

## District 14C Newsletter April 2022

### A Message From the District Governor

**District Governor  
Dan Brant**

Billboards almost everywhere. Have you seen one, or perhaps several? Besides me, has anyone else gone out and had their picture taken in the proximity of a billboard? If you have a good picture or pictures, send them to me. We may be able to use some of these pictures in the next District Newsletter or on the District's website. Assuming that these billboards have caused some people to think about becoming a Lion, we must take advantage of that now, because some of our Lions billboards may begin coming down after April 6th. Let's use our Lions Club Facebook pages and websites to reach out to individuals who may wish to be Lions and serve in our communities. Give them a phone number or email address so they can contact you or another Lion in your club.

On another subject, I told you last month that we are attempting to re-establish a Lions Club in the New Cumberland area that sits on the shared border of Cumberland and York Counties. We were guided by a New Club Consultant assigned by LCI, PDG Art Drouin, from north central Texas. PDG Art stayed with us for a little over 5 days, conducted a workshop for us on Sunday, March 20<sup>th</sup> at the Pinchot Park Lions building, and then made recruitment visits with us in New Cumberland from Monday through Thursday. We were led by PDG Denny Bell of Camp Hill who assumed the role of club organizer for the district. Denny brought some organization to our work and contacts, and then followed up with email notes to those we had contacted. By the end of the day Thursday, we had 15 paid prospective members of the new club, and we were well on our way. Thanks, in particular, to Lion Carl Winfield from Camp Hill and PDG John Griffie who made valuable contributions to the effort.

## A Message From the District Governor con't

Finally, I would ask you to pay particular attention to some upcoming events in the District. First, on April the 23<sup>rd</sup> is our District Convention at the Wyndham Garden Hotel in York. The convention will last about half a day, starting in the afternoon. In that time period you will hear a great speaker, have several good seminar options, be immersed in a Necrology Service for District 14C Lions lost during the last year, participate in the election of new District officers, and hear from the new District Governor and Vice District Governors. Secondly, there will be District 14C Bingo at the Eureka Fire Hall in Stewartstown to benefit LCIF. We would like clubs to sell raffle tickets and tickets for bingo, and sponsor a bingo game. And then on May 14th from 9:00 am until 1:00 pm, Lions Clubs in Adams, Cumberland and York Counties will simultaneously hold District 14C Diabetes Awareness "Strides Walks" at locations to be announced within their counties. Watch for details in the May newsletter. For more information, contact Zone Chair Galen Burkholder @ 717-360-3054 or [galen.burkholder@gmail.com](mailto:galen.burkholder@gmail.com).

We have a lot of good things happening in our District this spring with the goal of helping clubs remain strong both in satisfaction for members and in service to their communities and people in need. I wish the best for you and your family. Have a great month.

Sincerely and in Service from the Heart,

DG Dan

## A Message From the 1<sup>st</sup> Vice District Governor

**1st Vice  
District Governor  
Keith Shoff**

Fellow Lions, Lioness/Lions and Leos:

Spring is finally here .. Even though we haven't had a terrible Winter, I know I'm ready for more sunlight and warmth. Convention season is also upon us. This year's District 14-C Convention will be held in York @ the Wyndham Gardens on April 23<sup>rd</sup>, next is the MD 14 State Convention which will be held in King of Prussia @ the Valley Forge Casino Resort on May 19 thru 22 and then the finale will be the 104<sup>th</sup> Lions Clubs International Convention which will be held in Montreal Canada on June 24 thru 28. I would be honored to receive your vote as 2022 / 2023 District Governor for 14-C, so at the very minimum please support our District and attend our April 23<sup>rd</sup> Convention in York.

As I work on developing my visitation schedule for next year, I am asking for your help. If your meeting dates and / or places have changed since the last District Directory was published, please stop everything and drop me an email right away at [kkshoff@comcast.net](mailto:kkshoff@comcast.net).

As we look for and induct new members into our midst, we need to remind ourselves to take SERVING OTHERS seriously, BUT not to take ourselves too seriously. We need to recognize that every single person we approach has the potential to make a difference in someone else's life and the world community. I'd like to share a short story that illustrates just that.

*An elderly woman had two large pots, each hung on one end of a pole which she carried across her shoulders and neck. One of the pots had a crack in it while the other pot was perfect and always delivered a full portion of water.*

*At the end of the long walks from the stream to the house, the cracked pot arrived only half full. For two years this went on daily, with the woman bringing home only one and a half pots of water. Of course, the perfect pot was proud of its accomplishments, But the poor cracked pot was ashamed and miserable of its own imperfection, that it could only do half of what it had been made to do.*

*After two years of what it perceived to be bitter failure, it spoke to the woman one day by the stream...'I am ashamed of myself, because this crack in my side causes water to leak out all the way back to your house.' Not hesitating, the old woman smiled and said, 'Did you notice that there are flowers on your side of the path, but none on the other pot's side?' 'That's because I have always known about your flaw, so I planted flower seeds on your side of the path, and every day while we walk back, you supplied them with the water they needed to sprout, grow and flourish.' For two years I have been able to pick these beautiful flowers to decorate the table. Without you being just the way you are, there would not be this beauty to grace our house.'*

## **A Message From the 1<sup>st</sup> Vice District Governor con't**

Each of us has our own unique flaw. But it's the cracks and flaws we each have that make our lives together so very interesting and rewarding. We just have to accept each person for what they are and look for the good in them. Allow them to grow and flourish in Lions.

SO, to all of my cracked pot friends, have a great day and remember to stop and smell the flowers on your side of the path! ... Don't forget to have some FUN along the way as well!!

**THANK YOU** for your Service and for all you do in your Communities, the Commonwealth of PA and around the world. Thank you for allowing me to be a part of this Lions journey .. I am truly blessed.

Again, I end this newsletter article with this quote from our International President (Doug Alexander).

**“Service to others is the rent we pay for the space we occupy here on Earth.”**

**Let's Roar!**

Yours in SERVICE,

1st VDG Lion Keith Shoff

## A Message From the 2nd Vice District Governor

**2nd Vice  
District Governor  
Marty Zimmerman**

April showers bring May flowers as the saying goes, but maybe as Lions we can look to have showers of service that may yield flowers of kindness and beauty, something the world needs. Yes, another month is starting, with many activities, I hope to see you at the District convention on April 23, 2022.

At a recent Statewide GAT meeting held by PID Cindy Gregg, I was listening to each district report on membership numbers for this year, on a positive note the majority of districts were reporting new members, unfortunately it was then followed by the negative with the reporting of members lost. Similar to DG Dan's presentation of the membership numbers for our district, there is an influx of new Lions joining but the exodus of members outstrips the gain. It reminds me of the saying "one step forward, two steps back" (not a reference to my dancing ability). It is an oversimplification to say we don't have a problem with finding new members. Yes, many clubs (but not all) are finding new Lions, however, another problem is retaining current members. Again, members leave for a variety of reasons, but I would encourage each club to examine why members are leaving and see if there is something that can be done to retain the member. Maybe a familiar prayer can assist in this task:

God grant me the serenity  
to accept the things I cannot change;  
courage to change the things I can;  
and wisdom to know the difference.

As a social worker, I am guided by the principle of self-determination, that each person has the right to make their own decision and are responsible for their behavior. I am not implying we should force members to stay. However, if you are doing something you enjoy and have a passion for it and you are making a difference through service to others, my thought is you are unlikely to quit or leave. On the other hand, if you're stuck in a status quo situation then leaving might be your choice.

Thanks for all you do to serve others.

2<sup>nd</sup> VDG Marty Zimmerman

## Lions Club Billboards

Have you seen one yet? During the first few days of March, billboards promoting Lions club began to appear around District 14-C. The billboards were made possible through an LCIF grant to the PA Lions and steeply discounted rates from Lamar Advertising Company. Don't let this opportunity to promote your Lions club go to waste! We encourage you to capitalize on the billboard promotion, particularly through social media posts. Here are some ideas:

- Feature individual members of your club or your entire club in a picture under one of the billboards. Be creative and be sure to provide contact information in your caption for the post.
- Use one of the templates created by the district and distributed to the clubs to highlight a recent service project or promote an upcoming event. Contact PDG Dennis Cope if you need assistance.
- Post links to recent TV news reports and video regarding the PA Lions Kentucky relief efforts:
  - <https://www.fox43.com/article/news/community/pennsylvania-lions-club-volunteers-send-donated-supplies-to-kentucky-tornado-victims/521-a93df80a-4f90-4516-ab9d-70b01bfbe667>
  - <https://www.youtube.com/watch?v=oAgUCI2tvMU>
- Post a Public Service Announcement from the Lions Video Center:  
<https://www.lionsclubs.org/en/lions-video-center>

All of our clubs are in need of new members. Raising your club's visibility in the community is one way to create interest and recruit new members. Use this opportunity to find some new members to grow your club.

## Shippensburg Honors Students

At its February meeting, Shippensburg Lions Club President Lisa Kemp presented Certificates of Accomplishment to two students from Shippensburg High School. Cole Pearson, left, is the son of Sandra and Christopher Pearson. Chalaina Potts, right, is the daughter of Allison Carey and Blyden Potts.

## Shiloh Delivers Medical Equipment for Ukraine

After making two trips, the Shiloh Lions Club delivered 18 walkers, 4 walkers with seats, 18 canes, 2 wheelchairs and 3 sets of crutches to the Nexterus Logistics Co. in New Freedom to be delivered to Ukraine for the relief efforts there. As the Shiloh Lions Club continues its efforts to loan medical equipment to area residents we feel assured that we will still have an abundant supply to meet the needs of local residents.

# District Disaster Relief Program

The [Disaster Relief Program](#) (DRP) is a focus program of the Lions Clubs International Foundation (LCIF). The DRP can be used by Lions Clubs to reach out and touch their communities and to get the Lion's name and logo out in front of the public. Lions International DRP focus on four areas.

- [Disaster Preparedness](#) – plan and prepare for future disaster
- [Emergency Assistance](#) – immediate assistance after a disaster
- [Community Recovery](#) – support for short-term cleanup and repair efforts
- Major Catastrophe – larger scale assistance for long-term projects

The DRP affords clubs the opportunity to work with community leadership, private businesses, and others to prepare for and respond to the unforeseen disasters and events. So why not use the DRP by getting involved with an already established local program or coordinate and begin a new program based on one of the monthly focuses. If you have questions or want to learn more; please reach out to the DRP Chairperson, Ray Highlands at [carlislelionray@comcast.net](mailto:carlislelionray@comcast.net).

## April's Readiness Focus

### Financial Preparedness

Americans at all income levels have experienced the challenges of rebuilding their lives after a disaster or other emergency. In these stressful times, having access to personal financial, insurance, medical and other records is crucial for starting the recovery process quickly and efficiently. Check [Financial Preparedness at Ready.gov](#).

### Safe Place Awareness

When preparing for extreme weather events, knowing your safe place is a simple but potentially lifesaving action to take. If you are unsure of where your safe place is – look no further! The theme of the National Weather Service's [Spring Safety Place](#) Campaign.

### *What is a SafePlaceSelfie?*

If there was one extreme weather preparedness action you want your loved ones to take, what would it be? For Many, that one action is to know ahead of time where their safe place is located. On April 6, 2022, please join the National Weather Service and its Weather-Ready Nation Ambassadors to take a "selfie" and post with the hashtag #SafePlaceSelfie.

A [SafePlaceSelfie](#) is a photo capture of your safe location when a specific hazard threatens your area. *It does not have to be an actual "selfie" of yourself, but could be a pet, an image of just the location, or some other creative way to illustrate the point that being "[Weather-Ready](#)" involves knowing where to go to stay safe.*

## Kidney Donors Sought

***The following letter is from Lion Gail Fridenvalds, wife of PCC Gus Fridenvalds***

Dear Lions and Friends,

Most of you know Gus Fridenvalds or have heard of him. In his life as a Lion he was District Governor for Lions District 14-C in 2008-2009 and Council Chair for District 14 in 2009-1010. He has worked on many projects and has been part of the Western Cumberland County Lions Group. He is a member of the York Springs Lions Club.

For the past several years Gus has suffered from Chronic Kidney Disease. Two years ago, during the Covid Pandemic, he began Dialysis treatment. At first at home and presently at the Center in Carlisle. During this time, he began to discuss Kidney Transplants with Johns Hopkins Hospital in Baltimore and Tower Health in Reading (now Penn Transplant Center in Philadelphia).

His wife Gail is a willing donor, is not a match and is considered too old. Gus is currently on the Active Transplant List at Hopkins and the University of Pennsylvania. The wait is 5 to 7 years for a kidney from a deceased person.

Consequently, we are looking for a living donor. Gus has O + Blood but you do not need that to be a match.

Below is a "direct access" to the University of Pennsylvania site. The site will ask various questions and determine if you could be a donor.

Please share this information with our Lions family and friends.

Thank you,

Lion Gail Fridenvalds

# Paws for Thought

**Leader Dog Puppy Raiser  
Robbie Teal**

FLD Killian and I decided to get away from the cold winter in Pennsylvania and enjoy the warmth of the sun in Florida. Traveling with a dog is a lot like traveling with a young child. You need to pack for every possible situation. For those who have met me, you know that I wear around my waist, a treat bag for training Killian. It is on my right side and used to reward good behavior. When traveling, you need to make sure you have plenty of treats for refills with you. I pack my suit case, then I pack Killian's bag. I include his paperwork, which is my information from Leader Dogs, his vaccination certificate, both which are placed in a file folder, and in his bag within easy reach. I then place several zip lock bags of dog food already measured out in the correct portion, along with treats to refill my treat bag. Of course, the most important thing is Killian's chew toys to help keep him entertained. I use a portable 42 inch canvas crate for traveling since Killian is over 70 pounds, and secure it on the floor in the back seat area. Pennsylvania law states that a dog is required to be secure when traveling. A dog must be in a crate, harness and seatbelt, or tethered so they don't become a projectile in case of an accident. It is a \$300.00 fine if caught with a dog that is not secured. (Have a friend who found out the hard way about the fine.) I also pack Killian's metal crate for him to use wherever we stay. I place his bed inside the portable crate along with a few of his toys. I take his regular food and water dish, but I also pack a portable water dish to use on the road. I carry a small cooler with a half dozen bottles of water. I usually freeze two bottles which keep the rest cold. Poop bags are a must. You want to keep any area your dog uses as clean as possible. This shows you are a good dog owner, and helps keep diseases from spreading to another dog. The last item is a first aid kit. When traveling with a young puppy, under 12 weeks old, I make a pit stop every 2 hours. At Killian's age, we can travel for at least 3-3 1/2 hours before we need to stop and stretch our legs.

While in Florida something unusual happen. I am use to getting questions about Leader Dogs wherever Killian and I travel, and I enjoy talking about the organization as well as the puppy I am raising. One evening, my cousin, Killian and I decide to get take out Chinese food. There was a little place down the road not far from where we were staying. The three of us walked in, and as we walked past a young couple sitting to the side waiting for their order, I heard; "A Leader Dog here in Florida?" That caught me by surprise and I turned around and began a conversation with them. It turns out that they are from Michigan, not far from Leader Dogs' location. We had a wonderful conversation about Leader Dogs while waiting for our orders. It truly is a small world.

## Hanover Donates Needed Medical Equipment

Jennifer Slaybaugh brought her entire family to the March 8 meeting to explain the medical needs of her 3-year-old son who is battling congenital glaucoma. She applauded the club for donating a greatly needed device called a tonometer. She demonstrated the hand-held device with the group and explained how it is used on a daily basis to monitor eye pressure to stymie the advance of her son's glaucoma.

## Club Officer Elections

It's time to gear up for club officer elections. By this time, Club Presidents should have named their Nominating Committee, and that committee should be recruiting candidates for next year club officers. A date for your club's Nominating Meeting should be set for some time in March, and club members should be notified of that date at least 14 days prior to the meeting. The Nominating Committee should report their nominee(s) for each office, and additional nominations can be made from the floor during this meeting.

The Election Meeting should be held in April. Again, club members should be notified at least 14 days in advance of the date of this meeting. A printed ballot should be prepared for this meeting and member should cast secret ballots. No additional nominations may be made at this meeting.

Following the election, the Club Secretary should report the new officers in MyLCI under 2022-2023 Officers.

## Vision Screening Update

March was a busy month for vision screenings with several clubs conducting screenings during their school district's Kindergarten registration. This has been District 14-C's best year to date for the number of vision screenings. We have more than doubled the number of screenings from any previous year, and we still have three months to go! April will be another busy month with at least 5 clubs planning to conduct 11 screenings

## Lions International Peace Poster Contest

Congratulations to Anja Rozen, a 13 year-old girl from Slovenia, for winning the grand prize in the Lions International Peace Poster Contest for 2021-2022! The theme for this past year's contest was "We Are All Connected." Anja was sponsored by the Slovenj Gradec Lions Club. What a beautiful way of demonstrating the connectivity of the human race! Anja further explains her poster by stating, "People are holding on to each other. If one lets go, the rest of them will fall. We are all members of the earth's community and we need each other to survive." To learn more about Anja's vision of world peace, search Anja Rozen: 2021-2022 Peace Poster Contest Winner on YouTube.

The **Lions International Peace Poster Contest** gives children around the world the opportunity to express and share their visions of peace along with inspiring the world with their art, creativity and sense of hope for each of us. Our Lions Clubs just have to take that extra step to extend the gift of

sponsorship to the children in local schools or youth groups. I hope your Lions Club will make this year the year to become involved with this incredible contest.

The theme for the 2022-2023 contest is "**Lead with Compassion.**" I cannot wait to see the eye opening and thought-provoking ideas that the youth in our district will illustrate in their posters to demonstrate this theme. We just need to give them this awesome opportunity!

The Peace Poster kits cost \$11.95. I will be bringing kits along with me to the district convention on April 23<sup>rd</sup>. Please see or contact me and I will be sure you receive a kit. You may, also, order a kit from the LCI website.

Lions Clubs around the world are, also, encouraged to sponsor students in Lions International Essay Contest. The essay contest was created to offer the opportunity to visually impaired young people to express their ideas of world peace. Students who are visually impaired and who are the ages 11-13 as of November 15 are eligible to participate. The essay contest rules and application form are included in the Peace Poster Kit and can, also, be found by searching Lions International Peace Essay Contest.

As always, don't hesitate to let me know if there is any way I can help your club to become an active sponsor of children in this contest. I will, gladly, come to speak to your club about the contest or visit with the teacher, principal, counselor, advisor, etc. with you to make a presentation about the contest. Contact me at [hullmannt@aol.com](mailto:hullmannt@aol.com) or call (717) 428-3659 or (717) 600-7642.

## Dallastown Adopts a Sailor

The Dallastown Lions Club, Dallastown Leo Club, and Dallastown Area High School MCJROTC cadets adopted a sailor during the month of March. His name is Mason D. Torney, and he is on the aircraft carrier, USS Abraham Lincoln. Mason is from Dover and is currently on tour.

Everyone collected to send a package full of goodies and items Mason needs to him and his

fellow servicemen and women! Lots of snacks, word finds, shower shoes, power drinks, and toilet paper was sent!

Mason's mom, Mindi Torney spoke to the Lions at one of their meetings thanking them for doing this for her son. he said that he will be thrilled to receive this care package and she is grateful for everyone thinking of him!

This program is amazing, and the Dallastown Team is considering doing this every quarter to support local kids and to make sure they understand how thankful we are for their service in keeping all of us safe!

## Dallastown Lions Club Park Opening

The Dallastown Lions Park was opened on Saturday by the “Dallastown Team!” The Dallastown Lions Club, Dallastown Leo Club and their advisor, Michelle Godfrey, Dallastown Area High School MCJROTC cadets and their parents, an Eagle Scout, Joshua Wnek, his troop and friends, and volunteers from the Building Bridges for Brianna organization all gathered and worked hard to open the park and create a brand new “Serenity Garden” where the community could go a relax in nature’s beauty!

The park has some brand-new features this year. Our new nature trail with a brand-new bridge leading to it, the Dallastown Cougars providing a new gate for the entrance and new additions to the baseball fields! Thanks to LCIF’s Tree Initiative, the park will be receiving 20 new evergreens and 10 new hardwood trees! The park is being transformed and is ready for all of the summer events that are on tap for the season!

Concerts, corn hole event, rentals, baseball games and tournaments, opening day festivities, fundraisers for Building Bridges for Brianna, the Lions, and the Red Lion American Legion are just a few activities happening in our park this summer! In the fall, the Lions will be hosting a Trunk or Treat event again as well as more BBQ’s! Come out and enjoy our brand-new playground and brand new park as we are open all day, every day for everyone!

## **DISTRICT 14-C LIONS CONVENTION** **"All Hands On Deck"**

Lions, Leos and guests are cordially invited to attend the 2022 District 14-C Convention on Saturday, April 23, 2022, at the Wyndham Garden Hotel in York. Registration for this year's convention will begin at Noon with the opening of the convention scheduled for 1:30 p.m., followed by an afternoon filled with interesting and informative activities. The fourth District Cabinet Meeting will precede the opening of the convention and begin at 1:00 p.m.

Following the opening of the convention, our District Chaplain, Lion Rodger Snyder will honor our recently deceased members by leading the District 14-C Necrology.

Our Keynote Speaker, Past International Director Dr. Edward V. Cordes, will follow the Necrology with an inspiring message focused on how service promotes membership and develops leaders. PID Dr. Cordes comes to us from Corning, New York, and served as International Director from July 1996 through June 1998. He is a retired optometrist and has been a Lion since 1976. In 2014, he was appointed chairperson of Lions KidSight USA, an initiative to create a national vision screening program for kids 6 months to 6 years, in which all USA Lions Clubs can participate. He has received numerous association awards and is a Progressive Melvin Jones Fellow. PID Dr. Cordes will be joined by his wife, Lion Gail Cordes, who is also a Progressive Melvin Jones Fellow.

PID Dr. Cordes and District Governor Dan Brant will honor several deserving Lions with awards following the Keynote Address. After a short break, we will conduct our annual District Caucus and Election of District Officers. This is an opportunity to learn about the candidates who have agreed to run for District Governor and Vice District Governor for the upcoming year before casting your vote.

Three "breakout" seminars have been scheduled following the voting. "Raising Your Club's Visibility Using Traditional and Social Media" will focus on ways to build awareness of your Lions Club in your community. The seminar will include effective ways to use various forms of social media as well as traditional media. "Disaster Relief - Planning and Response" will look at ways our clubs can serve their own communities and other communities by developing relationships with local emergency management personnel. "Action Planning - It's How Stuff Gets Done" will guide participants through the process of developing S.M.A.R.T. Goals and an action plan to achieve that goal.

Following the seminars, we will have a report on the election and hear from our Governor-Elect and Vice Governors-Elect. After some closing remarks, the convention will end.

All interested Lions are welcome to join our International Guests and District Leaders for dinner at the hotel following the close of the convention. This will be a casual order-from-the-menu, pay-on-your-own affair in either the hotel restaurant or in the Crystal Ballroom, depending on the number of people interested in staying for dinner.

We look forward to a great convention and a great turnout for our 2022 District Convention!

## New Children's Village Sessions Names Same great experience!

Every now and then a little remodeling is necessary. Each year at the work weekends we spruce up the camp; This year we also spruced up the Children's Village session names. But, have no fear, we still provide the same great experience for our Campers!
