DISTRICT 14-C

AUGUST 2019

MESSAGE FROM THE DISTRICT GOVERNOR

I thought I would share with you a few photos from our trip to Italy for the International Convention in Milan, which for Lion Linda and me was followed by a post-convention trip to Venice, Florence, and Rome (I'll bore you with those other places later if you dare to ask).

We had our picture taken with a friendly lion we found in the Expo Center in Milan. Obviously it takes a huge space to handle an event such as ours (and most of us felt this one was barely adequate), but the presence of so many Lions from around the world makes the event exciting even if there are challenges to the venue.

The Pennsylvania Lions are among those preparing to march in the Parade of Nations through downtown Milan (yes, it was hot). This helps the people who live and work in the city to know who we are and begin to find out what Lions do. And, darn it, it's just fun! Who doesn't love a parade?

Our new International President, Dr. Jung-Yul Choi, is from South Korea, and as part of his installation a troupe of Korean dancers performed. Let me tell you, those young men and women were in better shape physically than I have every been. Dr. Choi stresses that "We Serve through our Diversity," and he asks all leaders to ask, "How can I help you?"

MESSAGE FROM THE DISTRICT GOVERNOR

Continued

Our Pennsylvania favorite son PCC (and now ID) Larry Edwards looks at us from the big screen (the real-life version is at the podium) as PID Cindy Gregg stands nearby after nominating him for International Director. After a bit of negotiating by the Nominations Committee, we had the same number of nominees as we had open positions. There was a contest for Third Vice-President, and Dr. Patti Hill of Canada won that, putting her in the position of becoming our second female International President in a few years.

And as I am running out of space, I will only post a picture of the blind young lady who entertained us with her beautiful singing voice. This was especially appropriate, as we continue to accept Helen Keller's challenge to be "Knights of the Blind."

Lions is much bigger than any of our individual clubs, which makes it possible for us to do far more together than any of us could do separately.

During this year, I encourage all of you to look at ways you can help us grow our membership so we can grow our service. It may mean changing the way we do things, it may mean starting branch or specialty clubs, and it may simply mean that we do a little humble bragging about the good we do. Even in District 14-C, our clubs have many different personalities and activities. And our diversity is our strength.

FIRST DISTRICT VICE GOVERNOR 14-C

THOMAS L. JONES - STEWARTSTOWN LIONS CLUB

Lions, Lionesses, and leos,

August is here and soon it will be time for the 2019 to 2020 Lions year to get into full swing. I really am looking forward to getting to know all the fine Lions that are in District 14-C. I want to attend Zone Meetings as I am able in order to learn about the great projects that are going on and meet the zone and club leaders.

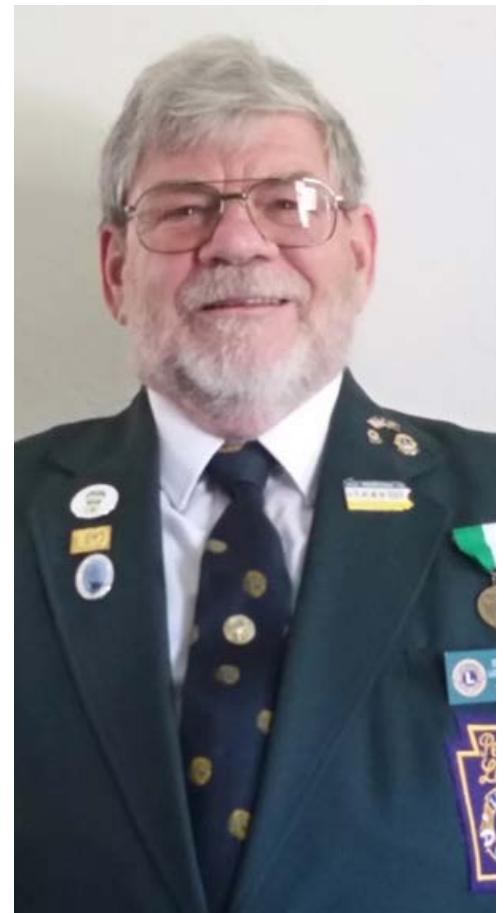

I have been spending time working on learning about how to be a better leader for the District and I hope to be able to put what I am learning into action.

Please plan to have a positive attitude about what Lions can do to serve and find ways for fun to be part of your clubs activities.

As part of your leadership team, I look forward to a great year for 14-C

2018-2019 END-OF-YEAR VISION SCREENING PROJECT REPORT

Thanks to the outstanding efforts of our clubs and members, District 14-C once again increased the number of individuals receiving vision screenings by Lions. The total number of vision screenings reported to the committee for this year was 1,627, with 1,375 of those individuals being age 6 months to 6 years old. That's an increase of over 400 individuals from last year!

Of those screened, approximately 15% were referred to an eye-care professional for a complete examination. That means Lions identified 248 individuals who should see an eye-care provider and who potentially needed treatment. Of those 248, 206 were 6 years old or younger. What a gift!

20 clubs performed one or more screenings this year. Those clubs, along with the number of screening events they conducted, are as follows: Apple City Leos (1), Arendtsville (4), Dallastown (6), Dillsburg (2), Dover (1), East Berlin (2), Gettysburg (1), Mason Dixon (1), Mechanicsburg (6), Mt. Holly Springs (5), New Oxford (3), Newville (3), Plainfield (3), Shiloh (1), Shrewsbury Area Centennial (3), Spring Grove (2), Stewartstown (1), Weiglestown (2), Windsor (1), and York Springs (1).

For the 2019-2020 Lions year, the Vision Screening Committee has set two goals. First we hope to see at least 2,000 individuals screened between now and June 30, 2020. Second, we hope one club in each zone that has not yet participate in the vision screening project will conduct a screening. In addition to these goals, the committee hopes all of the clubs that participated last year will conduct screenings at the same locations as last year and also work to identify at least one additional opportunity to conduct screenings.

The vision screening process is easy, and the equipment is not difficult to use. It only takes a handful of members and a little bit of effort. If your club is interested in learning more, please contact PDG Dennis Cope (dennis.cope@icloud.com, 717-677-6283)

FREE VISION EXAMS AND GLASSES THROUGH VSP

Only a few days remain to use this year's supply of VSP certificates, which expire on August 15th. These certificates were made available to us from our Lions Club International Foundation (LCIF) in cooperation with Vision Services Providers (VSP). The certificates can be used to cover the cost of a basic vision exam and glasses through a participating provider for either children and adults.

The District was awarded 80 certificates. Each Zone Chair was given 10 certificate to distribute to the clubs in his or her zone as needed. We are hoping to use all 80 certificates before they expire. An application for 80 more certificates will be submitted, but there is no guarantee we will get them.

If your club receives a request for assistance, please contact your zone chair or PDG Dennis Cope, Vision Screening Committee Chair, to secure a VSP Gift Certificate. You will receive the certificate along with instructions and locations of participating providers.

LIONS CLUB INTERNATIONAL PEACE POSTER CONTEST

Attention District 14-C: In the near future, we will be hearing the sound of school bells ringing, signifying that the start of school is just around the corner!

What a perfect time for your club to seek out a school or another youth organization such as the Scouts, a Youth Center, a 4-H group, a church youth group, etc. to offer the opportunity to them of creating posters for the Lions Club International Peace Poster Contest. Now is the time, Lions of District 14-C, to order your kits for the Peace Poster Contest for 2019-2020. The theme is “Journey of Peace.” It could be the inception of a wonderful relationship being established between your Lions Club and the school or other organized group of children that your club is sponsoring.

So, with this in mind, ask for a “volunteer” from your club to chair the Peace Poster Contest. It really only takes one club member. I am happy to help in any way I can. I would love to come and speak with your club and even go along to the school, etc. to share information about the Peace Poster Contest with the teacher and/or advisor. We had 6 clubs from our district participate in the contest last year. How awesome is that! Now, let’s see if we can grow that number to 8 or 10 clubs!

The important information for you to know includes the following:

- The Peace Poster Contest is open to children ages 11-13 as of November 15.
- Each poster is judged on originality, artistic merit, and expression of the theme.
- Posters advance through several judging levels: local, district, multiple district, and international.
- At the international level, judges from the art, peace, youth, education and media communities select one grand prize winner and 23 merit award winners.
- One international grand prize winner will receive \$5,000 and a trip to a special award ceremony at the International Convention. Each of the 23 merit award winners will receive a cash award of \$500 and a certificate of achievement.

Order a kit online at www.lionsclubs.org. Click on SHOP, type in and click on Peace Poster Contest Kit, and order your kit or call Club Supplies at (630)571-5466 or 1-800-710-7822. (The staff is very helpful.) The cost of the kit is \$11.95 plus shipping. Lions Clubs around the world are, also, encouraged to sponsor students in the Lions International Essay Contest. The essay contest was created to offer the opportunity to visually impaired young people to express their ideas of world peace. The theme of the 2019-2020 International Essay Contest is “Journey of Peace.” Students who are visually impaired and who are ages 11-13 as of November 15 are eligible to participate. The essay contest rules and application form are included in the Peace Poster Kit and can, also, be found by searching Lions Club International Peace Essay Contest.

On the next page is the 2018-2019 winning essay written by Mikayla Ansley, an 11 year old, from Blyth Canada sponsored by the Blyth Lions Club.

LIONS CLUB INTERNATIONAL PEACE POSTER

Kindness Matters

By Mikayla Ansley

Kindness is a simple but powerful thing. It can be as small as a smile or a wave, or as big as sponsoring a child. Even if you don't realize that you are doing it, that can still make someone's day. Kindness matters more than you think.

My name is Mikayla and I have been legally blind since the age of two. I had a rare cancer called bilateral retinoblastoma, which is a cancer that affects both of the eyes. Because of that cancer I had to lose my left eye and lost most of my vision in my right eye. It was this tragedy that taught me the lifeline of kindness. How to be thankful for what I have instead of wanting more. During my cancer journey, my parents had to quit their jobs and be at the hospital with me all the time. I'm so thankful to all the people that held our hands through it all, by donating toys, blankets and money so that our family could stay on our feet.

It is because of that experience I am on a mission to change the world with kindness. By helping others through their dark times like they helped me through my cancer. In the past, I have written a letter to the Prime Minister of Australia in hopes I would change his decision of not allowing the refugees in to his country. Taking their sanitation, food and water away from the refugee camps so that they would leave his country is intolerable. Hopefully my letter was the smallest bit of a difference, people like that need to change. Also, I organized a fundraiser at my school, to buy teddy bears for the orphan and abandoned children in Haiti. Because I believe every child deserves something to hold on to and love. I know that the world needs more of that kindness, to live in peace and friendship, without war or abuse. For everyone to believe they are truly safe and happy. Sometimes life can be tough and you might feel like the whole world is against you, believe me as a stubborn legally blind girl it has happened more than once. If you just keep being kind to one another, it can make yours and everyone's world brighter. If the whole world was filled with smiles and laughter, everything would be great. One day everyone will believe in their hearts, that kindness really truly matters.

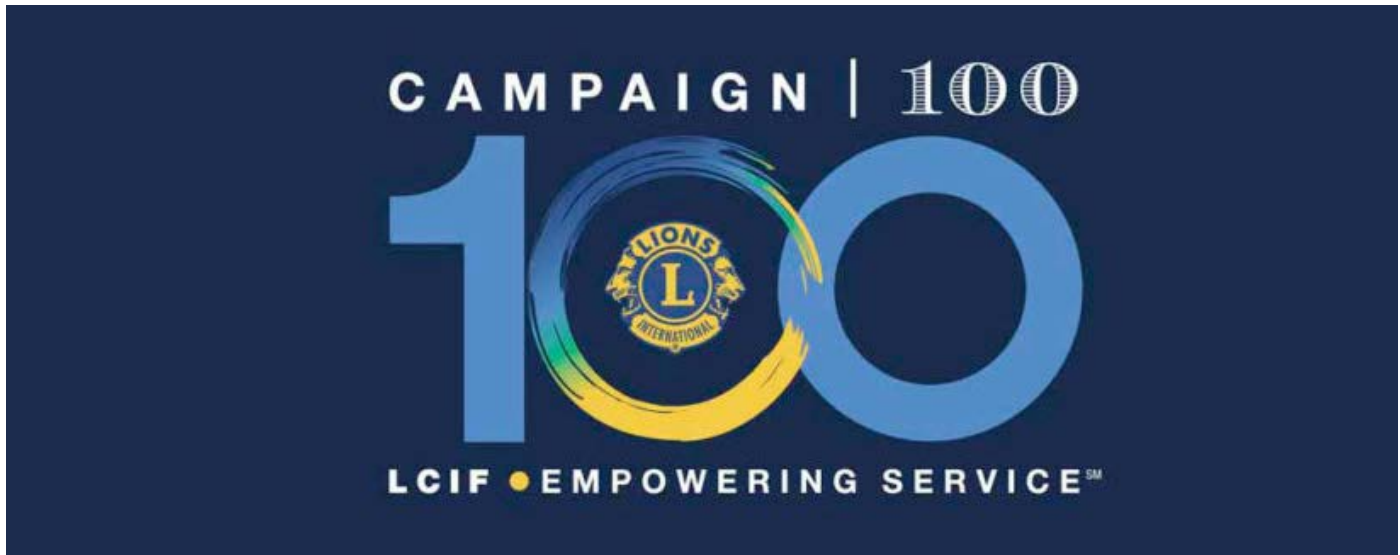

Mikayla Ansley

(I am sure you would agree that Mikayla is an amazing little girl and is very wise beyond her young years.)

LCIF REPORT, PDG KERRY MCKNIGHT, DISTRICT 14-C COORDINATOR

I sincerely thank all Lions District 14-C members, clubs, and IPDG Lisa for the GENEROUS support that was shown to Lions Clubs International Foundation's "Campaign 100" this past 2018-2019 Lions year. Your District 14-C led our state and ranked 9th in the USA in contributions to the program. Our 14-C donations totaled \$65,700. This was nearly twice the amount of the second place District in MD-14. We were also the only District in Pennsylvania, 1 of 13 in the USA, achieving 100% club participation in support of LCIF for 2018-2019. Donations ranged from \$5 to \$4,600. Every single contribution was greatly appreciated. Your generosity improved someone's life.

The support we give as a District to fellow Lions worldwide is important to the service they need to perform. In the USA alone, Lions served 26 million people. We increased our assistance to Childhood Cancer victims by 175% and the aid to people with Impaired Vision rose by 50%. Each and everyone of our members in District 14-C played a huge role in providing these services to the less fortunate. We have now entered the 2nd year of "Campaign 100". I am confident our individual members and clubs will continue to play their important role as proven leaders in supporting Lions Clubs International Foundation.

SUSQUEHANNA LIONS THANKS MANCHESTER GIANT SHOPPERS

On quite possibly the hottest weekend of the year, shoppers at the Manchester Giant generously donated 5,683 food items, 94 paper good items and \$572.00 in cash donations for this year's Susquehanna Lions Club "Fill The Truck" project held July 19-21 in support of the Northeastern Food Bank. This was our 10th

year for this project and our shopper's generosity made this our most successful campaign ever. Thanks to all The Susquehanna Lions Club members who worked all weekend in incredibly adverse conditions to collection our shopper's generous donations and in support of this very worthwhile project.

SPRING GROVE LIONS HONOR SCHOLARSHIP RECIPIENT

Scholarship Chairman Lion President Terry Lehr congratulates Rachel Conklin, winner of the Club's 26th annual scholarship. The \$1000 scholarship is awarded to the area high school senior who submits the best essay describing how they will use their studies to advance the goals of Lionism. Rachel was a home schooled student and will be attending Messiah University this fall. She will be majoring in graphic arts and has already taken a number of courses at the school.

BRADY BUGGY

District 14-C Zone 4-A donated a Brady Buggy Wagon to UPMC Pinnacle Harrisburg. The Brady Buggy® Wagons have a trailer hitch to tow the children's IV poles—allowing children to be mobile—even during chemotherapy treatments. The children can sit in the Brady Buggy and bring their favorite stuffed animal or a snack along for the ride. Present at the donation ceremony L to R are Keith Shoff, Gordon Sinclair, Wanda Reisinger, Rosie Sinclair and Doug Nace.

There are still York Fair shifts available for District Lions and Lioness. This is an easy way to make money for your club. Scanning tickets at entrance gates is simple and easy. You can pick your day and shift. Couples can work together at the same gate and there are still walk-in gates available. Date and shift choices are first come first served so don't hesitate.
