A Message From the District Governor

**District Governor
Doug Nace**

July 2025, the first month of the Lions Year flew by. I attended a few Lions events on Independence Day, attended the Lions International Convention in Orlando Florida and helped out at the York Fair. It was so good to see Lions in action and being part of the communities. This is the heartbeat of Lions.

The Lions International Convention was a five day event. The festivities begin with the Lions Parade of Nations. The parade was led by the International Family and dignitaries. This year there were 159 groups which consisted of 116 nations and 43 states from the USA. Pennsylvania had a great turnout for the parade and District 14-C was well represented.

The convention floor had different vendors and LCI booths to help individuals with any questions they might have had pursuant to Lions. Olympic swimmer Michael Phelps was a Keynote Speaker. He spoke about mental health and how he has dealt with it throughout his career and after.

Our new Lions International President, A.P. Singh gave a powerful acceptance speech. At one point he walked to the end of the stage, took off his coat, loosened his tie and came out in to the audience. His point was no matter what the title is before your name we are all Lions and we all took the oath to live up to the Lions motto "WE SERVE". He returned to the stage and told the individual that was hand signing to the deaf to take a 10 minute break. President A.P. Singh continued his speech and did all the hand signing himself. Here are a few excerpts from his speech.

President Singh

“When people work together, amazing things happen. Friendships form, leaders arise and communities change for the better. But it all comes down to one thing — service. Our sole purpose as Lions is, and always has been, to serve those in need. With “We Serve” as our motto, we will focus on bringing kindness to our communities and our world. This is a call for Lions to show our world that change is possible, and that we are working every day to be the change that our communities and our world need. We know that we will need to work together to lead our communities, strengthen our clubs and achieve our MISSION 1.5 goal of reaching 1.5 million members by July 1, 2027 so we can serve more people than ever before. Together we have an opportunity to take the lead on service and guide the way toward a brighter future. I have always believed that at the heart of our service you’ll find kindness, commitment and generosity for the many people we serve — and for the incredibly diverse family of Leos and Lions with whom we serve. Together, we will make our communities and our world a better place for all people.”

As you can see we have been given a challenge and I know our Great District is willing and able to accept the challenge of suppling more service to those in need. As our President implied, working together, amazing things happen. Again, I am so proud of District 14-C and the accomplishments you have done in the first month of this Lions Year. Thank You all for everything that you do.

You are a Lion and you are Special.

“WE SERVE”

Lions, LEOs of District 14C

I'm sitting at my keyboard, tuned in on YouTube, listening to our newly inducted International President, Arvinder Pal Singh, deliver his inspiring message to Lions and LEOs around the world — live from the International Convention in Orlando, FL! Yes... I'm multitasking — but isn't that what Lions do best?

President A.P. Singh's theme for this year, *"Lead to Serve, Serve to Lead."* "This beautifully reflects the spirit of Lions. Leadership rooted in service and service that inspires further leadership."

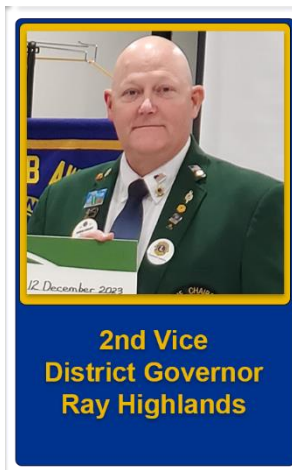

He reminds us that as Lions, we must lead with a heart for service... to listen, embrace, and lift up the voices of young people, women, and new members — giving them space to grow and lead alongside us.

I challenge every Lion and LEO to listen with your heart, open your mind, and let your spirit guide you. Let's embrace new voices, empower each other, and continue shining our light as we serve and transform our communities — together!

A Message From the 2nd Vice District Governor

Hello Lions and LEOs throughout District 14-C

As we move into month #2 of the 2025-2026 Lions year, Lion Lisa and I attended our first International Convention in Florida. One thing you know about Florida in July is it is hot, and it will most likely rain at some time in the afternoon. Attending the convention was a wonderful experience and I would recommend to all Lions to attend at least one International Convention. We have several coming up that will be very close, but next year is Hong Kong.

Attending the convention plenary meetings or while moving through the different breakout meetings of the International Convention you get the opportunity to meet many people from all over the world. People recognize the Pennsylvania Green and White. It was an honor to talk to people and hear the stories of how people became Lions and what they do each day on their Lions Journey.

As Lions we all get the opportunity to work and support the needs of others and we do occasionally get a thank you, but at the International Convention I was chased down my Immediate Past Council Chair George Suggs from North Carolina who had to stop the first PA Lion he could find and I was honored that it was me. He talked in depth of the impact of Hurricane Helene in 2024 and the loss in the many communities affected by the flash flooding. IPCC George also talked about the impact both in the community and emotionally when the PA Lions showed up with truckloads of supplies and the PA lion volunteers willing to roll up their sleeves and get to work helping cleanup and helping run the massive warehouse that moved supplies into the impacted area and run by local Lions. He also talked about the great feeling he received when he saw the logo on the PA wrapped trailers.

Our Lions journey and the impact our clubs have in our communities, are what we make of them, and stories like IPCC George's brings back the fire inside and puts a strong meaning to "WE SERVE."

York Fair

1. It has been completed successfully for another year.

2. Volunteering:

- If you worked a shift or more, thank you.
- If you didn't work at all, I encourage you and members of your local Club consider for next year.
- Members of Shippensburg Club have never (to the best of my knowledge) volunteered. The Shippensburg Community Fair is the same week.
- This year, members of Shippensburg worked 10 shifts.
- It is an opportunity to make new friends and to meet Lions from other Clubs.

State Council

1. Council Meeting #1.

- By the time you read this Newsletter, the first Council Meeting will have occurred already.

District Cabinet

DISTRICT INFORMATION TECHNOLOGY & WEBSITE

LET'S GET THE WORD OUT ON THE GREATEST SECRET.
LET'S TELL THE WORLD WHAT WE DO!

One of the key projects District Governor Doug wants is the people in Adams, Cumberland, and York Counties to know what Lions do. People are not going to come to Lions and join if they do not know who we are, and all the good service we do.

The [District Website](#) has had a face lift and I am always looking for pictures and events to post on our website in our [Photo Gallery](#) and under the [Lions Impact, Accomplishments, & Awards](#) page.

Check the [Lions District 14-C Facebook](#) page.

Send me events that your club is doing, and I can post them on Facebook, both before and after. Take the time to link your Facebook page with the [District Facebook](#).

Check out the [Lions Districts 14-C YouTube](#) page. This is where training, necrology, and other videos will be stored and be accessible.

The district has a [calendar page](#) for posting club events and district and multi-district dates. Have a club event, let me know and I will add it to the District calendar.

If you have corrections, information, photos, or anything please reach out to lionsdistrict14C.fb@gmail.com

Paws for Thought

By LD Puppy Raiser Robbie Teal

I received an email from Leader Dogs a few days ago and thought I would share with everyone. Congratulations to Mechanicsburg Lions Club!

A huge thank you to you and the Lion members nationally and internationally who supported Leader Dog this year. We were able to raise over \$2.2 million to go towards serving those who are blind or low vision. During the 2024-25 fiscal year, Leader Dog celebrated 85 years of service. In those 85 years we have been able to serve:

- **15,957** Guide Dog Clients
- **1,631** Orientation and Mobility Clients
- **23** Teen Orientation and Mobility Clients
- **302** Teen Summer Campers

That is over 17,900 individuals in the United States and 16 other countries!

We would also like to give a big round of applause to the **71 Lions Clubs** who became a Top Dog Club this year! These clubs donated \$5,000 or more in one fiscal year showing a deep commitment to our mission. This years Top Dog Clubs were:

Shrewsbury Centennial Brings Back Community Parade

The Shrewsbury Area Centennial Club hosted their first parade in Shrewsbury Borough on June 28, 2025. The parade had been a community tradition for years but stopped several years ago due to a lack of a sponsor. The club took up that role this year and had a successful event that featured 75 business, nonprofit organizations, dance groups, bands, and fire companies in the parade. Community response was high so the club plans to continue this tradition.

New Freedom Bestows a Leader Dog Award

The New Freedom Club awarded a Leader Dogs for the Blind Tribute Award to Nathan Warner, son of Lions Nikki & Matt Warner, at our carnival held during 4th of July week. Nathan, each year, holds a Restaurant Night at his home with the assistance of his parents, friends, and family. He uses the funds raised to support a cause or assist a local community member in need. This year, Nathan sponsored a Leader Dog puppy!

Stewartstown Works Local Carnival

The Stewartstown Club worked two booths at the annual Eureka Volunteer Fire Department Carnival. The club sells crab cakes and walking tacos in one booth, with the second booth featuring ice cream from Bonkeys and frozen chocolate covered bananas. Lions family members along with members of the New Freedom Club also helped to staff the booths, which were a big success, despite losing two nights of the carnival to rain.

The Deadline for the September Issue is August 23rd

Newsletter Guidelines:

- Articles should be Word or PDF documents.
- Send all pictures separately and send the originals, not copies downloaded from Facebook or social media. This helps me resize and re-render them to fit our guidelines.
- Pictures should be JPG or PNG files.
- Include the names of everyone in the picture. Pictures without identifying information will be the first ones cut for space.
- Tell us something about the event or organization you're supporting. The more information you provide, the better chance of your article being included.
- You **MUST** include your name and the name of your club in the email submission. This isn't related to size requirements but ensures your email will be read. Emails that contain nothing but an attachment often get sent to a Spam folder or blocked altogether. By putting your name in the email, I also have someone to contact if I have questions.
- Flyers, posters, and brochures cannot be more than one page. You may send a longer piece, but it will be cut down to be only one page and it's always better if the submitting club makes those changes instead of me.

Submit articles to the following email:

Susquehanna Supports Beacon Lodge

On July 12th 2025, the Susquehanna Club sponsored Donna Moose who has been a Beacon Lodge camper since 1981, 44 years. The Club has sponsored Donna and provided her transportation to and from Beacon Lodge every year. Donna had lunch on the way up this year with President Don Fries, Past Presidents Tim Heilman, Mike Fahs and Scott Wojtkowiak, shown with Donna at registration.

On July 12th 2025, President Don Fries and Past Presidents Tim Heilman, Mike Fahs and Scott Wojtkowiak met with Kelly McMullen, Director of Programs at Beacon Lodge and presented her with a \$3,000 check in support of camp activities at Beacon Lodge.

Lions Clubs International

FOUNDATION

The ABCs of LCIF

PDG Keith Shoff

Our hearts break for those who have been devastated by the catastrophic flooding in central Texas. Heavy rainfall causing flash flooding, as the Guadalupe River turned into a torrent in the early hours of July 4, devastating these areas. More than 130 people were killed and some still remain missing, including dozens of children. The flooding displaced many people, destroying homes and severely damaging critical infrastructure, including roads and river crossings. Rapid Response Teams from all across the country were immediately dispatched, and are still on the ground, giving support for grieving families and doing search and recovery.

When a humanitarian crisis of this magnitude strikes, we, as Lions, are ready to help. Right beside us is Lions Clubs International Foundation (LCIF), our global foundation. LCIF is mobilizing funds, including Emergency Grants and a US\$100,000 Major Catastrophe Grant (MCAT), which was approved on or before the 7th of July to empower Lions in the impacted areas to help their communities recover.

The Texas Lions Foundation has been communicative via Facebook. Their recent posting has prompted a few questions, so I wanted to take a moment to offer some clarification. The Texas Lions Foundation is currently asking for donations to be sent directly to them. While individuals and clubs are welcome to give as they choose, please note that contributions made to organizations other than LCIF are *not* eligible for Melvin Jones Fellowship (MJF) credit.

While we fully respect and recognize the value of state foundations, it's important to remember they operate independently and are not officially affiliated with LCIF. Most significantly, they do not have the global grantmaking capacity that LCIF offers in times of crisis. That's why LCIF exists — to be ready and able to respond when disasters strike and communities need us most.

This newly approved MCAT grant is just one example of how LCIF can act swiftly and substantially, thanks to the generosity of donors like you and Lions across CA I and around the world. While local giving may feel more immediate, LCIF provides the structure, scale, and global reach to deploy major relief quickly and strategically — and ensures that every gift counts toward meaningful recognition through MJF.

Giving to LCIF's Disaster Relief Fund supports more than one crisis — it strengthens our ability to respond to the next one. That readiness is what sets LCIF apart, and that's the power of *your* Foundation. With the changes made in 24 / 25 Lions year, YOU can now actually designate that your donations are used specially for the Texas flooding or any other disaster you choose.

I hope this helps answer any questions you may have or receive from others and gives you some helpful talking points when sharing this message with your fellow Lions and community members.

As I'm writing this, our very own Commonwealth (PA) is trying to recover from a series of Flash Floods which left many areas with destruction. I'm trying to verify if and who might be applying for Disaster Grants here in PA, and will keep you informed as new I receive info.

Just as a reminder ... EVERY penny you donate goes to helping those in need.. It's actually quite simple for you to participate!!

When making a donation to your Foundation. Checks should be made out to “**LCIF**” in whatever amount you wish to donate. On the memo line write either “Empowering Service Fund **or** Disaster Relief Fund. If you want your donation to go to a specific cause, that should be written in the memo line. You can personally send the check to LCIF, but better yet, let me send it in and I will see to it that you get any and all recognition for your donation. Thank You for donating to YOUR Foundation !!!

Lions International Peace Poster and Essay Contest

Winnie the Pooh and his animal friends have the right idea as they demonstrate this year's Lions International Peace Poster Contest theme, **"Together As One."** As quoted from the LCI website, "When we come together, we can do amazing things. This year, we're inviting students around the world to envision what can happen when a diverse group of people unites around a common cause or goal. Imagine a world where we all come together as one!" I can not wait to see how the talented students in our district portray this theme in their amazing posters! I bet you can't, either!

Make **2025** the year to sponsor a group of creative students in District 14-C to express their vision of world peace through their beautiful art and originality. As school buses are getting ready to roll with excited students, this is the perfect time to contact and share with a principal, a teacher, a church school group, a home school group, a Scouting group, etc. about the Peace Poster Contest and how it gives children the opportunity to express their vision of world peace. You can order a physical Peace Poster Contest kit online at www.lionsclub.org or order a digital kit and download it and print it to save on the shipping costs. Or, you can order by phone by calling Club Supplies Sales at (630)571-5466 or 1-800-710-7822.

The Lions International Peace Poster Contest is open to children ages 11-13 as of November 15. Each poster is judged on originality, artistic merit and expression of the theme. Posters advance through several judging levels: local, district, multiple district and international. At the international level, judges from the art, peace, youth and education and media communities select one grand prize and 23 merit award inners. One international grand prize winner will receive \$5,000 and a trip to a special award ceremony at the International Convention. Each of the 23 merit award winners will receive a cash award of \$500 and a certificate of achievement.

Lions clubs around the world are, also, encouraged to sponsor students in the Lions International Essay Contest. The Essay Contest was created to offer the opportunity to visually impaired young people to express their visions of world peace. The theme is, also, **"Together As One."** Students who are visually impaired and who are of the ages 11-13 as of November 15 are eligible to participate. The Essay Contest rules and application are available on the LCI website.

Please let me know if there is any way I can help your club to become a supporting sponsor of children in this contest. You may contact me at hullmann@aol.com or (717)600-7642.
