informational session about being Zone Chair on Saturday, March 17, 2018, at the York New Salem Borough Building, 70 Water Street, York New Salem from 10:00 AM - Noon (at the latest!). This session is for anyone who is considering the position of Zone Chair.

Anyone seeking training for any officer's position (President, Secretary, Treasurer or Membership Chair), please send me an email at Griffion@yahoo.com. I will set up training for anyone interested later this spring.

Lastly, it was great to see so many Lions at this past Cabinet meeting in Manchester. I encourage every Lion to consider attending this year's District Convention; there will be something for everyone!!

Yours in Lionism,

Lisa Griffie

First Vice-District Governor

From MD-14 Council Chair Larry Edwards

I want to thank the 14-C Lions for such a warm welcome. It was great to meet and talk with so many Lion friends. Lion Susan and I appreciate the basket of treats and fruit. The lunch topped off the day. Keep up the efforts that 14-C makes, as it shows.

Membership Campaign Reminder

The District's Global Membership Team (GMT) has challenged each of our clubs to end the year with one more member than they started the year with, as shown in the District

Directory. This goal is reflected in our campaign theme, "Plus One for 101," meaning each club will have net membership growth of at least one member for the 101st year of our Lions organization.

Every member who sponsors a new member this year will receive a pin that looks like the logo pictured here. In addition, every club that meets the "+1" membership goal will be awarded a banner patch with this same logo.

District Governor Dennis is looking forward to giving away all 200 pins that have been purchased for this campaign, and delivering a banner patch to each club!

Membership Goals Progress Report

Our membership numbers during February showed a slight improvement from January. We gained 4 new members and lost just 2 members, so we are trending in the right directions. However, in order to meet our goals for this year, we need a strong push to recruit new members and work hard to avoid dropped members.

District 14-C Membership Goals Progress Report

	7/1/2017	Year to Date	Goal for 2017-2018	% of Goal Achieved
Total Membership	1301	1295	1347	96%
Net Membership Growth	n/a	-6	46	-13%
New Members	n/a	70	101	69%
Number and Percentage of Female Members	226 - 17%	237 - 18%	269 - 20%	33%
Dropped Members	n/a	76	<101	75%
New Club Branches	n/a	0	8	0%
New Lions Clubs	n/a	1	2	50%

Here are some suggestions to help you in that effort ...

Who to Approach: Bank Branch Manager; Chief of Police; Real Estate Agents; Insurance Agents; recent retirees; individuals who were active in school booster clubs but not longer have children in school.

What to Say: Focus on specific ways your club provides service to the community; deemphasize the need to attend meetings; highlight opportunities for *free* leadership training seminars.

Other Considerations: Does your club have membership options that do not include meal costs for individuals who cannot attend meetings regularly? Does your club have hands-on service opportunities that potential members would find compelling? Do your club members warmly greet guests and make them feel welcome? Are your club meetings well organized, fun, and engaging?

IMPORTANT MESSAGE FROM STATE OFFICE:

In the interest of decreasing printing and postage costs, the MD-14 State Office will be implementing changes to State Convention and state per capita dues procedures.

· **There will be no Elections operation held as part of the 2018 State Convention (May 17-20 in State College).** This change comes as a result of no statewide ballot issue being presented this year and the fact that all District Governor leadership teams will be elected at their respective sub-district convention or caucus.

· **Delegate forms for the 2018 State Convention will still be required to certify Lions to take action during the Business Sessions on Saturday, May 19, and Sunday, May 20.**

· **Delegate forms for the 2018 MD-14 State Convention will NOT be mailed to club secretaries and Past District Governors.** Delegate forms will be printed in the January-February-March 2018 issue of MD-14 quarterly magazine, *The PRIDE of Pennsylvania*, and as a district email to club secretaries. The forms will also be available on the MD-14 Lions website (www.palions.org) and via district websites.

· **Effective July 1, 2018, MD-14 semi-annual per capita dues invoices will no longer be distributed via the U.S. Postal Service.** Per capita dues invoices will be emailed to club treasurers or other designated club officers on or about July 10.

Golden Lions to Be Honored at District Convention

At the District Convention, April 14, 2018, at Liberty Mountain Resort, District 14-C will be honoring seven Lions who will be attaining 50 years of service to Lionism and their communities in 2018. The honorees are Lion Dale Biesecker - Cashtown Community Lions Club, Lion Earl Burg - Red Lion Lions Club, Lion William Freeman - Shippensburg Lions Club, Lion Fred Hopper - York Springs Lions Club, Lion Jack Potts - Camp Hill Lions Club, Lion Larry Sharer - Camp Hill Lions Club, and PDG Vance Stabley - Hanover Lions Club.

If any club secretary has knowledge of a Lion we have missed who attained 50 years of service in 2018 or an earlier year that we have missed, please notify PDG George Hilsinger, george_hilsinger@live.com, or 717-530-4978 so that they can be honored as well.

Silver Lionesses Sought

We are looking for the name of every Lioness who will attain 25 years of service in 2018. Lioness Club Secretaries should notify PDG George Hilsinger, george_hilsinger@live.com, 717-530-4978 so that we can honor them at the District Convention.

Delegate Registration Forms and a Questionnaire on the State Convention will be sent in separate emails.

Please open them and respond if you receive them!

We are trying to save space and make our newsletter more readable

After a successful year in 2017 raising funds to help support Rita Brechbill, the group is once again meeting in 2018 to plan for this year. At the moment they are in the process of finding a recipient as well as planning various fundraisers for the year. Among them *Have a Meal with the Easter Bunny* on March 22nd at the Farmers Market Family Diner on 260 York Road in Carlisle, **Golf Tournament**, at the Eagles Crossing Golf Club on June 23rd, **Bake Sale** at the Country Butcher in Plainfield, and last but certainly not least **Yard Sale** at the Newville Fairgrounds.

Rita Brechbill is a teacher in Big Spring, who has developed a neurological illness. She has visited Johns Hopkins Hospital in Baltimore as well as the Mayo Clinic, so far without a diagnosis. All she knows is that her mobility is decreasing at a steady rate. The WCC Project Fund was able to help her by re-modeling her bathroom so that she can access it without problems.

“Let’s join the Lions Club together”

It should come as no surprise that women like to do things in groups. When we spoke about women and families at a Lions Club meeting last year, we were not surprised to hear that several wives of male members joined their Lions Club after months of saying “I’ll join if you join” to each other.

Beverly Horn is the current President of the Shippensburg Lions Club. She grew up in the Shippensburg area. She chose a career in the nursing profession that saw her graduate from the District of Columbia Hospital Capitol City Nursing Program, then she obtained her B.S. degree in Nursing from the University of

Pittsburgh. As a registered nurse she taught practical nursing and worked in the educational department of Chambersburg Hospital. Her last ten years of teaching focused on diabetes awareness and education, since diabetes has become more prevalent in society and a pressing and important issue for Lions to understand and counter in our quest for maintaining vision health.

Shortly after Beverly retired from nursing in 2010, a friend of hers asked her if she wanted to join the Shippensburg Lions Club. That friend was Merry Jean Berres, whose husband Jim was club secretary at the time. Merry was interested in joining and helping the Lions but wanted someone to join with her. Fortunately, Beverly said yes.

Prior to joining the Lions Club, Beverly had limited knowledge of what the Lions did. She knew about the eyeglass collections and she had been invited to speak about diabetes at one of the club meetings.

Now that she was finally a Lion, Beverly quickly became involved in her club’s projects. The Shippensburg Lions Club

operates a stand at the Shippensburg University Children’s Fair to encourage children to get involved in the eyeglass donation program. She takes special satisfaction in helping with a literacy project known as “Blessing of the Backpacks” every fall, to encourage children from pre-school to sixth grade to read. While it started out small, the program has continued to grow to the point where the club members donate or obtain approximately 150 books from book sales to provide to children to read. The Lions Club also assists schools with a “safety bucket” project, which provides buckets for school rooms and common areas that contain a hammer, blanket, paper towels, duct tape and water for emergencies.

Beverly also served as Eye Glass Committee Chairperson as well as serving on the Literacy Committee and guiding the 80th and 85th anniversary committees of the Shippensburg Lions Club. She served as Vice President for the 2016-2017 term, and this past July began her service as President. She and the other club members sponsor a local cub scout pack and operate the concession stand at each Shippensburg High School football game.

When she is not volunteering with the Lions, Beverly also serves as President of the Shippensburg Garden Club and is on the Board of Directors helping her local Meals on Wheels Program.

Beverly recently convinced a husband and wife and a single woman, who are her fellow church members, to join the Lions Club and serve with her. She believes very strongly that people want to feel a connection to help others. Her story should be an incentive to all of us to get out there and get people to “join together.”

Celebrate Our Peace Poster Winners

What an honor it was to celebrate the winners of the Peace Poster Contest for the Lions Club District 14-C at our District 14-C Cabinet meeting on Saturday, February 17, 2018! The pride that the winners and their families exhibited was immeasurable! The theme for the 2017-2018 competition was "The Future of Peace." There were 78 entrants to the competition from our district, with four Lions Clubs participating by sponsoring a group of students.

Let's meet our winners:

Our district's **third** place winner was **Meghan Kelly**, sponsored by the Jacobus Lions Club. Meghan is a sixth grade student at Dallastown Area Intermediate School. Meghan's favorite subject is English and Language Arts, because she enjoys writing and learning about WWII in her class. Megan volunteers in the Autistic Support Classroom and in her school Library. Meghan enjoys the activities of writing stories, sketching, swimming, listening to music, spending time with her neighbors, and photography. Someday, Meghan would like to be an author, writing chapter books. Meghan's quote about world peace which

she included on the back of her poster was, "Music can change the world because it can change people."

Our district's **second** place winner was **Katie White**, sponsored by the Arendtsville Lions Club. Katie is in sixth grade at the Arendtsville Elementary School. Katie's favorite subject is science, because she likes to learn about how things work. Katie is involved in the yearbook committee at school. Katie enjoys the activities of playing softball, collecting squishies, making different kinds of "slime," and going deer hunting with her dad. Someday, Katie would like to be a horse farmer. Katie's quote that she included on the back of her poster about world peace was, "If everybody would respect each other, there would be a world of peace."

Our district's **first** place winner was **Chang Wang**, sponsored by the Mechanicsburg Lions Club. Chang also had the distinguished honor of being chosen to receive an **honorable mention trophy award**, presented by Council Chair Larry Edwards from the Pennsylvania State Council of Lions Clubs. Chang is an eighth grader at Mechanicsburg Middle School.

CC Larry Edwards presents Chang Wang with her trophy for winning Honorable Mention in the State Contest

Chang's favorite subject is math, because she enjoys the subject and her teacher is very nice. Chang plays in the school band. Chang also enjoys the activities of playing the piano and hip-hop. Someday Chang would like to design fashions and/or jewelry. Chang's quote that she included on the back of her poster about world peace was, "Everyone can treat each other with respect no matter where they come from, and that peace should be like the hearts of all people that come from different places and come together."

I am sure you will agree with me that we can learn much from the wisdom and insightfulness of our very bright, talented, creative, and artistic winners of our District 14-C Peace Poster Contest!

Now is the time, Lions of 14-C, to order your kits for the peace poster contest for 2018-2019! The theme is "Kindness Matters." What a simple, but powerful theme! I think this would be a great year for your club to become involved in the contest! It is a theme that all children from little on up can identify with. I can't wait to see the wonderful posters that the children will be creating for this theme. *[purple text is a link]*

So, with this in mind, ask for a "**volunteer**" from your club to chair the Peace Poster Contest. Take a look at your community and make a list of schools and/or organizations such as Scouts, Youth Centers, 4-H groups, Church groups, etc., that you could offer this opportunity, then take the plunge and make the call or the email to get the ball rolling.

Much information about the Peace Poster Contest is available on the LCI website with information about how to order the Peace Poster Kit. You only need to order one Peace Poster Kit for each group of children you sponsor.

Also, *the Lions International Essay Contest* was created to offer an opportunity for visually impaired young people to express their vision of world peace. Information about the essay contest can, also, be found on the LCI website. *[click on purple text]*

If you would like to discuss how to sponsor a Peace Poster Contest for your club, contact Lion Patti Hullmann, District 14-C Peace Poster Chairperson from the Jacobus Lions Club. For more information, email me at hullmannp@aol.com, or call 717-428-3659 or 717-324-7646. I will gladly come to your meeting and do a presentation on how to sponsor a Peace Poster Contest in your area.

Pinchot Park Lions President Charles Walter (right) presents a check to PDG John Griffie to support Leader Dogs.

Looking for a great place to hold that graduation party, a family reunion, a business picnic, a school reunion, or just a great day at the park? Consider renting the facilities at the Dallastown Lions Club Community Park. The Lions are planning some improvements in the next year to the park which is conveniently located directly across from the Dallastown High School Football Field. A walking trail is planned as well as a possible volleyball court and some new playground equipment.

The park is available for everyone to enjoy, and picnic tables and horseshoe facilities are provided for those family picnics. The building, kitchen, baseball field, and band shell are available for rentals for those large family or business picnics.

If you are interested in renting the park, its building and kitchen, please contact Lion D. Michael Craley at (717) 880-5052.

At right: A large crowd of Lions, Lionesses, and Leos along with guests gathered in Manchester for our February District Cabinet meeting. State Council Chair Larry Edwards was our special guest (see his note on [page 2](#)). DG Dennis Cope and CC Larry are pictured in front of the Arendtsville Lions banner. For more photos, look on next page and check our District 14-C Facebook page.

Dallastown Lions Club will be holding their semi-annual Chicken Barbeque on Saturday, June 2nd, 2018. Our barbeque chicken is delicious and is provided with a baked potato, applesauce, bread and butter and a brownie for dessert. All this for only \$8.50. If you are interested in a barbeque dinner, please contact Lion D. Michael Craley at (717) 880-5052 or Lion Robert Schmuck, Jr. at (717) 244-5906 before Thursday, May 24th, 2018.

Mechanicsburg Lions Again Sponsor “Give from the Heart”

The Mechanicsburg Lions Club's "Give from the Heart" program was run at Upper Allen Elementary School for the 3rd year. The six fifth grade classes were each given \$100 to donate to a charity of their choice. They teamed up and put together presentations that were then voted on by the class. This year's recipients were: The Humane Society, the Cancer Research Institute, Dicks sporting Goods Foundation, Pennsylvania Wounded Warriors, World Wildlife Fund, and the American Cancer Society. The student groups got the opportunity to hand the check to a representative of the group they chose at a special "Town Hall" meeting at the school on February 28. Members of the club who participated in the town hall were Lions Lana, Wayne, Cathy, Susan, John, and Chris. More photos will be posted on our District Facebook page, along with a link to the report from ABC 27 that ran on their newscasts.

Keep Us All Informed

Lion Steve Shipman (Dillsburg Lions) is editor of this newsletter. Lion Steve needs your news and information. The best way to get him items is to send pictures as JPEG files (they don't look as good if he takes them from your PDF), and text as either a Word document or a Rich Text Format (rtf) file. If you have a finished PDF file, he can simply drop it in the newsletter and it will reproduce very well.

Glossy photos work best if he needs to scan them. He is happy to retype text. *Scanned or printed items rarely reproduce well*; please send the original to him if you want it to be readable. Call first if you need help in deciding what he needs in order to give you the best publicity.

Send him items at prsteveshipman@gmail.com, or call or text him at 570-916-7780. If you have not entered the computer age, his snail mail is 436 E Ridge Rd, Dillsburg PA 17019.
