A Message From the District Governor

**District Governor
Keith Shoff**

Fellow Lions, Lioness/Lions and Leos.

My year of service as your District Governor has certainly gone quickly. When you read this, my visitations will be complete, except for 1 make-up. Visitations are a fun way of meeting fellow Lions and learning about all of the different fund raisers and service projects we provide to our local communities. I am in awe of all the “good work” that goes on in our District. Needless to say, “good work” requires a time commitment, and the more members we have helping means that we as Lions can provide much more to our communities. Somewhere in my training, I remember being told that for every new member we bring in, we can affect 70 more lives, both locally and worldwide. Please continue to make membership a priority.

As we begin the final quarter of this Lions year, let's not lose sight of the importance of service. Try to find a new way for your club to engage in hands-on, active service. As you elect your club's leaders, look ahead and develop a plan for the 2023/2024 Lions year. Involve your newer members and encourage them to take leadership roles, either as club officers or project chairpersons. Active engagement in service is both motivating and invigorating - the enthusiasm this generates can be contagious. It improves member satisfaction, which results in better retention. It's also attractive to prospective members who will be more inclined to join. That is the key to keeping our clubs and our organization alive and thriving!

First Vice District Governor Marty Zimmerman is busy preparing for his upcoming year of service. If he contacts you to be a part of his District Leadership Team, I hope you will seriously consider doing so. You will never regret it. Also, please consider supporting him by placing advertisements in the 2023/2024 Directory. This helps to defray the costs of printing the Directory.

As mentioned in the March Newsletter, our District 14-C convention will be held at Wyndham Gardens Hotel, 2000 Loucks Road in York on April 15. The guest speaker will be Ron Keller, a current International Director from Columbus, Ohio. We're trying something totally new this year, and I hope you'll join us for the fun.

A Message From the District Governor con't

After I said this last month, many of you told me how much you appreciated hearing it, SO, it deserves to be repeated.

No matter what position you hold within Lions, from Club Member to International President, we are all still Lions. We are here to SERVE our communities and sometimes that means stepping out of our comfort zone and accepting more responsibility. I learned a very valuable lesson regarding “we’re all Lions” on my life changing trip to Mayfield Kentucky in January 2022. There in the mud, the snow, no matter the task at hand, there working beside us was our International President, International Directors, Past International Directors, people just like you and me, no air of importance. Just regular Lions helping those in need.

There is no difference between us.

We are LIONS !!

Until then, Lion Kathy and I wish you continued success in your efforts to meet the needs of your community and fulfill our motto, **“We Serve”**

Together we can. Together we will!!!
Yours in SERVICE and Friendship.

LET’S ROAR!

A Message From the 1st Vice District Governor

**1st Vice
District Governor
Marty Zimmerman**

Fellow Lions, Lioness/Lions and Leos:

Thank you for all you do. As March comes to a close, and I begin to look at how much needs to be done to prepare for next year. I have a range of emotions. Yes, there is anxiety but also excitement. I have started to reach out to some of you to ask if you would continue to serve the District in your current position. Our District has been blessed with a great team of creative and dedicated volunteers. Yes, we are all volunteers, something that sometimes is lost when results are not what we had hoped for or expected.

In keeping with the Lion tradition of service, I again want to thank all of you for all you do to serve others. I also realize that some of you have decided to give an opportunity to someone else, again I thank you for all you have done. I am hopeful that as some of you read this message you may realize it is time for you to take a chance to try something new.

I also know there is a delicate balance when it comes to serving others and also letting others know about the service we provide. (Yes, time to put in a plug to report your service activities). We don't want to be the best kept secret in our community, but at the same time we don't want to be known as an attention seeking organization. In my time as a Lion, I have seen the tremendous impact the organization has on the local, State, national and international level. I am especially, thankful for everyone who has served in a leadership position: a position that might be somewhat like an umpire in that each decision may not be cheered by a part of the crowd, but the game goes on.

Also, I am thankful for what I call the invisible Lion, those members that are acting behind the scenes, often addressing an issue when they see it resolving it before others even realize it was an issue. I would love to nudge some of the invisible Lions to consider a position in the district, as your track record of service proves you are qualified. In looking at leadership, a positive quote I found is "The first responsibility of a leader is to define reality. The last is to say thank you. In between, the leader is a servant," Max Depee.

I am asking for your help and thank you for providing me the opportunity to serve.

Lion Marty Zimmerman, 1st VDG

A Message From the 2nd Vice District Governor

**2nd Vice
District Governor
Galen Burkholder**

Lions “We Serve.”

Lionism. It’s all about Volunteering, Training and Service. Every member is “plugged” into at least 1 category. Many are “involved” in 2. Fewer members have accepted the “call” to be included in all 3.

May I remind you of the importance of training and 14-C has among the best facilitators. See list of linked signup courses offered in May and June in this issue.

Lions: We Serve. But what is service?

It is defined as *the action of doing work for someone*. If our heat pump stops working, we call service. For this service, we know we are going

to receive a bill

So how does Lions service differ; we don’t get paid.

I learned about service at an early age. I was an only child. I helped my dad in the barn, with the animals and in the field. I helped my mom with cooking, cleaning, laundry (including ironing) and windows (not the computer kind). But that was involuntary service. We were family. It was expected for all they did for me growing up. So, what does voluntary service look like?

Back in the 50s (that’s the 1950s), my dad was in a traffic accident and broke his arm. It was spring, an important time of year for farmers. It was planting time; a time to plant corn. Without the planting, there would be no harvest. Where did the service come in? Three brothers-in-law and two neighbors came in and plowed and prepped a 25-acre field in one day. By the end of the next day, the corn had been planted; a harvest *would* come later in the year. It was voluntary service; a thank you paid the bill.

In my early years of being a Lion (1970s-80s), the Shippensburg Club did service for the community outside the normal scope of Lionism. Among other things, we put shorts and boot waders on, and got in the Branch Creek and installed logs to create sways in the water. The purpose was to slow down the flow of water. We did that prior to stocking the stream with fish. We painted the fence in the yard for the Public Library. This was voluntary service. We supplied the manpower; they supplied the thank you.

A Message From the 2nd Vice District Governor con't

Western Cumberland County Lions Projects (Zone 2A clubs) provides financial assistance for county residents. It too is outside the normal scope of Lionism. This too is voluntary service. We are approaching the \$100,000 assistance level this year.

You are a Lion. **We Serve** Lions International (LCIF), our state projects (Beacon Lodge), our district and zone projects. We serve our local clubs. We serve our community, too.

We are hungry Lions. We devour opportunities to help others and make the world a better place. We do it all, just for a *Thank You* and the feeling that we have *Made a Difference*.

Thank you for your service.

Galen Burkholder

2nd Vice District Governor

DISTRICT 14-C LIONS CONVENTION “Riding for the Brand”

Saddle up and get ready for a rip-roaring good time at the 2023 District 14-C Convention on Saturday, April 15, 2023, at the Wyndham Garden Hotel in York. District Governor Keith Shoff invites all District 14-C Lions to a casual, cowboy-themed convention with a District Social to follow. Registration for this year’s convention will begin at Noon. The fourth District Cabinet Meeting will begin at 1:00 p.m., followed by the formal opening of the convention. The remainder of the afternoon will be filled with interesting and informative activities.

Following the opening of the convention and a few formalities, our District Chaplain, Lion Rodger Snyder will honor our recently deceased members by leading the District 14-C Necrology.

Our Keynote Speaker, International Director Ron Keller, will follow the Necrology with an inspiring message, which will include the latest actions of the International Board, programs and projects being worked on by international committees, building a successful retention project, and ways to boost a club’s image within the community. Director Ron Keller comes to us from Millersport, Ohio, and is serving his first year as an International Director. Director Keller has more than 35 years experience as a government administrator and events coordinator. He is currently the Cultural Arts and Events Manager for the city of Columbus. He has revived numerous association and president’s awards and is a Progressive Melvin Jones Fellow. Director Keller will be accompanied by his wife, Lion Kitty Lea Keller, who is also a Melvin Jones Fellow. They have three children and seven grandchildren.

Director Keller and District Governor Keith will honor several deserving Lions with awards following the Keynote Address. After a short break, we will conduct our annual District Caucus and Election of District Officers. This is an opportunity to learn about the candidates who have agreed to run for District Governor and Vice District Governor for the upcoming year before casting your vote.

Three “breakout” seminars have been schedule following the voting. “Marketing Your Club to the Community” will focus on ways to build your club’s brand in the community. The seminar will include both tried-and-true methods as well as a few new ideas. “Building Your Leadership Pizza” will help participants learn about and apply 9 different leadership styles. “Effective Strategies to Grow Your Club’s Membership” will introduce participants to LCI’s new Global Membership Approach. The seminar will include tips for planning and for approaching prospective members.

Following the seminars, we will have a report on the election and hear from our Governor-Elect and Vice Governors-Elect. After some closing remarks, the convention will close, but that won’t be all. A District Social will follow the convention with fun, food, and fellowship at the “Cowboy Roadkill Cafe” for all who sign-up to attend.

New Lions Portal Information

Not much information has been released yet, but we are being told all reporting will be done from one landing page. No more jumping back-and-forth between MyLCI and MyLion. LCI is stressing the importance of making sure the member information in MyLCI is up-to-date and accurate prior to the roll-over to the new portal, which is expected sometime between July 1 and December 31, 2023

It is highly recommended that Club Secretaries run the *Membership Information Update Report* for your club from MyLCI. This report will give you a page for each member that contains the information on file for them in the MyLCI database. Members can review their page, make necessary updates, and return the paper to you so you can make the necessary updates in MyLCI. Please encourage members to include an email address, which will be needed to access the new Lions Portal. Email is also the primary way members receive information from LCI and District 14-C.

From the desk of PDG Dennis Cope, Global Service Team (GST) Coordinator

I hope your clubs are gearing up for an active Spring, Summer and Fall of service in your communities. As has been the case in each newsletter this year, there are 5 new suggestions for club service activities related to Lion's five global: Childhood Cancer, Hunger, Diabetes, Environment, and Vision. I encourage your club to consider a new project this year and stand ready and willing to assist in any way I can.

Has your club considered partnering with another community organization for a joint service project or fundraiser? The Seal Beach Lions Club in California has grown their membership to over 400 members using this strategy. They have made a very deliberate attempt to engage with other community organizations and participate in nearly every community event that happens in Seal Beach. I encourage you to watch this 3-minute YouTube video and learn more about how this strategy has made Seal beach the largest Lions club in the United States: https://www.youtube.com/watch?v=M_cZ4gwSAU&feature=youtu.be

Service Project Suggestions Related to Lions Clubs International's GLOBAL SERVICE CAUSES

Here are five new suggestions for service projects. Each project relates to one of Lions Global Causes: Vision, Hunger, Environment, Diabetes, and Childhood Cancer. Perhaps these ideas will pique your interest and look like something your club could do later this Lion year. I am ready and willing to help in any way I can. Feel free to contact me by phone or email to start the conversation. Five new suggestions will appear in next month's newsletter.

Celebration of our Lions International Peace Poster Winners at the District Level

It was such a pleasure and honor to celebrate our distinguished and talented winners of the Lions International Peace Poster Contest at the District level at our District Cabinet Meeting on February 18th! We had the opportunity to meet the winners, see their amazing posters and listen to their interpretations of their posters as they shared them with us.

I am sure you can, readily, agree that all of the students did an outstanding job in creating their thought provoking posters. We congratulate **Autumn, Caelyn, Eli, and Lydia** on their accomplishments and wish them continued success in their future endeavors.

This year's contest theme was "**Lead with Compassion.**" And, with the 2022/2023 year, the Lions International Peace Poster Contest has reached its **35th** birthday! It continues to grow in popularity so much that over 600,000 children in 75 countries participate in it, annually. Children of the ages 11, 12 and 13 are given this invaluable opportunity to share their vision of world peace through the creation of a poster. The posters are judged on artistic ability, demonstration of the theme, and originality.

This year in District 14-C, we had **6** clubs that promoted the journey of peace by sponsoring and encouraging students to participate in the contest. I want to, personally, applaud and thank those clubs. The clubs that did participate in the sponsorship this year were: the **Apple City Leo Club** under the sponsorship and guidance of the Arendtsville Lions Club, the **Arendtsville Lions Club**, the **Dallastown Lions Club**, the **Jacobus Lions Club, Inc.**, the **Upper Adams Lions Club**, and the **Windsor Lions Club**. We had a total of **46** students creating and entering their posters in the contest this year.

It was a very exciting year for District 14-C with the Peace Poster Contest! We had some “**first-evers**” for our district.

Here they are:

- We maintained our number of, at least, 6 clubs participating in the contest for 2 years in a row.
- We had a student create an amazing poster 2 years in a row sponsored by the same club. (Thank-you, Dallastown Lions Club!)
- We had a club sponsor a Girl Scout Troop. (Thank-you, Windsor Lions Club!)
- And, for the last incredible first-ever: our first place District winner’s poster earned the achievement of 2nd place in the multiple District Competition. This means it was one place away from traveling to International Headquarters to be judged. (Thank-you, Autumn McCallum)

I hope all of these successes will encourage more clubs to get involved in the contest for next year. After having the opportunity to view the posters created through the years, I, truly, believe we have the **most** talented and **inspiring** students in all of the country right here in our District 14-C. We just have to give them the opportunity to be part of this wonderful journey.

In addition, the Lions International Essay Contest was created to offer an opportunity for visually impaired young people to express their vision of world peace. Information about the essay contest is available on the LCI website.

As mentioned earlier, the theme for 2022/2023 was “Lead with Compassion.” All of the students did a fantastic job in creating their posters and sharing their vision of world peace. Let’s celebrate this year’s winners!

Our district’s honorable mention winner is: Lydia Gemmill

Lydia is in 7th grade at the Red Lion Area Junior High School and a member of the Girl Scout Troop. Lydia was sponsored by the **Windsor Lions Club**. Lydia’s favorite subject is Advanced Humanities because she says her teacher is super sweet and she said that history is enticing to her. In school, she enjoys cross country track and Envirothon. She, also, enjoys horseback riding. In college, Lydia would like to study exotic veterinarian medicine to become an exotic animal veterinarian. She said she wants to be this because most vets are only for cats and dogs and exotic animals are kind of left in the dust. Lydia’s peace quote which she included on the back of her poster was, “**Peace begins with a smile.**”

Our district's 3rd place winner is Eli Dunn.

Eli is in 6th grade at the Upper Adams Intermediate School and was sponsored by the **Arendtsville Lions Club**. Eli's favorite subjects are math/science/art. He said he enjoys solving number problems and helping others when he finishes his work. He, also, enjoys drawing in art class. In school, he participates in the Math Club and the STEM Club. Eli, also, enjoys playing soccer, drawing, and doing crafts and playing video games. In college, he would like to study something related to math/science/art and pursue a career in one or more of those areas. Eli's quote about world peace was **"When things change inside you, things change around you."**

Our district's second place winner is Caelyn Tolar.

Caelyn is, also, in 6th grade at the Upper Adams Intermediate School with the contest being organized by the **Apple City Leo Club** under the direction of the Arendtsville Lions Club. Caelyn's favorite subject is math because she said it is a challenging subject that she can always improve on. In school, she said she enjoys band because she can get lost in the music and forget about anything that she was worrying about. Also, in school, Caelyn enjoys Math Olympiad, STEM, and Student Council. Out of school, she likes playing soccer as the goalie along with achieving her Black Belt in Karate. In college, she would like to study computer science and pursue a career involving computers. Caelyn's quote about world peace was **"To achieve peace, you must put others' needs before your own."**

Our District's First Place winner is Autumn McCallum.

And, as I mentioned earlier, Autumn not only achieved first place in our district competition, but, also, earned 2nd place in the multiple district competition. This means her poster was one step away from being sent to International headquarters for judging. Quite an achievement!!!! Autumn is in the 7th grade at the Dallastown Area Middle School and was sponsored by the **Dallastown Lions Club**. Autumn's favorite subject in school is English and Language Arts because she loves writing and reading. In school, she participates in orchestra and choir. She, also, enjoys drawing, Girl Scouts, and watching her favorite TV Show, Gravity Falls. In college, Autumn would like to study animation to prepare to someday follow her dream to work for Disney to share her love of art. Autumn's quote about world peace is **"Anyone can achieve peace, but, they need the motivation to do it."**

I am sure you can, readily, agree that all of the students did an outstanding job in creating their thought-provoking posters. We congratulate **Autumn, Caelyn, Eli, and Lydia** on their accomplishments and wish them continued success in their future endeavors.

The theme for 2023/2024 is “Dare to Dream.” As stated on the LCI website about the theme- a dream is a path, a goal, an ambition. And, it takes hard work. So, let’s give our children the chance to show how they will turn their dream of a peaceful world into a reality. Peace Poster kits for next year’s contest are now available to purchase on the LCI website. The cost of the kit is \$11.95 plus shipping. In addition, the Lions International Essay Contest was created to offer an opportunity for visually impaired young people to express their vision of world peace. Information about the essay contest is available on the LCI website.

I am, truly, looking forward to this coming year’s contest! Please let me know if there is any way I can help your club to become involved in the contest. I will, gladly, come to speak to your club about the contest or visit with the principal, teacher, counselor, advisor, etc. to make a presentation about the contest. It presents a wonderful opportunity for our children and it allows members of our community to learn more about the Lions Club and the many services we provide.
