A Message From the District Governor

District Governor
Keith Shoff

Fellow Lions, Lioness/Lions and Leos.

I have mixed emotions sitting here writing my last message to you as your District Governor. June concludes another Lions year. 2022-2023 is just a blur for me now. Each and every month brought new opportunities, friends and more excitement with ambitious activities from the clubs of District 14-C. However, this is not your normal June. We are not only concluding another Lions year, but Multiple District 14 (PA Lions) is approaching the end of their first century of service. Yes, the PA Lions are 100 years old.

I'm just returning from the MD 14 Convention which was held in Indiana PA. where this anniversary was celebrated. WOW - what an awesome event this was. 14-J was incredible in the planning and execution of the Convention. International President Brian and Lion Lori Sheehan arrived on Thursday afternoon and kicked things into overdrive almost immediately. His personality and enthusiasm are truly contagious and he can remind you to feel like the super heroes that Lions are. There were lots of seminars and meet and greets all weekend. Don't forget to put next year's MD 14 Convention on your list of things to attend. To see photos from this year's Convention:

<https://www.palions.org/photos-2/>

As we end this Lions year, please accept my most sincere and heart-felt thanks for the kindness, generosity, hospitality and support you have shared with me throughout my year as your District Governor. I especially want to THANK the members of my Cabinet for a job well done. Each and every one of you made this a year I will never forget. One person that does their job quietly in the background was my Program and Facilities Chair, Eric Nace. He's the first to arrive with the official District paraphernalia to get everything set up and he's the last to leave, tearing everything back down and toting it all home again. A THANK YOU just isn't enough to express my gratitude.

**THANK
YOU!**

A Message From the District Governor con't

It is my hope that you will extend that same level of support to District Governor-Elect Marty Zimmerman as he presents his goals and works to achieve them throughout the upcoming Lions year. We need to maintain our momentum for DGE Marty and his team into our second century of serving Pennsylvania and the world. Finally, remember that "We Serve" is more than a motto; it's a "call to action", "a way of life" for Lions. It is a call to donate our time, talents, and resources so our tradition of service can continue and so our beloved organization continues to thrive. Thanks, again, for your thoughts and prayers throughout the course of this past year and for allowing me to serve as your District Governor.

It's been a wonderful "ride" for me, one I'll never forget and I encourage you to invite others to join us on our Lions journey and *"Ride for the Brand"*

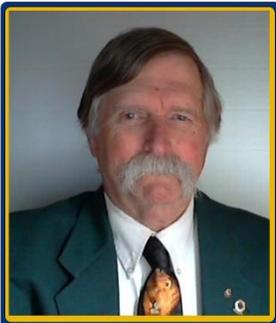

Until then, Lion Kathy and I wish you continued success in your efforts to meet the needs of your community and fulfill our motto, **"We Serve"**

Together we can. Together we will!!
Yours in SERVICE and Friendship.

LET'S ROAR!

A Message From the 1st Vice District Governor

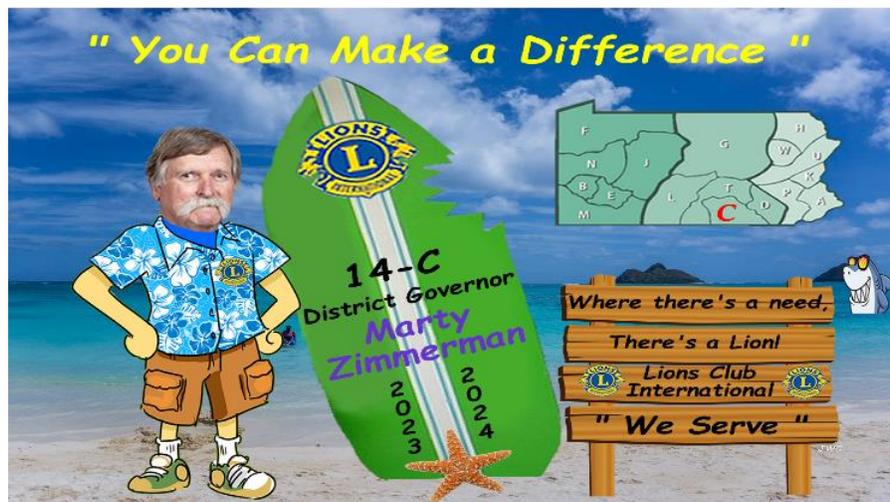

1st Vice
District Governor
Marty Zimmerman

Fellow Lions, Lioness/Lions and Leos:

Again, thank you for all you do. As June approaches, I know DG Keith has pondered where did the year go? It has been said when you are busy, time tends to fly by and I know DG Keith was very busy. I am humbled and honored by the support and assistance I have received throughout my journey in Lions. Hopefully, you can teach an Old Lion new tricks. During the past year, I have attended many learning activities to help prepare me for the upcoming year. I recall a psychologist, I worked with at a group home, stating that some people are guided by many years of experience, while others seem to have one year of experience over and over. Something to think about, when we

look at our action plans for our activities. As I have stated before, I have been encouraged by interactions with fellow Lions on the club, district, multiple district, national and international level. In these Lions, I see a passion for service, to provide aid to those in distress and in need in a compassionate and caring manner. In MD-14 we have an “awesome “(per International President Brian Sheehan) group of Lions. However, I feel we can do better. This is not a criticism but an observation. Again, every Club is not the same, each one of us is different and each of us brings different talents and skills, reflecting Helen Keller’s statement “Alone we can do so little, together so much”. I would ask each Lion to look at their club to see if you can hear a **ROAR?** Are you - **Recruiting** new members. holding **O**rientations, **A**ctive in service activities, and **R**etaining members?

With your help, I am confident the district 14 – C will continue to provide services to residents of Adams, Cumberland and York counties (and beyond) building upon our strong history service.

A Message From the 2nd Vice District Governor

**2nd Vice
District Governor
Galen Burkholder**

The **Multiple District 14 PA State Council of Lions Clubs 100th Annual Convention** was held May 18-21 at Indiana, Pennsylvania. The highlight of the event was guest speaker Lions International President Brian Sheehan. DG Daniel Elkins, Friday Luncheon speaker, was a standout as well.

The Convention was a once in my lifetime event. It was a blast and **FUN**. It was totally **AWESOME**. Couldn't wait to get home after being **Fired Up** by these two speakers. If you were not in attendance, you are sorry you missed it.

During his daily presentations, President Brian stressed three major things:

- **LEOs — “They are our present”**
He got me on this one. For a decade I have been proclaiming they are our future (Future for Lions Clubs). They are our present and we should be working hand-in-hand with them now. That way we will retain them in future as Lions Club members.
- **Membership**
North American membership continues to decline while Asian Club membership is exploding. If we are to maintain International Headquarters in North America, we need to halt the decline, and make positive gains in total membership.
- **Service**
This is why we exist. We Serve. We Make a Difference. Together We Can.

District Governor Elkins credited the growth of the Bellefonte Lions Club in Delaware to talking with young people. He stressed that communication is the key. "We ask them what they like to do," he said. When they say, "Play chess," we help them establish a chess club.

Whatever they enjoy, we help them bring it to fruition. When parents see we have an interest in their children, they take an interest in what Lions are doing. They either join or volunteer in service projects and then join. Following in their parents' footsteps, the young people then join later.

Let there be a lesson in this for all our clubs too and for our leaders in District 14-C. Absolutely sure the DG Elect Marty and I are fired up. As President Brian said, "AWESOME. Together We Can."

Thank you for your service.

Galen Burkholder

2nd Vice District Governor

A Message and Request from District Treasurer Phil

As DG Keith noted in the May newsletter, we are fast approaching the end of his term and with that, the end of the District's fiscal year. Accordingly, there are several financial tasks which will need to be completed before the end of the year. Most notably, the monies collected in the DG Projects Fund, as well as earmarked contributions received from Clubs, will be distributed to the designated charitable organizations before June 30th, actually June 16th so those organizations can make their deposits, update their records and give credit to the District for a 2022-2023 donation. So, any Club wishing to make a contribution to the DG Projects Fund, **please make every effort to have a check to me by June 15th to allow ample time for bank depositing and writing checks to the appropriate organizations.** (My mailing address is 18 Country Manor Lane, New Freedom, PA 17349.) Of course, this date is also applicable to any other checks payable to the District.

Further, to anyone and everyone who will require expense reimbursements or submit invoices for payment, can you guess the date when we'd like to have received all receipts, invoices, expense reports, etc.? Yep, you're right if you said **June 15th**! (Noticing a trend here?)

It will be much appreciated if you would please do your best to hit this date as it will make for a much smoother fiscal-year cut-off.

Thanks much and "make it a great day!"

Phil Olphin

New Lions Portal Information

Not much information has been released yet, but we are being told all reporting will be done from one landing page. No more jumping back-and-forth between MyLCI and MyLion. LCI is stressing the importance of making sure the member information in MyLCI is up-to-date and accurate prior to the roll-over to the new portal, which is expected sometime between July 1 and September 30, 2023.

It is highly recommended that Club Secretaries run the *Membership Information Update Report* for your club from MyLCI. This report will give you a page for each member that contains the information on file for them in the MyLCI database. Members can review their page, make necessary updates, and return the paper to you so you can make the necessary updates in MyLCI. Please encourage members to include an email address, which will be needed to access the new Lions Portal. Email is also the primary way members receive information from LCI and District 14-C.

We Serve!

From the desk of PDG Dennis Cope, Global Service Team (GST) Coordinator

As we come to the end of another Lion year, I am excited to see how close we come to achieving District Governor Keith's goals. We have already surpassed his service reporting goal of 80% of clubs reporting, but as I've stated previously, my goal is 100%. I am confident we will achieve that goal! What I'm really eager to see are the totals that result from that reporting and how it compares to previous years. It's always impressive to see the sum of the collective efforts of our Lions Clubs.

Past Council Chair Terry Hartzell from the Lions Club of Mechanicsburg recently shared a though-provoking "obituary" with me. It is a *fictitious* obituary for a Lions club. I have highlighted a few key parts of the obituary to emphasize some of the issues that lead to the club's demise:

"After 76 years of service to our community, our club was forced to close. As our **community changed**, we were **slow to adapt** and we saw fewer people requesting to join our club. Because we wanted only quality members, we **did not actively recruit new Lions**. We focused upon retention, so we continued doing what our existing members wanted to do. When we declined in membership, we felt that if we just kept serving, all would be well. We felt that our Service spoke for itself and we did not want to appear prideful, so **we did not aggressively promote our club in our community**. We continued with the same projects and found that fewer people were interested in participating in them. **As we aged, we were not able to continue with some of our traditional projects so we focused more on writing checks and less on hands-on service**. Covid came and we could not meet in person so we lost contact with some of our members. After Covid, we continued to meet for lunch and enjoyed each other's fellowship, but outsiders were not attracted to our small group of close friends. Starting a branch did not appeal to us as we wanted to stay in our comfort zone. As our numbers dwindled, we **repeated our officers**, and when my wife and I tired of being the President and Secretary/Treasurer, and no one else stepped up, we decided to stop meeting and close the club."

Does this obituary remind you of your club? If it does, it's not too late to make changes. Your club is not yet dead, and it can be rejuvenated. Just ask the folks at Pinchot Park Lions Club, which started this Lion year with 5 member and now has 15 members! You can rejuvenate your club, and the District 14-C leadership stands ready to help. Next month, my article will contain some ideas to bring life back to your club. Until then, here are 5 more service project ideas for your club to consider.

Service Project Suggestions Related to Lions Clubs International's GLOBAL SERVICE CAUSES

Here are five new suggestions for service projects. Each project relates to one of Lions Global Causes: Vision, Hunger, Environment, Diabetes, and Childhood Cancer. Perhaps these ideas will pique your interest and look like something your club could do later this Lion year. I am ready and willing to help in any way I can. Feel free to contact me by phone or email to start the conversation. Five new suggestions will appear in next month's newsletter.

Hanover Holds Successful Chicken BBQ

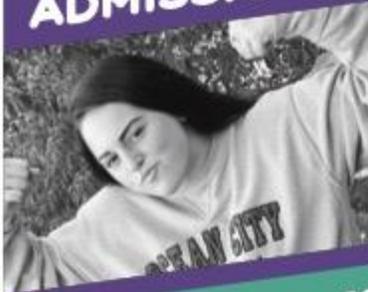

Left to right: President Matt Wootton, Ann Brumback, Mary Perkins, Tom Staub, Dave Zinn, Gerry DeGroft, Todd Boller, Steve Rutters, Jole Hager, and Marilyn Shultz

The Hanover Lions Club's Annual Chicken BBQ has been a long-standing treat for the Hanover community since the 1960s. On May 13, the club continued their tradition in serving the citizens of Hanover with a complete chicken meal. The club is grateful for the support in this fundraiser. Proceeds will go toward assisting the club's efforts to provide financial backing for several local service oriented organizations throughout the year who are aligned with the Lions Club's five service pillars (diabetes, environment, hunger, pediatric cancer, and vision). Pictured are the members of the Hanover Lions Club working the first shift in various capacities. Many hands made for light work, members had fun, and feedback from customers indicated the food was delicious. Success all around!

Hanover and West Manheim Conduct Vision Screenings

Todd Boller and John Zinn (Hanover Lions) volunteered at West Manheim Elementary and Park Hills Elementary Schools.

The Lions Clubs of Hanover and West Manheim were back in action during the week of May 8-12 and again on May 15 to conduct vision screenings at the South Western School District's elementary schools for the youngsters registering for Kindergarten in August 2023. Zone Chair Todd Boller participated at all of the screening sessions every day that covered hundreds of children expected to begin next year at Manheim Elementary, West Manheim Elementary, Baresville Elementary, and Park Hills Elementary Schools. Pictures taken with a specialized camera allows for an immediate indication that a child might have sight difficulties. Resulting recommendations are shared with the parents so they know if they need to follow up with an eye care professional.
