DISTRICT 14-C

APRIL 2019

## MESSAGE FROM THE DISTRICT GOVERNOR

***Greetings Lions, Lioness and Leo's,***

*Spring is here!!*

April brings warmer weather which means we can begin doing more outdoor projects. While your clubs are making plans for the next several months please remember that our main goal is to serve others.

While doing my visits this year it was great to hear about all the club fundraisers; however we need to make our focus more on service! Service is not writing checks to organizations even though the money does help to make a difference. The meaning of service is the action that a person does for someone else. We need to get out there in our communities and find out what the needs are!

Many of our clubs do not have an actual Signature Service Activity, mine included! I urge everyone to think about this and encourage your clubs and zones to find more ways to SERVE others. Some examples of service projects are building a handicap ramp, helping at a community day or event in your Lions Vests, taking someone to dialysis or chemo treatments, setting up a food drive for your local food pantry, and the list goes on. You can find many more projects on the Lions Clubs International website.

# MESSAGE FROM STEVE SHIPMAN

In my religious tradition this is the season of Lent, which we view as a time for confession. So I confess to you that my anxiety is growing as I anticipate serving as your District Governor beginning in just a few months. Most of my training is completed, which doesn't mean that it knows everything; it simply means that I know a lot more about what I don't know.

We have so many good and hard-working Lions in District 14-C, I am confident that together we can strengthen our clubs for even greater service in our three-county area and around the world. And I am well aware that I need all of you, because there is very little I can do alone.

I am delighted that Lion Tom Jones has stepped up to serve after me, and I encourage all of you to consider taking on this privilege and responsibility after him.

I will need your help to schedule my official visits to your clubs. If your meeting dates and places have changed since the last District Directory was published, please stop everything and drop me an email right now at [prsteveshipman@gmail.com](mailto:prsteveshipman@gmail.com).

It isn't easy to schedule nearly 50 club visits, mostly on Monday, Tuesday, or Wednesday evenings. But these are critical to preserve our connections with one another in our district and to reinforce that we are part of something even bigger in Lions Clubs International.

I regret that I will not be with you at our District Convention, as my friend of nearly 40 years and my sponsor in Lions, PDG Sam Wagner, is getting married that day. Some things are more important than Lions, and a friendship such as ours is on that list! But I assure you that I will make every effort to provide the best leadership I can during the coming year.

Together we can do so much more than individually, as we have been proving for more than 100 years. I look forward to working with all of you to look for ways to strengthen all of our clubs, to grow our service, and I hope also to discover opportunities to start new clubs that will reach new groups of people who are not likely to join our existing clubs.

***We are Lions. We serve.  
Let's not lose sight of the basics.***

# MEMBERSHIP UPDATE

March has been a difficult month in regard to membership numbers for District 14-C. This month alone, we dropped 24 members and gained only 6. That puts our total District membership at 1254, which is 26 members less than we started the year. Some of this is due to the unfortunate loss of two clubs, York Township and York Eastgate Sunrise. With just 3 month left in this Lions year, we need a strong membership push to get our District membership numbers back to where we started the year and help District Governor Lisa achieve her goals.

So far this year, 26 of our clubs have recruited at least one new member, and 9 of those clubs have recruited more than 1 members. We can get back to even if each of the 18 clubs that hasn't recruited a new member brings in 1 or 2 members and the 17 clubs that have brought in 1 new member find at least 1 more. Club Membership Chairs and Secretaries recently received an email from our District Membership Coordinator, IPDG Dennis Cope, with an offer to help put together a membership recruitment plan. Feel free to contact him with any of your membership concerns or requests for assistance: [dennis.cope@icloud.com](mailto:dennis.cope@icloud.com).

On a more positive note, congratulations to the following clubs who reported new members in the past two months: **Jefferson Community (1), New Freedom (1), Susquehanna (1), Windsor (1), and York Springs (2)**. Also, DG Lisa challenged us to increase the percentage of female members in District 14-C. We started the year at 19%, and that number has increased to 20%. If each of our clubs recruits at least 1 female member this year without losing any female members, the percentage of women members will increase to 23%. The following list of clubs added at least one female member since July 1, 2018. That list has grown by two over the last two months, and those clubs are shown in bold type in this listing: Camp Hill, Carlisle, Dallastown, Dover, Hanover, Mount Holly Springs, New Cumberland, **Jefferson Community**, Newville, Shippensburg, Upper Adams, Windsor and **York Springs**.

# PEACE POSTER AND ESSAY CONTEST

Admire the details in the beautiful Grand Prize Peace Poster winner for Lions Club International Peace Poster Contest for 2018/2019. The theme was “Kindness Matters.” The winner was Yi-Chih Lin and is 13 years old from MD 300 Taiwan sponsored by the New Taipei City Yung Ho Lions Club. Congratulations, Yi-Chih!

**Lions of 14-C:** The time is now to assign a Peace Poster Contest Chairperson for your club. (Do not wait until school is out.) The chairperson can contact the area Schools, Youth Groups, Scouts, Church groups, Home School Groups, After School Programs, etc. to encourage their participation in the fall. The theme for 2019/2020 LCI Peace Poster Contest is **“Journey of Peace.”** Just imagine all the ways that children could artistically and creatively demonstrate this theme in their poster creations! Who better to map out the journey of peace than our youth! Make the 32nd year of the Peace Poster Contest’s origin be the year for your club to become involved by sponsoring a group of children in the contest!

**For 2018/2019, 132 students in our District 14-C created posters!** How amazing is that! It was obvious that the students dedicated much time and effort in their thinking about, discussing with others, planning, and creating their posters. We congratulate all of the students who participated along with the following sponsoring clubs: **the Arendtsville Lions Club, the Jacobus Lions Club, the Mechanicsburg Lions Club, the Newville Lions Club, the Windsor Lions Club and the York New Salem Lions Club.**

But, we truly need to increase the number of sponsoring Lions Clubs and the number of children that our offered the wonderful opportunity to create a poster. It is a fantastic way to make a connection with your community along with giving young people the opportunity to express their vision of world peace. We, also, cannot place a price on what a difference this could make in a child’s life by his/her participation in the Peace Poster Contest.

Kits are \$11.95(a very small investment for a HUGE return!) Much information about the Peace Poster Contest is available on the LCI website along with information about how to order the Peace Poster kit. You can, also, order by calling Club Supplies Sales at (630)571-5466 or 1-800-710-7822. **Remember one kit must be purchased for each group your club sponsors.**

The Peace Poster Contest is open to children ages 11-13 years of age on November 15, 2019. Your Lions Club can sponsor the Peace Poster Contest in local schools or organized sponsored youth groups. An organized sponsored youth group can be your local Girl Scout Troop, your Boy Scout Troop, or other organized Youth Groups such as a Church Group or the YMCA or YWCA.

# PEACE POSTER AND ESSAY CONTEST

*cont.*

Lions Clubs around the world are, also, encouraged to sponsor students in the Lions International Essay Contest. This essay contest was created to offer an opportunity for visually impaired young people to express their feelings about world peace. The theme of the 2019/2020 International Essay Contest is “Journey of Peace.” Students who are visually impaired and who are ages 11, 12, 13 on November 15, 2019 are eligible to participate. For the essay contest rules and application form, please contact me.

If you would like to discuss how to sponsor a Peace Poster Contest for your club, contact Lion Patti Hullmann, Jacobus Lions Club, District 14-C Peace Poster Chairperson. For more information, email me at [hullmannt@aol.com](mailto:hullmannt@aol.com), or call 717-428-3659 or 717-324-7646. I would love to come to one of your meetings and do a presentation about the Peace Poster Contest. I will, also, come with you to visit the teacher and/or advisor to share information with them about the contest.

## 4B ZONE SOCIAL

The old wooden box was sold 3 times for a total \$255 to purchase a Brady Buggy & donate to LCIF. \$1700 was raised.

The auctioneers were Charlie Wehrly & Hannah Cassell from Wehrly's Auction.

# PLAINFIELD STUDENT OF THE MONTH AND SPEAKER

Taylor Hutchinson is Plainfield's March Student of the Month. She is the daughter of Mick and Tina Hutchinson and her siblings are Sydney and Owen. Her many activities at school include: Big Spring Varsity Field Hockey, Dawg Pound, Spanish Club, Committee Chair Mini-thon Entertainment, Tempus Club, Leo Club, Club CARE, National Honor Society, Yearbook, Wrestling Manager.

Her interests outside of school are Youth Group, Camp Counselor at Camp YoliJwa, USA Futures Field Hockey, Skiing, Cashier at Saylor's Market. In College she plans to major in Biology and the go to Dental School and finish with an Orthodontic Specialty, and hopes to open her own office. Depending on where she goes to college, she may also play Field Hockey. We wish you good luck and much success in your Endeavors, Taylor!

Beverly Horn, President of the Shippensburg Lions Club gave a presentation on the activities of her Club. They have two fundraisers a year: a Spaghetti Dinner in the Spring at Premier Events, and an ongoing fundraiser at the Shippensburg High School, where they operate the Snack Shack. The Club is a bit worried about the future at the HS as the school plans to build their present stadium, which would bring an end to that endeavor.

The Plainfield Lions Club had a little St. Patrick's Day fun at their March 5th meeting. Lion Sue Holtry answered the Tail Twister's Question correctly and won a coffee (or in Sue's case: tea) mug full of Shamrocks as well as this fancy set of Irish Spectacles!

The Question:  
What is the State Flower of PA?

Answer: Mountain Laurel (But then, all of you knew that already, right?)  
Lion HI Gates modeled the glasses and his Irish Bow Tie at home before the meeting.

# NEWVILLE LIONS CLUB

The Newville Lions Club had their First Annual Spaghetti Dinner on March 22nd. Enjoying the dinner are (left) Peck & Jill Freeland, (right) HI and Ortrun Gates. Oh, and the dinner was great! Looking forward to next year!

The photo above is of a meeting between the newest LEO Club from Big Spring High School (from left: Lion Dave Evelhoch, Faculty Advisor Scot Anderson, TEMPUS Club Presidents Colin Boyd and Faith Warner [with slightly obscured face])

According to Newville Club President Dan Brant, "What we are doing is establishing an existing and pretty active service club in the high school (TEMPUS) as a LEO Club. We expect to strengthen the relationship between the TEMPUS LEO Club and the three sponsoring Lions Clubs in the District - Jacksonville, Newville and Plainfield. We believe that the relationship will bring new opportunities to everyone involved. The Lions will have an advisory club team composed of advisors from all three clubs (Kathy Biscuit - Newville, Ortrun Gates - Plainfield, Glorianne Hilsinger - Jacksonville).

There are currently something like 56 members of the TEMPUS Club. Twenty six of those members have signed on to be charter members of the LEO Club. We expect that many more will fill out applications for the LEO Club after this program. FYI, the faculty advisor, Scott Anderson has recently joined the Newville Lions Club."

Every few months The Farmer's Market Diner in Carlisle, has a Plainfield Lions Day. We encourage as many folks as possible to have either breakfast, lunch or dinner at the diner on that day as 10% of the day's receipts are donated to the club. Pictured are Lions HI Gates, Jill & Peck Freeland.

# EASTERN STAR

Fate sometimes brings two different, but equally amazing organizations together for a common cause. Linda Watson, Grand Conductress of the Order of the Eastern Star was visiting York County for a club luncheon and happened to be at the same hotel as the Lions during their Regional Lions Leadership Institute (RLLI) training.

Mrs. Watson is currently seeking higher office in the Order of the Eastern Star organization and her campaign is “20/20”! She decided that she would collect eye glasses from every member who attended their meetings and needed them to be used by someone. The Lions, who just by chance, were attending a training and ran into Linda. Fate, a funny thing! Or was it divine intervention?

It doesn't really matter how or why, but Mrs. Watson and the Lions hit it off immediately and we agreed to take any and all glasses off of her hands! I am not sure she understands how far her generosity will reach, but the newly found partnership between these two amazing organizations will bring joy into so many lives and help so many people.

*(District GST Coordinator, Lion Duane Hull, Lion Becky Krout (who is also a member of the Order of the Eastern Star), Linda Watson, Grand Conductress of the Order of the Eastern Star, Lion D. Michael Craley, and Zone Chair Lion Theresa A. Craley)*

## HONORING TWO LIONS

### CONGRATULATIONS!

Vice President Lion Michael D. Shue recently awarded two Lions with chevrons for their years of service with the Dallastown Lions Club. Lion Robert H. Schmuck, Jr. is celebrating 40 years of service and has served in many offices and on many committees of the club. Lion Nancy Taylor is celebrating 10 years of service and has also served in many offices and on many committees of the club.

These Lions are extremely committed to their club and to their community. Without dedicated Lions like these, our communities would never see the level of service they need. Thanks for your years of service!!!

*(Lion Nancy Taylor, VP Lion Michael D. Shue, and Lion Robert H. Schmuck, Jr.)*

## ZONE SOCIAL

Zone 4-B had its annual social on Tuesday, March 12, 2019. They received a generous grant from the Northeast Pennsylvania Lions Service Foundation, Inc. This grant money, along with money raised that evening at the zone social, was used to purchase a Brady Buggy Wagon that was given to the Pediatric Department of WellSpan York Hospital. The Brady Buggy Wagon was presented to Dr. David Turkewitz, MD and his wife, Kathy, at the event for the use of children in their hospital. Dr. Turkewitz's specialty is Pediatric Emergency Medicine and General Pediatric Emergency Medicine at WellSpan York Hospital and has been serving our community for more than 20 years. He has been awarded the AAP Fellow Award and has authored many publications.

*(Dr. David Turkewitz, Zone Chair Lion Theresa A. Craley, and Kathy Turkewitz)*

During the social, the members of Zone 4-B raised money by having a white elephant sale. In addition to the funds for the Brady Buggy Wagon, an additional \$1,250.00 was raised and given to our very own LCIF Campaign 100! PDG/LCIF-D Kerry McKnight and his wife, Lion/Lioness Deb McKnight were at the event to inspire the bidding! Mr. Charles Wherly and Hannah, from Wherly's Auction, very generously donated their time to auction off the items.

Thanks to our VDG Steve Shipman and his wife, Lion Linda, all Lions, Lioness, and Leos of Zone 4-B, Zone Chair Lion Lori Trimmer, Zone Chair Lion Rosie Sinclair and her husband, PDG Gordon Sinclair, and all of those who attended and made this event one to remember!

## TREES FOR REMEMBRANCE

Shrewsbury Area Centennial Lions Club participated in the Trees for Remembrance project in March by planting 5 Sycamore trees along the Susquehanna Trail North of Shrewsbury.

This was the second phase of planting Sycamore trees to replace those planted in 1920 in honor of servicemen that did not return home following World War 1.

One hundred volunteers from various local service organizations were on hand to plant 75 trees.

# SHUE FAMILY

Most Lions Clubs in Pennsylvania strive to be active and full of life. Club members all have their own stories as to how they became involved in Lionism and what motivates them to stay involved at the levels they do. We all owe our thanks to these dedicated individuals who make up our wonderful Pennsylvania Lions, for without them, Lions could not do the amazing things they need to do to help our fellow citizens. Many Lions now serve with their spouses and other family members.

Dallastown Lions Club reached a milestone in October of 2018 when they welcomed Lion Colby Shue into club membership. She is the 4th generation of her family to serve with the Dallastown Lion Club. Lion Colby's father, Lion Mike, has been a member since 2016, having also previously served between 2006 and 2009. Lion Mike is currently the 1st Vice-President and will become President later this year and is always present at meetings, chicken bar-b-ques, eye screening events, all park maintenance activities, and other events.

Her grandfather, Lion M. Edward Shue, was a longtime member of the club until his death in September of 2015. Lion Ed served as President for the 1999-2000 year, was a Melvin Jones Fellowship recipient in 2009 and served as Treasurer and park rental coordinator for many years before his death. Her great grandfather, Lion Mervin Shue, was another longtime member who served with Dallastown for many years in various offices including President for the 1967-1968 year. In addition, Lion Colby's uncle, Lion John Shue, was a member of the Dallastown Lions Club and subsequently transferred to York Township, where he remained a member until that club's disbanding in January of this year.

Dallastown Lions Club threw a baby shower for Lion Colby at their February meeting! This is very rare as many of us Lions are grandparents ourselves and not too many great young people join and serve with our amazing organization. Lion Colby has since given birth to her fourth child, a son (Cub) Hayden, who we hope will become the fifth generation of the Shue family to shine as Lions.

I am sure there are many other families that have served through the generations. These families, including the Shue family, serves as an example to all clubs and their members of what we can accomplish by continuing to recruit family and women into membership to increase our ranks and continue our tradition of service within our clubs, zones and our district. Don't be afraid to bring your kids and your grandkids to your events and show them what Lions can do. Who knows, you may just inspire the next generation to serve!!!

# MELVIN JONES FELLOWSHIPS

I wish to let all Clubs know that as we enter the final quarter of this Lions year, right now is an excellent time to plan for honoring deserving members with Melvin Jones Fellowships.

A \$1,000 donation to Lions Clubs International Foundation qualifies for a MJF to honor a Lion or Lioness that has been a key member of your club, perhaps for many years. Melvin Jones Fellowships may be named in honor or in memory of an individual. Turn around time is 3-5 weeks from application for the MJF to receiving the plaque and pin.

The MJF donation does not need to be paid at once; minimum installments to LCIF of \$100 can be paid over a five-year period to total \$1,000, at which time donor applies for the MJF.

Your club may presently have funds available that were donated to LCIF in past years, but unused in your MJF club account. All that it takes to find out is to contact me and it would be my pleasure to help you with anything you need to apply for a MJF, or donate to LCIF's Campaign 100 for this honor.
